**Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)**

- General Charitable Purposes

- Economic / community Development / employment

The recreation ground is used formally by Awsworth Bowls Club and Awsworth Cricket Club. Both organisations have programmes for young people to learn the required skills. We also have informal football, basketball and skateboarding. The recreation ground is also used by the general public for picnics, exercise and general relaxation.

The recreation ground is maintained primarily by Awsworth Parish Council.

Awsworth Village Hall underwent a large refurbishment a few years ago and this has helped to encourage more people/usergroups to base their activities in the hall.

The Village Hall Manager continues to promote the hall positively resulting in even more regular bookings.

We have now purchased a Bouncy Castle and offer this in a children's party package. This too has increased the usage of the hall.

There is more to do, but with 3 / 4 fundraising events in the hall every year and improvements with the Bar facility which allows us to have more weddings, engagements, birthdays etc we can reinvest to make the facility even better.

In planning the future activities, the trustees reviewed the guidance on public benefit at their trustees meeting to ensure everything we do abides by this guidance.

## Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment.
- contribution made by volunteers.

We do not provide grants.

Our programme of events for the year allows us to reinvest in the facility. Each year we intend to provide different/more events to keep it fresh and provide more funds for reinvestment.

Apart from the Village Hall Manager, all members of the management committee are volunteers. Their involvement in the management of the hall and assistance with events is a tremendous help and assists with cutting costs.

## Section D

## Achievements and performance

### Summary of the main achievements of the charity during the year

In the last year the usage of the village hall has improved greatly, and we are probably now close to 85/90% usage. We have replaced the main Electrical Control Panel and built a new electrical cupboard. We have provided additional Activities like wrestling and Ferret Racing to widen our audience. We have purchased new chairs. We are having an Energy Review shortly to see how we can provide efficient and Environmentally friendly heating.

## Section E

## Financial review

### Brief statement of the charity's policy on reserves

At present we do not have a policy on reserves, mainly due to the hall losing money over the last few years and the poor condition. Our main aim at present is to restore the village hall to a well-used facility for the village and local area which will allow us to start to make a profit which can then go into a reserve fund allowing us to be self-supporting. At present Awsworth Parish Council are acting as a small reserve to allow us to build up these funds. Covid-19 grants have allowed us to gain a small reserve.

### Details of any funds materially in deficit

None

### Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.

The charity receives its funds by hiring out the hall to regular users and individuals for special events (Weddings, Engagements, birthdays etc) and having its own fundraising events (3 / 4 a year). We used to receive a grant from Awsworth Parish Council, but that has now stopped due to our ongoing success. Our intention is to continue to invest our profits into providing even better facilities. We can now provide conference facilities.

## Section F

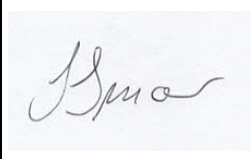

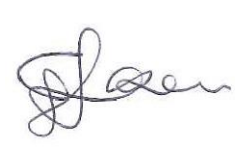

## Other optional information

We have invested the Covid-19 grants and profits from hiring out the Village Hall to improve the facilities yet again and will continue to do so. We are also in the process of applying for planning permission to build an extension to provide a Community Café.

## Section G Declaration

The trustees declare that they have approved the trustees' report above.
