The 162nd show was blessed with fine weather again, albeit a little breezy in the morning!

WiFi on the show field, provided free of charge by B4RN, was appreciated by both our trade & craft customers and visitors alike and facilitated our new point of sale terminals on the gates.

Our new ticketing system enabled advance sales of 341 adult entries.

On the day the new point of sale terminals worked as expected and gave us the most accurate attendance figures ever. 1320 adult entries were sold on the day with a 50:50 split of card vs cash sales.

The ticket price on the day was £10 with advance sales discounted to £8 prior to August 1st (56) and £9 prior to August 10th (285). Gate takings, net of costs, at £13581 were up on 2022 (£12454) and exceeded the previous high of 2018 (£13,000).

Given last years deficit a strict budget for both income and expenditure was set this year with a view to generating at least a £5000 surplus. I am pleased to report that this target was exceeded as we generated a surplus of £7062.

Most notably Stella Douglas deserves enormous thanks for her tireless grant application efforts achieving £9350.

The pricing structure for T&C was updated this year and we achieved a record £3470.

Net our total income was considerably higher than previous years at £38959.

Marquee and equipment hire costs were higher this year as well as our main attraction which was booked later than ideal and was not our first choice.

We purchased a new fridge for the members tent, to improve the offering, and replaced the old fridge and freezer for the judges/stewards with another new fridge.

All of the compensation cheques (£500) have been cashed this year.

Show related expenses whilst significantly less than last year are still higher than historical average.

On the plus side a further reduction in insurance cost was achieved for the same level of cover.

Net our total expenditure was down on last year but higher than budget at £31896.

Overall we have turned a £10663 deficit last year into a £7062 surplus this year and our current balance is £19232.

A commendable performance, well done to everyone involved in putting on another fabulous show.

Finally, I would like to thank Brendon Jackson who has kindly audited the accounts for us again this year.

Slaley Show Treasurer's Statement – 2022

Total Funds 31 st October 2018 =	£23,253.01
Total Funds 31 st October 2019 =	£13,435.81
Total Funds 31 st October 2020 =	£22,955.30
Total Funds 31 st October 2021=	£19,361.13
Total Funds 31st October 2022 =	£22,833.27

After three financially uncertain years (due to show cancellation in 2019 and lack of shows in 2020 and 2021 due to COVID restrictions) it is positive to see a surplus of £3,472.14 from the long awaited 160th Slaley Show. This brings the total assets back up into pre-2019 region.

We have been fortunate to receive two generous grants during this financial year. Firstly £500 from Slaley Parish Council and more recently £1500 from Slaley Community Shop. £700 of the latter of these has been used to purchase a new second-hand marquee – for use both of the local community and by Slaley Show. It has been proposed to use the remaining amount to purchase a further gazebo and metal sheep hurdles.

Aside from the purchase of the mentioned marquee, we also invested £700 for a tarpaulin to cover a damaged storage container.

There is a balance of £22,833.27 as of 31st October 2022.

I would like to thank Brendon Jackson who has kindly audited the finances for us this year.

After a successful return in 2022 I sincerely hope the show continues in this manner for next year.
