Achievements and performance

Summary of the main achievements of the charity during the year

So through the community grant fund that we received we literally managed to change a derelict room literally falling to pieces with damp and rotten walls ,into a fully fitted kitchen /warm hub and thriving essentially needed food bank ,where we now supply food and meals For the struggling families and young people of seacombe

We also now have a brand new central heating system.with brand new boiler New radiators as we previously had no heating to keep the place warm for the families and young people

we also managed to fix some external building requirement's including parts of the main hall floor and renovated parts of the back room
We Fully decorated the inner of the kitchen area

We also managed to get a first aid and defibrillator fitted at the centre

The overall success of this now vitally needed food bank has helped so many families from the area and also added more safety of the premises
