Governing Document: Trust Deed dated 23rd September 1974

Objectives and Activities

In the Trust Deed of September 1974, the grounds and village hall building are dedicated to be held ... "For the purposes of a village hall for the use of the inhabitants of the parish of Stramshall near Uttoxeter in the county of Stafford without distinction of political, religious or other opinions including use for meetings, lectures and classes and for other forms of recreation and leisure-time occupation with the object of improving the conditions of life for the said inhabitants."

The Village Hall continues to play a central role in village life, providing a space for the community to meet, play, learn and exercise. The Committee hire the hall for events for example christenings, weddings, funerals and parties. A variety of external groups hire the hall to provide activities such as dance, exercise and arts. The village hall also is the venue for the local Beavers, Cubs and Scout troops and is hired by the local Parish Council for meetings and the East Staffordshire Borough Council as an election polling station. The Committee also run a weekly community coffee morning free of charge for any residents to attend. The village hall is also registered with the ESBC as a rest centre in the

event of a major incident occurring within the borough where urgent emergency accommodation is required to help residents. The use of a rest centre would be a last resort when other options have been considered by ESBC e.g. local hotels, friends and family.

In providing these activities and commitments at the village hall, primarily for the residents of Stramshall, the management trustees have demonstrated regard to the guidance issued by the Charity Commission on public benefit.

Policies and Procedures

To guide the Management Committee in exercising its duty of care to members, employees and users of the Village Hall, the following policy statements have been adopted:

- Health & Safety / Fire Risk Assessment
- Asbestos Management
- Safeguarding
- Noise
- Equal Opportunities
- Whistle Blowing
- Conflict of Interest
- Social Media
- Complaints
- Finance
- Reserves

Copies of these policies are available to new Trustees and are reviewed annually.

Achievements and Performance

1. **Holding Trustee future security:** We, the Management Trustees, identifies three new volunteers to replace the Holding Trustees vacancies, these are Mr Anthony Forbes, Mr David Bailey and Mr Steven Dobson who have now been added to the Trust Deeds by amendment dated 27th September 2024 along with Mr Eric Ody, an original Holding Trustee.
We are also looking to invest the trust with the Charities Commission.
However, the Village Hall and land needs to be “registered” with the Land Registry prior to the Trust Deed update. We have engaged Nowell Meller Solicitors to carry out this work.
2. **H&S, Asbestos and Fire risk assessments:** To ensure safety for users of the village hall, these risk assessments have been carried out and all significant risk have been managed to low risk or the risk removed apart from the fire door which is scheduled to be replaced in 2024-2025. The policies are reviewed at least annually.
3. **Fire escape route pathway and access to carpark meeting point:** It was recognised by the committee and members of the public using the village hall, that the fire escape route was less than optimal. The fire door had a high step, making it unusable for wheelchairs and once exited from the hall, the exit route to the fire meeting point was either via various sets of unlit steps or across an unlit grassed area and up a grassed bank to the carpark. This became a big project requiring the finance from ESBC (WEP grant), the URPC (grant) and self-funding. In addition to these critical factors, the front door was also rotten and as a fire exit was included in

these improvements.

New doors were fitted, a wide footpath put around the village hall with steps and handrail up to the car park. Wheelchair escape is now via a flat pathway with gentle slopes. Emergency lighting was also included in the installation such that the path would always remain lit in an emergency.

4. **Coffee morning:** Introduced a fully funded (by grants) social coffee morning to provide the community with a community space and have encouraged visitors to advise on various community issues. Funding from the ESBC for Warm Space initiative and Trent and Dove Housing for the Community Coffee Morning. With the funding from the ESBC, we have also been able to improve our hall facilities as we were able to purchase seven new tables and 14 new chairs to replace old worn-out heavy tables and chairs.

5. **Village Hall promotion:** It was noted that there was little signage to the village hall and there was no signage at all at the village hall and this had been raised by visitors to the hall. It was decided to replace the old direction sign to the village hall with a more visible sign and to put a larger village hall sign on the building itself for visitors to identify the building. This was funded by donation and a small payment from village hall funds.
Additionally, we have worked with the University of Staffordshire and in support of an MSc post graduate project, we developed a new website and social media facilities which are now used regularly to promote activities at the village hall.

Other Information

The Management Committee reviews the risks it faces and carries insurance with a specialist provider of insurance to Village Halls.

We are members of Support Staffordshire / ACRE who provide a wealth of guidance and support.

The premises are not licensed but do carry a PRS & PPL music licence to allow the playing of music at our events.

Financial Review

The Stramshall Village Hall has three principal sources of funds:

1. Hiring income: It is the strategy of the Management Trustees to manage the revenue budget on a self-financing basis i.e. The hiring fees are set to cover running and maintenance costs. (36%)
2. Grants/donations: Grants are also be sought where possible and donations are received when no money laundering is perceived. (59%)
3. Fundraising: The committee may organise fundraising activities to fund new equipment. (2%)

The Village Hall generated approximately £29,500 in income over this financial year and spent just over £33,800. The majority of this expenditure was required to establish a safe fire exit route from the hall to the fire meeting point in the carpark. This included the replacement of an unsuitable fire exit door and new front door that was rotten. Other costs have been made to enhance the heating in the toilets whilst ensuring the repair and maintenance to the building and its surroundings. The funding for this work has been split between hall hire fees, grants and donations and fundraising events. The deficit of £4,300 on the year is less than last year, and is a managed spend of available funds on essential works that have built up over several years. Such needs are now declining. On this basis the deficit is still not considered a concern for the Committee as the bank balance remains healthy. However, the Village Hall still needs to refurbish the main hall floor, planned for 2025-26, review the suitability of the male and female toilets and the tiled flooring throughout the remainder of the village hall. Longer term concerns still remain with the oil heating system though consideration to using 100% renewable diesel alternatives (HVO), possible solar panel installation and the asbestos floor tile encapsulation.

The main hall wooden floor refurbishment has been scheduled for August 2025 and will be funded principally by donation/grant from JCB Charitable Trust and possibly the Uttoxeter Rural Parish Council whilst remaining funds will come from existing funds.

Stramshall Village has no gas as the village is off grid. We therefore operate an oil-fired air heating system which is serviced annually and purchase oil on an as required spot pricing basis. Alternative heating systems have been investigated and are not currently considered viable.

Our electricity supplier is currently EoN (1-year contract) due to expire October 2025, when it will transfer to British Gas as a better rate has been secured.

Our insurance is with Community First and again is on a 3-year contract expiry May 2027.

In January, our water supplier has been changed from Pennon Water to Everflow as a lower cost has been achieved via agency "T150".

Grants unless otherwise stipulated at the time of Grant approval, are maintained as Restricted Funds. The remaining funds are held to fund normal operating costs including maintenance and to effect improvements in the Hall's facilities.

The level of hiring income this year has provided sufficient finance to meet our regular expenditure and given a modest profit which has been spent to cover additional costs such as the replacement new front doors, paying the VAT component of the major grounds works that was not covered by the ESBC grant.

At the end of the financial year on 31st March 2025 the Hall held £32,309 funds in its bank accounts, Income bonds and petty cash. Committed funds for the floor refurbishment in August 2025 are £3,840

Self-Funded projects

At the start of the Village Hall financial year, it was evident from feedback from Villagers and to the Management Committee that there were several significant projects that needed to be addressed as a matter of urgency.

Project	Project total cost	Project status
Establishment of Holding Trustees and Land Registry	£1,340	Ongoing
H&S required hall improvements		Ongoing, although all current issues resolved
New fire door and new front door	£5,690	Complete
Fire escape pathway, steps and lighting VAT payment	£1,200	Complete
Signage for the village hall	£54	Complete
Garden border plants VAT	£20	Complete
Heating in toilets VAT	£150	Complete

Reserves Policy

The Stramshall Village Hall holds a total of £24,000 in reserve, on the basis of unforeseen major repairs/refurbishment works £20,000 plus a significant loss of income from 2 or 3 user groups £4,000. This is held as £8,000 in Income Bonds and £16,000 in the HSBC Business Money Manager account.

Donations

The Committee is grateful for all donations, both in cash and in-kind support from our volunteers. A total of £750 was received as cash donations from local people in the year.

Project	Project total cost	Project status
Signage for the village hall	£384	Complete

Grants

Grant funding was received towards a few projects and is therefore regarded as restricted funds to these projects:

Grant provider	Purpose of grant	Grant Value	Project total cost	Grant fund status
East Staffordshire Borough Council	Fire escape pathway, steps and lighting	£12,000	£12,000	Spent
East Staffordshire Borough Council	Plants for garden border	£108	£108	Spent
East Staffordshire Borough Council	Heating in toilets	£750	£750	Spent
East Staffordshire Borough Council	Warm Space	£1,800	£1,800	Spent
Uttoxeter Rural Parish Council	New fire door and new front door	£800	£800	Spent
Trent & Dove	Community Coffee morning (received 2023/24)	£1,000	£413	£587 carry forward to 2025/26

Restricted funds

Restricted funds as of 31st March 2025 amount to £607 which is the residual funds from the Trent and Dove grant funding for the coffee morning and money held as Key deposit for two regular booking groups. There is no end date to the use of these funds, though the Trent and Dove grant is to be spent on the provisions of the coffee morning and its running costs (allocation towards energy costs). The key deposits will be returned to the relevant groups when they return the keys and the groups no longer hire the hall.

Structure, Governance and Management

The Stramshall Village Hall and the land on which it stands is owned in Trust with four Holding Trustees; Mr Eric Ody, Mr Anthony Forbes, Mr David Bailey and Mr Steven Dobson. The Management committee has undertaken actions to register the property at the Land Registry and intends to vest the Stramshall Village Hall with the Charities Commission for future security. A Holding Trustee is NOT allowed to be a Management Trustee on the Management Committee.

The Management Committee: The Trust Deed governs the appointment of trustees and the management of the charity. The Trustees are elected at the Annual General Meeting held in May (or as close as possible thereafter). Each trustee serves for one year and is eligible to be re-elected. All trustees must be over 18 years of age.

In addition, up to 7 regular user groups are entitled to nominate one trustee as their representative. The maximum number of trustees is 15.

The trustees form the Management Committee of the Village Hall, which has the power to co-opt up to 2 further trustees on an annual basis to represent the interests of the village or fulfil a role as part of the committee.

In the period 1st April 2024 to 17th October 2024, we had 10 Management Trustees at which point one Trustee stepped down, so until 31st March 2024 we continued with 9 Management Trustees:

Management Trustee	Position	Representative	Start/End date
Peter Wright	Chairman / Hall manager		
Rebecca Francis	Vice Chair	User – Stramshall ACE	
Pat Cliff	Secretary / H&S rep	User – Ladies Dance	
Fay Phoenix	Bookings secretary / Safeguarding officer		
Catherine Wright	Bookkeeper	User – Arts & Crafts	
Anne Dobson	Complaints officer		
Nick Crosby	H&S rep	Parish Councillor	
Pauline Wilson		User – Garden Club	
Joy Oulsnam			
Joy Lane			1/4/25 – 17/10/25

The committee met for full meetings on four occasions throughout the year (Apr, Jun, Oct & Jan):

1. April – General meeting
2. June – AGM / New committee election
3. October – General meeting
4. January 2025 - General meeting

Hiring Agreement

Use of the Village Hall is subject to a Hiring Agreement which must be signed by the hirer when booking. The hiring agreement sets out the conditions of hire and identifies the respective responsibilities of each party to the agreement.

Licences

The Hall is not a Licenced Premises and so any licencable events are covered by the hirers Temporary Event Notice, which the hirer can obtain themselves (must be copied to the Village Hall Bookings Secretary prior to the event) or the Village Hall can obtain on their behalf. The Hall is licenced by the Performing Rights Society and PPL for the performance of live and recorded music.

Risk Management

Risk assessments (H&S, Fire and Asbestos) are reviewed at least annually.

Building Issues

- A building asbestos survey was undertaken by Westland Environmental Safety Ltd. In 2023. Remediation of the exposed soffit boards and removal of some asbestos containing debris was undertaken by AIB Solutions Ltd. And the risk assessment is now reviewed internally once a year.
- The electrical installations are checked by a qualified engineer every five years. The last test was in June 2020.
- A Fire Safety Risk Assessment is updated annually.
- Fire-fighting appliances are inspected annually.
- A Committee member checks the emergency lighting every month.
- All trustees are unpaid. Management costs are kept to a minimum, whilst support from local volunteers for regular maintenance of the Hall is sought where possible.
- A cleaner is paid for 2-3 hours per week, giving the hall a thorough clean and buffing of the main hall at weekend and a maintenance clean mid-week.

Declarations

The trustees declare that they have approved the trustees' report above.

Signed on behalf of the charity's trustees
