Trustees' Annual Report for the period

From 1.4.24 Period start date To 31.3.25 Period end date

Charity name: TARVIN COMMUNITY CENTRE

Charity registration number: 506560

Objectives and Activities

	SORP reference	
Summary of the purposes of the charity as set out in its governing document	Para 1.17	The provision and maintenance of a community centre for the use of the inhabitants of the Parish of Tarvin without distinction of political, religious or other opinions, including use for meetings, lectures and classes, and for other forms of recreation and leisure time occupation, with the object of improving the conditions of life for the said inhabitants
Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts.	Para 1.17 and 1.19	The Committee of Management has continued to provide and maintain Tarvin Community Centre in accordance with the objects of the charity. The Centre continued to host Tarvin Library and meetings of Tarvin Parish Council, and was again used as an election polling station. Continuing activities for all or part of the year included Zumba and Zumba Gold, Rugbytots, children's ballet/dance classes, Laughter Tots and Story Tent for small children, yoga, Pilates, table tennis, tango dancing, flower arranging and literature and art classes. The Gardening and Flower Clubs continued to meet at the Centre, as did bingo, Tumbletots, the parent and toddlers group and the WI. A choir for older people met regularly and there was a new dance class and Sound Bath sessions. Our usual film provider ceased trading after the April film night but we found a new provider (Flicks in the Sticks) and films restarted in January 2025. There were several theatre productions, as well as private parties, charity events and other ad hoc bookings
Statement confirming whether the trustees have had regard to the guidance issued by the Charity Commission on public benefit	Para 1.18	In setting its hiring fees the Committee has had regard to the guidance on public benefit and has set its fees at a level which are affordable, with a scale of charges which favours village organisations who pay the lowest rate; outside organisations

		pay a slightly higher rate and businesses a higher rate again. Lettings to businesses, local government and other public bodies were welcomed but village organisations continued to have priority. The Committee agreed to increase its hiring fees by 4% in line with inflation with effect from 1 April. Lettings income was sufficient to cover the unavoidable running costs of the centre.

Independent examiner's report to the trustees of Tarvin Community Centre

I report on the accounts of the Trust for the year ended 31 March 2025.

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

My examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the next statement.

In connection with my examination, no matter has come to my attention:

- (1) which gives me reasonable cause to believe that in any material respect the requirements to keep proper accounting records and to prepare accounts which accord with the accounting records and comply with the accounting requirements have not been met; or
- (2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached

Independent examiner's report to the trustees of Tarvin Community Centre

I report on the accounts of the Trust for the year ended 31 March 2024.

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

My examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the next statement.

In connection with my examination, no matter has come to my attention:

- (1) which gives me reasonable cause to believe that in any material respect the requirements to keep proper accounting records and to prepare accounts which accord with the accounting records and comply with the accounting requirements have not been met; or
- (2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached

Objectives and Activities

	SORP reference	
Summary of the purposes of the charity as set out in its governing document	Para 1.17	The provision and maintenance of a community centre for the use of the inhabitants of the Parish of Tarvin without distinction of political, religious or other opinions, including use for meetings, lectures and classes, and for other forms of recreation and leisure time occupation, with the object of improving the conditions of life for the said inhabitants
Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts.	Para 1.17 and 1.19	The Committee of Management has continued to provide and maintain Tarvin Community Centre in accordance with the objects of the charity. Most village organisations and groups returned after the disruption of Covid-19. The Centre continued to host Tarvin Library and meetings of the Parish Council. Continuing activities included Zumba and Zumba Gold, Rugbytots, children's ballet/dance classes, children's yoga and performing arts sessions, Tumbletots, karate, Pilates, tango dancing, choral singing, flower arranging and art classes. The Gardening and Flower Clubs continued to meet, as did bingo, the parent and toddlers group and the WI. The Committee was pleased to host Covid-19 vaccination clinics and a large-scale dance festival. There were regular film showings and a number of theatre productions and concerts, as well as private parties and charity events
Statement confirming whether the trustees have had regard to the guidance issued by the Charity Commission on public benefit	Para 1.18	In setting its hiring fees the Committee has had regard to the guidance on public benefit and has set its fees at a level which are affordable, with a scale of charges which favours village organisations who pay the lowest rate; outside organisations pay a slightly higher rate and businesses a higher rate again. Lettings to businesses, local government and other public bodies were welcomed but village organisations

		continued to have priority. Most hire fees were increased by 3%, a below inflation increase, but with adjustments to some rates resulting in some higher increases or reductions. In line with the Committee's policy, lettings income was sufficient to cover the unavoidable running costs of the centre.

Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	The Centre continued to play as active a part in village life as possible and has established sound administrative and financial systems to ensure that it continues to do so in the future. 2022/23 was a substantially "back to normal" year after the disruptions of the pandemic, with arts and social events designed to encourage local people to return to the Centre. The Committee continued to invest in improvements, including refurbishment of the chairs, an additional table tennis table and an outdoor bench (partly grant-funded). A day of Platinum Jubilee celebrations was well-supported. Over the winter the Centre operated a "Warm Space", staffed by volunteers from the WI and supported by a grant from Cheshire Community Action

Financial Review

Review of the charity's financial position at the end of the period	Para 1.21	The statement of accounts for 2022/2023 shows a healthy financial position, with lettings and other events income up on the previous year. Independent examiner's report to the trustees of Tarvin Community Centre

I report on the accounts of the Trust for the year ended 31 March 2023.

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

My examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the next statement.

In connection with my examination, no matter has come to my attention:

- (1) which gives me reasonable cause to believe that in any material respect the requirements to keep proper accounting records and to prepare accounts which accord with the accounting records and comply with the accounting requirements have not been met; or
- (2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached

Objectives and Activities

	SORP reference	
Summary of the purposes of the charity as set out in its governing document	Para 1.17	The provision and maintenance of a community centre for the use of the inhabitants of the Parish of Tarvin without distinction of political, religious or other opinions, including use for meetings, lectures and classes, and for other forms of recreation and leisure time occupation, with the object of improving the conditions of life for the said inhabitants
Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts.	Para 1.17 and 1.19	The Committee of Management has continued to provide and maintain Tarvin Community Centre in accordance with the objects of the charity, although at the start of the year there were Covid-19 restrictions which affected the activities allowed to take place and the willingness of people to attend events. Most village organisations and groups gradually resumed their meetings, and the Centre continued to host some groups which had previously met in private homes or smaller venues. Tarvin Library reopened, and the Parish Council recommenced its meetings open to the public once councillors felt it was safe to do so. Continuing activities included Zumba and Zumba Gold, Rugbytots, children's ballet/dance classes, children's yoga, Pilates, tango dancing, flower arranging and art classes. The Gardening and Flower Clubs started up again, as did bingo, the parent and toddlers group and the WI. There were some new activities, including a children's drama group, karate, Tumbletots and the slimming group WW. The Committee was pleased to host Covid-19 vaccination clinics and a large-scale dance festival. Unfortunately local council training events and meetings remained infrequent and are not expected to return to their previous level. Film showings began again in May 2021, albeit poorly attended

		at first, and there were several theatre productions and concerts, as well as private parties and charity events
Statement confirming whether the trustees have had regard to the guidance issued by the Charity Commission on public benefit	Para 1.18	In setting its hiring fees the Committee has had regard to the guidance on public benefit and has set its fees at a level which are affordable, with a scale of charges which favours village organisations who pay the lowest rate; outside organisations pay a slightly higher rate and businesses a higher rate again. Lettings to businesses, local government and other public bodies were welcomed but village organisations continued to have priority. The Committee had previously agreed not to increase its fees for 2021/22; despite this, lettings income was sufficient to cover the unavoidable running costs of the centre.

Achievements and Performance

Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	SORP reference Para 1.20	The Centre continued to play as active a part in village life as possible and has established sound administrative and financial systems to ensure that it continues to do so in the future. 2021/22 was largely a year of recovery after the previous very difficult year, with arts and social events designed to encourage local people to return to the Centre. The Committee continued to discuss possible improvements to the toilet provision, but concluded that the significant investment necessary would be unwise at present given the uncertainty surrounding the landlord's intentions for the building

The closing bank balance stood at £84,140. The independent examiner's report did not identify any issues of concern

Independent examiner's report to the trustees of Tarvin Community Centre

I report on the accounts of the Trust for the year ended 31 March 2022.

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

My examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the next statement.

In connection with my examination, no matter has come to my attention:

Objectives and Activities

	SORP reference	
Summary of the purposes of the charity as set out in its governing document	Para 1.17	The provision and maintenance of a community centre for the use of the inhabitants of the Parish of Tarvin without distinction of political, religious or other opinions, including use for meetings, lectures and classes, and for other forms of recreation and leisure time occupation, with the object of improving the conditions of life for the said inhabitants
Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts.	Para 1.17 and 1.19	The Committee of Management has continued to provide and maintain Tarvin Community Centre in accordance with the objects of the charity, although for large parts of the year the building's use was constrained by Covid-19 restrictions which limited the activities allowed to take place. Whilst many village organisations and groups suspended their meetings, a few continued to hire the Centre (the W.I., a flower arranging class) and there were some new clients who in normal circumstances would have met elsewhere (an investment club, a women's group, a painting group, U3A book group and a local choir). Tarvin Library was closed but a mobile library visited the site once a week in the autumn and the Committee ran a café for library customers. Activities for children were much reduced but those that ran for at least part of the year included Rubgytots, ballet and children's music classes. Keep fit classes and activities which ran when permitted included Zumba Gold, pilates and tango dancing, and there were also some slimming group meetings. The Committee was pleased to offer facilities for a dance student to record her work for exam purposes, a pupil receiving one-to-one tutoring and students from Tarporley High School sitting exams. Unfortunately it was not possible to offer any films, theatre productions or other entertainment events.
Statement confirming whether the trustees have had regard to the guidance	Para 1.18	In setting its hiring fees the Committee has had regard to the guidance on public benefit and has set its fees at a level which are affordable, with a

issued by the Charity Commission on public benefit		scale of charges which favours village organisations who pay the lowest rate; outside organisations pay a slightly higher rate and businesses a higher rate again. Lettings to businesses, local government and other public bodies were welcomed but village organisations continued to have priority. The Committee normally aims to cover the unavoidable running costs of the centre from lettings fees – this was not possible in 2020/21, but the lost lettings income was compensated for by Covid-19 grants from Cheshire West and Chester Council.

Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	The Committee continued to invest in improvements to the Centre, taking advantage of the enforced closure to invest in the stage. New stage curtains and curtain fittings were installed and new lighting provided on the stage. The stage floor was levelled and new floor covering laid. Custom-built wheeled storage trolleys were bought to fit under the stage, allowing easier access to the storage space. All of this work was paid for from the Centre's own funds The Committee also employed an architect to draw up plans to improve toilet provision in the Centre, although this work cannot proceed without approval from our landlord (Cheshire West and Chester Council) which is awaited As outlined above, activity at the Centre was severely constrained during 2020/21, but the Centre continued to play as active a part in village life as possible and has established sound administrative and financial systems to ensure that it continues to do so in the future.

Financial Review

Review of the charity's financial position at the end of the period	Para 1.21	The statement of accounts for 2020/2021 shows an extremely healthy financial position, despite lettings and other events income being severely reduced due to the pandemic. Income for the year totalled £34,667, of which £10,615 came from lettings and only £138 from events. The Committee was delighted to receive over £21,000 in Covid-19-related grants, which enabled it to meet its annual running expenses despite several prolonged periods of closure. Expenditure totalled £44,962 of which £23,159 was investment in improvement work and furniture/equipment. As a result of this investment, the deficit for the year was £10,295 but the closing bank balance remains healthy at £63,517. The independent examiner's report did not identify any issues of concern
Statement explaining the policy for holding reserves stating why they are held	Para 1.22	The Committee aims to hold a contingency reserve equal to one quarter's running costs (approximately £7,000). The balance of its reserves is available to fund improvements to the Centre

Independent examiner's report to the trustees of Tarvin Community Centre

I report on the accounts of the Trust for the year ended 31 March 2021.

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

My examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the next statement.

In connection with my examination, no matter has come to my attention:

- (1) which gives me reasonable cause to believe that in any material respect the requirements to keep proper accounting records and to prepare accounts which accord with the accounting records and comply with the accounting requirements have not been met; or
- (2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached
