

## **Annual Report of The Trustees of The Rotary Club of Clitheroe Trust Fund**

Trustees: Karin Wilson (Chairman), Peter Spencer, David Bleazard and Ian Petty.

The Skipton 18-month Bond value £12,000 invested at a rate of 4.1% is due to mature May 2025. The proceeds will be re-invested by the trustees.

The interest is stripped out each year and used for the charitable activities of the club.

The entire club's charitable work is done in the name of the Trust Fund, two of the trustees signing all Trust Fund cheques. The Trust Fund current account and its balances are run by the Club Treasurer on behalf of the trustees, and these are also assets of the Trust. The Trust accounts are verified annually by the club accountant. The trustees complete an Annual return to the Charity Commissioners'.

As a registered charity number 506904 we can receive income gross and to recover the tax paid on personal donations through Gift Aid.

Karin Wilson - Chairman

### Examiner's Report – Clitheroe Rotary (2024–2025)

I have examined the financial records of Clitheroe Rotary for the year 2024 to 2025.

Total income for the year was approximately £27,000, with £25,000 distributed to charitable causes. I am pleased to report that no concerns were identified in relation to bookkeeping or record-keeping; the accounts were found to be clear, accurate, and well maintained.

The club faced some challenges during the year in securing and operating banking arrangements, largely due to the closure of local branches. The use of multiple bank accounts during this period added some complexity to the bookkeeping process, particularly in maintaining a clear distinction between general funds and charitable funds, including members' donations. Despite this, records were maintained to an appropriate standard.

The club is to be congratulated on a successful Charity Golf Day, which was the main fundraising event of the year. In addition, Clitheroe Rotary continues to support shared fundraising initiatives, including the Santa Collection and the Clitheroe Bonfire, both of which contribute to funds raised for charitable purposes.

It is encouraging to note that funds have been distributed across a good mix of local and national causes, reflecting the club's continued commitment to supporting both the immediate community and wider charitable needs.

Overall, this has been a positive year, demonstrating sound financial management and ongoing dedication to charitable work.
