Clun & District Memorial Hall & Playing Fields Charity

The Charity was established by an approved scheme on the 18th March 1991 to jointly administer the New Memorial Hall Trust (regulated by a declaration of trust on 28th October 1977) and The Clun and District Playing Fields Association (regulated by a conveyance dated 10th April 1972).

The object of the Charity is the provision and maintenance of a village hall and recreation ground for the use of the inhabitants of the Parish of Clun. The land and buildings are held in permanent endowment and the Parish Council act as Custodian Trustee, as the Charity is unincorporated.

It is run by representatives of the community (the Trustees). The constitution allows for each local organisation (maximum 17), to nominate a representative to the Management Committee and in addition, up to ten members can be elected from the public.

Committee meetings are held monthly, usually on the first Wednesday of each month unless business necessitates otherwise.

We are regulated by the Charity Commission but must also be mindful of other laws and regulations with which we must also comply. With that in mind, written policies are in place for the following, in accordance with the requirements of the Charity Commission:

Anti-Fraud	Equal Opportunities	Social Media
Bullying & Harassment	Financial Reserves	Safeguarding
Complaints Handling	Internal Financial Controls	Trustee Expenses
Conflicts of Interest	Risk Management	Whistleblowing
Data Protection	Serious Incidents

Chair's Report

This last year has been a busy year on all fronts; events, improvements and fund raising. We have successfully applied for several grants to cover the cost of some of the work achieved/to be achieved and these are listed later in the report. I am very pleased to say that, excluding grant income, as this will vary from year to year, our income has increased over the previous year. This is principally due to the hard work, support and dedication of everyone on the committee, in helping to establish new income streams, such as the 200 Club, and supporting some very successful music & other events.

We have continued to enjoy the support of all our regular clubs throughout the year; this is our bread-and-butter income and ensures that we can cover our running costs. And we have seen a general increase in bookings for parties, talks and other one-off events.

Our programme of music and other events has generally been very well supported, with sell out performances both for the band, 'Slim Chance' in October and for 'This is Queen' (a Queen tribute band) in November. Other bands hosted were, 'DSUK' (a Dire Straits tribute band) in April; The 'Bluebird Belles' in February, (3 delightful ladies who took us through the hits of the 40s & 50s), and the 'Tim Kliphuis Trio', who made a return visit in October. We also hosted 'Kris Drever', a Scottish musician & songwriter, on behalf of 'Surge Forward', a music and arts CIC based in Clun, which delivers music projects and events, both nationally & internationally. Unfortunately, due to the wet weather, the Green Man Festival was cancelled, and with it the 'Green Man Rising' folk concert and any income from car parking on the day.

In June, we held a general knowledge quiz at the White Horse which was well attended. Thanks to Jack Limond, who organised virtually everything, including sandwiches & chips at halftime; we only had to provide prizes for a raffle and sell the tickets to boost our funds further.

'Flicks in the Sticks', has continued to entertain with performances held monthly from September to April. Many thanks to Steve Mapes for hosting a varied programme.

The 200 club is developing successfully and whilst we haven't yet reached our target of 200 numbers sold, we have reached 150, which is producing £4,500 (annualised) directly to hall funds and we are 75% of the way to our target of £6k, so if you are not yet a member, please do consider it. There are six monthly prizes, with an extra rollover in December. You could be a lucky winner and you would be supporting us without further effort.

We are very fortunate to have an active amateur dramatic society in Clun (CADS) which, under the direction of Tim Russell and Andrew Dobbin, has put on several great performances and has a growing cast membership. We share the box office income with them, in return for their having free access to the hall for meetings and rehearsals, which is an arrangement which suits both parties and which again, is welcome income to us.

All these events have made a positive contribution to hall funds.

Finally, in December we held a 'free entry', children's Christmas party, for 50 children of the Parish, which also included a visit from Santa himself.

Grants Received & Projects Completed in 2024/5

£9,000	Heart of England Community Foundation
£6,338	The Marches Energy Trust
£2,340	Clun Town Council

The Heart of England grant was approved from the Inclusive Communities Fund, on behalf of the West Midlands Combined Authority and the Department of Digital Culture Media and Sport. The core aims of the fund were, bringing people together and improving health & wellbeing and they centred around the three themes of, physical activity & sport; arts, culture & creativity and mental health & wellbeing.

Projects Completed

- Renovation of the main hall sports floor.
- Create new access from the bar area to backstage.
- Installation of suspended microphones linked into the hearing loop.

The Marches Energy grant was provided by the Business Energy Advice Service, which is a partnership between the West Midlands Combined Authority and Worcestershire County Council and is funded by the Department of Energy Security and Net Zero and the Department of Levelling Up, Housing & Communities. It followed on from the Decarbonisation & Energy report completed in 2023 and has enabled the following:

- Installation of Hive type, zoned heating temperature controls. The heating can now be controlled remotely, over the internet.
- Lagging of hot water pipes.
- Installation of additional loft insulation over the kitchen & the bar room.
- Installation of 10 solar panels, capacity 3.6kWp

It is projected that the above initiative will give an estimated carbon saving of 1.41 tons of CO₂ p.a. an estimated energy saving 6,000 kWh/year and a financial saving of over £600 p.a. Due to the 90% grant received, payback for our contribution is around 12 months.

Clun Town Council We are delighted that an enlightened Town Council recognises the contribution which local volunteer groups make to the community and supports us with an annual grant, which in previous years has helped to fund the installation of donation boxes and LED lighting. This year it assisted towards demolishing the unsafe ballpark wall & the erection of a new fence round the play park. The concrete blocks being crushed on site and laid as an area of hardstanding. Recycling at its best.

Other projects completed during the year were:

- The erection of Mini Football goal posts on the playing field.
- Installation of 100mbps Fibre Internet by Kloud9.
- Landscaping the unused BMX field.

In Course – during 2025/6

There are 3 main projects

- Relocate the bar and re-decorate the area.
- Complete the fencing around the tennis court, replace the basketball nets and introduce, pickleball, and pétanque.
- Re-configure the hall entrance. Plans are in course and a planning application will be submitted in the coming months.

Whilst we would aim to complete the first two, in 2025 and the new hall entrance by the end of 2026, this will depend upon fund raising, particularly of grants.

Finally, I have two acknowledgements and an appeal to make.

John Alcock stood down from the committee at the end of March, on account of his health. We thank him for his many years of voluntary work on the Hall's behalf and wish him a speedy recovery.

I would also like to acknowledge the band of volunteers, who are not necessarily on the committee but who do give their time freely and willingly, to fixing and repairing all manner of things, from children's playground equipment to floor cleaners and from decorating to serving tea and cooking. I won't attempt to name check everyone as I would be bound to omit someone but know that without you, we could not function as we do. So, thank you.

As a committee, we share the principal objective of rejuvenating and improving the Memorial Hall and having it at the centre of the community. We work together with that objective; each member contributing their own talents and skills. However, we are a small group and with no employees, we often need another pair of hands. So, if you have expertise and/or experience, that you could contribute, particularly in social media, web site design/management, or advertising, we would love to hear from you!

We also need a football enthusiast to run the Saturday morning junior football sessions, without whom, those sessions will not continue. We would particularly welcome any young person (minimum age 18) seeking to broaden their life experience (charitable works always enhance a C.V.) and bring a younger person's perspective to our initiatives.

Signed

Robert Andrews

May 2025

Chair of Trustees

AGM Treasurers Report 2025

I would like to present the accounts for the year ended 31 March 2025.

Our overall income excluding grants rose by about 15% this year although due to continued re-investment our profit was slightly down on last year. We have though managed to improve finances by £3,229 in the year (£2,407 excluding grant income & expenditure) taking our net assets to £20,998.

Our fundraising activities continued throughout the year, however unfortunately our income from that source was down by about 15%, in part due to the cancellation of the Greenman weekend at the beginning of year. As with many things it is a tricky act to balance the provision of a varied calendar of events at the right price and of the quality that ensures an enjoyable experience is had by all. This was evident when we put on DS:UK in April which although we had 129 attendees due to the costs involved it meant we made only a very small profit after taking bar income into the mix. Queen and the return of Slim Chance were thankfully more successful.

The income from our regular users increased a little thanks to the addition of another couple of classes being added to the weekly schedule. Sadly, the Tuesday evening Pilates class held by Ruth Morris ended but we wish her well as she enjoys a quieter pace of life.

The one-off events at the hall have increased by just over 75% this year which is fantastic to see as it shows the importance it holds in our community and hopefully as we continue to improve various aspects of the hall & its surroundings this will continue.

Rob has touched on the grant activity, the importance of our regular users, and CADs and the progress of the 200 Club so I will leave it as that on the income reporting.

Turning to expenditure (excluding grant spend) this has increased by about 30% this year. Certain expenditure obviously increases as the hall is used more but owing to the increase in overall income (excluding grants), we have continued to make improvements to both the internal and external areas.

This report highlights the charity's financial health, with increased receipts and payments compared to the previous year, a net surplus, and a growth in fund balances. The charity continues to invest in its facilities and activities while maintaining governance and operational costs.

Finally, as always, we owe a lot of the above to our wonderful volunteers who quietly help to manage and maintain the hall and surrounding area for the enjoyment of all and this is highly appreciated.

Lois Gwilliam

ACCOUNTS FOR THE YEAR TO 31ST MARCH 2025

Independent examiner's report to the trustees of Clun & District Memorial Hall & Playing Fields Charity

I report to the trustees on my examination of the accounts of the Clun & District Memorial Hall & Playing Fields Charity for the year ended 31 March 2025.

Responsibilities and basis of report

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the *Charities Act 2011* ('the Act').

I report in respect of my examination of the Trust's accounts carried out under s. 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under s. 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- (1) accounting records were not kept in respect of the Trust as required by section 130 of the Act; (2) the accounts do not accord with those records; or
- (3) the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the *Charities (Accounts and Reports) Regulations 2008* other than any requirement that the accounts give a 'true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

CLUN MEMORIAL HALL AND PLAYING FIELDS CHARITY

CHARITY NO. 507032

ACCOUNTS FOR THE YEAR TO 31ST MARCH 2024

Clun & District Memorial Hall & Playing Fields Charity

The Clun Memorial Hall and Playing Fields Charity was established by an approved scheme on the 18th March 1991 to jointly administer the New Memorial Hall Trust (regulated by a declaration of trust on 28th October 1977) and The Clun and District Playing Fields (regulated by a conveyance dated 10th April 1972).

The object of the charity is the provision and maintenance of a village hall and recreation ground for the use of the inhabitants of the parish of Clun and the surrounding neighbourhood. The land and buildings are held in permanent endowment and as the charity is unincorporated and therefore cannot hold title itself, Clun Parish Council act as Custodian Trustee. Other than holding the deeds on our behalf, they have no input or powers in the management of the charity, although they can nominate councillor representation to our committee, should they opt to do so.

The charity is run by representatives of the community, for the community. The Constitution (which is our guiding document and with which we must always comply) allows for each organisation in Clun and the neighbourhood, to have a representative on the Management Committee (to a maximum of 17 in total). This requirement exists to ensure that local people have an inalienable right to be represented. In addition, up to ten members can be elected from the public. All the members of the Management Committee act as the Trustees of the Charity and have a responsibility to act solely in its interests, in preference to the interests of the organisation which they represent.

Committee meetings are held monthly usually on the first Wednesday of each month unless business necessitates an additional meeting.

Being a Trustee is a responsibility; we are regulated by the Charity Commission but in addition to charity law, we must also be mindful of a myriad of other laws and regulations relating to, inter alia, finance, health and safety, data protection, safeguarding, etc, etc, with which we must also comply.

Management Committee (The Trustees) 2023-2024

Robert Andrews	Elected	Karen Macintyre	Clun Methodist Church
Lois Gwilliam	Elected	Steve Harris (to 7/23)	Clun Parish Council/CADS

Chair's Report

This last year has been a busy year on all fronts; events, improvements and fund raising. We have also successfully applied for several grants to cover the cost of some of the work achieved/to be achieved and these are listed later in the report. Although Lois will take you through the detail of the finances shortly, I am very pleased to say that our income this year has improved quite significantly over last year. Putting the grant income to one side, as this will vary from year to year, our 'trading income' has increased by 62%. This is principally due to the hard work, support and dedication of everyone on the committee, in helping to establish new income streams, such as the 200 Club, and supporting some very successful music & other events.

We have also continued to enjoy the support of all our regular clubs throughout the year and this is the bread-and-butter income which ensures that the hall keeps going. The new Zumba Gold fitness class run by committee member Di Andrews, which started late last financial year continues and over the full year has contributed over £1,500 to hall funds.

Our programme of music and other events have generally been very well supported, with sell out performances both for the band, 'Slim Chance' in April 2023 and for Waterloo Abba (an Abba tribute band) in October 2023. Other bands hosted were, 'Green Man Rising', a popular Midlands folk band, who performed over the Green Man Weekend, 2023 and Sir Dancelot, who made a return visit to our ceilidh in February 2024.

Non music events included a Psychic evening in June, the return of Jane Pugh (The Singing Florist) in December, followed shortly afterwards by a 'free entry', children's Christmas party. The latter being funded by means of a £500 grant received from the Mid-Counties Co-op.

All these events have made a positive contribution to hall funds.

We held two general knowledge quiz's at the White Horse during the year which were both well attended. Thanks to Jack Limond, who organised virtually everything, including sandwiches & chips at halftime; we only had to provide prizes for a raffle and sell the tickets to boost our funds further.

'Flicks in the Sticks', has continued to entertain with performances held monthly from September to April. Many thanks to Steve Mapes for hosting a varied programme.

The 200 club is developing successfully and whilst we haven't yet reached our target of 200 numbers sold, we are a good way there at almost 150, which is producing £4,500 directly to hall funds over 12 months. We are 75% of the way to our target of £6k, so if you are not yet a member, please do consider it. There are six monthly prizes with an extra rollover one in December. You could be a lucky winner.

We are very fortunate to have an active amateur dramatic society in Clun (CADS) which, under the direction of Tim Russell and Andrew Dobbin has put on several great performances. We share the box office income with them equally, in return for their having free access to the hall for meetings and rehearsals, which is an arrangement which suits both parties and which again, is welcome income to us. They provided tremendous support in our recent, successful grant application to the Heart of England which will result in better sound reproduction and improved backstage facilities. The work is scheduled over the coming months. It is in everyone's interest for there to be a thriving amdram society, so please give them your support too.

We are delighted that an enlightened Town Council recognises the contribution which local volunteer groups make to the community and is supporting us, with an annual grant. This, together with other grants received, are summarised here:

Grants Received 2023/4

£2,000	AONB	Trees, shrubs & landscaping.
£2,000	National Grid	ditto + irrigation system.
£2,000	Clun Town Council	General (Donation boxes, LED lights & ballpark work.)
£500	Co-operative Society	Children's Xmas Party (December 2023).
£670	Football Federation	New goal posts.
£1,212	Marches Energy Trust	Decarbonisation Review & Report

Projects

The following improvements have been made during the financial year:

1. *LED lighting*
Installed to the main hall, kitchen entrance & foyer, utilising part of the Town Council grant.
2. *Decarbonisation review & energy report.*

Aided by a grant (value £1,212) from the Marches Energy Trust, this report has highlighted several areas where additional energy savings can be made and which will be attended to as funds allow. Specifically:

- i. Installation of Hive type, zoned heating temperature controls.
 - ii. Lagging of hot water pipes.
 - iii. Installation of additional loft insulation.
 - iv. Installation of occupancy sensors to lighting in little used rooms.
 - v. Installation of solar panels on the hall roof.
3. *Several legacy electrical, plumbing & drainage issues have been attended to.*
4. *Landscaping improvements.*
 - i. The creation of a new footpath around the field perimeter (Wallace Walk).
 - ii. The planting of a community orchard.
 - iii. Other judicious shrub & tree planting to encourage biodiversity.
 - iv. The installation of an irrigation system utilising the disused bore hole & pump.
 - v. The installation of 20, tree & bat boxes.

In all the landscaping & planting work, we have been guided throughout by Mellie Lewis and we thank her for her tireless efforts in this regard. The cost was covered by grants from the AONB and the National Grid.

5. *Installed public donations boxes.*

Utilising part of the Town Council grant, two donation boxes have been installed in the car park, with the intention of encouraging contributions from walkers and motor home overnights using the carpark.

6. *Created a new football pitch for under 12s.*

A grant for £670 from the Football Federation, enabled the purchase of new goalposts and the creation of a mini-football pitch, aimed at children under 11 years of age. This has encouraged a suitably qualified volunteer to come forward and run training sessions each

week, with the hope that eventually this may lead to the creation of a junior football team in Clun.

Other projects currently under way for completion in the current financial year include:

- *Renovation of the main hall sports floor.*
- *Installation of suspended microphones above the stage linked into the hearing loop.*
- *Creation of a new access corridor from the bar area to backstage.*

The above three projects are covered by way of a grant of £9k from the Heart of England received in April 2024.

- *Demolish the unsafe ballpark wall & erect new fence round the play park.*
- *Landscape the unused BMX field.*

Work is currently underway on this project which will leave the area in a safe and useable condition. Consideration can then be given as to what facilities the area might have in the future.

- *Installation of Fibre Internet.*

Kloud9 has indicated that high speed internet will be connected within the next few months.

Finally, I have two acknowledgements to make.

Firstly, to acknowledge the valued contributions that Steve Harris made during his time on our committee. Sadly, Steve passed away suddenly last August. Not only was he a valued member of the Memorial Hall team, but he was also active both in CADS and as a Town Councillor. He is greatly missed by family and colleagues.

I would also like to acknowledge the band of volunteers, who are not necessarily on the committee but who do give their time freely and willingly, to fixing and repairing all manner of things, from children's playground equipment to floor cleaners and from decorating to serving tea and cooking. I won't attempt to name check everyone as I would be bound to omit someone but know that without you, we could not function as we do. So, thank you.

And very, very, finally, an appeal. As a committee we share the principal objective of rejuvenating and improving the Memorial Hall and having it at the centre of the community. We work together with that objective, each member contributing their own talents and skills. If you have expertise and/or experience, that you would like to contribute, particularly in social media, web site design/management, or advertising, we would love to hear from you!

Robert Andrews
Chair of Trustees
