The Trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of The Bardsey Island Trust Limited (the "Trust") for the year ended 31 December 2022. The Trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

The charity's vision is to be an exemplar of Welsh island life, that supports a vibrant island community, economy and healthy ecology. Its objectives to deliver this vision are as follows:

1. To support a community of residents engaged in rural enterprises.
2. To protect and enhance a range of characteristic habitats that support diverse and typical wildlife, which are maintained in favourable condition through appropriate management.
3. To honour, celebrate, explore and share the Welsh language, natural and living heritage, culture and spirituality of the island.
4. To ensure that the built landscape and infrastructure are sensitively maintained and developed whilst preserving the sense of place.
5. To minimise impact on the environment with responsible management and stewardship.
6. To provide an excellent visitor experience.
7. To encourage and enable people, and in particular the young people, of Wales to visit the island when access is possible.
8. To ensure funding for the Trust and generate alternative income streams, enabling the Trust to meet its objectives.

The Trust can only achieve these objectives through the generous support of members, benefactors and volunteers, whose significant contribution is gratefully acknowledged. The Trust would like to pay particular tribute to:

- a) All those who gave generous donations in 2022, and to those who gave in their legacies to support the Trust's work.
- b) To all volunteers who sit on the Trust's committees providing their expertise to support its aims, particularly to Mark Crane whose in-depth knowledge and expertise of the electrical infrastructure is of constant invaluable help. As well as the many volunteers who give their time and energy volunteering on Enlli supporting the Wardens in their work.

A particular thanks to the residents of Enlli, particularly to Gareth and Meriel Roberts, Christine and Ernest Evans, Colin Evans and Steve, Emma and Connor Stansfield.

The Trust would like to thank the staff and contractors who have delivered so much of the Trust's work during 2022, particularly to Mari Huws, Emyr Owen, Elin Gruffydd, Menna Jones and Caroline Jones.

OBJECTIVES AND ACTIVITIES

Public benefit

The Trustees confirm that they have referred to the Charity Commission's general guidance on public benefit when reviewing the Trust's aims and objectives and in planning its future activities. The Trust continues to seek to maintain Enlli as a living community, visited, enjoyed and appreciated by as many people as possible, whilst protecting and preserving the designated nature conservation features and historical, archeological and religious sites.

Significant activities in 2022

The Trust has continued to fulfil its objectives during 2022; it was with great satisfaction that the island could fully reopen following the Covid pandemic. The Trust's core business remains the provision of accommodation to paying guests while respecting the natural and living heritage, culture and spirituality of Enlli and, once again, holiday lettings were at a maximum.

The Trust's paying daily or weekly visitors contribute to the maintenance of rural enterprise on the island. Moreover, the Trust has continued to work with and support the other long-term residents of the island, as well as the regular boat service, in supporting these operations wherever possible. One example is the sale of Enlli honey based on the Trust's Wardens' successful bee-keeping enterprise. Another example was the appointment, mid-year, of a development manager to seek funds to further the Trust's operations.

During 2022, there has been a focus ensuring that the built infrastructure is maintained. A buildings' conservation management plan was finalized setting out what work was needed on each of the Trust's houses together with estimated costs. Work was carried out on Carreg Fawr and grant funding obtained for the renovation of the Storws. In addition, following issues with the chapel ceiling, funding has been sought and obtained for repair work to take place in 2023. Preparatory work has been commissioned for Ty Nesaf and an application for planning permission for an upgrade of the solar array for Ty Bach.

Spirituality remains important. A highlight of the Trust's activities was ensuring that a chaplain was present on the island during 21 weeks of the season. The Trustees wish to thank the 16 different people who made this possible. Moreover, the Spirituality Committee is working to make Enlli a pilgrimage destination linking with the three routes being developed across Wales. Finally, a number of successful "retreats" have been held during the year.

The Trust seeks to minimize the environmental impact of its activities. During the year a study was commissioned to understand how renewable energy could be best employed on the island. This was prompted by the possible development of a tidal energy array in the Enlli Sound. The study forms a useful input to the Trust's discussions; unfortunately, in early 2023, the Trust learned that the tidal energy development has been mothballed. In addition, the Trust has worked closely with Natural Resources Wales to revise the existing nature conservation management plan as well as our contractual relationship. The Trust has also entered into a partnership with Aberystwyth University on seagrass.

Providing information to stakeholders and visitors is an important aspect of the Trust's operations. The Trust circulated the 2022 Yearbook as usual and restarted its provision of the Cafn newsletter to members late in the year. In addition, the Chair of the Trustees had the opportunity and pleasure to meet the local Welsh Assembly member during the summer to brief him on the Trust's business. Furthermore, after much hard work Enlli was awarded "Dark Sky Sanctuary" status which will enhance future visitor experience.

Finally, the Trust's 2022 Annual General Meeting was held on 22 May and was chaired by its President, the Bishop of Bangor (now the Archbishop of Wales). A talk was given by Elinor Gray Williams on her conservation architecture work on Enlli.

Future plans

The Trust recognises the enormous challenge of maintaining and improving its properties. In addition, the need to ensure that the island retains its unique Welsh, natural, cultural and spiritual character while permitting environmentally and economically sustainable development. To achieve these ends the Trust is seeking significant, additional funding.

FINANCIAL REVIEW

Financial position

During 2022 the Trust was faced with increased costs due to inflation and specifically in respect of fuel bills. Despite this challenge the Trust achieved an excess of income over expenditure although this was largely due to grant income received during the year. Moreover, during the year, the Trust suffered revaluation losses on its investments due to poor stock market performance. On the other hand, at 31 December 2022 the Trust was fortunate to have reasonable bank balances, collectible debtors and few liabilities.

Reserves policy

The Trust's reserves policy is to hold sufficient unrestricted funds to meet day to day running costs for the year ahead as well as making allowance for the timing of the receipt of grant monies. Monetary details of the Trust's funds are shown in note 15.

Unrestricted funds

These are funds not designated by the Trustees for any particular purpose.

- a) General - represents net income from on-going operations;
- b) During 2021 the Abbey Maintenance, Capel Enlli and Mother Mary Clare funds were amalgamated to form the Spirituality fund.

Restricted funds

These are funds subject to restrictions imposed by the donor and a capital equipment reserve to cover the depreciation on major capital items and those grant aided:

- a) Revaluation - unrealised gains on investments;
- b) Carreg Mawr Murals - to cover restoration work on the Brenda Chamberlain murals and Carreg Fawr;
- c) Funded Equipment - to cover the depreciation of grant aided assets;
- d) Endowment - initial appeal funds plus realised gains on investments.

Investment policy and objectives

Under the Memorandum and articles of association, the Trust has the power to invest broadly. A cautious and increasingly ethical approach is taken. Investments other than bank deposits comprise of a Quilter Multifunds Collective Investment Account in a range of corporate bonds and equity backed investments together with an Aviva investment portfolio.

Investments are made on a long-term basis to ensure future financial viability.

The Trust's financial advisor, Element FPM Ltd, provides financial advice as required.

Risk Management

The Trust has established an organisational risk register which is reviewed by the Council on an annual basis.

In addition, Trustees consider health and safety issues at each Council meeting. Paths, tracks and stiles are regularly checked and maintained and there is a detailed review of all the buildings in the spring and autumn. Finally there is an ongoing programme to review the Trust's policies.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The Trust is constituted as a company limited by guarantee and is a registered charity. It is governed by its Memorandum of Association dated 24 November 1977; its current Articles of Association, setting out an updated constitution were adopted in 2019.

Members numbered 422 at 31 December 2022 (333 at 31 December 2021). Every member in the event of the Trust being wound up undertakes to contribute to any liabilities up to a maximum of £1.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Recruitment and appointment of new trustees

All members are invited to nominate new Trustees prior to the Annual General Meeting. Trustees are appointed for a period of four years and no person may serve more than eight consecutive years unless at each successive election thereafter they are nominated by twelve members or one per cent of membership whichever is the greater and 75% of fellow directors.

Organisational structure

The Trust's affairs are managed by a Council comprising all Trustees which is scheduled to meet four times a year. Day to day management is ensured by an Executive Committee.

In addition, four Committees (comprising Trustees and volunteers) report to the Council as well as the Executive Committee: these are the Buildings, Health and Safety, Scientific and Spirituality Committees.

2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of Section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)).
