Objectives and Activities

Summary of the purposes of the charity as set out in its governing document

The principal objects of the charity are to further the educational aims of the Law School and the professional aims of all students interested in a legal vocation and to promote communication with the legal profession including the judiciary, the Bar and practising solicitors in order to widen the students' knowledge and experience with regard to career opportunities and prospects.

Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts.

The main activities include:

1. arranging careers events for law and other students in the University interested in a career in the law.
2. Arranging networking events for law and other students in the University interested in a career in the law.
3. Building a community of support for the law students through membership of the Club.
4. Building a community of support and development for the law students through membership of Holdsworth Club sporting teams and competitions.
5. Hosting the Holdsworth Club annual lecture by an eminent judge or other legal professional and making that lecture available to the public either in written or other recorded form for the benefit of those interested in a career in the law.

6. Providing opportunities to develop legal and law related skills with peer mentoring support from other law students.
7. Providing opportunities to volunteer in the Club for students who wish to develop their leadership ready for a career in the legal profession.

Achievements and performance

During this year the Holdsworth Club:

Elected a new student committee of volunteer office holders who met regularly to run the Holdsworth Club.

The Trustees met with the student committee, as needed, to provide advice and support.

The Club provided a range of careers events free of charge to students. These were back to being provided in-person after two years of having to provide many of them only virtually given Covid-19.

It provided a number of networking opportunities with legal professionals and with would-be lawyers. It was possible to provide many more opportunities this year given the return to in-person activities and the fact that all student beneficiaries were together again on campus.

It continued the work of the Club and provided opportunities for students to join and become part of a community of lawyers, both student and alumni.

It provided peer mentoring and tutoring support to student members.

Some Holdsworth Club sporting activities resumed post-Covid restrictions.

It arranged and hosted the Annual Holdsworth Club address and made it available to a wider audience. This was given by the Rt Hon Beverly McLachlin who also kindly served as the Honorary President during this year.

Structure

The Holdsworth Club has trustees who are appointed, they remained the same as the previous year.

Financial Review

The Club does not have any debts. It also does not hold any investments and it is not a custodian trustee. It does not hold reserves but has cash on hand in order to ensure at least a year of continued activities against the charitable objectives. Refunds for the key charity event, The Holdsworth Club Law Ball, were processed during this financial year, which led to a substantial net loss after last year's substantial net gain. The refunds were necessary due to the Covid restrictions in Spring 2021. External donor and sponsorship funds increased again, student support through supporter membership and ticket sales for events bounced back. This led to an income of £62,220 and outgoings of £79,216 including

refunds from the previous year. The Club ended the year with a healthy balance of £13,669.
