FYLING HALL SCHOOL TRUST LIMITED

DIRECTORS' REPORT FOR THE YEAR ENDED 31 AUGUST 2024

STRUCTURE GOVERNANCE AND MANAGEMENT

Governing document

The company is governed by its Memorandum and Articles of Association, which was last amended on 24 November 1994.

Governing body

The Directors, who are also required under the Articles to serve as members of the Company are elected at a Directors Meeting on the basis of nominations received from existing members. Members are encouraged to seek out prospective members with the required skills and experience to increase the strength of the existing Board. At the Annual General Meeting, one third of the members of the Governing Body, or if this number is not a multiple of three, then the number nearest to but not exceeding one third, shall retire from office and be eligible for re-election.

The members retiring by rotation are: Miss B Easton, Mr P N Burley and Mrs E K Smith.

Trustee training

Prospective Directors are appraised of the School's history and of the commitment that would be required. On appointment a new Director is given copies of relevant documents including a copy of the Memorandum and Articles of Association, The Essential Trustee: What you need to know, handbooks-both governors and staff, risk assessments, accounts etc. All Directors are encouraged to attend relevant courses, and as a member of AGBIS trustees attend their seminars.

Organisational management

A Board Meeting is held each term with additional meeting if required to determine the general policy of the Company and review its overall management and control, for which they are legally responsible. The Board has the following committees: Academic, Finance & General Purposes, Premises & Development, Health and Safety, Complaints and Disciplinary, and Appeals. All committees meet at least annually with the exception of the last two, who will meet as necessary. Finance & General Purposes and Health and Safety normally meet at least once a term. The day to day running of the school is delegated to the Head and Assistant Bursar and supported by the Senior Management Team. The principal committees and those sitting on the same are: Finance & General Purposes – Mr P N Burley (Chair) and Miss B Easton Health and Safety – Mr J Jeakins (Chair), Academic – Mr K James (Chair) and Mr M Bayes.

Risk management

At a Board Meeting including the Head, held in June each year, the formal risk assessments are reviewed. The Board and Head continually keep the School's activities under review, particularly with regard to any major risks that may arise from time to time, and to monitor the effectiveness of systems of control and other viable means, including insurance cover where appropriate, by which those risks already identified can best be mitigated

DIRECTORS' REPORT FOR THE YEAR ENDED 31 AUGUST 2024

Remuneration policy

The remuneration of the senior management team is set by the trustees.

OBJECTS, AIMS, OBJECTIVES AND PRINCIPAL ACTIVITIES

The objects of the Company, in accordance with its Memorandum and Articles of Association, are to promote and provide for the advancement of education and in connection therewith to conduct, carry on, acquire and develop in the United Kingdom any boarding or day college or colleges, school or schools for the education of students and children of either sex or both sexes.

In setting our objectives and planning our activities the Directors have given careful consideration to the Charity Commission's general guidance on public benefit.

Strategic aim and intended effect

The school's strategic aim to reach its annual objective is the attainment of the highest academic levels whilst maintaining non-selection and a modest fee level. This aim together with extra-curricular programmes enables development of other interests and prepares students for further education with a solid foundation in life.

Objectives for the year

The Board's main objective continued to be to ensure that every student reaches their potential and that the overall standards achieved by the School improve, on a year on year basis. Our strategy for achieving this is to have a high ratio of committed staff to students, and to ensure staff receive continuous professional development.

Principal activity

The Company's principal activity continues to be to operate a non-selective, co-educational boarding and day school for students between the ages of 4 to 18.

Grant-making

As fees are relatively modest, grant making has to be constrained. Nevertheless, scholarships, bursaries and allowances have reduced annual income by £329k. Applications, from whatever source are considered by the Head and approved or otherwise by the Board. There are no specific funds, and all awards reduce annual income.

Volunteers

The Parent Teacher Association raises funds for the School. During the year there was a significant amount of voluntary service. The Board takes this opportunity to say how much we appreciate their continuing and valuable support.

FYLING HALL SCHOOL TRUST LIMITED

DIRECTORS' REPORT FOR THE YEAR ENDED 31 AUGUST 2024

REVIEW OF ACHIEVEMENTS AND PERFORMANCE FOR THE YEAR

Operational performance of the school

The summer 2024 exam series saw results broadly in-line with 2023. Results in the grade bracket 9-7 (or equivalent) were at 20%, slightly lower than 2023, while 86% of all exam grades were awarded at grades 9-4, consistent with 2023. The 'headline' percentage of students achieving five passes at 9-4, including English language (or equivalent) and mathematics, was 74%, remaining above the national average. The A level cohort also produced results broadly in line with previous years. In the highest-grade bracket; 43% of results were awarded an A*/A (or equivalent), while 79% of results were A*-C. Two students produced exceptional results; one achieving 4 A*s and going on to read Chemical Engineering and Biotechnology at Pembroke College, Cambridge. While another achieved 2 A*s and 2 As to read Aeronautical Engineering at the University of Bristol. All students planning to attend university achieved an offer from their first-choice university with courses ranging from Chemical Engineering to Computer Science.

Fundraising performance

The School has no target for fundraising. As has been mentioned above, the Parent Teacher Association does raise funds for the School. The Board keeps under review the School's ability and need for fund raising. The school acknowledges the generosity of parents and friends in the past, which has enabled the school to develop.

Investment performance

Investments are with major UK clearing banks. The returns were in line with the base rate.

FINANCIAL REVIEW AND RESULTS FOR THE YEAR

The Directors report an overall net deficit of £50k for the year. The deficit has resulted in a decrease in free reserves to £892k. The level of reserves is reviewed annually and is presently calculated on the basis of one term's expenditure, which is approximately £690k. This provides sufficient working capital to enable the company to manage cash flow effectively. The Company's principal funding source is that of school fees, it does not have any Advance Fee Payments (Composition) Schemes.

Going concern

After making appropriate enquiries, the directors have a reasonable expectation that the company has adequate resources to continue in operational existence for the foreseeable future. For this reason, it continues to adopt the going concern basis in preparing the financial statements.

FYLING HALL SCHOOL TRUST LIMITED**DIRECTORS' REPORT
FOR THE YEAR ENDED 31 AUGUST 2024**

Investment policy and objectives

There are no restrictions on the Company's absolute powers of investment. The Board's policy continues to be, that as reserves are for working capital and short-term contingencies they should be held on deposit with not less than 80% to be with the major UK clearing banks. The returns are to be in line with the base rate.

FUTURE PLANS

Our key objective remains the same as reported above for this year.

The Board is and will continue to keep the financial position of the School under review with the aim to provide funds for its long-term development.

The Board's short to medium term plans are for continued upgrading of facilities.

AUDITORS

In accordance with Section 144 of the Charities Act 2011, a resolution proposing the reappointment O'Reilly, Chartered Accountants as auditors to the Company will be put to the annual general meeting.

Approved by the Board of Directors at its meeting on 21/11/24

STATEMENT OF DIRECTORS' RESPONSIBILITIES

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the Directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period.

In preparing these financial statements the Directors are required to:

- Select suitable accounting policies and then apply them consistently;
- Observe the methods and principles in the Charities SORP;
- Make judgements and estimates that are reasonable and prudent;
- State whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The Directors are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Statement of disclosure to auditor

- so far as the directors are aware, there is no relevant audit information of which the charitable company's auditors are unaware, and
- they have taken all the steps that they ought to have taken as directors in order to make themselves aware of any relevant audit information and to establish that the company's auditors are aware of that information.

INDEPENDENT AUDITORS' REPORT TO THE TRUSTEES OF FYLING HALL SCHOOL TRUST LIMITED

Opinion

We have audited the financial statements of Fyling Hall School Trust Limited (the "Charitable Company") for the year ended 31 August 2024, which comprise The Statement of Financial Activities, the Balance Sheet, the Cash Flow Statement and notes to the financial statements, including significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102: The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion, the financial statements:

- give a true and fair view of the state of the Charitable Company's affairs as at 31 August 2024 and of its income and expenditure for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice;
- have been prepared in accordance with the requirements of the Charities Act 2011.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the charitable company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the director's use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charitable company's ability to continue as a going concern for a period of at least 12 months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the directors with respect to going concern are described in the relevant sections of this report.

Other information

The other information comprises the information included in the annual report, including the trustees' report, other than the financial statements and our auditor's report thereon. The trustees are responsible for the other information contained within the annual report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

INDEPENDENT AUDITORS' REPORT TO THE TRUSTEES OF FYLING HALL SCHOOL TRUST LIMITED (CONTINUED)

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified material misstatements in the directors' report included within the trustees' report.

We have nothing to report in respect of the following matters in relation to which the Charities (Accounts and Reports) Regulations 2008 require us to report to you if, in our opinion:

- adequate and proper accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of the trustees

As explained more fully in the trustees' responsibilities statement set out on page 6, the trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

Our responsibilities for the audit of the financial statements

We have been appointed as auditor under *Section 144 of The Charities Act 2011* and report in accordance with the Act and relevant regulations made or having effect thereunder.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

**INDEPENDENT AUDITORS' REPORT TO THE TRUSTEES OF
FYLING HALL SCHOOL TRUST LIMITED (CONTINUED)**

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

A further description of our responsibilities is available on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities.

This description forms part of our auditor's report.

O'Reilly Chartered Accountants is eligible for appointment as auditor of the charitable company by virtue of its eligibility for appointment as auditor of a company under section 1212 of the Companies Act 2006.

Use of our report

This report is made solely to the Charity's trustees, as a body, in accordance with section 144 of the Charities Act 2011 and the regulations made under section 154 of that Act. Our audit work has been undertaken so that we might state to the Charity's trustees those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Charity's trustees as a body, for our audit work, for this report, or for the opinions we have formed.

NOTES TO THE ACCOUNTS

FOR THE YEAR ENDED 31 AUGUST 2024

1. Accounting policies

a) Basis of preparation

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015) – (Charities SORP (FRS 102)) and the Companies Act 2006.

b) Tangible fixed assets

Depreciation is provided on all tangible fixed assets retained for use by the school at rates calculated to spread each asset's cost, less its estimated residual value evenly over its expected useful economic life, which for each class of assets is initially assessed as averaging.

Leasehold buildings	- over the term of the lease
Motor vehicles	- 10% per annum straight line
Fixtures, fittings and equipment	- 10% per annum straight line
Computer equipment	- 33% per annum straight line

c) Fees

Fees consist of charges billed for the school year ending 31 August, less bursaries and allowances. Fees received for education to be provided in future years are carried forward as deferred income.

d) Care subsidies

Care subsidies are received for some pupils. These are recognised as the related expenses are incurred. Any unused amounts at the year end are carried forward within restricted reserves.

e) Direct and overhead expenditure

Expenditure is summarised under functional headings either on a direct cost basis or, for overhead costs, apportioned according to management estimates of staff time spent. The irrecoverable element of VAT is included with the item of expense to which it relates.

f) Teaching material

Supplies of games equipment, books, stationery and sundry materials are written off to the statement of financial activities as soon as the expenditure on procuring them is incurred.

g) Pension schemes

The school contributes to the Teachers Pension Defined Benefits Scheme at rates set by the Scheme Actuary and advised to the School by the scheme administrator. The scheme is a multi-employer pension scheme and it is not possible to identify the assets and liabilities of the Scheme which are attributable to the Charity. As a result, the Scheme is accounted for as a defined contribution Scheme and contributions are accounted for when advised as due by the Scheme Administrator.

FYLING HALL SCHOOL TRUST LIMITED**NOTES TO THE ACCOUNTS****FOR THE YEAR ENDED 31 AUGUST 2024**

h) Operating leases

Rentals due under operating leases are charged to the Income and Expenditure Account on a straight line basis over the term of the lease.

i) Funds

Unrestricted funds are those where the donor has placed no restrictions upon specific spending of the funds received. Restricted funds are those funds where the income is received for a specific purpose, as set out by the donor.

j) Investments

Fixed asset investments consist of cash deposits and are included at the lower of cost and net realisable value.

16 Teachers pension scheme

The Teachers' Pension Scheme (TPS) is a statutory, contributory, defined benefit scheme, governed by The Teachers' Pension Scheme Regulations 2014. Membership is automatic for teachers. All teachers have the option to opt-out of the TPS following enrolment.

The TPS is an unfunded scheme to which both the member and employer makes contributions, as a percentage of salary – these contributions are credited to the Exchequer. Retirement and other benefits are paid by public funds provided by Parliament.

Valuation of The Teachers' Pension Scheme

The Government Actuary, using normal actuarial principles, conducts a formal actuarial review of the TPS in accordance with the Public Service Pensions (Valuations and Employer Cost Cap) Directions 2014 published by HM Treasury every 4 years. The aim of the review is to specify the level of future contributions. Actuarial Scheme valuations are dependent on assumptions about the value of future costs, design of benefits and many other factors.

The latest actuarial valuation of the TPS was carried out as at March 2020. The valuation report was published by the Department for Education on 26 October 2023. The key elements of the valuation and subsequent consultation are:

- Employer contribution rates set at 23.68% of pensionable pay (including a 0.08% administration levy) will increase by 5% from 1 April 2024
- Total scheme liabilities (pensions currently in payment and the estimated cost of future benefits) for service to the effective date of £218,100 million and notional assets (estimated future contributions together with notional investments held at the valuation date) of £196,100 million, giving a notional past service deficit of £22,000 million

The next valuation result is due to be implemented from 1 April 2024.

Under the definitions set out in FRS 102, the TPS is a multi-employer pension scheme. The School is unable to identify its share of the underlying assets and liabilities of the scheme. Accordingly, the School has accounted for its contributions to the scheme as if it were a defined contribution scheme.

The pension costs paid to TPS in the year amounted to £172 k (2023: £159k).

The company also operates a defined contribution pension scheme, through The People's Pension, for its non-teaching staff. As at 31 August 2024 there were 14 employees remaining in the scheme. The amount recognised as an expense during the year was £5k. (2023 £5k)
