Financial Review

Reserves Policy

The Trustees have adopted a reserves policy which allows only net generated income to be distributed in the form of Grants. The capital of the Trust is invested to generate this income and any capital growth is reinvested to further generate income. It is not a policy of the Trust to distribute capital.

The reserves at 31st March 2025 were £1,440,761 (2024: £1,511,160).

Trustees Responsibilities in Relation to the Financial Statements

The Trustees of The Rowley Trust are responsible for preparing the Trustees' Report and the Financial Statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

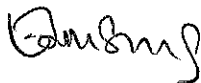

The Charities Commission requires the Trustees to prepare Financial Statements for each financial year which give a true and fair view of the state of affairs of the Charity and of the incoming resources and application of resources, including the income and expenditure of the Charity for the year. In preparing these Financial Statements the Trustees are required to:

- a) Select suitable accounting policies and then apply them consistently;
- b) Observe the methods and principles in the Charities SORP;
- c) Make judgements and estimates that are reasonable and prudent;
- d) State whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- e) Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Charity will continue in operation.

The Trustees are responsible for maintaining proper accounting records which disclose with reasonable accuracy, at any time, the financial position of the Charity and enables them to ensure that the Financial Statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the Trust deed.

The Trustees are also responsible for safeguarding the assets of the Charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

**INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF THE ROWLEY TRUST
FOR THE YEAR ENDED 31 MARCH 2025**

I report to the Charity Trustees on my examination of the accounts of the Charity for the year ended 31 March 2025 which are set out on pages 7 to 12.

Respective Responsibilities of Trustees and Examiner

The Charity's Trustees are responsible for the preparation of the accounts. The Charity's Trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

Having satisfied myself that the Charity is not subject to an audit under the Charities Act and is eligible for independent examination, it is my responsibility to:

- a) Examine the accounts under section 145 of the 2011 Act;
- b) Follow the procedures laid down in the general directions given by the Charities Commission under section 145(5)(b) of the Act; and
- c) State whether particular matters have come to my attention.

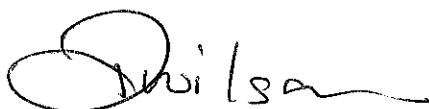

Basis of Independent Examiner's Statement

My examination was carried out in accordance with general directions given by the Charities Commission. An examination includes a review of the accounting records kept by the Charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as Trustees concerning such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a "true and fair view" and the report is limited to those matters set out in the statement below.

Independent Examiner's Statement

In connection with my examination, no matter has come to my attention:

- i) which gives me reasonable cause to believe that, in any material respect, the requirements:
 - a) To keep accounting records in accordance with section 130 of the Charities Act, and
 - b) To prepare accounts which accord with the accounting records, comply with the accounting requirements and with the methods and principles of the Statement of Recommended Practice: Accounting and Reporting by Charities have not been met; or
- ii) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2025

1. ACCOUNTING POLICIES

Basis of Preparation and Assessment of Going Concern

The accounts (Financial Statements) have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant note(s) to these accounts. The Financial Statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102) and the Charities Act 2011.

The Trust constitutes a public benefit entity as defined by FRS 102.

The Trustees consider that there are no material uncertainties about the Trust's ability to continue as a going concern.

Income recognition

All income is recognised once the Charity has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the Charity; this is normally upon notification of the interest paid or payable by the bank. Dividends are recognised once the dividend has been declared and notification has been received of the dividend due. This is normally upon notification by our investment advisor of the dividend yield of the investment portfolio.

Grants Payable

Grants payable are accounted for when there is an obligation to pay. Grants payable are payments made to third parties in the furtherance of the charitable objects of the Trust.

Resources Expended

Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to that category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that settlement will be required and the amount of the obligation can be measured reliably.

Fixed Asset Investments

Investments are a form of basic financial instrument are initially recognised at their transaction value and subsequently measured at their fair value as at the statement of financial position date using the closing quoted Bid value. The statement of financial activities includes the net gains and losses arising on revaluation and disposals throughout the year.

The Trust does not acquire put options, derivative or other complex financial instruments.

The main form of financial risk faced by the charity is that of volatility in equity markets and investment markets due to wider economic conditions, the attitudes of the investors to investment risk, and changes in sentiment concerning equities and within particular sectors or sub sectors.

Taxation

The Charity is exempt from tax on its charitable activities.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2025

Fund Accounting

All of the funds are unrestricted and can be used in accordance with the charitable objectives at the discretion of the Trustees.

Debtors

Debtors are recognised at the settlement amount due after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

Creditors

Creditors and provisions are recognised where the Charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.
