Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	Our main achievements have been in holding events to benefit social interaction and encourage social cohesion. The community is at the forefront of what we do encouraging interaction with a "can do" approach. Where possible we look to invite participation from as many residents who wish to engage from within the village and the surrounding community. We continue to be mindful of tradition which creates a transition from one generation to another eg we hold two events in the year which have been running for over 40 years. We are also mindful of the need to keep the hall in excellent condition always conscious of passing on an improved facility in good repair.

Additional information (optional)

You may choose to include further statements where relevant about:

Achievements against objectives set	Para 1.41	We hold a cross section of events that tie in with our objectives. Improvements to the facility are ongoing and we have achieved a trend of continuous improvement.
Performance of fundraising activities against objectives set	Para 1.41	Fundraising is carried out to enhance the benefit to all participants by not being cost prohibitive, to ensure we can be fully inclusive. Hiring charges are on a two-tier basis in favour of residents and the level of hire charges covers the overhead.
Investment performance against objectives	Para 1.41	The investment of time given by the committee members ensures that costs are kept to a minimum. Cashflow is in line with expectation.

Financial Review

Review of the charity's financial position at the end of the period	Para 1.21	The Village Hall has achieved its financial objectives for 2025. The year has seen two schemes through the National Gas Energy Efficiency Grant (NGEEG). These schemes were administered on behalf of the NGEEG through East Lindsey District Council who paid the costs directly. The schemes include 1. Installation of a 14KWh solar system to the roof of the hall (cost £12900) 2. Improvements to the insulation of the toilet block (cost £4920). These payments are recorded in the village hall annual accounts as third party funding. As the NGEEG is a non-government backed scheme, it will be recorded as such in the Charity Commission return for 2025. In addition to the latter scheme, the village hall funded from reserves the upgrade of all toilet and basin facilities and the fitting of a water treatment unit in total costing £5550. We expect these schemes to significantly improve the energy efficiency of the building, reducing costs whilst maintaining the comfort and usability of the hall. This should help protect our principal income stream, hall rentals, for the future. Hall rentals, in 2025, accrued £6465. Income from events in 2025 raised £3239 after deduction of expenses.
Statement explaining the policy for holding reserves stating why they are held	Para 1.22	Trustees should consider the level of reserves that are prudent for the hall to have in place at its first meeting after the AGM. The amount held in reserve will be set at 1-2 years operational costs. This will cover the running costs of the hall should the hall become unusable from building damage, pandemic etc.
Amount of reserves held	Para 1.22	£25000
Reasons for holding zero reserves	Para 1.22	N/A
Details of fund materially in deficit	Para 1.24	N/A
Explanation of any uncertainties about the charity continuing as a going concern	Para 1.23	N/A

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended **31 / 12 / 2025**.

Responsibilities and basis of report

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Financial Review

Review of the charity's financial position at the end of the period	Para 1.21	The Village Hall has achieved its financial objectives for 2024. The year has seen two major grant awards totalling £58,110 for capital projects enabling improvements to the premises. As a result, we have seen a significant rise in the number of lettings for the hall which should help secure rentals, our principal income stream, at least for the coming financial year. Hall rental fees were adjusted during the year to ensure that they would cover the basic overheads of the hall. Hall rentals, in 2024, accrued £5050. Together, with our three fundraising events in 2024 raising £2090.71, our reserves of £25,223, Hemingby Village Hall is in a healthy financial position at the 2024 year end.
Statement explaining the policy for holding reserves stating why they are held	Para 1.22	Trustees should consider the level of reserves that are prudent for the hall to have in place at its first meeting after the AGM. The amount held in reserve will be set at 1-2 years operational costs. This will cover the running costs of the hall should the hall become unusable from building damage, pandemic etc.

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended 31 / 12 / 2024.

Responsibilities and
basis of report

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent
examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
