Independent Examiners Report

I report on the financial statements of the charity for the year ending March 31st 2024

Respective Responsibilities of Trustees and Independent Examiner

The trustees (who are also directors of the company for the purpose of company law) are responsible for the preparation of the accounts. The trustees consider that an audit is not required for the year under section 144(2) of the Charities Act 2011 and that an independent examination is needed.

Having satisfied myself that the charity is not subject to audit under company law and is eligible for independent examination, it is my responsibility to:

- Examine the financial statements under section 145 of the 2011 Act
- Following procedure laid down by the Charity commission under section 145(5)(b) of the 2011 Act
- State whether particular matters have come to my attention

Basis of Independent Examiners Statement

My examinations were carried out in accordance with the general directions given by the charity Commissioners. An examination includes a review of the accounting records kept by the charity and a comparison of the financial statements presented with these records. It also includes consideration of any unusual items or disclosures in the financial statements, and seeking explanations as trustees concerning such matters. The Financial reporting framework that has been applied in their preparation is applicable law and the Financial Reporting Standards for Smaller Entities (effective January 2015).

The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express any audit opinion on the view given by the financial statements.

Independent Examiners Statement

In connection with my examination, no matter has come to my attention:

1. Which gives me reasonable cause to believe that in any material respect the requirements:
 - To keep accounting records in accordance with section 386 of the Companies Act 2006; and
 - To prepare accounts which accord with the accounting records and comply with the accounting requirements of section 396 of the Companies Act 2006 and with the methods and principles of the Statement of Recommended Practice: Accounting and Reporting by Charities

Have not been met or

2. To which in my opinion attention should be drawn in order to enable understanding of the financial statements to be reached.
