Chairman's Report 2023/24

The hall remains busy and there is a steady demand for the use of the hall for children's parties and other family events. The hall floor was replaced by local company LNC in August 2023 and repainting completed in December 2023.

CCTV cameras were replaced and are now maintained by VOG Alarm Systems from Barry.

Dinas Powys Community Cinema, with its licensed bar, Joe's ice cream, and a carefully selected programme, continues to be a regular monthly event for many residents and we have a loyal audience. Dinas Powys Primary School once again joined us for its Christmas screening in December and has already booked December 2024. I am very grateful to our volunteers who help run the community cinema. Without their help and dedication this venture could not continue and we are always looking for new volunteers prepared to commit one Saturday afternoon and evening per month to this venture.

With its good parking facilities and pleasant surroundings, the hall is continuing to prove a popular venue for community and private events. Fund raising events, including *Rock and Chips*, *DPVC Quiz Nights* and Christmas coffee mornings, have been hosted. Murchfield Community Centre is used by a wide range of regular user groups and for diverse one-off bookings. Regular users include the Childminders, the Wednesday Afternoon Club, Taekwondo, Aerobics, Tuesday Makers, Liberty Dance, DPVC's Afternoon Community Club, and the Vale of Glamorgan Parkinson's Support Group. The hall is also used regularly by Dinas Powys Voluntary Concern for its Memory Café, which incorporates an older persons' art group, run by volunteers and a weekly soup lunch attracting an average number of 25 every Monday.

DPVC has its office at the rear of the building and has used of the hall for volunteer training, AGM and coffee mornings.

I would like to express thanks for all the support the Association receives from our local community, the Community and Vale Councils, and from our dedicated and supportive Management Committee. We welcomed two new Trustees, Jane Sissons and Sharon Burke. They have both used the hall for many years as local childminders.

Murchfield Community Association is in a strong position to look forward to another year of service to the local community.

Managing bookings for the Hall requires a great deal of dedication, and I would like to thank Judith for the hard work she puts in to ensure that the hall is run and managed so efficiently. I would also like to express my thanks to Kevin Parsons and David Knevett of the Vale of Glamorgan Council for the support they give the Management Committee. My thanks go to David Thomas, who has agreed to be our independent examiner of the MCA accounts.

Aims and Objectives

Murchfield Community Association is a registered charity run by volunteers that manages Murchfield Community Centre on behalf of the Vale of Glamorgan Council. It has responsibility for day-to-day management and ensuring that the Centre is self-funding. As a community association one of its main aims is to provide facilities, in the form of the Community Centre, that enable the residents of Dinas Powys to take part in activities that

- ✚ Enhance social welfare and inclusion
- ✚ Provide opportunities for learning and education
- ✚ Promote health and wellbeing
- ✚ Provide equal opportunity for everyone regardless of age, race, sex or political or religious orientation.

We do this by bringing together local authorities and other organisations and maintaining and managing the Community Centre with the object of improving the quality of life for the people of Dinas Powys and surrounding area.

How we would normally achieve this

The Centre provides a range of activities and regular long-term bookings run by other organisations and individuals. These cover a wide range of interests and include.

- ✚ A weekly affordable lunch.
- ✚ Dance classes
- ✚ Art Groups
- ✚ Childminder's group that runs an open session for Mothers and Toddlers once a week.
- ✚ A club for older people once a week
- ✚ The Parkinson's Vale of Glamorgan Support Group once a month
- ✚ Dinas Powys Football Club use the facilities including changing rooms and showers for home matches.
- ✚ A Memory Café runs twice a month for anyone affected by early stages of dementia, and, in conjunction with the café, art classes suitable for older residents.

Murchfield Community Centre is also the home of Dinas Powys Voluntary Concern, a local charity that helps the elderly and provides transport and befriending services through volunteers and two adapted vehicles.

As an Association we also arrange our own events for the community. We believe, as trustees, in offering a range of cultural experiences that are not catered for elsewhere in the village. By organising our own events not only do we achieve our objective of improving the quality of life for residents but we raise much needed funds to continue improving the Centre.

Our events and activities include

- ✚ Dinas Powys Community Cinema with screenings of mainstream current films once a month. The equipment is also available for other organisations such as the Parkinson's Support Group and DPVC to use for fundraising evenings.
- ✚ Specialist film events for local schools and organisations.

The Centre is open to all and is available throughout the year for individual and casual lettings. Numerous children's parties are held at weekends and the Welsh Blood Service book donor sessions twice a year. It is also used for local and national elections as a polling station.

The Trustees work closely with the Vale of Glamorgan Council and Dinas Powys Community Council to provide a safe, secure and welcoming facility for the whole of Dinas Powys to enjoy.

Finance Report

The accounts presented here are for the financial year from 1st April 2023 to 31st March 2024. We thank David Thomas for confirming their accuracy.

We have been able to keep our hire rate at a figure of £10 per hr. Although this is one of the lowest rates of any halls in the village it still covers the majority of our expenses. In the second year of party bookings at the new rate of £50 numbers have remained steady.

Our regular hirers contribute £15,000 per year and we are almost at capacity.

Replacing the hall floor was our main expenditure and this is included in the Hall Misc and equipment category and totalled £19,179.84. This was partly paid for by the Vale of Glamorgan buildings insurance to the sum of £17,097.60. We took the opportunity to replace the floor in the chair cupboard which explains the extra amount paid to LNC.

Decorating of the toilets, entrance hall and main hall totalled £915.38. It is intended to repaint again after the hall roof has been replaced at the end of 2024.

Our utility bills have increased but not as much as they could have. 5-year contracts were taken out in 2021 so lower rates were secured. Monthly payments have remained the same for gas, and electricity is a variable direct debit. The Football Club and Bowls Club continue to re pay their electricity usage.

We took advantage of slightly higher interest rate and transferred £20,000 to a 35 day notice account in September 2023.

We end the year with a total of £51,568.09 over our 3 accounts.

Chairman's Report 2020

2020 has been extremely difficult.

The Covid 19 pandemic saw us shut our doors to all of our groups for most of 2020.

As our building is also used by a local charity that was coordinating volunteers in Dinas Powys we were able to remain open for direct response to the pandemic.

Our hall was used as a collection point for Foodbank and as a base for the volunteers who were shopping and collecting prescriptions and medicines for those in the village who were shielding.

We still had electricity and gas bills to pay throughout the year to keep the DPVC office warm and lit and we are grateful to the Welsh Government for their financial support in the form of Lockdown Business Grants.

In December 2020, along with over 100 other premises in Dinas Powys, our building was flooded. DPVC moved from the unusable office into the main hall and we began the clean-up. It wasn't until March 2021 that we could move back into the office and open the hall again.

Costs associated with the flood were mostly met by our own contents insurance and the vale buildings insurance. We did install a flood door to the office which we paid for from funds.

Not all of our groups have returned and we decided not to book children's parties for the remainder of the year.

We are grateful to our Treasurer who has also put together all of the covid risk assessments that needed to be in place before reopening.

We look forward to a better 2021 and a return to full capacity in 2022.

Chairman

John Fanshaw.

The Centre provides a range of activities and regular long term bookings run by other organisations and individuals. These cover a wide range of interests and include.

- ✦ Exercise classes throughout the week including, Yoga and Aerobics
- ✦ Dance classes ranging from Street Dance to Tap Dance
- ✦ Twice weekly badminton groups
- ✦ Childminders group that runs an open session for Mothers and Toddlers once a week.
- ✦ A club for older people once a week
- ✦ The Parkinson's Vale of Glamorgan Support Group also meets once a month
- ✦ Dinas Powys Football Club use the facilities including changing rooms and showers for home matches.
- ✦ A Memory Café runs monthly for anyone affected by early stages of dementia, and, in conjunction with the café twice monthly art classes suitable for older residents.

Murchfield Community Centre is also listed as an outreach centre for Victim Support and the Youth Offending Service, as well as being the home of Dinas Powys Voluntary Concern, a local charity that helps the elderly and provides transport through volunteers and a minibus.

As an Association we also arrange our own events for the community. We believe, as trustees, in offering a range of cultural experiences that are not catered for elsewhere in the village. By organising our own events not only do we achieve our objective of improving the quality of life for residents but we raise much needed funds to continue improving the Centre.

Our events and activities include

- ✚ Dinas Powys Community Cinema with screenings of mainstream current films once a month and childrens' presentations. The equipment is also available for other organisations such as the Parkinson's Support Group and DPVC to use for fundraising evenings.
- ✚ Specialist film events for local schools and organisations
- ✚ Annual Playscheme, part funded by Dinas Powys Community Council and United Welsh Housing Association

The Centre is open to all and is available throughout the year for individual and casual lettings. Numerous children's parties are held at weekends and the Welsh Blood Service book donor sessions three times a year. It is also used by local politicians and councillors for surgeries and coffee mornings as well as public meetings and for local and national elections as a polling station.

The Trustees work closely with the Vale of Glamorgan Council and Dinas Powys Community Council to provide a safe, secure and welcoming facility for the whole of Dinas Powys to enjoy. We are constantly improving and updating the Centre and it is regarded as one of the top centres in the Vale. It is our intention to retain that position in the coming year.

Finance Report

The accounts presented here are for the financial year from 1st April 2020 to 31st March 2021. We thank Pam Gay for confirming their accuracy.

We were directly involved in the Covid response within the village. Shopping volunteers were paid from our account and this was refunded by those we shopped for and if this was not possible, money was repaid to us from the Hardship Fund set up by Dinas Powys Voluntary Concern. All expenditure during this time was repaid.

It has been a year of reduced income from hirers. The Community Cinema was closed in March 2020 and has yet to reopen.

We were eligible for Covid Rates and Business Grants from the Welsh Government totalling £24,000 and, along with savings that we had built up over the previous 3 years, we are still in a good financial position.

It was agreed to close the postal only Charity account and transfer the balance to the current account in case funds were needed. A total of £2,490.40 was deposited and the account closed in March 2021.

After the flood in December 2020, we spent over £6,000 to replace damaged furniture, redecorate and replace carpets in the office as well as installing a flood door. The majority of this was repaid by insurance.

We installed hand sanitising equipment and complied with all Covid regulations including increased cleaning after every user. We were awarded a small grant of £500 from GVS to enable us to reopen.

Groups were able to return intermittently throughout 2020 and as they had to split class sizes all available slots were filled by those who returned ensuring income levels were more or less sustained for at least part of the year.

The main hall floor is causing some concern as we see the extended damage caused by the flooding and will need to be replaced. This may have to be part funded by our own reserves if the Vale of Glamorgan Council are reluctant to help.

We end the year with a total of £41,828.98 over our 2 accounts.
