Objectives and Activities

	SORP reference	
Summary of the purposes of the charity as set out in its governing document	Para 1.17	The centre shall be held upon trust for the purposes of a community centre for the use of persons resident within the parish of Long Itchington, including use for meetings lectures and classes and for other forms of recreation and leisure time occupation with the object of improving the conditions of life for the said inhabitants.
Summary of the main activities in relation to those purposes for the public benefit the activities, projects or services identified in the accounts.	Para 1.17 and 1.19	The Community Centre is the main meeting place for the village. It provides a venue for numerous community groups (Rainbows, Brownies, the Wednesday Club for pensioners, Parent and Toddler Group, the History Group and W.I.). It is used as a rural cinema and for exercises classes. It thus contributes to the social and emotional wellbeing of residents of all ages. It is used for birthday and christening gatherings and one-off events such as quizzes and coffee mornings. With very limited public transport to and from the village the Community Centre is an essential part of many residents' lives in combatting isolation and loneliness. There is no other not for profit venue in the village and is thus essential to the public benefit.

Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	The Community Centre is an important meeting place for the residents on Long Itchington. By making facilities available for meetings, it supports local residents, in particular their physical and mental health. Many of the groups which use the Community Centre support elderly residents in Long Itchington. This year is unusual due to COVID so the many events planned, and the planned window refurbishment were postponed. From Sept 2020 we were able to reopen in for a short time to support children's activities in the community and also for some limited exercise classes. This really supported the health and wellbeing of our community.

Financial Review

Review of the charity's financial position at the end of the period	Para 1.21	The charity carried forward £24872.31 into the next financial period. Full details of receipts and payments were included with Annual return. This is unusual and COVID support and a cease in regular activities contributed to this. The community centre received very little in hire costs and fundraising but this income was replaced with the grants from the district council to support the leisure industry.
Statement explaining the policy for holding reserves stating why they are held	Para 1.22	The Trustee's policy is to hold in the region of 6 months' running costs in reserves. This is to support the community centre if income is limited. This is typically between £3000 and £6000. This year, there is a higher amount carried forward as a result of grants linked to the Covid-19 pandemic.

Reasons for holding zero reserves	Para 1.22	N/A
Details of fund materially in deficit	Para 1.24	N/A

The charity's principal sources of funds (including any fundraising)	Para 1.47	In a typical year the principal source of funding is activity hire. During this financial year, there was a reduction in funding from activity hire due to social distancing rules. However, we have received several grants to support our activity and then a large start up grant that came just before the end of the financial year. These funds have not yet been spent and have contributed to our increased reserves going forward.
Investment policy and objectives including any social investment policy adopted	Para 1.46	N/A

<p>A description of the principal risks facing the charity</p>	<p>Para 1.46</p>	<p>In this period the biggest risk was the potential impact of the COVID pandemic on the income for the Community Centre and the ability to pay the staff. The staff are paid from the hire costs received. All activities ceased in early March 2020. At the beginning of the year, we had very significant concerns regarding this. We took the grants available to us and this supported the centre. We were closed for a lot longer than anticipated in March 2020. There is continued concern regarding loss of income and even at times we are not in lockdown there is a general loss in confidence at holding events. Many regular activities have still not returned to the community centre (Jan 2022) and we are using the additional grants to support the running of the centre.</p>

INTERNAL AUDIT REPORT FOR 1st April 2020 – 31st March 2021
FOR LONG ITCHINGTON PARISH COUNCIL

(The Internal audit was undertaken on 19th May 2021)

INTRODUCTION

This report covers the completed internal audit carried out for the financial year 2020-21 for Long Itchington Parish Council. On a day-to-day basis, the management of the Parish Council's finances is one of the duties of the Clerk's in their capacity as Responsible Finance Officer (RFO), supported by all members of the Parish Council.

STATEMENT OF RESPONSIBILITY

The work Xacct Ltd has undertaken was carried out based upon the Internal Audit requirements for Long Itchington Parish Council. This report has been prepared solely for Long Itchington Parish Council's use only and cannot be used for any other purpose.

The matters raised in this report are only those, which came to our attention during the course of the audit and are not necessarily a comprehensive list of all improvements that might be made. The responsibility for a sound system of internal control rests with Long Itchington Parish Council. Internal audit procedures are designed to focus on areas that are considered to be of greatest risk and significance, but implementation of any recommendations by the Internal Auditor are at the discretion of Long Itchington Parish Council if the Council believes that they will assist in the internal control of the Parish Council processes.

The Purpose of this report is:

- Provide the Council with an internal audit opinion of the effectiveness of the systems of financial control, risk management and control arrangements based on the work undertaken in the year.
- Summaries internal audit activity.
- Raise any particular issues arising from that work.

REVIEW OF ACCURATE BOOK-KEEPING

Our objective is to ensure that the accounting records are being maintained accurately and that no anomalous entries appear in cashbooks or financial ledgers.

- Income and expenditure entries to the cashbook were checked and found to be up to date and correct.
- An appropriate nominal coding structure is in place.
- All payments and receipts were found to be correct and supported by documentation (small batch picked adhoc)
- All receipts for the Long Itchington Council accounts, were banked in a timely manner
- Bank reconciliation was checked and found to be correct.
- A sample of payments were found to be matched to the individual invoices.
- VAT - The council is able to recover all VAT paid provided there are correct supporting invoices should the VAT be due. Repayments have been promptly made and properly accounted for.
- Petty Cash - We have reviewed a sample of payments during the year ensuring that each is appropriately supported by an invoice/receipt.
- Asset Register - It was noted that the Parish Council has a formal asset register; this was checked and found to be satisfactory

Detailed examinations of transactions have taken place to ensure financial records are up to date, the arithmetic is correct and that the accounts balance. In our opinion, appropriate books of account have been properly kept throughout the period covered by this report. It is noted that a payment list was prepared and presented to the Parish Council for review at every monthly Parish Council meeting.

Registered address: Xacct Ltd, 15 Short Lane, Long Itchington, Southam, Warwickshire, CV47 9PB

Company No: 9499389 | www.xacct.co.uk | admin@xacct.co.uk

Payroll - The Clerks salary and allowances were paid in accordance with Councils approvals, and PAYE and NI requirements were promptly applied.

Year End Accounts - The year-end accounts for the financial year 2020 – 2021 were checked and were found to be correct in agreement with the financial records shown by the Clerk, and the bank statements.

Budget Controls - It was noted that a proper budget and precept review for the year 2020-2021 was agreed. The budgetary procedures are effective; the Council ensures that its level of reserves is assessed for reasonableness. Monitoring of financial performance against the budget remains fully effective.

CORPORATE GOVERNANCE AND MINUTES OF THE PARISH COUNCIL MEETINGS

Our objective is to ensure that the Council has robust corporate governance documentation procedures in place and that the Council and Committee (where appropriate) hold meetings to cover all areas of discussion.

- This year's minutes are in place and are satisfactory with sections relating to financial awareness.

RISK MANAGEMENT AND INSURANCE

The Council continues to assess any significant risks and review the adequacy of arrangements to manage these. The public and product liability, employer's liability, employee dishonesty, commercial legal protection and official indemnity Insurance is in place.

This concludes the Internal Audit.

OVERALL CONCLUSION

We are pleased to conclude that, in the areas examined, the Council continues to have effective systems in place. The Clerk is showing an excellence knowledge of the requirements of the standard required by Local Government Finance Regulations.

Recommendations to look at only if Long Itchington Parish Council believes implementation would be beneficial.

Payroll

- We would suggest if you are paying anyone on a regular basis (this includes petty cash payments) and they are not on the payroll, that you should provide evidence that the individual has signed to say they will be paying their own PAYE and NI. *If the government deems an individual to only be being paid by one employer, they can prosecute both the supplier and the business paying them.*
- It may be intentional to put wage payments across different cost centers, but for trend analysis and year on year variances you may want to put them in one only. I have added a sheet to this letter to show the x2 area's noticed.

If you require any further information, advice or assistance please don't hesitate to contact me, as I would be happy to help out.

Kind Regards
