LINCOLN RECORD SOCIETY
TRUSTEES' REPORT
FOR THE YEAR ENDED 31 JULY 2025

President's Introduction

Nigel Burn's generous 2020 bequest continues to be visible in every area of Society activity. Our memorial to Nigel's own contribution to local history - The 'New Priorities' programme - was explained in the Report for 2020-21 and what follows is a commentary on the progress we have made on those priorities during 2024-25.

Members will recall that our Council's ambitious 'New Priorities' programme is organised under five headings:

- 1) Now that issues with our **website** have been resolved, the platform offering Society members and collaborators a single hub for accessing searchable digitised versions of previous LRS volumes is fully operational. The website is now also offering information on, and access to, several other activities arising from the New Priorities programme. Once again, we owe a vote of thanks to our redoubtable Treasurer, Ken Hollamby, for managing the complex issues involved. We continue to see a modest addition in the numbers of new members on account of the website offer and the significance of the website as the functional core of the Society can only grow from here.
- 2) Last year's glimmer of hope in respect of the mediated **digitization** of historical documents has grown brighter, but not to such an extent that the Society has yet completed any such project. The good news, however, is that FPC has now approved significant changes in the commissioning of work for our website, which we hope will enable Dr Wheeler to generate published output ... in time for next year's report.
- 3) Our programme of '**outreach**' projects, directed by Dr Andrew Walker, continues to have an impact and this year a steady flow of excellent projects has been designed and executed. This budget is becoming a successful ally alongside other projects promoted by the Society and, although the budget is relatively modest, the impact on local groups is considerable, thank you again, Andrew. The **News Review** also goes from strength to strength under the direction of Dr Hannah Boston. In addition to making valuable contributions to FPC discussions, she has produced two bumper editions this year and has ambitious plans for the future. Officers continue to be grateful to Dr Boston for her commitment to the Society.
- 4) The **Large Grants** programme, under the direction of Dr Julian Haseldine, continues to develop and to gain valuable experience. Supported by our specialist Large Grants Committee (LGC), Dr Haseldine's 'pipeline' of projects for consideration has enabled us to generate significant policy documents this year, that will make the management of the programme more straightforward, and also easier to explain to potential funding partners. It is intended to submit a major statement on the Large Grants scheme to Council for approval in Autumn 2025. The number and quality of proposals coming forward continues to rise, establishing the Society as a major supporter of the study of history within the former Diocese of Lincoln. The details of awards made during the year are given in the report (below).

**LINCOLN RECORD SOCIETY
TRUSTEES' REPORT
FOR THE YEAR ENDED 31 JULY 2025**

- 5) Under the direction of our Secretary, Paul Dryburgh, the Society's programme of **Small Grants** has also now established itself as one of the Society's most effective tools for encouraging the study of history within the ancient diocese. As can be seen from Dr Dryburgh's report (below), excellent proposals continue to make their way to his door, and the Society can be proud that we can support many of them, thanks to Nigel Burn's generosity.
- 6) To repeat last year's report: following consultation and discussion with stakeholders, our programme of **conservation work** on documents has been inextricably tied to projects that assist work under the four previous headings. Where a document forming an integral part of a project progressed/funded under one of the above work-streams requires conservation attention, we will seek to grant-aid that conservation work. Although no such documents have been proposed for grant-aid under this heading during the reporting year, FPC have now begun discussions with Lincolnshire Archives Office regarding the famous Lincoln series of Bishops' Registers.

TRUSTEES' REPORT
FOR THE YEAR ENDED 31 JULY 2025**

Structure, Governance and Management

The Society was founded in 1910 by Canon Charles Wilmer Foster, and subsequently endowed by Kathleen Major and Nigel Burn, with the object of publishing records and documents relating to church, parochial, manorial, family history and other aspects of the history of the county and ancient diocese of Lincoln.

Policies to enable the Society to achieve its charitable objectives are determined by its Council of trustees, which meets once or twice each year. An annual report and any changes to the governing document are put before members at the Annual General Meeting, usually held in October or early November. The day to day running of the Society is delegated by Council to the Finance and Publications Committee and to its Officers. An annual budget and five year plan is reviewed and approved by Council at its autumn meeting.

Membership is open to all, on payment of the annual subscription, currently set at £25 for all members, in return for which, members are supplied with the annual main series publications of the Society. Subscriptions are due on 1 August each year, but members may join at any time during the year and receive a full year's benefits. Most of the Society's publications deal with Lincolnshire, but some of the volumes include matter relating to the counties of Bedford, Buckingham, part of Hertford, Huntingdon, Leicester, Northampton, Oxford and Rutland, which were in former days included in the diocese of Lincoln. Members are entitled to purchase back volumes and publications in the additional series at a discount.

The governing document is reproduced here.

The Rules of the Society are:

1. The Society shall be called the LINCOLN RECORD SOCIETY (hereinafter referred to as the Society).
2. The object of the Society shall be the advancement of public education in the history of the ancient diocese of Lincoln and the county of Lincolnshire especially by the transcription, editing and publication of original historical documents. The word 'Diocese' in this clause shall include any counties which have at anytime formed part of the Diocese of Lincoln.
3. Membership of the Society shall be constituted by the payment of the annual subscription, or, in the case of life members, of the composition
4. The annual subscription shall be determined from time to time by the trustees and shall be payable on the first day of August in every year. A composition of an amount twenty times that of the annual subscription shall constitute life membership from the date Of composition.

**LINCOLN RECORD SOCIETY
TRUSTEES' REPORT
FOR THE YEAR ENDED 31 JULY 2025**

5. The management of the affairs of the Society shall be vested in a Council consisting of the president, secretary, general editor, treasurer and a number of at least seven and not exceeding twenty other members of the Society to be elected at the annual general meeting. Vacancies occurring between annual general meetings may be filled by the Council. Three shall form a quorum.
6. Each member shall be entitled to one copy of every work published in the main series by the Society in respect of his year of membership. No person shall receive any such volume until his subscription for the year in respect of which the volume is published has been paid. Provided that any member may be supplied with any of the publications, including the additional series, on such terms as the Council may from time to time determine.
7. Persons who are not members of the Society may be supplied with the publications of the Society on such terms as the Council may determine.
8. The funds of the Society, including the vouchers or securities for any investments, shall be kept at a Bank to be selected by the Council in the name of the Society. Such investments shall only be dealt with by an authority signed by the Secretary and such other person or persons as the Council may from time to time appoint.
9. The accounts of the receipts and expenditure of the Society and of its assets and liabilities, up to the 31st July in each year, shall be scrutinised in accordance with relevant legislation for the time being by an appropriate person or body to be appointed by the Society.
10. An annual general meeting of the members shall be held in the Autumn, to receive a report upon the work of the Society and the General Editors report, to receive the Treasurers financial statement and to elect an appropriate scrutineer in accordance with Rule 9, to elect officers and a council for the ensuing year, and to transact the general business of the Society.
11. The Council may require the accuracy of any transcript, calendar or translation to be tested on their behalf before it is printed.
12. The editor of a volume shall be entitled to receive five copies of the work.
13. The Secretary shall keep a minute book wherein shall be entered a record of the transactions as well at meetings of the Council as at general meetings of the Society.
14. The rules shall only be amended at a General Meeting called for that purpose giving at least 21 days notice of the proposed amendment. No amendment shall be made to the constitution that would cause the Society to cease to be a Charity at Law. Any alteration to the constitution must receive the assent of not less than two-thirds of those present and voting. Any amendment to Clause 2 or Clause 15 or this Clause shall require the prior approval of the Charity Commissioners for England and Wales.
15. The Society may be dissolved by a resolution passed by a two-thirds majority of those present and voting at a General Meeting. In the event of dissolution, any property remaining after the satisfaction of all debts and liabilities shall be given or transferred to such other charitable institution or institutions having objects similar to the objects of this Society as the Charity Commissioners or other authority having charitable jurisdiction may determine.

**LINCOLN RECORD SOCIETY
TRUSTEES' REPORT
FOR THE YEAR ENDED 31 JULY 2025**

Trustees: The Council members constitute trustees of the charity for the purposes of charity legislation, having due regard to the qualifications, reputation and relevant abilities of the candidates. Explanation of the legal duties and responsibilities of trustees is given by the Secretary to new trustees, and all trustees are advised of any changes to relevant legislation and recommended best practice. From time to time trustees receive training from external providers.

Risks: are identified, determined, evaluated and managed by regular review of operating conditions, and by the maintenance of a risk register, which is reviewed at least annually by the Finance and Publications Committee. The major risks to which the Society is exposed relate to market conditions surrounding its investment portfolio, data loss relating to its financial and administrative records, and the loss of the officers without adequate provision being made for their replacement and the transfer of knowledge. In the trustees' opinion, reasonable steps have been taken to reduce exposure to these risks.

Data Protection: In May 2018 the General Data Protection Regulation (GDPR) came into force. This regulates the processing of personal data by organisations. In order to ensure the Society's compliance the officers have drawn up a Data Protection and Information Security Policy. This sets out the personal data the Society collects and the mechanisms by which it seeks to process further, manage (including destruction) and store that data, in order to comply with this legislation and fulfil the contractual agreement between Society and member with regard to the benefits of the subscription. It also outlines procedures for review and revision in line with future legislation. Full details of the policy are available on our website.

Objectives and Activities

The Society's objectives are noted above.

Activities are established by the trustees to meet and accord with the Society's charitable objectives. In addition to the publication of historical documents relating to the diocese and ancient county of Lincolnshire, the Society also makes grants for research and other purposes which, in the opinion of the trustees, will further the Society's objectives. The Society also organises events for its members and the general public which help to achieve its objectives. It also actively communicates with its members via social media and email as well as print publications.

Public Benefit: The trustees having regard to the guidance issued by the Charity Commission in deciding what activities the Society should undertake, the Society makes its volumes freely available to the general public by appointment with Lincoln Cathedral Library where two sets of its publications are held. The Society's volumes are also stocked by many public libraries and archives, and are available for sale to non-members on payment of the cover price in force for the time being. The Society's website is available to all Internet users, and contain information about its work, publications, grant-making programme, linked organisations, and events open to the general public.

Volunteers: the Society's trustees are all volunteers, and it has not yet needed any other volunteers who are not trustees. It is estimated that the trustees contribute some 1000 – 1500 hours per annum of their time to the running of the Society. The equivalent financial benefit of these hours of professional time may be in the region of £100,000 per annum.

**LINCOLN RECORD SOCIETY
TRUSTEES' REPORT
FOR THE YEAR ENDED 31 JULY 2025**

Achievements and Performance

Membership: This year the society welcomed 8 new members and notes the resignation of 7 members. We are sorry to report the deaths of Glyn Coppack, Richard Hollingsworth and Chris Medley. At the end of the year the society had 277 members.

New members:

Stewart Bennett, Lincoln
Isaac Fox, Haxey
Matthew Hammond, York
Sarah Harrison, Lincoln
Zoe Kelly, Saffron Walden
Jane Rimmer, Lincoln
Calum Watt, Lincoln
Sarah White, Beeston

Publications:

During the last year the Society published Professor Maria Hayward's edition of *The Privy Purse Accounts of Catherine of Braganza 1663-1681* as volume 112 and Brian Hodgkinson's edition of the *Louth St James Churchwarden's accounts 1527-1570*, as volume 113 in our main series. The Society is also delighted to announce that volume 114 of the main series will be *Land and God: the City, County and Diocese of Lincoln over Nine Centuries: Essays in Honour of Nicholas Bennett* edited by Paul Dryburgh and Philippa Hoskin, with essays by members of Council focusing on documents related to the diocese of Lincoln between the thirteenth and the twentieth centuries. This volume is currently in press and will be distributed to members shortly.

Several other volumes are in active preparation, in particular the third part of Nicholas Bennett's *Lincolnshire Parish Clergy* series, covering the large deanery of Calcewaith, thirty-nine parishes including Alford and Mablethorpe, Michael Gilbert's completion of Marion Brassington's edition of *The Minute Book of the Townshusbands of Spalding, 1591-1697* and Rod Ambler's and Martin Watkinson's edition of *The Pelham Surveys 1585-87 and Related Probate Material*.

For the Kathleen Major Series, four proposed editions are making good progress: the Kirkstead Cartulary, edited by Katy Dutton; the Oath Takers Lists edited by Nigel Saul, Bishop Buckingham's Memoranda edited by Alison McHardy and the Goxhill leiger book edited by Philippa Hoskin.

The Society is most grateful to all those who are preparing future volumes for its series.

Other Activities: The Society continues to explore and deliver a range of activities beyond our core business which demonstrate a commitment to engaging with members and non-members alike both in person and online. The President's Introduction to this Report sets out the broad areas in which the Society is fulfilling our New Priorities following the Nigel Burn Bequest. Here, more detail is given on individual programmes and award schemes.

**LINCOLN RECORD SOCIETY
TRUSTEES' REPORT
FOR THE YEAR ENDED 31 JULY 2025**

Communications

In the year under review, two further editions of our *News Review* have been published under the editorship of Dr Hannah Boston. The Autumn 2024 edition included a Welcome by Jack Newman as a new trustee, giving an insight into how he works with the Society's volumes. There were reports from the 'Writing the Air War' and the 'Gender and Medieval Studies' conference. A preview of Professor Maria Hayward's splendid volume *Privy Purse Accounts of Catherine of Braganza*, and Mick Jones' *Digging Lincoln* were also included. Reports on recent book launches featured, along with obituaries for Nick Lyons, Gordon Plumb and David Smith.

The Spring 2025 edition featured various reports on events, including some held over from last year. Ken Hollamby updated members on the Hearth Tax project and Dr Julian Haseldine reported on the Large Grants scheme. Dr Nicholas Bennett wrote an obituary for our longest-standing member Dr Reg Brocklesby, who died shortly before his one hundredth birthday. Due to the wealth of business to review, the Finance and Publications Committee approved an increase in the size of the *News Review*, which is issued twice annually, usually in Spring and Autumn.

The Society's social media profile has now become temporarily moribund while a new website is built. Nevertheless, thanks to colleagues at Boydell we issue regular email communications to members regarding upcoming events and volume promotions.

Outreach

LRS AGM 2024

On 9 November 2024, around thirty members of the Society returned to Bishop Grosseteste University, Lincoln, for the Annual General Meeting. Dr Jack Rhoden and Elaine Johnson of BGU presented a fascinating AGM Lecture on their work, supported by the Society, on the archive of Lincoln Diocesan Training College and their project to digitise and make publicly available that archive.

During the year further talks have been given by LRS editors at public events. On 3 May, John Manterfield spoke at Grantham Library as part of the Lincolnshire Library's Local History Month. The recent Lincoln Record Society volume, 112, *The Material World of a Restoration Queen Consort: Catherine of Braganza*, was officially launched on Friday 11 April at The Stonebow and Guildhall, in Lincoln, with a talk given by the book's editor, Professor Maria Hayward.

During the year, a LRS student outreach project was undertaken, funded by the LRS and organised by Dr Derwin Gregory and Dr Alan Malpass of Bishop Grosseteste University. This took the form of an historical game jam - an event in which, usually against the clock, participants attempt to make a game from scratch. Students from Branston Community Academy attended both days at BGU (3 December 2024 and 14 February 2025) and provided three teams. In addition, a group of current BGU students formed a team that attended on the first day. A full report has been written by Dr Derwin Gregory for the LRS's *News Review*.

**LINCOLN RECORD SOCIETY
TRUSTEES' REPORT
FOR THE YEAR ENDED 31 JULY 2025**

Conferences

In September 2024 the Society collaborated on a superb conference with the British Association for Local History and the Society for Lincolnshire History and Archaeology (SLHA): 'Untold Stories: New Research from the documents of the City, county and Historic Diocese of Lincoln'. This took place at Lincoln College and featured ten talks across a range of topics and periods from Dr Kathryn Dutton's exploration of the Kirkstead cartulary through to Dr Shirley Brook's mesmerising investigation of Victorian and Edwardian domestic decorative wall tiling in Lincolnshire. Around sixty delegates attended a conference that attested to the vibrancy of scholarship on topics of relevance to the Society. Several volume editors and recipients of LRS

Nigel Burn Research grants were among the presenters, highlighting the fresh impetus the Society is giving to research into the city, county and diocese of Lincoln. Members of all three collaborating societies received a discount on tickets.

Future conference plans

The Society has also worked during the year under review to plan further conferences for 2025 and beyond. The flagship will be 'Counting Chimneys: The Hearth Tax in Lincolnshire', to be held at Lincoln College on Saturday 25 October 2025. This collaborative conference involves the LRS, the Society for Lincolnshire History and Archaeology's Building Recording Group (RUBL) and the British Record Society. The event is the precursor to a hearth tax volume relating to Lincolnshire, which is due to be published by all three bodies. Proposed speakers will include contributors to the volume, notably Dr Nicholas Bennett, Naomi Field, Jenne Pape, and Dr Rob Wheeler. LRS members have received a discounted ticket offer for this event. The Society is also supporting the Thirteenth-Century Conference at the University of Lincoln in September 2025, with a sponsored session on records relating to the ancient city, county and diocese. Members will receive discounts on ticket prices.

Webinar programme

The LRS Research webinar series reconvened in February 2025. The first renewal took the theme 'New research on Medieval Religious Life and Thought in Lincolnshire'. Attendees heard papers from Dr Kathryn Dutton (University of Leeds) on Kirkstead Abbey and the Beks of Eresby, assessing the extensive evidence provided by the newly-transcribed charters and cartulary of Kirkstead Abbey, alongside extant conventual seals, episcopal memoranda and late-medieval compilations, and from Dr Owain Gardner (University of Glasgow) on Robert Grosseteste's conception of music, its role in the world and its utility in terms of cure of souls. Further webinars are planned for the autumn.

Book Festivals

The Society has once again participated in local book festivals. In late September 2025 Nicholas Bennett, John Manterfield and Andrew Walker gave entertaining and informative talks at the revived Lincoln Book Festival on, most notably, *A Parson in Wartime*, and the *Hall Books of Grantham*. There was publicity material about the Society and an exhibition relating the Freiburg Letters was also displayed. An audience of approximately 35 was in attendance. In June, Dr Bennett spoke on the Arthur Manley Hopkins Boston war diary at the Boston Book Festival.

TRUSTEES' REPORT
FOR THE YEAR ENDED 31 JULY 2025**

Collaborations

The Society has consolidated its association with the University of Lincoln and its Medieval Studies Research Group. Organised by Council member Professor Louise Wilkinson, Dr Nicholas Bennett presented the annual collaborative lecture on 7 May with the title 'Combating the "swinish snouts" of heretics: the life and episcopate of Richard Fleming, Bishop of Lincoln 1420-1431'.

Awards

The LRS Prize for Best Dissertation in MA History at the University of Lincoln has been awarded to Isaac Fox for the dissertation, "The Role of Thatcherism in Shaping Rave Culture, 1984-1994". The winner of the LRS Prize for Best Dissertation in MA Medieval Studies is Zoe Kelly, for her dissertation: "Tisiphone Transformed: the Abstraction of Statius' Fury in Medieval Christian Receptions of the Thebald". Each winner receives £100 and three years' free membership of the Society.

Small Grants

Every year the Society allocates a budget of £30,000 towards supporting a programme of small grant awards, usually up to but not exceeding £10,000. In the year under review the Society has supported the following projects, awarding a total of £21,996:

- SLHA Golden Jubilee (Kathy Holland, Society for Lincolnshire History and Archaeology)
- Survey of Lincoln, *Sites of Education* (Dr Andrew Walker, Survey of Lincoln)
- Lincoln(shire) Unlocked (Professor Anna Marie Roos)
- Stamford Mercury Archive Trust (Martin Smith)
- Bernard Samuel Gilbert's *Fletton Village* (Professor Andrew Jackson)
- Stamford Pubs & Breweries, reprint (Martin Smith)
- Thirteenth-Century Conference, University of Lincoln (Professor Louise Wilkinson)
- International Medieval Congress, speaker expenses (Dr Martin Roberts)
- Historic Towns Trust, map of Boston (Professor Stephen Rigby & Neil Wright)

Victoria County History of Lincolnshire: Spalding

Members will be aware that the national project to write the history of every county of England – the Victoria County History (VCH) – does not serve Lincolnshire well. Only one volume, largely focussing on medieval religious houses but with essays on Political, Social and Economic History, Industries, Agriculture, Forestry, Endowed Schools, and Sport, has been published as far back as 1906. The VCH aims to complete authoritative, encyclopaedic histories of each county, from the earliest archaeological records to the present day, as well as topics such as topography, landscape and the built environment. During the year under review and following robust debate in both the Finance and Publications Committee and Council, the Society has entered into a joint venture with the Spalding Gentlemen's Society (SGS), guided by a Memorandum of Agreement, to support a project to produce a new two-volume set of 'Shorts' on the town of Spalding. This will be the first history of the town since the 1940s.

**LINCOLN RECORD SOCIETY
TRUSTEES' REPORT
FOR THE YEAR ENDED 31 JULY 2025**

Under the direction of Dr Michael Gilbert, President of SGS and Director of the new Centre for Fenland Studies, where the project is based, and Sue Hughes, both of the Centre for English Local History at the University of Leicester, the VCH Spalding project has been up and running for over a year. It has been very active in scoping out the project, recruiting volunteers to undertake the research and in liaising with the national VCH editorial team in London. Some trustees of the Society have joined the project's Steering Group to advise on the content of the volumes and the training requirements of volunteers. Its next task is to recruit a Project Editor to compile and do the initial editing of the volumes. The role also involves identification, of the research group's training needs in order to produce material that meets the VCH national standard for publication, and to coordinate a training programme. As part of the Project Design, members of the LRS will receive invitations to join the project's training and outreach events.

In order to set the project on a firmer financial and administrative footing, the executive officers of the LRS and SGS have, under the Memorandum of Agreement, established a Project Management Board under the chairmanship of Dr Gilbert. The Board's remit is to approve the Project Design, approve proposals for funding, agree the appointment of the Editor, set the project timetable, receive reports on progress and monitor against the Design, receive reports from the Steering Group on the quality of the completed work, and to report back to the trustees of the founding and funding bodies. The LRS is supporting the project with £10,000 towards the contract of the Project Editor, and the Board will work closely with the Steering Group and Project Editor to explore further avenues for funding for the project which is due to complete in 2028.

Lincoln Episcopal Registers

During the year under review exploratory discussions have been taken forward by the Society's officers with a view to constructing a project to make the medieval and early modern registers of the bishops of Lincoln more accessible. The concept is to use the successful York model of conservation, digitisation and metadata creation to provide a new means of digital access. Meetings have taken place with representatives of several archives to assess capacity to undertake the work. The aim is to assess what might be feasible before a more concrete proposal is drawn up for consideration by Council. Members will receive updates as and when available.

Large Grants

A Nigel Burn Memorial Research Grant of £62,491 payable over three years was approved in May 2023 to Dr W. Jack Rhoden of Bishop Grosseteste University (from September 1st 2025 Lincoln Bishop University) for *Lincoln Diocesan Training College: a biographical register of its earliest students (1862-1918)*. A second payment of £17,058 was made.

A Nigel Burn Memorial Postgraduate Studentship of £68,932 payable over three years was approved in August 2023 to Jessica Holt, PhD student, University of Lincoln, towards the completion of the doctoral project titled *Thomas Bek (d. 1347), Bishop of Lincoln: Familial Networks, Ecclesiastical Responsibilities and Politics*. A final payment of £23,334 was made.

**LINCOLN RECORD SOCIETY
TRUSTEES' REPORT
FOR THE YEAR ENDED 31 JULY 2025**

A Nigel Burn Memorial Postdoctoral Fellowship of £135,427 payable over two years was approved in December 2024. The title is *Two More Episcopal Court Books for the Diocese of Lincoln, 1525 to 1562*. The first payment of £67,714 was made in March 2025.

Reserves Policy: The Trustees will retain general reserves adequate to fund the average cost of one publication and a certain level of grants to assure the future of the society. The five year plan has been designed with this in mind. This policy is regularly reviewed and the current 2025-2026 budget required is £400,000, this is more than covered with the total reserves currently sitting at £2,258,061, with £236,359 being free reserves.

ON BEHALF OF THE BOARD

Date 15/11/25.....

**REPORT OF THE INDEPENDENT EXAMINER TO THE MEMBERS OF
LINCOLN RECORD SOCIETY (REGISTERED NUMBER: 00513433)**

The trustees are responsible for preparing the Trustees' Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England & Wales requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period.

In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP 2019 (FRS 102);
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charities (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

**LINCOLN RECORD SOCIETY
INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES
FOR THE YEAR ENDED 31 JULY 2025**

I report on the accounts of the Trust for the year ended 31 July 2025 which are set out on pages 12 to 19.

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144 of the Charities Act 2011 (the Charities Act) and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the Charities Act,
- to follow the procedures laid down in the general Directions given by the Charity Commission (under section 145(5)(b) of the Charities Act, and
- to state whether particular matters have come to my attention.

Basis of independent examiner's statement

My examination was carried out in accordance with General Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below:

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

1. which gives me reasonable cause to believe that in, any material respect, the requirements:
 - to keep accounting records in accordance with section 130 of the Charities Act; and
 - to prepare accounts which accord with the accounting records and comply with the accounting requirements of the Charities Act
 - have not been met; or
2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

LINCOLN RECORD SOCIETY
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 JULY 2025

1. ACCOUNTING POLICIES

The following accounting policies have been used consistently in dealing with items which are considered material to the charity's affairs.

a Basis of accounting

Lincoln Record Society is an unincorporated Charity. The address of the principal office is given in the Charity information page of these financial statements.

The financial statements of the charity, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland'. The financial statements have been prepared under the historical cost convention, with the exception of investments which are included at market value.

b Legacies

Legacies are recognised when the sum to which the charity is entitled is known, the receipt is probable and entitlement has passed to the charity.

c Subscriptions

Subscriptions are recognised in the period to which they relate.

d Investment income

Interest on deposits is accounted for in the period when it was earned.

e Expenditure

Expenditure is included in the year to which it relates rather than the year in which it is paid. Expenditure includes irrecoverable VAT. Support costs are those costs incurred in running the charity's activities and the strategic overall management of the charity. Expenditure has been presented in line with the alternative method.

f Fixed assets and depreciation

Fixed assets are included at cost less depreciation. There is no formal capitalisation limit. Depreciation is calculated so as to write off the cost of an asset, less its estimated residual value, over the useful economic life of that asset as follows:

Website	over 3 years
Facebook Project	over 3 years
Digitisation Project	over 5 years

g Investments

Investments are stated at fair value at the balance sheet date. The Statement of Financial Activities includes the net gains and losses on revaluations and disposals throughout the year.

h Stock of books

Book publication costs are written off as incurred. Stock is not valued in the accounts.
