Report of the Council of Management for the year ended 31st December 2022 which includes the Directors Report required by the Companies Act and the Trustees Report required by the Charities Act

Objects and Activities

The objects of World Friendship as set out in its Memorandum are to advance education among students from overseas studying in the diocese of Liverpool who need financial assistance, and to relieve need sickness and distress among them and their dependents.

In 2022, World Friendship made grants to assist 24 individual international students who were experiencing hardship due to unexpected changes in their circumstances.

Public benefit

In making these grants the Council had regard to:

1. Our objects
2. The Charity Commission's guidance on public benefit
3. The Charity Commission's guidance regarding the Charities Exception in Part 14 of the Equality Act 2010.

The Council considers that the offering of grants to assist students who are not from the EEA benefits a sufficient section of the public. The Charities Exception makes it lawful to restrict grants to these students because they are disadvantaged by their distance from home, lack of access to public student support in the UK, and vulnerability to international political, economic, and social events.

Grants are made without discrimination regarding faith or gender. Within the funds available grants are offered based on need, the likelihood of successful completion of studies, and the benefit to the students' countries of origin. Individual students benefit by being able continue or complete their courses, Wider benefits accrue to the universities whose students were helped. In addition, the home countries to which the students return will reap the benefits from well qualified graduates in a variety of fields.

Availability of our grants is advertised on our website, and we ensure that student welfare officers and university chaplaincies are aware of the process of application.

The aftermath of the Covid 19 Virus Pandemic and recent countries affected by earthquakes continues to give students many financial problems and we are pleased to be able to offer some help to supplement students' living costs to help them to continue with their studies.

The Charity meets and works closely with university international welfare staff to discuss students' needs and has had the opportunity, through social events, to meet with staff and students who have benefitted from the grants given.

We look forward to financially assisting students who are experiencing financial hardship during 2023 as the current economic climate and cost of living crisis continues.

We honour the memory of our former Chair, Joe Steen, and commit to carrying on the work he so believed in.

Achievements and Performance

During 2022 we received 26 applications for grants in total from International students in the Higher Education Institutions within the Diocese of Liverpool. The majority of applicants are suffering in various ways from the effects of the pandemic. Most have lost their part time jobs or are unable to find work. Many have had to extend their courses and as a consequence have run out of money for living costs.

We received the following number of applications from:

Liverpool Hope University 3 Liverpool University 4 Liverpool John Moores University 16
Liverpool School of Tropical Medicine 3

Countries of Applicants

Nigeria 2 Bangladesh 3 China 1 Iraq 1 Myanmar 1 India 1 Pakistan 2 Somalia 1 Philippines 1
Iran 5 Afghanistan 2 Ghana 1 Russia 1 Zimbabwe 1 Malawi 1 Libya 1 Nepal 1

Grants Allocated

Twenty-four grants were made in 2022 totalling £20,900. One student withdrew her application, One further grant was not made because of an unsatisfactory reference. Following a review the committee decided to make half a grant and provided progress continued, the other half of the grant was awarded.

The Applications Committee

The Committee work closely together to scrutinise all the applications. We are grateful to the University Chaplains, International Officers and tutors for all they do to help and support us. We met with the staff of the various International Departments and student representatives several times to discuss issues of concern and ways we might move forward together.

Two Afternoon Teas hosted in Liverpool Hope University Chaplaincy for the International Staff and the students who have received World Friendship Grants enabled students to discuss their own situations and ways in which World Friendship might help.

Financial Review

World Friendship received a grant of £1,000 from Ravensdale Trust, which was added to the general fund to support our programme of grants to international students. The Ravensdale Trust was wound up during the year and World Friendship received a capital allocation of £7,500. This was added to World Friendship's Investment Capital Fund and invested in additional shares in the CBF Church of England Investment Fund. Due to weak investment markets the Investment Capital Fund decreased by £88,000 (last year it increased by £102,000). Income from investments increased by £728 (3%).

Total income was £29,879 (previous year £21,651) out of which we made grants to international students of £20,900. After expenses, the general fund increased by £1,270.

The results for the year are shown on page 6.

Reserves Policy

Reserves are needed to bridge the funding gaps between grants being paid to beneficiaries and receipt of resources through investment income. World Friendship has a target reserve level of three months normal spending, which is £6,000. The actual reserves on 31st December 2022 were £19,715. The excess will be reduced by increasing the budget for grants in 2023.

Going Concern

World Friendship is a going concern. There are no funds in deficit.

Structure, governance and management

World Friendship is a charitable company limited by guarantee.

The governing document is the Memorandum and Articles of Association dated 5th January 1983, as amended 11th December 1985 and 15th April 2021.

The directors of the company are also charity trustees for the purposes of charity law and under the company's Articles of Association are known as the Council of Management. Under the articles of association, the Bishop of Liverpool appoints one member as his representative, Liverpool Diocesan Board of Finance is entitled to appoint three members to the Council, and the trustees are also eligible, as the council of management, to appoint additional trustees.

Trustees' responsibilities in relation to the financial statements

Company and charity law require the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the company and of its surplus or deficit for that year. In preparing those financial statements, the trustees are required to:

- Select suitable accounting policies and then apply them consistently;
- Make judgements and estimates that are reasonable and prudent;
- State whether applicable Accounting Standards and Statements of Recommended Practice have been followed, subject to any departures disclosed and explained in the financial statements; and
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Audit Exemption Statement The company is exempt for the financial year ending 31st December 2021 from the requirements of Part 16 of the Companies Act 2006 as to audit of accounts, and the trustees have resolved to take advantage of that exemption.

This report is prepared in accordance with the special provisions relating to companies subject to the small companies' regime within Part 15 of the Companies Act 2006.

This report was approved by the Council on 23rd March 2022 and signed on its behalf by Pauline Addy (Director)

Depreciation is provided at rates calculated to write off the cost less residual value of each asset over its expected useful life. All equipment, fixtures and fittings with an original cost of less than £1,000, are written off in the year in which the expenditure was incurred on the basis that due to the nature of the company's activities, there is no expectation that the cost of the assets will be recovered in the way of future revenues.

Investments

The statement of financial activities includes the net gains and losses arising on revaluation and disposals throughout the year.
