Structure, governance and management

The organisation is a charitable company limited by guarantee, incorporated on 11 March 1983 and registered as a charity on 23 May 1983.

Ashby-de-la-Zouch Museum
Company Limited by Guarantee
Trustees' Annual Report (Incorporating the Director's Report) *(continued)*
Year ended 31 March 2025

Structure, governance and management *(continued)*

A board of Trustees of up to fifteen members, who meet quarterly, administer the charity. At each Annual General Meeting one-third of the Trustees retire from office, but are eligible for re-election at that Annual General Meeting.

Working parties selected from the Trustees undertake the study of various proposals and projects and report to the board at those meetings.

Mr Simon Aked, as Treasurer, has, throughout the year, been responsible for the day to day management of the general funds of the Museum, the Museum Development Fund and the other Restricted funds.

Risk management

The Trustees have examined the major strategic, business and operational risks which the charity faces and confirm that systems are in place so that the necessary steps can be taken to lessen these risks.

Reserves Policy

It is the policy of the charity to endeavour to maintain sufficient unrestricted funds, which are the reserves of the charity, to ensure that the charity is able to meet its day to day unrestricted expenditure. The majority of the grant income which, in earlier years, had been receivable at the commencement of the financial year, is now received quarterly, so as to enable the Ashby de la Zouch Town Council to better manage its cashflow. Unrestricted funds have been maintained at an appropriate level throughout the year.

Objectives and activities

The company is a charity and its principal activity is the provision of a Museum. In this way, the company achieves its object to advance the education of the public in Ashby-de-la-Zouch in Leicestershire and the surrounding area and to foster and encourage the conservation and better understanding of the material heritage of mankind and the environment for the public benefit.

The Trustees review the Museum's aims, objectives and activities each year. This review looks at what has been achieved during the year, ensuring that the aims, objectives and activities remain focused on the charity's principal purpose. In carrying out these reviews and in all their duties, the Trustees have paid full regard to the public benefit guidance issued by the Charity Commission.

Achievements and performance

The temporary exhibitions in 2024 kept up their excellent standard, focusing on the surrounding villages of Breedon and Blackfordby, produced by the villages, and the usual two month display on local Archaeology. The first exhibition in 2025 was on local Motte and Bailey Castles. The display boards, kindly loaned by the County Council, were accompanied by short videos on eight of the castles. In March, Lisa Smith from Kidderminster put on a wonderful display of her miniature dolls, dressed in stunningly accurate costumes from Anglo Saxon days to the 1980s. Our Sales of books and other material was steady throughout the year and included a reprint of the successful 'Courts of Ashby' by Josh Bancroft. There were the usual Walks around the town during the Summer and the Museum had a gazebo at the Tractor Jim Fun Day on the Bath Grounds in July. There were several outreach Talks given to local institutions and the biennial Quiz held at Packington in the Autumn. The Archives and Artefacts volunteers continued their inputting of material, including scores of photographs onto Modes. The total number of items on Modes now exceeds 2,500. The A/V recordings are being digitised where needed. The new Website came online and imagery across the site is regularly refreshed. The Museum faces huge increases in Utility costs but continues to survive thanks to the hard work and dedication of its Trustees and all the other Volunteers.

Ashby-de-la-Zouch Museum
Company Limited by Guarantee
Trustees' Annual Report (Incorporating the Director's Report) *(continued)*
Year ended 31 March 2025

Financial review

This has again been a difficult year with the largest problem being the significant increase in the cost of power. I have left that sentence in from last year as it applies equally to this. In addition, we are facing the reduction and ultimate loss of grant aid from NWLDC; so rising costs and falling income.

The Trustees determined last year to pursue alternative sources of grants and donations and this has been successful, increasing our income from both. In addition, the Trustees have looked at additional revenue sources with income from NWLDC Lottery coming on stream along with sales from the new website. The result is the Museum has a range of income streams, none of which are large, but put together have made for a stable income.

Overall, the financial position of the Museum has improved through the year in spite of the challenges.

The Trustees, as always, are grateful to all the volunteers linked to Ashby Museum - for both their time and effort in maintaining the Museum in good order.

Plans for future periods

Looking to the future; the challenges remain the same, that of rising costs and loss of grant aid.

The Trustees will need to continue to take advantage of all opportunities for grant aid, donations and increasing or new income streams.

Small company provisions

This report has been prepared in accordance with the provisions applicable to companies entitled to the small companies exemption.

The trustees' annual report was approved on _____ and signed on behalf of the board of trustees by:

Treasurer's Report to the Trustees of Ashby-de-la-Zouch Museum
Year ended 31 March 2025

I report to the trustees on my examination of the financial statements of Ashby-de-la-Zouch Museum ('the charity') for the year ended 31 March 2025.

Responsibilities and basis of report

The trustees (who are also the directors of the company for the purposes of company law) are responsible for the preparation of the financial statements. The trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is also not needed.

Treasurer's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the charity as required by section 386 of the 2006 Act; or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
4. the financial statements have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

For the year ending 31 March 2025 the charity was entitled to exemption from audit under section 477 of the Companies Act 2006 relating to small companies.

Directors' responsibilities:

- The members have not required the company to obtain an audit of its financial statements for the year in question in accordance with section 476;
- The directors acknowledge their responsibilities for complying with the requirements of the Act with respect to accounting records and the preparation of financial statements.

These financial statements have been prepared in accordance with the provisions applicable to companies subject to the small companies' regime.

Ashby-de-la-Zouch Museum
Company Limited by Guarantee
Notes to the Financial Statement

Year ended 31 March 2025

1. General information

The charity is a public benefit entity and a private company limited by guarantee, registered in England and Wales and a registered charity in England and Wales. The address of the registered office is North Street, Ashby de la Zouch, Leicestershire, LE65 1HU.

2. Statement of compliance

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)) and the Companies Act 2006.

3. Accounting policies

(a) Basis of preparation

The financial statements have been prepared on the historical cost basis.

The financial statements are prepared in sterling, which is the functional currency of the entity.

(b) Going concern

The Trustees consider that the General Reserves are sufficient to continue the limited operation of the Museum and that, therefore, it is appropriate for the accounts to be prepared on a going concern basis.

(c) Disclosure exemptions

The entity satisfies the criteria of being a qualifying entity as defined in FRS 102. As such, no cash flow statement has been presented for the company.

(d) Judgements and key sources of estimation uncertainty

The preparation of the financial statements requires the trustees to make judgements, estimates and assumptions that affect the amounts reported. These estimates and judgements are continually reviewed and are based on experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances. Accounting estimates and assumptions are made concerning the future and, by their nature, despite the best efforts of the trustees, will rarely equal the related actual outcome.

(e) Fund accounting

Unrestricted funds are available for use at the discretion of the trustees to further any of the charity's purposes.

Designated funds are unrestricted funds earmarked by the trustees for particular future project or commitment.

Restricted funds are subjected to restrictions on their expenditure declared by the donor or through the terms of an appeal.

Ashby-de-la-Zouch Museum
Company Limited by Guarantee
Notes to the Financial Statement (continued)

Year ended 31 March 2025

3. Accounting policies (continued)

(f) Incoming resources

All income is included in the statement of financial activities when entitlement has passed to the charity, it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.
- legacy income is recognised when receipt is probable and entitlement is established.
- income from donated goods is measured at the fair value of the goods unless this is impracticable to measure reliably, in which case the value is derived from the cost to the donor or the estimated resale value. Donated facilities and services are recognised in the accounts when received if the value can be reliably measured. No amounts are included for the contribution of general volunteers.
- income from contracts for the supply of goods or services is recognised with the delivery of the goods or contracted service. This is classified as unrestricted funds unless there is a contractual requirement for it to be spent on a particular purpose and returned if unspent, in which case it may be regarded as restricted.

(g) Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on raising funds includes the costs of all fundraising activities, events, and the sale of donated goods.
- expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.
- other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

(h) Operating leases

Lease payments are recognised as an expense over the lease term on a straight-line basis. The aggregate benefit of lease incentives is recognised as a reduction to expense over the lease term, on a straight-line basis.

(i) Tangible assets

Tangible assets are initially recorded at cost, and subsequently stated at cost less any accumulated depreciation and impairment losses.

Ashby-de-la-Zouch Museum
Company Limited by Guarantee
Notes to the Financial Statement (continued)

Year ended 31 March 2025

3. Accounting policies (continued)

(j) Depreciation

Depreciation is calculated so as to write off the cost or valuation of an asset, less its residual value, over the useful economic life of that asset as follows:

Fixtures & Fittings	- 15% reducing balance
Equipment	- 15% reducing balance

(k) Heritage assets

Heritage assets are initially recorded at acquisition cost, and subsequently stated at cost less any accumulated depreciation and impairment losses.

However, the trustees consider that the value of these assets is equivalent to the historical cost and, as such, consider that depreciation should not be provided.

Where information on the cost or value of an asset is not available and cannot be obtained at a cost which is commensurate with the benefits to users of the financial statements, the asset shall not be recognised in the statement of financial position.

(l) Impairment of fixed assets

A review for indicators of impairment is carried out at each reporting date, with the recoverable amount being estimated where such indicators exist. Where the carrying value exceeds the recoverable amount, the asset is impaired accordingly. Prior impairments are also reviewed for possible reversal at each reporting date.

(m) Stocks

Stocks are measured at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items.

(n) Financial instruments

A financial asset or a financial liability is recognised only when the entity becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the amount receivable or payable including any related transaction costs.

4. Limited by guarantee

The charity is a company limited by guarantee and has no share capital. The liability of each member in the event of a winding-up is limited to £1.

17. Heritage assets

Heritage assets are tangible fixed assets of local, historical, artistic or scientific importance that are held to advance the preservation and conservation objectives of the charity.

Heritage assets are continuously and actively sought by the trustees and may be purchased or acquired by donation. It is the major objective of the Museum to preserve and manage these assets, to display them in the public areas, so far as available space permits. Schedules of heritage assets are maintained and updated by the trustees.

	Heritage Assets
	£
Cost or valuation at 1 April 2024	70,526

Structure, governance and management

The organisation is a charitable company limited by guarantee, incorporated on 11 March 1983 and registered as a charity on 23 May 1983.

Ashby-de-la-Zouch Museum

Company Limited by Guarantee

Trustees' Annual Report (Incorporating the Director's Report) *(continued)*

Year ended 31 March 2021

Structure, governance and management *(continued)*

A board of Trustees of up to fifteen members, who meet quarterly, administer the charity. At each Annual General Meeting one-third of the Trustees retire from office, but are eligible for re-election at that Annual General Meeting.

Working parties selected from the Trustees undertake the study of various proposals and projects and report to the board at those meetings.

Mr Chris Bingley, as Treasurer, has, throughout the year, been responsible for the day to day management of the general funds of the Museum, the Museum Development Fund and the other Restricted funds.

Risk management

The Trustees have examined the major strategic, business and operational risks which the charity faces and confirm that systems are in place so that the necessary steps can be taken to lessen these risks.

Reserves Policy

It is the policy of the charity to endeavour to maintain sufficient unrestricted funds, which are the reserves of the charity, to ensure that the charity is able to meet its day to day unrestricted expenditure. The majority of the grant income which, in earlier years, had been receivable at the commencement of the financial year, is now received quarterly, so as to enable the Ashby de la Zouch Town Council to better manage its cashflow. Unrestricted funds have been maintained at an appropriate level throughout the year.

Objectives and activities

The company is a charity and its principal activity is the provision of a Museum. In this way, the company achieves its object to advance the education of the public in Ashby-de-la-Zouch in Leicestershire and the surrounding area and to foster and encourage the conservation and better understanding of the material heritage of mankind and the environment for the public benefit.

The Trustees review the Museum's aims, objectives and activities each year. This review looks at what has been achieved during the year, ensuring that the aims, objectives and activities remain focused on the charity's principal purpose. In carrying out these reviews and in all their duties, the Trustees have paid full regard to the public benefit guidance issued by the Charity Commission.

Achievements and performance

Although the pandemic has meant that the Museum had to close in mid-March 2020, we were able to achieve much since our last Report. There has been considerable progress made in the various areas of cataloguing and archiving. All our framed pictures/paintings/other illustrations on the walls of our three main rooms, the staircase and upstairs have been photographed and recorded; the artefacts are nearly all catalogued; and the ongoing cataloguing of our Community Archive and transcribing of older documents has proceeded steadily.

We have also worked with the Town Council to produce display units in areas around the town and had continuing productive links with other local museums, heritage centres and businesses. We have said goodbye to some volunteers but have also welcomed new ones for Front of House and Archiving roles. We have retained our links with local schools and English Heritage.

Ashby-de-la-Zouch Museum

Company Limited by Guarantee

Trustees' Annual Report (Incorporating the Director's Report) *(continued)*

Year ended 31 March 2021

Financial review

As a result of COVID restrictions, the Museum was closed for most of the year and, hence, (apart from grants), there was very little income. However, we were in receipt of the rate rebate for charities which provided funds to cover both basic running costs for the year, and necessary COVID related changes in the public areas

The Museum was pleased to see that the financial support from the Town Councils has been maintained and covers the cost of the rent over the year.

Overall a surplus of £8,930 resulted for the year.

The Trustees, as always, are grateful to all the volunteers linked to Ashby Museum - for both their time and effort in maintaining the Museum in good order.

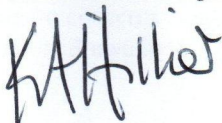

Plans for future periods

At present we are waiting, like everyone else, for permission to re-open the Museum to our volunteers and visitors. Only when we have also ensured the safety of all users will we recommence. We have had to cancel all our Summer events, including Trustees meetings. We still have a Service Delivery Agreement with both North West Leicestershire District Council and Ashby de la Zouch Town Council. We also continue to have recourse to the expertise and advice of Leicestershire County Council and the East Midlands Museum sector.

Small company provisions

This report has been prepared in accordance with the provisions applicable to companies entitled to the small companies exemption.

The trustees' annual report was approved on and signed on behalf of the board of trustees by:

Independent Examiner's Report to the Trustees of Ashby-de-la-Zouch Museum

Year ended 31 March 2021

I report to the trustees on my examination of the financial statements of Ashby-de-la-Zouch Museum ('the charity') for the year ended 31 March 2021.

Responsibilities and basis of report

The trustees (who are also the directors of the company for the purposes of company law) are responsible for the preparation of the financial statements. The trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the charity as required by section 386 of the 2006 Act; or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
4. the financial statements have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

For the year ending 31 March 2021 the charity was entitled to exemption from audit under section 477 of the Companies Act 2006 relating to small companies.

Directors' responsibilities:

- The members have not required the company to obtain an audit of its financial statements for the year in question in accordance with section 476;
- The directors acknowledge their responsibilities for complying with the requirements of the Act with respect to accounting records and the preparation of financial statements.

These financial statements have been prepared in accordance with the provisions applicable to companies subject to the small companies' regime.

Ashby-de-la-Zouch Museum

Company Limited by Guarantee

Notes to the Financial Statements

Year ended 31 March 2021

1. General information

The charity is a public benefit entity and a private company limited by guarantee, registered in England and Wales and a registered charity in England and Wales. The address of the registered office is North Street, Ashby de la Zouch, Leicestershire, LE65 1HU.

2. Statement of compliance

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)) and the Companies Act 2006.

3. Accounting policies

(a) Basis of preparation

The financial statements have been prepared on the historical cost basis.

The financial statements are prepared in sterling, which is the functional currency of the entity.

(b) Going concern

Despite the effects and uncertainty of the COVID-19 pandemic, the Trustees are optimistic that it will be possible to re-open the Museum in the short to medium term. At that time, funds will, once again, become available to the Museum and its profile will be maintained to attract grants and other funding. In the meantime, the Trustees consider that the General Reserves are sufficient to continue the limited operation of the Museum and that, therefore, it is appropriate for the accounts to be prepared on a going concern basis.

(c) Disclosure exemptions

The entity satisfies the criteria of being a qualifying entity as defined in FRS 102. As such, no cash flow statement has been presented for the company.

(d) Judgements and key sources of estimation uncertainty

The preparation of the financial statements requires the trustees to make judgements, estimates and assumptions that affect the amounts reported. These estimates and judgements are continually reviewed and are based on experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances. Accounting estimates and assumptions are made concerning the future and, by their nature, despite the best efforts of the trustees, will rarely equal the related actual outcome.

(e) Fund accounting

Unrestricted funds are available for use at the discretion of the trustees to further any of the charity's purposes.

Designated funds are unrestricted funds earmarked by the trustees for particular future project or commitment.

Ashby-de-la-Zouch Museum**Company Limited by Guarantee****Notes to the Financial Statements** *(continued)***Year ended 31 March 2021****3. Accounting policies** *(continued)*
Fund accounting *(continued)*

Restricted funds are subjected to restrictions on their expenditure declared by the donor or through the terms of an appeal.

(f) Incoming resources

All income is included in the statement of financial activities when entitlement has passed to the charity, it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.
- legacy income is recognised when receipt is probable and entitlement is established.
- income from donated goods is measured at the fair value of the goods unless this is impracticable to measure reliably, in which case the value is derived from the cost to the donor or the estimated resale value. Donated facilities and services are recognised in the accounts when received if the value can be reliably measured. No amounts are included for the contribution of general volunteers.
- income from contracts for the supply of goods or services is recognised with the delivery of the goods or contracted service. This is classified as unrestricted funds unless there is a contractual requirement for it to be spent on a particular purpose and returned if unspent, in which case it may be regarded as restricted.

(g) Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on raising funds includes the costs of all fundraising activities, events, and the sale of donated goods.
- expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.
- other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

(h) Operating leases

Lease payments are recognised as an expense over the lease term on a straight-line basis. The aggregate benefit of lease incentives is recognised as a reduction to expense over the lease term, on a straight-line basis.

Ashby-de-la-Zouch Museum**Company Limited by Guarantee****Notes to the Financial Statements (continued)****Year ended 31 March 2021****3. Accounting policies (continued)****(i) Tangible assets**

Tangible assets are initially recorded at cost, and subsequently stated at cost less any accumulated depreciation and impairment losses.

(j) Depreciation

Depreciation is calculated so as to write off the cost or valuation of an asset, less its residual value, over the useful economic life of that asset as follows:

Fixtures & Fittings	-	15% reducing balance
Equipment	-	15% reducing balance

(k) Heritage assets

Heritage assets are initially recorded at acquisition cost, and subsequently stated at cost less any accumulated depreciation and impairment losses.

However, the trustees consider that the value of these assets is equivalent to the historical cost and, as such, consider that depreciation should not be provided.

Where information on the cost or value of an asset is not available and cannot be obtained at a cost which is commensurate with the benefits to users of the financial statements, the asset shall not be recognised in the statement of financial position.

(l) Impairment of fixed assets

A review for indicators of impairment is carried out at each reporting date, with the recoverable amount being estimated where such indicators exist. Where the carrying value exceeds the recoverable amount, the asset is impaired accordingly. Prior impairments are also reviewed for possible reversal at each reporting date.

(m) Stocks

Stocks are measured at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items.

(n) Financial instruments

A financial asset or a financial liability is recognised only when the entity becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the amount receivable or payable including any related transaction costs.

4. Limited by guarantee

The charity is a company limited by guarantee and has no share capital. The liability of each member in the event of a winding-up is limited to £1.

20. Heritage assets

Heritage assets are tangible fixed assets of local, historical, artistic or scientific importance that are held to advance the preservation and conservation objectives of the charity.

Heritage assets are continuously and actively sought by the trustees and may be purchased or acquired by donation. It is the major objective of the Museum to preserve and manage these assets, to display them in the public areas, so far as available space permits. Schedules of heritage assets are maintained and updated by the trustees.

	Heritage assets £
Cost or valuation	
At 1 April 2020	70,435
Additions	9
At 31 March 2021	<u>70,444</u>

At 31 March 2020	<u>70,435</u>

All heritage assets are disclosed in the movements table at historical cost.

Summary of transactions

Heritage assets acquired over many years were reintroduced as Tangible Fixed Assets at the FRS 102 transition date of 1 April 2015; these heritage assets were valued at historical cost, where such information was available, and amounted to £67,624.

Further assets totalling £2,820 have been acquired since transition.

The income funds of the charity include restricted funds comprising donations and grants held on trusts to be applied for the specific purposes detailed above.

The Trustees have elected to combine a number of funds with similar objects, for disclosure purposes, as follows:

IT Fund, combining:

Grant for the Digitalisation of Photographs
Grant Aid for IT Products
Shire Grant towards cost of Projector
Grants towards Bar Code project
Fund for IT Upgrade

Fund for Digitalisation Tent

Education Fund, combining:

Ashfield Education Fund
Estate of Ian Clews Fund for Educational Purposes
Grant: Learning Links Project

The Trustees will, however, continue to maintain records of the individual funds.
