Sandwell Homeless and Resettlement Project Limited

Company Limited by Guarantee

Trustees' Annual Report (Incorporating the Director's Report) *(continued)*

Year ended 31 March 2024

Structure, governance and management

Governing Document

The organisation is a charitable company limited by guarantee, incorporated on 11th January 1983 and registered as a charity on 14th October 1983. The association was established under a Memorandum of Association which established the objects and powers of the charitable company and is governed under its Articles of Association. In the event of the company being wound up members are required to contribute an amount not exceeding £10.

Recruitment and Appointment to the Board

The directors of the company are also charity trustees for the purpose of charity law and under the company's Articles are known as Board Members. Under the requirements of the Memorandum and the Articles of Association the Board are elected to serve for a period of three years after which they may be re-elected at the next Annual General Meeting.

Sandwell is a very diverse area with a wide range of cultures and religions being represented. The Board seeks to ensure that the needs of service users are appropriately reflected through the diversity of the trustees elected to the board.

Trustee Induction and Training

New Board Members are invited to meet the board in order that they may get a feel for the organisation and to understand the obligations of becoming a Board Member. After their attendance at this meeting if they wish to pursue their application further applicants are invited to visit the projects to meet staff and beneficiaries. Following this new Trustees may be appointed by the Board and will then be provided with further opportunities for induction and training. Trustees contribute their time and skills at Board Meetings and with other projects requiring trustee involvement and calling upon their particular expertise.

Members of the Board

During the year Ryan Trumpeter, a director since 28th September 2022, resigned.

Board members as at 31st March 2024;

- Michael Roland Watkins, director since March 1983
- Bianca Foster, director since 15th September 2021
- Steve Yates, director since 30th March 2022
- Karen Perry, director since 28th July 2021
- Kathryn Brooks (Chair), director since 28th November 2018

The position of company secretary was vacant at year end.

Risk Management

The Board has drawn up a risk register which provides details of actions to be taken to reduce risk. The risk register is reviewed and updated by the Board regularly. The charity also purchases a range of insurance policies.

Organisational Structure

Sandwell Homeless and Resettlement Project has a Board of up to 10 members who meet every two months and who are responsible for the strategic direction and policy of the charity. SHARP embraces the Equality Act 2010 and recruits Board members from any background and with any of the 9 protected characteristics described within the Act. At the year end the Board had 5 members.

Day-to-day responsibility for the provision of operations, services and financial probity is delegated by the Board to the Senior Officers employed by SHARP. These senior officers are responsible for ensuring that the charity delivers the services specified and that the charity meets its obligations and aspirations.

At year end a Business Manager was in place, supported by two project managers, one for The Gap project and one for The Gables and Community Support.

Objectives and activities

Objectives

The Charity's objects and principal activities are to:

Care for persons in need, who are homeless or who by reason of adverse circumstances are in need of help in acquiring a settled way of life through the establishment of residential accommodation and to assist these persons so as to develop their physical, mental and spiritual capacities that they may develop full maturity as responsible individuals and members of society and that their conditions of life may be improved.

The main objectives and activities for the year continue to focus upon helping people who are homeless to find appropriate accommodation, either within SHARP or elsewhere, offer them support and advice to enable them to manage their accommodation and to enjoy a reasonable quality of life. SHARP is a registered social landlord.

The strategies employed to assist the charity to meet these objectives include, but not exhaustively, the following;

- Provide accommodation of good quality for homeless people in Sandwell
- Provide a service for homeless people in Sandwell and signposting to other agencies as appropriate giving information on vacancies and support where available in Sandwell
- Provide the support necessary to enable service users to manage their own accommodation successfully
- Involve service users in the development of their personal support plans, which include attainable targets, regular reviews and flexibility to enable and embrace change
- Train service users to use the internet to allow them to access a number of online activities such as bidding for a home, finding a job and registering for universal credit
- Liaise with local housing providers concerning housing and other needs of service users
- Research the housing needs of homeless people
- Participate proactively with local initiatives including Sandwell Council of Voluntary Organisations, and Sandwell Metropolitan Borough Council

Trustees' Annual Report (Incorporating the Director's Report) *(continued)*
Year ended 31 March 2024

Activities

The GAP Supported Housing Project

The GAP project consists of 30 furnished one bedroom flats at Selby House, Oldbury. GAP offers accommodation and support to teenage parents and their children, also single females aged 16 to 19 years.

Community Floating Support & Spot Purchasing

SHARP provides floating support through a contract with the council and specialist support through spot purchasing. This service supports 20 individuals with enduring mental health concern needs to maintain their tenancies and wellbeing by assisting with budgeting, shopping, arranging and accompanying to appointments, dealing with and understanding mail and liaising with other relevant agencies.

247 & 247a Barclay Road, Smethwick

Barclay Road offers accommodation to 2 ex-service users in two self-contained apartments. The freehold of Barclay Road is owned by SHARP. This accommodation is designed for fully independent living but we can provide support when requested or sign post to the relevant agency.

The Gables

The Gables is enjoying its 4th year and has firmly established its reputation as an excellent provider of supported accommodation within Sandwell. We are continuing to work in conjunction with Sandwell Council's Complex Hub Team in accepting their referrals and it is gratifying that they often refer to us before referring to other Sandwell supported accommodation providers. We have 19 units of accommodation each with their own bathroom and share a communal dining area.

Year ended 31 March 2024

Achievements and performance

The GAP supported housing project

During the year 13 families successfully moved into their own accommodation. The referral criteria for the Gap were extended to include parents up to the age of 25. Throughout the year we have been awaiting a re-tendering of the service and have been in conversation with Sandwell Council as to the timing of this, but unfortunately as of 31st July 2024 the project was decommissioned by the Council. The staff team has been settled and staff have undertaken training across a range of relevant areas including: Gang Awareness, County Lines and Knife Crime, Domestic Abuse Training, Managing Allegations, Plus Programme Mental Health Awareness Training, Learning from Domestic Homicide Reviews, Suicide Awareness Training, Journeying to a culturally competent understanding workforce, Working with men who use abuse in relationships.

247 & 247a Barclay Road, Smethwick

We have provided outreach support to our residents and continued to help them live independently within the community.

The Gables

We continue to receive referrals for individuals with enduring mental health difficulties, and who have or would struggle with maintaining their own tenancies and the team have received positive feedback from the involved agencies for providing a safe non-judgmental home environment. It is at present envisaged that the majority will be residing longer term at the Gables due to there being a lack of appropriate move on accommodation or because an independent tenancy would not be appropriate.

We continue to work in partnership with SMBC Complex Hub, Cranstoun drug and alcohol services, Smethwick Public Health, Smethwick Community Development plus the Community Mental Health Teams and it is rewarding that some of their team members have become regular visitors due to developing strong working relationships.

At present we are developing links with several other agencies within the local area and working with other service providers to develop our service internally and externally.

130 people (including the current residents) have resided at the Gables since December 2020 and the majority have moved into their own tenancies or other supported housing schemes.

We continue to receive very positive feedback from residents about the safe living environment we provide and that they really do consider the Gables to be 'home'.

Sandwell Homeless and Resettlement Project Limited

Company Limited by Guarantee

Trustees' Annual Report (Incorporating the Director's Report) *(continued)*

Year ended 31 March 2024

Financial review

Responsibilities of the Board

The Board is responsible for maintaining proper accounting records which disclose, with reasonable accuracy at any time, the financial position of the charitable company to enable them to ensure that the financial statements comply with the Companies Act 2006. The Board is also responsible for safeguarding the assets of the charitable company and for taking reasonable steps for the prevention and detection of fraud and any other irregularities.

Investment Policy

Under the Memorandum and Articles of Association, the charity has the power to invest in the interest of the charity and/or its beneficiaries. The Board, having regard to the liquidity requirements of the organisation and to the reserves policy, have operated a policy of keeping available funds in an interest bearing deposit account, albeit with low reserves this does not currently generate any significant income.

Reserves Policy

Having examined the circumstances facing the charity and its future income and expenditure patterns the trustees have established that a prudent level of reserves for the charity to hold would be equivalent to three month's salary costs (including tax and NI costs) plus a sum to cover exceptional costs related to closure / transfer of the charity - as at April 2024 the former figure would amount to £131,000 whilst the latter figure was set at £35,000. We are pleased to confirm that our reserve levels continue to be sufficient to cover this sum. We will continue to try to strengthen our reserves further in future years.

Review of the year April 2023 to March 2024

This year has been a year of consolidation and development. We are delighted that we have been able to repay the loan taken out to finance the refurbishment of the Gables. We are also pleased to have been able to continue to be a real living wage employer during the current cost of living crisis. We have continued to develop the services we offer at both our major centres including extending the criteria for admission to the Gap and achieving high levels of occupancy at The Gables. We made serious consideration of becoming Ofsted registered to enable the GAP to be able to take "Looked After" 16/17 year olds under new registration provisions, but ultimately we decided against this.

Plans for 2024-25

We will begin to explore new ventures and continue to improve and extend what we offer in our existing projects.

Sandwell Homeless and Resettlement Project Limited

Company Limited by Guarantee

Trustees' Annual Report (Incorporating the Director's Report) *(continued)*

Year ended 31 March 2024

Accounts

Company law requires the Board to prepare financial statements for each financial year which gives a true and fair view of the state of affairs of the charitable company as at the balance sheet date and of its incoming resources and application of resources for the financial year. In preparing those financial statements, the Board follows best practice by;

- Selecting suitable accounting policies and then applying them consistently
- Making judgements and estimates that are prudent and reasonable: and
- Preparing the financial statements on a going concern basis unless it is inappropriate to assume that the company will continue on that basis

The Board is responsible for maintaining proper accounting records which disclose with reasonable accuracy at any time the financial position of the charitable company and to enable them to ensure that the financial statements comply with the Companies Act 2006. The Board is also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Members of the Board

Members of the Board, who are directors for the purpose of company law and trustees for the purpose of charity law, who served during the year and up to the date of this report are set out on page 1.

In accordance with company law, as the company's Directors, we certify that:

- So far as we are aware, there is no relevant information of which the company's accountants are unaware; and
- As Directors of the company we have taken all the steps that we ought to have taken in order to make ourselves aware of any relevant information and to establish that the charitable company's accountants are aware of that information.

Small company provisions

This report has been prepared in accordance with the provisions applicable to companies entitled to the small companies exemption.

Independent Examiner's Report to the Trustees of Sandwell Homeless and Resettlement Project Limited

Year ended 31 March 2024

I report to the trustees on my examination of the financial statements of Sandwell Homeless and Resettlement Project Limited ('the charity') for the year ended 31 March 2024.

Responsibilities and basis of report

As the trustees of the company (and also its directors for the purposes of company law) you are responsible for the preparation of the financial statements in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of the charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

Since the charity's gross income exceeded £250,000 your examiner must be a member of a body listed in section 145 of the 2011 Act. I confirm that I am qualified to undertake the examination because I am a member of the Institute of Chartered Accountants in England and Wales (ICAEW), which is one of the listed bodies.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the charity as required by section 386 of the 2006 Act; or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
4. the financial statements have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

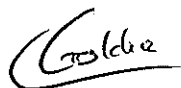

Sandwell Homeless and Resettlement Project Limited

Sandwell Homeless and Resettlement Project Limited

Company Limited by Guarantee

Notes to the Financial Statements

Year ended 31 March 2024

1. General information

The charity is a public benefit entity and a private company limited by guarantee, registered in England and Wales and a registered charity in England and Wales. The address of the registered office is 109 St. Pauls Road, Smethwick, B66 1EY, England.

2. Statement of compliance

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)) and the Companies Act 2006.

3. Accounting policies

Basis of preparation

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through income or expenditure.

The financial statements are prepared in sterling, which is the functional currency of the entity.

Going concern

There are no material uncertainties about the charity's ability to continue.

Judgements and key sources of estimation uncertainty

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported. These estimates and judgements are continually reviewed and are based on experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Foreign currencies

Foreign currency transactions are initially recorded in the functional currency, by applying the spot exchange rate as at the date of the transaction. Monetary assets and liabilities denominated in foreign currencies are translated at the exchange rate ruling at the reporting date, with any gains or losses being taken to the statement of financial activities.

Fund accounting

Unrestricted funds are available for use at the discretion of the trustees to further any of the charity's purposes.

Designated funds are unrestricted funds earmarked by the trustees for particular future project or commitment.

Restricted funds are subjected to restrictions on their expenditure declared by the donor or through the terms of an appeal, and fall into one of two sub-classes: restricted income funds or endowment funds.

Sandwell Homeless and Resettlement Project Limited

Company Limited by Guarantee

Notes to the Financial Statements *(continued)*

Year ended 31 March 2024

3. Accounting policies *(continued)*

Incoming resources

All incoming resources are included in the statement of financial activities when entitlement has passed to the charity; it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.
- legacy income is recognised when receipt is probable and entitlement is established.
- income from donated goods is measured at the fair value of the goods unless this is impractical to measure reliably, in which case the value is derived from the cost to the donor or the estimated resale value. Donated facilities and services are recognised in the accounts when received if the value can be reliably measured. No amounts are included for the contribution of general volunteers.
- income from contracts for the supply of services is recognised with the delivery of the contracted service. This is classified as unrestricted funds unless there is a contractual requirement for it to be spent on a particular purpose and returned if unspent, in which case it may be regarded as restricted.

Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on raising funds includes the costs of all fundraising activities, events, non-charitable trading activities, and the sale of donated goods.
- expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.
- other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

Operating leases

Lease payments are recognised as an expense over the lease term on a straight-line basis. The aggregate benefit of lease incentives is recognised as a reduction to expense over the lease term, on a straight-line basis.

Sandwell Homeless and Resettlement Project Limited

Company Limited by Guarantee

Notes to the Financial Statements *(continued)*

Year ended 31 March 2024

3. Accounting policies *(continued)*

Tangible assets

Tangible assets are initially recorded at cost, and subsequently stated at cost less any accumulated depreciation and impairment losses. Any tangible assets carried at revalued amounts are recorded at the fair value at the date of revaluation less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

An increase in the carrying amount of an asset as a result of a revaluation, is recognised in other recognised gains and losses, unless it reverses a charge for impairment that has previously been recognised as expenditure within the statement of financial activities. A decrease in the carrying amount of an asset as a result of revaluation, is recognised in other recognised gains and losses, except to which it offsets any previous revaluation gain, in which case the loss is shown within other recognised gains and losses on the statement of financial activities.

The property was valued on 10th June 2021 by Bruton Knowles Property Consultants, a qualified member of the Royal Institution of Chartered Surveyors (RICS).

Depreciation

Depreciation is calculated so as to write off the cost or valuation of an asset, less its residual value, over the useful economic life of that asset as follows:

Plant and machinery	- 20% straight line
Fixtures and fittings	- 20% straight line

No depreciation has been charged on freehold property as the Trustees believe that the property will be maintained to a level where the value of the property is not expected to diminish. The property will be valued with sufficient regularity to ensure that the value reported in the financial statements is not materially different to its actual market value.

Impairment of fixed assets

A review for indicators of impairment is carried out at each reporting date, with the recoverable amount being estimated where such indicators exist. Where the carrying value exceeds the recoverable amount, the asset is impaired accordingly. Prior impairments are also reviewed for possible reversal at each reporting date.

For the purposes of impairment testing, when it is not possible to estimate the recoverable amount of an individual asset, an estimate is made of the recoverable amount of the cash-generating unit to which the asset belongs. The cash-generating unit is the smallest identifiable group of assets that includes the asset and generates cash inflows that largely independent of the cash inflows from other assets or groups of assets.

For impairment testing of goodwill, the goodwill acquired in a business combination is, from the acquisition date, allocated to each of the cash-generating units that are expected to benefit from the synergies of the combination, irrespective of whether other assets or liabilities of the charity are assigned to those units.

Sandwell Homeless and Resettlement Project Limited

Company Limited by Guarantee

Notes to the Financial Statements *(continued)*

Year ended 31 March 2024

3. Accounting policies *(continued)*

Financial instruments

A financial asset or a financial liability is recognised only when the charity becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the amount receivable or payable including any related transaction costs.

Current assets and current liabilities are subsequently measured at the cash or other consideration expected to be paid or received and not discounted.

Debt instruments are subsequently measured at amortised cost.

Where investments in shares are publicly traded or their fair value can otherwise be measured reliably, the investment is subsequently measured at fair value with changes in fair value recognised in income and expenditure. All other such investments are subsequently measured at cost less impairment.

Other financial instruments, including derivatives, are initially recognised at fair value, unless payment for an asset is deferred beyond normal business terms or financed at a rate of interest that is not a market rate, in which case the asset is measured at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Other financial instruments are subsequently measured at fair value, with any changes recognised in the statement of financial activities, with the exception of hedging instruments in a designated hedging relationship.

Financial assets that are measured at cost or amortised cost are reviewed for objective evidence of impairment at the end of each reporting date. If there is objective evidence of impairment, an impairment loss is recognised under the appropriate heading in the statement of financial activities in which the initial gain was recognised.

For all equity instruments regardless of significance, and other financial assets that are individually significant, these are assessed individually for impairment. Other financial assets are either assessed individually or grouped on the basis of similar credit risk characteristics.

Any reversals of impairment are recognised immediately, to the extent that the reversal does not result in a carrying amount of the financial asset that exceeds what the carrying amount would have been had the impairment not previously been recognised.

Defined contribution plans

Contributions to defined contribution plans are recognised as an expense in the period in which the related service is provided. Prepaid contributions are recognised as an asset to the extent that the prepayment will lead to a reduction in future payments or a cash refund.

When contributions are not expected to be settled wholly within 12 months of the end of the reporting date in which the employees render the related service, the liability is measured on a discounted present value basis. The unwinding of the discount is recognised as an expense in the period in which it arises.

Sandwell Homeless and Resettlement Project Limited

Company Limited by Guarantee

Notes to the Financial Statements *(continued)*

Year ended 31 March 2024

4. Limited by guarantee

The charity is a company limited by guarantee and consequently does not have share capital. Each member has undertaken to contribute £10 to the assets of the company to meet its liabilities if called upon to do so.

At 31 March 2024	995,000	2,765	10,953	1,008,718
At 31 March 2023	995,000	5,625	17,887	1,018,512

Freehold property is used for the purpose of social housing.

Freehold property was valued on 10 June 2021 by Bruton Knowles Property Consultants, a qualified member of the Royal Institution of Chartered Surveyors (RICS). The basis on which the valuation was made was depreciated replacement cost.

Tangible fixed assets held at valuation

In respect of tangible fixed assets held at valuation, the aggregate cost, depreciation and comparable carrying amount that would have been recognised if the assets had been carried under the historical cost model are as follows:

	Freehold property £
At 31 March 2024	
Aggregate cost	526,289
Aggregate depreciation	—
Carrying value	526,289
At 31 March 2023
