ANNETTE FOX LEUKAEMIA RESEARCH FUND

TRUSTEES' REPORT

FOR THE YEAR ENDED 31 MARCH 2025

The trustees present their annual report and financial statements for the year ended 31 March 2025 .

OBJECTIVES AND ACTIVITIES

The Annette Fox Leukaemia Research Fund has as its objectives, the relief of sickness and in particular leukaemia, lymphoma, and other related haematological diseases by implementing the improvement of patient facilities and promoting research into the cause, treatment and cure of such conditions in Bradford and surrounding districts.

ACHIEVEMENTS AND PERFORMANCE

The Annette Fox Leukaemia Research Fund sadly continues to suffer from the after effects of the Coronavirus pandemic during the financial year April 24- March 25. Like many other charities we are still struggling to fundraise although our Final Smokie Ball in May 2024 was a huge success and raised £15,000

Michelle our administrator continues to work mainly from home but with some new Trustees based in the hospital our links with the ward and the day unit at Eccleshill have increased and improved.

We welcome Sarah Lazar, Andrea Jones and Jessica Harris to the board of Trustees and sadly have said goodbye to Professor Liakat Parapia who decided to step down from his role as a Trustee after over 40 years of service.

In recognition of his service and commitment he was asked and accepted the role of Honorary Chairman.

Sadly we report the death of David Robertshaw a long-standing Trustee and supporter of the AFLRF.

We ended our collaboration with Equality Together in September 2024 and Jonothan Brearley our Welfare Rights Advisor moved on. We thank him for his hard work and dedication to helping our patients.

Since January 1st 2025 we have entered into a new partnership with Cancer Support Yorkshire completely funding a worker for two days a week. This is now just beginning to provide much needed support, provided by Cath Greenwood and her Welfare Rights Team.

We continue to provide welfare grants where needed and helping patients to get the right benefits, negotiate with mortgage providers and employers is a key part of their work.

In May 2024 alone patients were helped to access over £58,000 in extra benefits.

We have provided Christmas presents to those who need to remain in hospital and also provided 12 fridges to the ward.

We also thank our hardworking Trustees and all the volunteers and those who have donated to the AFLRF over the past 12 months.

FINANCIAL REVIEW

The Annette Fox Leukaemia Research Fund continues to have been severely impacted by the Coronavirus Pandemic during the financial year April 2024-March 2025 and our ability to fundraise remained limited. However with our main fundraising event backup and running our income has stabilised this year. We need to reach out to more people and make them aware we are here. In addition we have used online fundraising platforms such as Just Giving and a new information leaflet has been completed.

The Trustees took the decision to invest in the Barclays Charity Fund and there has now been some benefit from this with The Stock Market going up and providing the fund with some helpful quarterly dividends. It is early days and the financial world has been impacted by the general volatility in the world. Christmas Cards are still on sale and much loved by those who still send them, but again younger folk seem to rely on more digital ways of wishing their friends and relatives a Happy Christmas.

The charity trustees are responsible for preparing a trustees' annual report and financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

This report was approved by the trustees and signed on its behalf by:

J Bentley
Chair

ANNETTE FOX LEUKAEMIA RESEARCH FUND

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 MARCH 2025

1. Accounting Policies

The principal accounting policies adopted by the Charity, which is a public benefit entity, in the preparation of the accounts are as follows.

1.1 Basis of preparation

These accounts have been prepared under the historical cost convention, as modified by the inclusion of charitable properties and fixed asset investments and investment properties at valuation.

These accounts have been prepared in accordance with "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (effective 1 January 2019) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Charities Act 2011.

These accounts are presented in pounds sterling and rounded to the nearest pound.

1.2 Going concern

The Trustees have prepared financial projections, taking into consideration the current economic conditions and have, at the time of approving these accounts, a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus they continue to adopt the going concern basis of accounting in preparing the accounts.

2. Income from Donations and Legacies

Analysis	Unrestricted funds	Total funds 2025	Total funds 2024

OBJECTIVES AND ACTIVITIES

The Annette Fox Leukaemia Research Fund has as its objectives, the relief of sickness and in particular leukaemia, lymphoma, and other related haematological diseases by implementing the improvement of patient facilities and promoting research into the cause, treatment and cure of such conditions in Bradford and surrounding districts.

ACHIEVEMENTS AND PERFORMANCE

Annette Fox Leukaemia Research Fund

Trustees Annual Report

The Annette Fox Leukaemia Research Fund sadly continues to suffer from the after effects of the Coronavirus pandemic during the financial year April 2022-March 2023.

Our ability to fundraise remains constrained and our administrator continues to work mainly from home, although hospitals are beginning to open up more now and fundraising is picking up.

Ryan Sample remains our new accountant and is helping us to modernise both our software systems and also accounting procedures.

Welfare grants were also vital to a number of patients during this period and we paid out over £5000 to provide assistance to those struggling in what continue to be very difficult times with the cost of living crisis and high fuel bills.

We feel proud of the way that we have continued to adapt and offer support and thank Michelle Adam our administrator and Jonothan Brearley our welfare rights advisor for their hard work and resilience in coping in what are still trying circumstances at times. Jonothan has extended his range of help to patients with Sickle cell anaemia and Thalassemia and now sees patients with a range of complex blood disorders and often multiple health issues. In this current financial year he has seen 220 patients and helped them to obtain over £800,000 in grants, benefits and insurance. Jonothan is fully funded by The Annette Fox Leukaemia Research Fund and provides an annual review of his work to the Trustees.

We also thank our hardworking Trustees and all the volunteers and those who have donated to the AFLRF over the past 12 months.

FINANCIAL REVIEW

The Annette Fox Leukaemia Research Fund continues to have been severely impacted by the Coronavirus Pandemic during the financial year April 2022-March 2023 and our ability to fundraise remained limited. However with our two main fundraising events back up and running our income has increased this year. We need to reach out to more people and make them aware we are here. In addition we have used online fundraising platforms such as Just Giving and are in the process of developing a new information leaflet for distribution.

The Trustees took the decision to invest in the Barclays Charity Fund but to date we have seen little benefit from this. It is early days and the financial world has been impacted by the general volatility in the world.

Christmas Cards are still on sale and much loved by those who still send them, but again younger folk seem to rely on more digital ways of wishing their friends and relatives a Happy Christmas.

We have remained a stable group of Trustees.

PLANS FOR FUTURE PERIODS

With our two main fundraising events back up and running our income has increased this year. We need to reach out to more people and make them aware we are here. In addition we have used online fundraising platforms such as Just Giving and are in the process of developing a new information leaflet for distribution.

Statement of trustees' responsibilities in relation to the financial statements

The charity trustees are responsible for preparing a trustees' annual report and financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Annette Fox Leukaemia Research Fund
Trustees Annual Report

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities Act 2011, the applicable Charities (Accounts and Reports) Regulations, and the provisions of the Trust deed. The Trustees are also responsible for safeguarding the assets of the charity and hence taking reasonable steps for the prevention and detection of fraud and other irregularities.

Signed on behalf of the charity's trustees

1 Accounting policies

Basis of preparation

The financial statements have been prepared in accordance with Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued on 16 July 2014 and the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102) and the Charities Act 2011.

Change in basis of accounting or to previous accounts

There has been no change to the accounting policies (valuation rules and method of accounting) since last year and no changes have been made to accounts for previous years.

Fund accounting

Unrestricted funds	These are available for use at the discretion of the trustees in furtherance of the general objects of the charity.
Designated funds	These are unrestricted funds earmarked by the trustees for particular purposes.
Revaluation funds	These are unrestricted funds which include a revaluation reserve representing the restatement of investment assets at their market values.
Restricted funds	These are available for use subject to restrictions imposed by the donor or through terms of an appeal.

Income

Recognition of income	Income is included in the Statement of Financial Activities (SoFA) when the charity becomes entitled to, and virtually certain to receive, the income and the amount of the income can be measured with sufficient reliability.
Income with related expenditure	Where income has related expenditure the income and related expenditure is reported gross in the SoFA.
Donations and legacies	Voluntary income received by way of grants, donations and gifts is included in the the SoFA when receivable and only when the Charity has unconditional entitlement to the income.
Tax reclaims on donations and gifts	Income from tax reclaims is included in the SoFA at the same time as the gift/donation to which it relates.
Donated services and facilities	These are only included in income (with an equivalent amount in expenditure) where the benefit to the Charity is reasonably quantifiable, measurable and material.
Volunteer help	The value of any volunteer help received is not included in the accounts.
Investment income	This is included in the accounts when receivable.
Gains/(losses) on revaluation of fixed assets	This includes any gain or loss resulting from revaluing investments to market value at the end of the year.
Gains/(losses) on investment assets	This includes any gain or loss on the sale of investments.

Annette Fox Leukaemia Research Fund

Notes to the Accounts

Expenditure

Recognition of expenditure	Expenditure is recognised on an accruals basis. Expenditure includes any VAT which cannot be fully recovered, and is reported as part of the expenditure to which it relates.
Expenditure on raising funds	These comprise the costs associated with attracting voluntary income, fundraising trading costs and investment management costs.
Expenditure on charitable activities	These comprise the costs incurred by the Charity in the delivery of its activities and services in the furtherance of its objects, including the making of grants and governance costs.
Grants payable	All grant expenditure is accounted for on an actual paid basis plus an accrual for grants that have been approved by the trustees at the end of the year but not yet paid.
Governance costs	These include those costs associated with meeting the constitutional and statutory requirements of the Charity, including any audit/independent examination fees, costs linked to the strategic management of the Charity, together with a share of other administration costs.
Other expenditure	These are support costs not allocated to a particular activity.

Taxation

The charity is exempt from tax on its charitable activities.

Tangible fixed assets and depreciation

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life:

Computer Equipment	20% Reducing Balance
--------------------	----------------------

Freehold investment property

Investment properties are measured initially at cost and subsequently at fair value at each balance sheet date and are not depreciated. All gains or losses are taken to the Statement of Financial Activities as they arise.

Stocks

Stock is included at the lower of cost or net realisable value. Donated items of stock are recognised at fair value which is the amount the charity would have been willing to pay for the items on the open market.

Trade and other debtors

Trade and other debtors are recognised at the settlement amount due after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

Cash and cash equivalents

Cash and cash equivalents comprise cash at bank and on hand, demand deposits with banks and other short-term highly liquid investments with original maturities of three months or less and bank overdrafts. In the statement of financial position, bank overdrafts are shown within borrowings or current liabilities. In the Statement of Cash Flows, cash and cash equivalents are shown net of bank overdrafts that are repayable on demand and form an integral part of the company's cash management.

Notes to the Accounts

Trade and other creditors

Short term creditors are measured at the transaction price. Other creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.

Research and development

Expenditure on research and development is written off in the year in which it is incurred.

Foreign currencies

Monetary assets and liabilities denominated in currencies other than the functional currency of the charity are translated at the rates of exchange prevailing at the end of the reporting period.

Transactions in currencies other than the functional currency of the charity are recorded at the rate of exchange on the date that the transaction occurred.

All exchange differences are taken into account in arriving at net income/expenditure.

Leased assets

Where the charity enters into a lease which entails taking substantially all the risks and rewards of ownership of an asset, the lease is treated as a finance lease.

Leases which do not transfer substantially all the risks and rewards of ownership to charity are classified as operating leases.

Assets held under finance leases are initially recognised as assets of the charity at their fair value at the inception of the lease or, if lower, at the present value of the minimum lease payments. The corresponding liability to the lessor is included in the balance sheet date as a finance lease obligation.

Lease payments are apportioned between finance expenses and reduction of the lease obligation so as to achieve a constant rate of interest on the remaining balance of the liability. Finance expenses are recognised immediately, unless they are directly attributable to qualifying assets, in which case they are capitalised in accordance with the charity's policy on borrowing costs.

Assets held under finance leases are depreciated in the same way as owned assets.

Operating lease payments are recognised as an expense on a straight-line basis over the lease term.

In the event that lease incentives are received to enter into operating leases, such incentives are recognised as a liability. The aggregate benefit of incentives is recognised as a reduction of rental expense on a straight-line basis.

Receipt of donated goods, facilities and services

All donated goods, facilities and services received are recognised within incoming resources and expenditure at an estimate of the value to the charity.
