EASTHAM ADULT TRAINING CENTRE PARENTS' ASSOCIATION

England & Wales - Charity number 516354

Accounts

The charity has been in an almost dormant state since before the outbreak of Covid. We are still very supportive of the centre and are making money available for the provision of an Immersive room and a Sensory room.

We have not done any fund raising for a number of years and our sole income is now from donations and the centre's own fund raising. During this particular year we received a very generous and quite unexpected donation from the Estate of the late Gerald Gordon Hinton which is being used to fund the items referred to above. It can be seen from our accounts there has been little else going on, even the interest on our savings accounts is disappointing.

Eastham Adult Training Centre Parent's Association.

I have prepared the Charity's accounts for the year ended 31st March 2022. This is the first time we have received such a significant amount of income taking us over the £25000 level and it is clearly this, which is putting some additional pressure on us as members of the committee. So by way of an explanation, we received two payments from Bingham's the solicitors, handling the affairs of the Estate of Gerald Gordon Hinton Deceased which amounted to £115062.95. I enclose a copy of the letter received from Bingham's for your consideration and trust this will resolve the issues which this generous donation to the Charity has caused.
