FLOWERS NORTH WEST
REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 31ST MARCH 2022

The trustees present their report with the financial statements of the charity for the year ended 31st March 2022. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

The Association, which is affiliated to the National Association of Flower Arrangement Societies, has charitable objectives to advance public education in the art of floral art and design in all its forms and related subjects in the Northwest of England and Isle of Man and to further any other charitable purpose or purposes.

To fulfil these objectives the charity provides educational workshops and access to educational publications. Each club has the right to use a list of qualified demonstrators, speakers, judges and teachers to further enhance the knowledge of its members. The judges, demonstrators, speakers and teachers are managed by a team of subject expert volunteers, who ensure that training and performance are of a consistent and high standard. Members are also involved in festivals, shows and competitions within the region, nationally and internationally. A bursary is available for those chosen to represent the organisation at national and international events. This enables members with the talent to learn about competing at a higher level, and to international rules, to take part whatever their financial circumstances. Due to the Covid-19 pandemic several meetings were held online throughout the year

Volunteers

Besides the trustees who work on a voluntary basis the charity acknowledges the support of the wider team of specialist advisors, and the numerous volunteers within the clubs around the region in supporting the educational aims of this charity.

The trustees wish to record their gratitude to clubs and their committee members for their unstinting dedication in contacting and providing for their members during this challenging year.

Public benefit

The Trustees have considered the Charity Commission guidance regarding public benefit and are satisfied that the activities of the Charity, as described below, meet the necessary criteria.

ACHIEVEMENT AND PERFORMANCE

Charitable activities

Many of the association's charitable activities were regrettably cancelled or postponed throughout the year due to Covid-19, with new dates planned for 2022 or held via electronic means.

Judges, Demonstrators, Speakers and Education (JDS&E)

The JDS&E Team cascades information and technical guidance relating to their specialisms to the charity's qualified judges, demonstrators, speakers and teachers. The information comes from both NAFAS and the World Association of Flower Arrangers (WAFSA). Where appropriate it is passed down to the wider membership through talks, demonstrations, teaching and presentations.

All meetings were held, and information passed on, during the year via electronic means.

FINANCIAL REVIEW

Principal funding sources

The majority of the charity's funds are raised through affiliation fees and events. Membership of flower clubs continues to fall - this relates mainly to the clubs struggling to find committee members. The trustees continue to monitor and closely control the finances of the association at every Management Team meeting, which are normally held 6-8 times a year, though were held more frequently, and mainly via Zoom, during the year due to the changes of Covid-19 restrictions and guidance.

Investment policy and financial review of the year

The Trustees aim to maximise any investment of funds to achieve the best low-risk interest rates available whilst keeping the required level of cash for instant access to meet the level of cash for the Association's day to day expenses. The interest rates during the year were held to an exceptionally low rate which has meant very little income for the money invested.

FLOWERS NORTH WEST
REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 31ST MARCH 2022

FINANCIAL REVIEW

Reserves policy

The trustees have reviewed the policy on reserves (to hold three years' worth of expenditure in general funds) and calculate that we currently hold too much capital; therefore, we have initiated a freeze in affiliation fees for the foreseeable future.

Additionally, we provide a subsidised insurance policy which covers all members. Both of these initiatives benefit every member of every club, therefore greatly helping clubs that are struggling.

The Management Team are working on future initiatives with the aim of reducing the capital reserves to a more appropriate level, so whilst also looking at ways to increase income to specifically help struggling clubs.

FUTURE PLANS

Many local classes for flower arranging have ceased to fill the gap and fulfil our educational aims therefore we are trying to encourage interested recruits via workshops.

Although our regular workshops had to be cancelled for 2021, a new programme open to members and non-members is planned for 2022 to celebrate our 60 year Anniversary

Flowers North West was planning to increase its presence at the Southport, Chorley and Country Fest Shows in 2021 but these were all cancelled due to Covid-19. A presence is planned for Chorley Flower Show, as well as the Westmoreland and Southport Shows during 2022 as these events allow us to showcase flowers and flower arranging. We look forward to the opening of all three shows in 2022.

Although most of the meetings of the charity were cancelled due to Covid-19 during 2021 we plan to reinstate them fully in 2022. In the meantime, several meetings of the Management Team and Specialist teams continue to be held via Zoom, which we will continue to use for some meetings in the future. The Members' Meet was held at Bilsborrow Village Hall with many club representatives attending. Meetings were also held with Associates of Honour, Specialist Advisors, and Club representatives to discuss the way forward for Flowers North West.

Members were preparing for flower festivals and local shows during 2021, all of which were cancelled including the Flower Festival at Blackburn Cathedral.

The plans have been strengthened to create regional hubs of clubs by offering different events around the north, south and central locations within our region, making it more accessible for members to access events closer to home. This will continue in the form of club consultation and information days, workshops and demonstrations.

We have also solidified several teams of volunteers to co-ordinate different disciplines. During 2021 we continued to meet with the Education, Strategy, Media, Events and Administration teams via Zoom to develop new ideas. We invited additional members with particular areas of expertise to participate as required, as we seek to develop our future strategy and to explore ways to give practical support to clubs and increase membership following the effects of Covid-19.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The North West Area of NAFAS is a Charity which was first registered on 24th February 1986 and is governed by its Constitution. The Charity is managed by an Management Team (who are also the Trustees of the charity) consisting of Chairman, First Vice-Chairman, Second Vice-Chairman, Secretary and Treasurer. They are appointed annually at the AGM.

There is an induction programme for Trustees which will ensure that they are kept up to date and are aware of their responsibilities and have sufficient knowledge of the background to the Charity.

The Trustees meet six to eight times a year to review and monitor the affairs of the Charity. They meet with a representative of each member club at least three times a year and receive regular reports from the Chairs of Committees and of Specialist Appointments. The Management Team is responsible for the day to day running of the Charity.

The name of the Charity has been changed from The North West Area of NAFAS to Flowers North West and the Charity Constitution was revised in September 2017.

**INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF
FLOWERS NORTH WEST**

Independent examiner's report to the trustees of Flowers North West

I report to the charity trustees on my examination of the accounts of Flowers North West (the Trust) for the year ended 31st March 2022.

Responsibilities and basis of report

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trust's accounts carried out under section 145 of the Act and in carrying out my examination I have followed all applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

FLOWERS NORTH WEST

NOTES TO THE FINANCIAL STATEMENTS **FOR THE YEAR ENDED 31ST MARCH 2022**

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charity, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Charities Act 2011. The financial statements have been prepared under the historical cost convention.

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Tangible fixed assets

Costs of a capital nature are not necessarily treated as fixed assets if the cost of individual items does not exceed £1,000.

Depreciation is provided at the following rates in order to write off assets over their useful life:

Equipment	- 25% on cost per annum
-----------	-------------------------

Taxation

The charity is exempt from tax on its charitable activities.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Designated funds are those ring-fenced by the Trustees for future specific purposes where there is no restriction placed by the donor. Such funds may be un-designated at any time with Trustee approval.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Investment income

Investment income consists of UK Bank interest receivable during the year.

Support costs

Since all of activities/costs relate to the charity's single charitable activity heading, all support costs have been allocated here and as such a separate analysis/description or allocation basis is not required. Furthermore, most of the governance relates to the AGM costs, which are more related to charitable activities than fundraising activities.
