Objectives and Activities

	SORP reference	
Summary of the purposes of the charity as set out in its governing document	Para 1.17	The Dorstone Village Hall is there for the committee, residents and organisations to hold a wide range of events and activities, which benefit the community life of Dorstone and surrounding area.
Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts.	Para 1.17 and 1.19	We host a range of income-generating activities for local organisations, such as fitness classes, private events, talks and wedding parties, but most importantly we offer opportunities for people to come together through our weekly schedule of events. People living in rural areas are at heightened risk of social isolation, which can lead to poor health, loss of independence and lower quality of life, according to the Local Government Association. Our very existence helps combat this problem.
Statement confirming whether the trustees have had regard to the guidance issued by the Charity Commission on public benefit	Para 1.18	The trustees and management committee of the Dorstone Village Hall have focused on delivering the Dorstone Village Hall as a resource and assets for the sole use of Dorstone Parish and surrounding areas, to help build a sense of community and combat social isolation. We exist solely for the public benefit of our community.

Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	Loneliness is a significant issue in rural aging populations, which can lead quickly to social isolation. We feel that we are addressing this in two ways, one by hosting regular monthly events where all members of our community are invited and secondly reaching out to those that are socially isolated to encourage them to attend and participate. We also offer a service to collect and return home any community member with mobility issues for village hall run events. Our events are not just there to raise money, although with significantly rising utility costs it is becoming a need, our regular monthly events offer all members of our community a chance to come together and re-connect. This encourages those that are socially isolated or lonely to reconnect with other community members and get together in a non-confronting manner. We feel that our events help to re-establish old friendships and make it easier for people to reconnect in a safe environment which often leads to them connecting outside of our events. At our recent sold-out curry night there were many elderly parish residents that are rarely seen, in attendance. Our regular coffee mornings are starting again next month where any local members of our community can drop in and have a chat, in an informal way to reconnect and re-establish friendships that may have lapsed and to demonstrate the support our community has for all its members. Our elderly community members are

		also reluctant to travel far for an evening and without events being held locally in the village hall their social interaction opportunities would be heavily restricted.
