## GOVERNOR'S REPORT (INCLUDING DIRECTORS' REPORT)

### FOR THE YEAR ENDED 31 JULY 2021

---

The Governors present their annual report and accounts for the year ended 31 July 2021. The Governors constitute directors of the company for Companies Act purposes and the Trustees for Charity purposes. The company is registered with the Charity Commissioners under Charity Number 518471.

#### **Principal Activity**

The King of Kings School is a company limited by guarantee, the principal activity of which is the education of children in the Manchester area. In setting our objectives and planning our activities our Governors have given careful consideration to the Charity Commission's general guidance on public benefit.

#### **Aims, works and Activities**

##### *Objects*

The objects of the school are the institution and running of a Christian school designed to give a sound Christian and moral basis to all pupils. The school wants to raise up Christian leaders with service of others in the centre of their hearts and a single, biblical worldview. We want to preserve and extend Christian learning. It is our aim as a school to be outward looking and service oriented, and to contribute to the wider needs of Christian Education in this country and beyond.

##### *History*

The King of Kings School was established in 1986 as an independent school providing a curriculum with a specifically bible-centred worldview. Since September 1991 it has occupied a significant part of the former Charter Street Ragged School in Dantzic Street, Manchester, close to Victoria station.

##### *Aims*

The school aims to provide a thorough education to children aged 3-18, equipping them with the knowledge and skills to enable them to flourish as members of society and at the same time with a secure Christian faith expressed by serving others with generous, unselfish and confident hearts. Each child is encouraged to work hard in a system which balances academic work with other enriching experiences, including music, art, sport and practical skills.

##### *Curriculum*

The difference between this school and other schools with a Christian ethos is the curriculum. The school uses A.C.E., an individualised learning programme which has over 1 million users worldwide. This forms the spine of the curriculum onto which the school builds, adding group work, specialist instruction, individual teaching and project work. The A.C.E. methodology is designed to equip students with self-study skills and to master their learning. Teaching is consistent with the biblical instruction most of the children receive in the church and home, and nurtures children in the Christian faith.

##### *Graduates*

The school's first senior students prepared for and took GCSEs before going elsewhere to study for A Levels. Since 1992, we have been able to take students through from nursery to 18 using the A.C.E. curriculum, initially with the National Christian Schools Certificate (the NCSC) and then its successor, the International Certificate of Christian Education (the ICCE), qualifications designed to validate the work of students using this programme and which enable them to gain entrance to university, college, or directly to employment.

Our first NCSC graduate went to Durham University in 1996 and gained a BA in Linguistics before earning an MPhil from York University. She was awarded a scholarship to the University of Pennsylvania, an Ivy League university, and her studies culminated in a PhD from York in 2004.

Subsequent NCSC graduates have gained places at sixth form and further education colleges or stayed on the programme to complete their studies. Every school leaver with the NCSC Level III or the ICCE Advanced Certificate has gained a place at a Russell Group University, including Leicester (Maths), Kent (Music Production), Liverpool (Physiotherapy, English), Durham (Linguistics, Music), York (PPE), Sheffield (Japanese) and Manchester (Japanese). Recent students have studied for a Masters in Medical Statistics, Business Studies, Law, and Security and Development (Distinction).

# THE KING OF KINGS SCHOOL

## GOVERNOR'S REPORT (INCLUDING DIRECTORS' REPORT) (CONTINUED) FOR THE YEAR ENDED 31 JULY 2021

---

### *School Numbers*

We ended the year with 30 children.

### *Covid Impact*

This year was again impacted by the Covid Lockdown which ended in March 2021. Although Covid restrictions impacted the school, because of our methodology we were able to deliver all the individualised work, which is at least 60% of the curriculum, as usual, and almost all the taught lessons.

We were not able to continue with IT lessons or software drills during lockdown, but the children were given additional opportunities to catch up with these.

There have also been continuing opportunities for the children to catch up with their reading and I am very pleased to report that they are doing very well.

Although one or two children had difficulty working at home, most children completed their work and some did far more than was required.

Once we were back in school the focus was on settling the children down and getting them back into regular habits of work in school. At first, there was considerable social isolation and new children were difficult to integrate, but this gradually improved.

The seniors were not able to go away for the usual residential week for Student Convention, but an excellent version was created for them online which they thoroughly enjoyed and really helped with the social integration.

### *Ofsted Report*

*The School was not inspected by Ofsted in the year, but were assessed as Good for each judgment and Good overall in January 2019.*

### *The role of assessment*

Pre-School children are assessed on entry and three times in each of the first two years. Their programme is designed to help them prepare to read and develop academically, morally, socially, emotionally, practically and spiritually.

When they test 'Ready to Read', they progress to a 'Learning to Read' class where they are taught, amongst many other things, to read with phonics. Once these skills have been mastered, they spend a further 6 months on consolidation work and then move into the Infants.

Students joining the school at Year 1 or above are assessed on entry to see what work and skill they have or have not mastered previously. Those who are not established readers go into a reading improvement programme alongside their daily work. Those whose first language is not English go into a Speaking English programme when needed. Children in Years 1 and 2 are taught to score their own work and to identify where they need to ask for help.

The work is individualised and students who can work quickly are encouraged to do so. Once they begin to work above the level of work for their Year, they move onto the expanded and enriched curriculum. Those who struggle academically can take the time they need to master concepts. Every care is taken to develop the children's character, moral understanding and quality of relationships. They are introduced to the basic ideas of Christianity and to its foundational stories and principles.

# THE KING OF KINGS SCHOOL

## GOVERNOR'S REPORT (INCLUDING DIRECTORS' REPORT) (CONTINUED) FOR THE YEAR ENDED 31 JULY 2021

---

After completing the first two levels of the programme, they progress to the Juniors. From YN to Y2, the academic emphasis has been on vocabulary development, reading with understanding, learning how to express themselves orally and in writing, and in developing good basic mathematical skills. In the Juniors, Y3-Y6, while all those aspects continue to be developed, the emphasis changes to reading for pleasure, developing understanding and good general knowledge.

At the age of 11 some gain places at local grammar and independent schools. Those who stay with us continue into the Senior School. Students are also accepted into the Senior School from other schools in Y7 and Y8. Students may only be accepted in Y9 or above if they have already been working on the A.C.E. curriculum, or if it is clearly understood and accepted that all gaps have to be covered first and that it will then take 3 years to complete the General Certificate (CIE O Level standard). Late entrants are extremely likely to complete the General Certificate later than their friends complete their GCSEs.

In the Senior School, individualisation, mastery learning and Christian curriculum continue to underpin the work. The focus changes again in the Lower Seniors to creating a structure of knowledge and understanding which can be applied and transferred, and in the Upper Seniors to analysing, synthesising and developing service and wisdom. They are prepared for the next steps in life, whether that is work or study.

### *Statistics*

National average number of PACE completed annually in Years 3-13:  
62 per student per year (not including SEND)

National average PACE Score in Years 3-13: 90% (without SEND)

Students who are able to complete large quantities of work have the opportunity to enhance and enrich their certificate work with all kinds of extra credits. We have also had students who completed their NCSC Level III Certificate with an overall Grade A who went on to gain the Honours Certificate with more than 40 credits instead of the required 30.

Students are currently working on this qualification in the Far East and Africa as well as in Europe.

### *The 'End Product'*

Most of our students are professing and developing Christians. It is our experience that those who go all the way through are creative, original, amusing, well-educated and with a single biblical worldview. The school motto is 'Fit for Service' (from Ephesians 4:11), and there is a consequent emphasis on relationships, character development and service. Older students are encouraged to earn service credits, usually serving within the school. They also have the opportunity to serve abroad, helping to set up and run schools in developing countries or going on short mission trips.

### *CEC*

All staff and one of the Governors attended CEC in December 2020.

# THE KING OF KINGS SCHOOL

## GOVERNOR'S REPORT (INCLUDING DIRECTORS' REPORT) (CONTINUED) FOR THE YEAR ENDED 31 JULY 2021

### *Premises*

We continued in negotiation with the landlords over the rent.

Note: this went to mediation in April 2022 and was concluded to the satisfaction of both parties. The conditions were that the school would pay 36% of the total utilities bill, based on usage and floor area and that we would vacate the premises with vacant possession by the end of August 2023.

### *Building*

The landlords stopped repairing the building because of Covid and because they were trying to gain Grade II listing. The building gained Grade II listed status in July 2021 and this gave rise to hope that they would be able to now recommence repairs.

### *Health and Safety*

The concerns about fire alarm and state of the building has been taken up with the landlords and they are seeking to address this in an appropriate manner, bearing in mind the Grade II nature of the building.

### *SENCo:*

The programme and methodology we use supports most children with SEND very well. We regularly see children joining school very far behind in their work and with a poor work ethic who after a couple of years are succeeding in every way. That continues to be the case.

### **Financial review**

The financial statements have been prepared in accordance with the Companies' Act 2006, the Memorandum and Articles of Association and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) and the Charities Act 2011 and applicable regulations.									

The main income arises from fees charged for education and gifts to support the activities of the school. The most significant expenditure relates to the salaries of teachers. The financial results for the year, together with a summary of the accounting policies adopted are set out in the accompanying financial statements.

The surplus for the year of £7,863 will be added to the reserves brought forward. At the year end there is a surplus of £8,430 in reserves. The charity's policy towards free reserves is that these should be sufficient to cover one month of trading costs.

### **Management**

The day to day management of the school is under the responsibility of the headmistress Mrs E B Lewis.

### **Bankers**

The bankers of the school are The Royal Bank of Scotland plc, Sandbach, Cheshire.

### **Dividends**

The payment of a dividend or any other distribution to members is not permitted under the terms of the Company's Memorandum of Association.

# THE KING OF KINGS SCHOOL

## GOVERNOR'S REPORT (INCLUDING DIRECTORS' REPORT) (CONTINUED) FOR THE YEAR ENDED 31 JULY 2021

---

### Structure, governance and management

The Governors during this accounting period and to the date of this report are as follows:

Dr Philip S Lewis (Chair)

Mrs E Brenda Lewis (Head)

Dr Bamidele Oyebande (Safeguarding and Parent Governor)

Mr Nigel Steele (Independent Governor; Health & Safety)

Mrs B Lewis and Mr N Steele resign by rotation and both offer themselves for re-election at the forthcoming Annual General Meeting. No Governor was in receipt of remuneration or private benefits from the company during the period covered by these accounts. No Governor receives indemnity insurance for their service as director or trustee.

Two employees are related parties to two of the trustees. Their remuneration is fixed on similar terms to other employees and amounted to £36,570 (2020 £34,760). The level of remuneration has been approved by the independent trustees.

Mrs Lewis is an unpaid, non-executive director of CEE which is the sole supplier of the A.C.E. curriculum to Christian schools in the United Kingdom. CEE has supplied the school throughout its existence and Mrs Lewis was only appointed as a CEE director in 2009. In addition, purchases are made on normal commercial terms which are available to all schools using the curriculum.

In 2018 Mrs Lewis became an unpaid director of ICCE Limited.

### Risks

The risks that the school faces include having insufficient school numbers with parents who can pay the fees and insufficient donations to meet the school's expenditure.

The qualification the school uses, while validated by UKNARIC's 2012 Report, is not accredited.

In addition, the school bears the responsibility for looking after the children under its care.

The Governors have made an assessment of the major risks facing the school and are satisfied that there are policies in place to minimise these risks.

### Guarantors

Details of guarantors during the year of the accounts and to the date of this report are as follows:

Dr P S Lewis

Mrs E B Lewis

Dr B Oyebande

Mr N Steele

Under the terms of the Company's Memorandum of Association, the liability of each member is limited to £1.00.

The Governors present their annual report and accounts for the year ended 31 July, 2021. The Governors constitute directors of the company for Companies Act purposes and the Trustees for Charity purposes. The company is registered with the Charity Commissioners under Charity Number 518471.

By order of the board

**Dr B Oyebande**

Governor

# THE KING OF KINGS SCHOOL

## STATEMENT OF GOVERNOR'S RESPONSIBILITIES

***FOR THE YEAR ENDED 31 JULY 2021***

---

The governors, who are also the directors of The King of Kings School for the purpose of company law, are responsible for preparing the Governor's Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company Law requires the governors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that year.

In preparing these financial statements, the governors are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The governors are responsible for keeping adequate accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

# THE KING OF KINGS SCHOOL

## INDEPENDENT EXAMINER'S REPORT

### TO THE GOVERNORS OF THE KING OF KINGS SCHOOL

---

I report to the governors on my examination of the financial statements of The King of Kings School (the charity) for the year ended 31 July 2021.

This report is made solely to the charity's governors, as a body, in accordance with Section 145 of the Charities Act 2011. My work has been undertaken so that I might state to the charity's governors those matters I am required to state to them in this independent accountants' report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the charity and the charity's governors as a body, for my reporting work, for this report, or for the opinions I have formed.

#### Responsibilities and basis of report

Having satisfied myself that the charity is not subject to audit under company law and is eligible for independent examination, it is my responsibility to:

- examine the accounts under section 145 of the 2011 Act;
- follow the procedures laid down in the general directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- state whether particular matters have come to my attention.

#### Basis of independent examiner's report

My examination was carried out in accordance with the general directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a "true and fair view" and the report is limited to those matters set out in the statement below.

#### Independent examiner's statement

- 1 which gives me reasonable cause to believe that, in any material respect, the requirements:
  - to keep accounting records in accordance with section 386 of the Companies Act 2006; and
  - to prepare accounts which accord with the accounting records, comply with the accounting requirements of section 396 of the Companies Act 2006 and with the methods and principles of the Statements of Recommended Practice: Accounting and Reporting by Charitieshave not been met or
- 2 to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

The company is entitled to the exemption from the audit requirement contained in section 477 of the Companies Act 2006, for the year ended 31 July 2021.

The directors acknowledge their responsibilities for ensuring that the charity keeps accounting records which comply with section 386 of the Act and for preparing financial statements which give a true and fair view of the state of affairs of the company as at the end of the financial year and of its incoming resources and application of resources, including its income and expenditure, for the financial year in accordance with the requirements of sections 394 and 395 and which otherwise comply with the requirements of the Companies Act 2006 relating to financial statements, so far as applicable to the company.

The members have not required the company to obtain an audit of its financial statements for the year in question in accordance with section 476.

These financial statements have been prepared in accordance with the provisions applicable to companies subject to the small companies regime.

The financial statements were approved by the Governors on 11 May 2022

Dr B Oyebande

Company Registration No. 02022869

# THE KING OF KINGS SCHOOL

## NOTES TO THE FINANCIAL STATEMENTS

### FOR THE YEAR ENDED 31 JULY 2021

---

#### 1 Accounting policies

##### Charity information

The King of Kings School is a private company limited by guarantee incorporated in England and Wales. The registered office is 142 Dantzic Street, Manchester, M4 4DN.

##### 1.1 Accounting convention

The financial statements have been prepared in accordance with the charity's [governing document], the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)". The charity is a Public Benefit Entity as defined by FRS 102.

The charity has taken advantage of the provisions in the SORP for charities applying FRS 102 Update Bulletin 1 not to prepare a Statement of Cash Flows.

The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention. The principal accounting policies adopted are set out below.

##### 1.2 Going concern

At the time of approving the financial statements, the governors have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus the governors continue to adopt the going concern basis of accounting in preparing the financial statements.

At the end March 2020, Covid-19 was designated a pandemic by the World Health Organisation (WHO). The governor's continue to review the impact on the business, ensuring provisions are put in place to mitigate any risk to the company's ability to trade as a going concern. At the date of signing the financial statements, in the opinion of the governor's, Covid-19 will not impact on the company's ability to trade as a going concern. Consequently, the company continues to adopt the going concern basis in preparing the financial statements.

##### 1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the governors in furtherance of their charitable objectives. No funds have been restricted by a donor or designated for a particular purpose by the governors.

##### 1.4 Income

Income is recognised when the charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the charity has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

Legacies are recognised on receipt or otherwise if the charity has been notified of an impending distribution, the amount is known, and receipt is expected. If the amount is not known, the legacy is treated as a contingent asset.

# THE KING OF KINGS SCHOOL

## NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

### FOR THE YEAR ENDED 31 JULY 2021

---

#### 1 Accounting policies (Continued)

##### 1.5 Expenditure

Charitable activities - This is expenditure incurred in supporting the charitable activities of the school.

Governance costs - These represent direct expenditure on the governance of the school. The management is carried out without charge by volunteers. The intangible cost is not included in the Statement of Financial Activities since there is no measurement of cost for their services.

##### 1.6 Tangible fixed assets

Tangible fixed assets are initially measured at cost and subsequently measured at cost or valuation, net of depreciation and any impairment losses.

Depreciation is recognised so as to write off the cost or valuation of assets less their residual values over their useful lives on the following bases:

Tenants improvements	20% - 33.33% straight line
Fixtures and fittings	20% straight line

The gain or loss arising on the disposal of an asset is determined as the difference between the sale proceeds and the carrying value of the asset, and is recognised in net income/(expenditure) for the year.

##### 1.7 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

##### 1.8 Employee benefits

The cost of any unused holiday entitlement is recognised in the period in which the employee's services are received.

Termination benefits are recognised immediately as an expense when the charity is demonstrably committed to terminate the employment of an employee or to provide termination benefits.

##### 1.9 Pension

The charity operates a defined contribution pension scheme. Contributions are charged to the profit and loss account as they become payable in accordance with the rules of the scheme. No liability arises at the year end.
