As numbers have increased, we have 17 girls now we appealed for help from the parents, and we now have Emily who is a wonderful helper.

Guide Report

Silver Hill Report.

The Guide Hut was put into Trust for 2nd Gee Cross Guides Unit by the then Guide Leader – Molly Hibbert as she owned the land and building as well as two adjoining garages. Since that time the presiding Guide Leaders have become the Trustees. In 1983 the Guide Hut was not viable to operate as the costs were too high. The Unit moved to Hyde Chapel Sunday School in Gee Cross and the buildings were let out. As there had been a change in Leadership the District collected the rents. The building and land belongs to 2nd Gee Cross Guide Unit for the benefit of the unit. The present Leadership were informed of the ownership of the buildings and land, and as they were concerned with the costs of insurance and as the lessees had died or retired the state of the buildings was sadly beyond affordable repair, decided to sell the property. The original paperwork was missing as the Solicitor who had originally been involved had died, so it took some time for the land registry to confirm the ownership. The land has subsequently been sold and the proceeds banked and used for the benefit of the unit.

Guide Report

Covid19 and the subsequent lockdown stopped guiding activities for the majority of the year.

The Guides didn't respond well to the idea of meeting on Zoom so the leaders decided not to attempt it, some parents said they were online for school work so that might be why they weren't interested. Instead the leaders provided packs of handout activities and badge information so the Guides could enjoy them when they wanted to use them. Chocolates for Easter and Christmas were much appreciated. The Leaders also had a Facebook page where the girls and parents could keep up with information and news.

In July the Leaders arranged a night to meet up and see the girls in person.

In September the Unit was able to reopen, and though some of the older guides did not return so many of the Brownies were now eligible to join Guides the Unit is busy. It was good to return to so many activities with such enthusiasm. Church Parade at the end of September for Harvest Festival was very successful with the Guides supporting the new Brownies. November was busy with Remembrance Sunday, a joint Coffee Evening and Awards Night with Brownies which was popular with parents, and then Church Parade with the Guides and Brownies officiating at the First Sunday in Advent Service including the 'True meaning of Christmas.' In December the Christmas Tree Festival and Switching of the Lights kept the Guides hectic. They chose 'Rocking around the Christmas Tree' as their entry for the Festival. The girls also supported The Rotary's annual Christmas sleigh collection, visiting most of the Gee Cross area on two nights. Throughout the autumn and winter programme the Guides have completed the 'Express Myself' theme achieving several badges.

One of the Young Leaders is now 18 and has begun her Adult Leadership Award.

Two Leaders achieved their 5 and 10 year Awards respectively.

Attendance – Stephanie Covelli Chair

- Margaret Kelly Treasurer
- Gwen Monte

Agenda – Silver Hill Money / Charity Commission

- Donation to Young Leader for International Jamboree
- Covid 19 lockdown
- Guide Report

Silver Hill -Steph reported on the conversation she had with the Charity commission. We have to submit information on how and why the property was left to the unit. Margaret will go through the records and compile a report.

International Jamboree – Young Leader Ellie had been chosen by Greater Manchester County as one of the twelve girls to attend the International Jamboree in Poland in August 2020. Unfortunately with Covid 19 this has been postponed until next summer 2021. The donation to her fundraising still stands for next year.

Covid 19 Lockdown. – There haven't been any meetings since March 2020 and there is no end in sight to reopening.

Guide Report. The girls had been enjoying the Skill Builder and Unit Meeting activities, before the lockdown and were looking forward to planning another Pack holiday. We have kept in contact through Facebook, sending Postcards, badge work information, and delivered Christmas Presents. Unfortunately everything is on hold but the girls are looking forward to returning when we can.
