**Section B Structure, governance and management**

Description of the charity's trusts

Type of governing document  
(e.g. trust deed, constitution)

The Group's governing documents are those of the The Scout Association. They consist of a Royal Charter, which in turn gives authority to the Bye Laws of the Association and The Policy, Organisation and Rules of The Scout Association.

How the charity is constituted  
(e.g. trust, association, company)

The Group is a trust established under its rules which are common to all Scouts.

Trustee selection methods  
(e.g. appointed by, elected by)

The Trustees are appointed in accordance with the Policy, Organisation and Rules of The Scout Association.

Additional governance issues (optional information but encouraged as best practice)

You may choose to include additional information, where relevant, about:

The Group is managed by the Group Trustee Board, the members of which are the 'Charity Trustees' of the Scout Group which is an educational charity. As charity trustees they are responsible for complying with legislation applicable to charities. This includes the registration, keeping proper accounts and making returns to the Charity Commission as appropriate.

Policies and procedures adopted for:

a) the induction and training of trustees;  
b) trustee' consideration of major risks and the systems and procedures to manage them

The Trustee Board consists of the Chair, Treasurer and 3 Trustees and meets every 12 months.

Members of the Trustee Board complete Being a Scouts Trustee learning within the first 6 months of joining the Board.

This Group Trustee Board exists to make sure the charity is well-managed, risks are assessed and mitigated, buildings and equipment are in good working order, and everyone follows legal requirements and the organisation's policies and rules. Their support helps other volunteers run high-quality and safe programmes that gives young people skills for life.

<b>Section B</b>	<b>Structure, governance and management (continued)</b>
	<p><b>Risk and Internal Control</b></p> <p>The Group Trustee Board has identified the major risks to which they believe the Group is exposed, these have been reviewed and systems have been established to mitigate against them. The main areas of concern that have been identified are:</p> <p>Damage to the building, property and equipment. The Group would request the use of buildings, property and equipment from neighbouring organisations such as other Scout Groups. Similar reciprocal arrangements exist with these organisations. The Group has sufficient buildings and contents insurance in place to mitigate against permanent loss.</p> <p>Injury to leaders, helpers, supporters and members. The Group through the capitation fees contributes to the Scout Associations national accident insurance policy. Risk Assessments are undertaken before all activities.</p> <p>Reduced income from fund raising. The Group is primarily reliant upon income from subscriptions and fundraising. The group does hold a reserve to ensure the continuity of activities should there be a major reduction in income. The Board could raise the value of subscriptions to increase the income to the group on an ongoing basis, either temporarily or permanently.</p> <p>Reduction or loss of leaders. The group is totally reliant upon volunteers to run and administer the activities of the group. If there was a reduction in the number of leaders to</p>

an unacceptable level in a particular section or the group as a whole then there would have to be a contraction, consolidation or closure of a section. In the worst case scenario the complete closure of the Group.

Reduction or loss of members. The Group provides activities for all young people aged 4 to 18. If there was a reduction in membership in a particular section or the group as whole then there would have to be a contraction, consolidation or closure of a section. In the worst case scenario the complete closure of the Group.

**Risk and Internal Control**

The group has in place systems of internal controls that are designed to provide reasonable assurance against material mismanagement or loss, these include 2 signatories for all payments and a comprehensive insurance policies to ensure that insurable risks are covered.

Section C	Objectives and activities
<p>Summary of the objects of the charity set out in its governing document</p>	<p><b>The Purpose of Scouting</b> Scouting exists to actively engage and support young people in their personal development, empowering them to make a positive contribution to society.</p> <p><b>The Values of Scouting</b> As Scouts we are guided by these values:  <b>Integrity</b> - We act with integrity; we are honest, trustworthy and loyal.  <b>Respect</b> - We have self-respect and respect for others.  <b>Care</b> - We support others and take care of the world in which we live.  <b>Belief</b> - We explore our faiths, beliefs and attitudes.  <b>Co-operation</b> - We make a positive difference; we co-operate with others and make friends.</p> <p><b>The Scout Method</b> Scouting takes place when young people, in partnership with adults, work together based on the values of Scouting and:  - enjoy what they are doing and have fun  - take part in activities indoors and outdoors  - learn by doing  - share in spiritual reflection  - take responsibility and make choices  - undertake new and challenging activities  - make and live by their Promise.</p>
