Objectives and Activities

	SORP reference	
Summary of the purposes of the charity as set out in its governing document	Para 1.17	<p>The primary objective of the Group is that of the Scout Association generally, namely: 'to actively engage and support young people in their personal development, empowering them to make a positive contribution to society.'</p> <p><u>The Values of Scouting</u></p> <p>As Scouts we are guided by these values:</p> <ul style="list-style-type: none">• Integrity - We act with integrity; we are honest, trustworthy and loyal.• Respect - We have self-respect and respect for others.• Care - We support others and take care of the world in which we live.• Belief - We explore our faiths, beliefs and attitudes.• Co-operation - We make a positive difference; we cooperate with others and make friends. <p><u>The Scout Method</u></p> <p>Scouting takes place when young people, in partnership with adults, work together based on the values of Scouting and:</p> <ul style="list-style-type: none">• enjoy what they are doing and have fun• take part in activities indoors and outdoors• learn by doing• share in spiritual reflection• take responsibility and make choices• undertake new and challenging activities• make and live by their Promise.
Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts.	Para 1.17 and 1.19	<p>The activities of the Group are:</p> <ul style="list-style-type: none">• The provision of the Scouting programme for 6-14 year old members

Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	<p>When we entered lockdown in 2020, sections met online using Zoom. This was a very different Scouting experience and didn't suit everyone but, to the credit of our leaders, they kept going and some parents told us it was the highlight of their child's week. Meeting again face-to-face (outside) was a step closer to normal and sections managed hikes and trails, games and challenges. Most importantly, they enabled our Young People to meet with their peers - to talk and socialise in ways they had been missing. I am proud that through difficult times 16th Lancaster has continued to fulfil our vision of what Scouting is all about: the fun, the friendships, the adventure and providing Skills for Life. At the end of March 2021 we had 65 young people on the register from a variety of cultural and socio-economic backgrounds within the local area.</p> <p>Local authority grants were used to undertake repairs on the building and refurbish the main hall and kitchen, in order to expand the activities available to users and improve health and safety of the premises.</p>

Investment performance against objectives	Para 1.41	<p>The Group's Income and Expenditure is very small and as a consequence, does not have sufficient funds to invest in longer-term investments such as stocks and shares. The Group has therefore adopted a low risk strategy to the investment of its funds. All funds are held in cash using only mainstream banks or building societies or The Scout Association's Short Term Investment Service.</p>

Financial Review

Review of the charity's financial position at the end of the period	Para 1.21	<p>16th Lancaster is in a sound financial position due to careful management of expenditure and the benefit of some COVID related grants from the Local Authority during the period. We have continued to collect subscriptions, at a reduced rate, throughout the pandemic in order to support the continued delivery of an online programme and running costs.</p>
Statement explaining the policy for holding reserves stating why they are held	Para 1.22	<p>The Group's policy on reserves is to hold sufficient resources to continue the charitable activities of the group should income and fundraising activities fall short. The Group Executive Committee considers that the group should hold a sum equivalent to 12 months running costs, circa £10,000.</p> <p>The Group held reserves of approximately £20,000 against this at year end. This is above the level required for operating expenses. However this can be explained by the need for planned works updating and renovating the hut and also the uncertainty brought about by multiple lockdowns resulting in a suspension of activities during the COVID 19 pandemic.</p>
Amount of reserves held	Para 1.22	£20,000
Reasons for holding zero	Para 1.22	None

reserves		
Details of fund materially in deficit	Para 1.24	None
Explanation of any uncertainties about the charity continuing as a going concern	Para 1.23	None

Additional information (optional)

You may choose to include further statements where relevant about:

The charity's principal sources of funds (including any fundraising)	Para 1.47	The principal source of funds is member subscriptions, which are typically £35 per term (£105 per annum).
Investment policy and objectives including any social investment policy adopted	Para 1.46	The Group's Income and Expenditure is very small and as a consequence, does not have sufficient funds to invest in longer-term investments such as stocks and shares. The Group has therefore adopted a low risk strategy to the investment of its funds. All funds are held in cash using only mainstream banks or building societies or The Scout Association's Short Term Investment Service.
A description of the principal risks facing the charity	Para 1.46	<p>The Group Executive Committee has identified the major risks to which they believe the Group is exposed which are:</p> <p>1.1.1 Injury to Leaders, Helpers, Supporters or Members</p> <p>The Group supports compliance with the Safety Policy and ensures appropriate risk assessment; elimination, reduction and control measures are taken to reduce the likelihood of any injuries. In addition, through membership fees, the Group contributes to the Scout Association's national accident insurance policy.</p> <p>1.1.2 Damage to Buildings, Property or Equipment</p> <p>The Group would request the use of buildings, property and equipment from neighbouring organisations. The Group has sufficient buildings and contents insurance in place to mitigate against permanent loss.</p> <p>1.1.3 Reduced Income from Subscriptions and Fund Raising</p> <p>The Group is primarily reliant upon income from subscriptions and fund-raising. The Group holds adequate reserves to ensure the continuity of activities should there be a major reduction in income. The committee could also raise the value of subscriptions to increase the Group income either temporarily or permanently.</p> <p>1.1.4 Reduction or Loss of Leaders</p> <p>The Group is totally reliant upon volunteers to run and administer the activities of the Group. If there were a reduction in the number of volunteers to an unacceptable level, then there would have to be a contraction, consolidation or closure of activities or sections.</p>

1.1.5 Reduction or Loss of Members
 If there were a reduction in membership of a particular section or the Group as a whole then there would have to be a contraction, consolidation or closure of a section.
