## Description of the charity's trusts

Type of governing document

The Group's governing documents are those of the The Scout Association. They consist of a Royal Charter, which in turn gives authority to the Bye Laws of the Association and The Policy, Organisation and Rules of The Scout Association.

How the charity is constituted

The Group is a trust established under its rules which are common to all Scouts.

Trustee selection methods

The Trustees are appointed in accordance with the Policy, Organisation and Rules of The Scout Association.

Additional governance issues

The Group is managed by the Group Executive Committee, the members of which are the 'Charity Trustees' of the Scout Group which is an educational charity. As charity trustees they are responsible for complying with legislation applicable to charities. This includes the registration, keeping proper accounts and making returns to the Charity Commission as appropriate.

The Committee consists of 3 independent representatives, Chair, Treasurer and Secretary together with the Group Scout Leader, individual section leaders and parent's representation and meets every 3 months.

Members of the Executive Committee complete '*Essential Information for Executive Committee*' training within the first 5 months of joining the committee.

This Group Executive Committee exists to support the Group Scout Leader in meeting the responsibilities of the appointments and is responsible for:

- The maintenance of Group property;
- The raising of funds and the administration of Group finance;
- The insurance of persons, property and equipment;
- Group public occasions;
- Assisting in the recruitment of leaders and other adult support;
- Appointing any sub committees that may be required;
- Appointing Group Administrators and Advisors other than those who are elected.

**Risk and Internal Control**

The Group Executive Committee has identified the major risks to which they believe the Group is exposed, these have been reviewed and systems have been established to mitigate against them. The main areas of concern that have been identified are:

Damage to the building, property and equipment. The Group has sufficient buildings and contents insurance in place to mitigate against permanent loss.

Injury to leaders, helpers, supporters and members. The Group through the capitation fees contributes to the Scout Associations national accident insurance policy. Risk Assessments are undertaken before all activities.

Reduced income from fund raising. The Group is primarily reliant upon income from subscriptions and fundraising. The group does hold a reserve to ensure the continuity of activities should there be a major reduction in income. The Committee could raise the value of subscriptions to increase the income to the group on an ongoing basis, either temporarily or permanently.

Reduction or loss of leaders. The group is totally reliant upon volunteers to run and administer the activities of the group. If there was a reduction in the number of leaders to an unacceptable level in a particular section or the group as a whole then there would have to be a contraction, consolidation or closure of a section. In the worst case scenario the complete closure of the Group.

Reduction or loss of members. The Group provides activities for all young people aged 6 to 14. If there was a reduction in membership in a particular section or the group as whole then there would have to be a contraction, consolidation or closure of a section. In the worst case scenario the complete closure of the Group.

**Risk and Internal Control**

The group has in place systems of internal controls that are designed to provide reasonable assurance against material mismanagement or loss, these include 2 signatories for all payments and comprehensive insurance policies to ensure that insurable risks are covered.

Summary of the main achievements of the charity during the year

At the time of writing this report our Group consisted of 52 boys and girls across our three sections, with 12 uniformed leaders.

Despite the Covid pandemic causing a huge curtailment to Scouting activities over the past year and more, our numbers have increased slightly on the previous year's report.

Whilst there has been no camping during the pandemic and very few face to face meetings due to the Lockdowns, it is a huge credit to the Leaders who have created fabulous programmes with activities 'Zooming from Home' to maintain the interest of our young members with very engaging activities.

In March, the Group held a Group Camp virtually from home with members building dens at home to camp in and take part in many activities from home during the weekend.

Then in April 2021, Harborough District held a Virtual 'Dragon' Camp from home to replace the usual St Georges Day Parade.

We started 2021 moving into the Group's Centenary Year, with lots of plans dashed by Covid.

However, our members and Leaders are proudly wearing a Centenary badge on their uniforms and we plan to present them all with a Centenary Hoodie.

In September 2021, Covid permitting we all plan to camp together to celebrate the 100 years of Great Glen Scout Group and parents of current members and Leaders and Committee members past will join us at a celebratory campfire as we look towards the next 100 years.
