Annual Report on behalf of the District Trustee Board

The Loughborough District Scouts Council Trustee Board (the District) is required to make an annual report each year as part of their Charity Status. The following has been adopted by the Trustees as their report for the year 2024-2025.

The Loughborough District's governing documents are those of The Scout Association (TSA). All Scout units are part of the Scouts' federation of charities and operate under The Scout Association's Royal Charter. The Royal Charter, in turn gives authority to the Bye Laws of the Association and The Policy, Organisation and Rules (POR) [May 2025 updates] of The Scout Association. The Loughborough District Scouts council is a trust established under the TSA rules which are common to all Scout Districts.

The Trustees are appointed in accordance with the Policy, Organisation and Rules of The Scout Association and by individual application and nomination and are presented by the Trustees and voted for at the Annual General Meeting (AGM). The Trustee Board must act collectively as the Trustees of their Scout Unit, and in the best interests of the Scout Unit's members (POR 5b 1.1.3). A District Trustee Board has two Ex officio members being – the District Lead Volunteer and the District Youth Lead. (POR 5b 3.3.5).

The District's Governance is managed by the Loughborough District Trustee Board, the members of which are the 'Charity Trustees' of the Scout District which is an educational charity. As charity trustees they are responsible for complying with legislation applicable to UK charities. This includes the registration, keeping proper accounts and making returns to the Charity Commission as appropriate. The Trustee Board consists of the Chair, Treasurer, District Lead Volunteer, District Youth Lead (POR 5c 2.4.2. 2025) and a maximum of 8 Trustees as previously agreed by the Scout Council, and meets generally every 4 or so months. Members of the Trustee Board must meet the requirements of being a Trustee and complete the 'Growing Roots' learning (which includes Safety and Safeguarding within 30 days) and also 'Being a Trustee in Scouts' learning with all to be completed within 6 months of joining the Board. At least two Trustees should be aged between 18 and 25 years old. This District Trustee Board exists as the governing body to make sure the charity is well-managed, risks are assessed and mitigated, buildings, sites and equipment are in good working order, and everyone follows the legal requirements and that within the current POR. Their support helps other volunteers in Groups or sections and the Oaks Camp site to run high quality and safe programmes that give young people skills for life.

In taking into account the requirements of POR for Scout Trustee Boards we hereby provide an extract for general clarification regarding the Boards working:

"The District Trustee Board must act in the charity's best interests, acting with reasonable care and skill and take steps to be confident that:

a. The charity is:

- well managed
- carrying out its purposes for the public benefit
- complying with the charity's governing document and the law

- managing the charity's resources responsibly
- b. The charity is operating compliant with POR and the local charity regulator, including effective management of each of the Key Policies listed in POR Chapter 2.
- c. Young people are meaningfully involved in decision making at all levels
- d. The District has sufficient resources (funds, people, property and equipment) available to meet the planned work of the District including delivery of the high quality programme and resource requirements of the training programme (see Rule 5c 2.6.3 May 2025)"

In noting Risk and Internal Control the District Trustee Board has identified the major risks to which they believe the Loughborough District Scouting is exposed to, these have been reviewed and systems have been established to mitigate against them. The areas of concern that have been identified are:

Damage to the buildings, property and equipment. The District would likely request the use of buildings, property and equipment from neighbouring organisations such as the heritage centre, school centres and other Scout Groups. Similar reciprocal arrangements exist with scout groups and other similar organisations.

Injury to leaders, helpers, supporters and members is covered via the Scout Association insurance policies. The District through the capitation fees contributes to the Scout Associations national accident insurance policy system. Risk Assessments are undertaken before all scout based activities as generally delegated to individual group scout leaders and their direct managers. The District is primarily reliant upon income from subscriptions, fundraising, or grants to support scouting development. The

Oaks Campsite is reported to the Charity Commission within Loughborough Districts submissions, whilst it runs its own activities in collaboration with Charnwood District scout members. The District does hold a reserve to ensure the continuity of activities should there be a major reduction in income or a substantial need for funding within the District. The Board could raise the value of subscriptions to increase the income to the District on an ongoing basis, either temporarily or permanently. The District and individual Groups are totally reliant upon volunteers to run and administer the activities within the District, Groups and the Oaks Campsite. The national drive to build Squirrel Dreys is still being restricted by a shortage of appropriate volunteer leaders. The individual Groups/Units decide if they can provide activities for young people aged 4 to 18. The growth in the number of volunteers to support scouting is essential to scouting and then would provide more opportunities for young people within the District.

Objectives and activities supported by the Loughborough District Trustee Board.

The Purpose of Scouting: Scouting exists to actively engage and support young people in their personal development, empowering them to make a positive contribution to society.

The Values of Scouting: As Scouts we are guided by these values:

Integrity - We act with integrity; we are honest, trustworthy and loyal.

Respect - We have self-respect and respect for others.

Care - We support others and take care of the world in which we live.

Belief - We explore our faiths, beliefs and attitudes.

Co-operation - We make a positive difference; we co-operate with others and make friends.

The Scout Method ensures that young people, in partnership with adults, work together based on the values of Scouting and:

- enjoy what they are doing and have fun
- take part in activities indoors and outdoors
- learn by doing
- share in spiritual reflection
- take responsibility and make choices
- undertake new and challenging activities
- make and live by their Promise.

The Loughborough District Trustee Board therefore maintain that scouting in the District meets the Charity Commission's public benefit criteria under both the advancement of education and the advancement of citizenship and/or community development headings.

Accounts

Annual Report by chair of the District Trustee Board.

The Loughborough District Scouts Council Trustee Board are required to make an annual report each year as part of their Charity Status. The following has been adopted by the Trustees as their report for the year 2023-2024.

The Loughborough District's governing documents are those of The Scout Association (TSA). They consist of a Royal Charter, which in turn gives authority to the Bye Laws of the Association and The Policy, Organisation and Rules of The Scout Association.

The Loughborough District Scouts is a trust established under the TSA rules which are common to all Scouts.

The Trustees are appointed in accordance with the Policy, Organisation and Rules of The Scout Association and by individual application and nomination and voted for at the AGM.

The District is managed by the Loughborough District Trustee Board, the members of which are the 'Charity Trustees' of the Scout District which is an educational charity. As charity trustees they are responsible for complying with legislation applicable to charities. This includes the registration, keeping proper accounts and making returns to the Charity Commission as appropriate. The Trustee Board consists of the Chair, Treasurer, District Lead Volunteer, District Youth Lead (POR 5.5.7 2024) and 8 Trustees, and meets generally every 4 or so months. Members of the Trustee Board must meet the requirements of a Trustee and complete 'Being a Scouts Trustee' learning within the first 6 months of joining the Board. At least two Trustees should be aged 18-25 birthdays. This District Trustee Board exists as a governing body to make sure the charity is well-managed, risks are assessed and mitigated, buildings, sites and equipment are in good working order, and everyone follows the legal requirements and the organisation's policies and rules. Their support helps other volunteers in Groups or sections run high quality and safe programmes that gives young people skills for life.

In noting Risk and Internal Control the District Trustee Board has identified the major risks to which they believe the Loughborough District Scouting is exposed, these have been reviewed and systems have been established to mitigate against them. The areas of concern that have been identified are: Damage to the buildings, property and equipment. The District would request the use of buildings, property and equipment from neighbouring organisations such as the heritage centre, school centres and other Scout Groups. Similar reciprocal arrangements exist with other organisations. Injury to leaders, helpers, supporters and members is covered via the Scout Association. The District through the capitation fees contributes to the Scout Associations national accident insurance policy. Risk Assessments are undertaken before all scout based activities. The District is primarily reliant upon income from subscriptions, fundraising, or grants. The District does hold a reserve to ensure the continuity of activities should there be a major reduction in income. The Board could raise

the value of subscriptions to increase the income to the District on an ongoing basis, either temporarily or permanently. The District and individual Groups are totally reliant upon volunteers to run and administer the activities within the District and Groups. The national drive to build Squirrel Dreys is being restricted by a shortage of appropriate volunteer leaders. The individual Groups/Units can provide activities for all young people aged 4 to 18. The growth in the number of volunteers to support scouting is essential to scouting and then would provide more activities for young people.

Objectives and activities supported by the Trustee Board.

The Purpose of Scouting: Scouting exists to actively engage and support young people in their personal development, empowering them to make a positive contribution to society.

The Values of Scouting: As Scouts we are guided by these values:

Integrity - We act with integrity; we are honest, trustworthy and loyal.

Respect - We have self-respect and respect for others.

Care - We support others and take care of the world in which we live.

Belief - We explore our faiths, beliefs and attitudes.

Co-operation - We make a positive difference; we co-operate with others and make friends.

The Scout Method ensures that young people, in partnership with adults, work together based on the values of Scouting and: - enjoy what they are doing and have fun - take part in activities indoors and outdoors - learn by doing - share in spiritual reflection - take responsibility and make choices - undertake new and challenging activities - make and live by their Promise.

Therefore, the Loughborough District Trustee Board maintain that scouting in the District meets the Charity Commission's public benefit criteria under both the advancement of education and the advancement of citizenship or community development headings.

Peter Chambers MBE, District Chairman
On behalf of the Loughborough District Trustee Board
