

Gedney Hill & District Memorial Hall

Chair Report 2021

The Hall opened up again in May 2021 after yet another lockdown for Village Halls, although not fully open we had Keep Fit and Jack & Jill's toddler group being allowed to use the hall.

Karate then started back in June and the monthly Quiz night resumed in August, although we'd been successfully having those by Zoom early in the year, Crochet & Chatter group came back in September and the monthly Bingo's returned in October.

In September we hosted Heather and Robert Congreve's McMillan Coffee morning over two days and held the Breast Cancer Afternoon tea event once again.

Due to the Lockdowns we have again had very little in the way of private hirings for social events this last year although there were two weddings in August and September, the first was for a village bride and everyone had a great time, with the second one the hall helped with the catering and in making the couple's wedding day a happy event. There's a glimmer of people wanting to use us again for their social events, a 70th Birthday Party is booked in for this July.

The Hall also helped the village by being the contact point for medicine collections while the local shop was being re-fitted for Morrisons.

For the first time we entertained the BBC with the Radio 4 programme "Any Questions" in December.

Our Sunday Lunches continued to be successful our first session ending in May 2021 and re-starting again in the November, the most recent was yesterday for Mother's Day. These lunches wouldn't happen without our volunteers giving up their time and I thank all of you for your efforts.

In conclusion I must say that I think we've kept our charitable aims by still helping in the community where and when we could in spite of the restrictions COVID gave us and I must end by thanking the committee for all their hard work this last year and I look forward to working with them again into 2022.

Thank you...
