YEAR ENDED 31ST JULY 2025

REPORT OF THE COMMITTEE

The committee present their annual report and financial statements of the charity for the year ended 31st July 2025. The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the charity's governing document, the Charities Act 2011 and the Accounting and Reporting by Charities: Statement of Recommended Practice (second edition) and Financial Reporting Standard FRS 102.

Objectives and Activities for the Public Benefit

Purposes and Aims

The objects of Preston Grange Community Association are to promote the benefit of the inhabitants of Preston Grange and the neighbourhood without distinction of sex or of political, religious or other opinions by associating the local authorities, voluntary organisations and inhabitants in a common effort to advance education and to provide facilities in the interests of social welfare for recreation and leisure time occupation with the object of improving the conditions of life for the said inhabitants.

Ensuring Our Work Delivers Our Aims

We review our aims, objectives and activities each year. This review looks at what we have achieved and the outcomes of our work in the previous year. The review looks at the success of each key activity and the benefits that they have brought to those groups of people we are set up to help.

The review also helps us to ensure that our aims, objectives and activities have remained focused on our stated purposes. We have referred to guidance contained on the Charity's Commission's website when reviewing our aims and objectives and in planning our future activities. In particular, the committee consider how planned activities will contribute to the aims and objectives they have set.

The Focus of our Work

Our main objectives for the year continued to be the promotion of the welfare of people from Preston Grange and the surrounding area. The strategies used to meet these objectives included:

- Offering membership of the Association at a reasonable price to allow the local community access to the facilities offered.
- Running members functions to allow members access to a variety of different entertainers for leisure time occupation and to improve socialising between different members.
- Obtaining grant funding to help improve the facilities and activities offered.
- Hiring out the community centre for a variety of private functions and to local meeting groups.
- Providing fruit machines, a pool table, bingo and various other raffles to ensure a wide range of leisure activities are available.

How Our Activities Deliver Public Benefit

Our main activities and who we try to help are described as follows:

Who Used and Benefitted from Our Services

The community centre has seen an increase in its membership and more people are attending regular members events held.

PRESTON GRANGE COMMUNITY ASSOCIATION

REPORT OF THE COMMITTEE

How Our Activities Deliver Public Benefit *(continued)*

Who Used and Benefitted from Our Services *(continued)*

There are many people during the last year who have benefited from the services offered by the charity. There are a wide age range of people who use the services, as numerous groups are run and held at the centre. Such groups include Slimming World, a music group, a ukulele group and Pilates group.

Achievements and Performance

The committee are pleased with the performance of the charity during the year. The annual membership continues as in prior years. Outside clubs that use the centre continue to do so and income from outside clubs has increased this year. Encouragingly income from private hire has also increased this year. The committee are also pleased that member events are taking place on a regular basis once again.

Financial Review

The Committee are delighted to report a surplus £8,448 for the year. This is compared to the deficit generated last period of £7,478. The centre has been open all year, after the flood in the previous period, and the hiring of the centre and members events are now a regular occurrence again.

Principal Funding Sources

The primary source of income during the year was that of the hire of the community centre from both the clubs that regularly use it and from an increased number of private hire bookings.

A donation of £4,500 was received this year (2024: £Nil) from Preston Grange Facilities Limited, a social club and bar, which is run for the primary purpose of donating surplus funds to the Association.

Investment Powers and Policy

The Trust deed gives the committee the power to apply the funds in such a manner as they think fit to or for the benefit of any charitable object or purpose.

Aside from retaining a prudent amount in reserves each year, most of the charity's funds, especially those received via grant funding, are to be spent in the short term and so there are few funds for long term investment.

Reserves Policy and Going Concern

The committee members have examined the charity's requirement for reserves in light of the main risks facing the charity. It is the policy of Preston Grange Community Association to maintain funds at a level, which allows the charity to operate in the event of unforeseen circumstances. At the end of the financial year, reserves were £141,070 made up of £107,654 (Building) and £33,416 (Cash)*. This cash asset is subject to adjustment as per the Preston Grange Community Association Reserve Asset Policy to give a net asset spending level for the 2025/26 period.

REPORT OF THE COMMITTEE

Plans for the Future

The committee look to the future with cautious optimism in light of the financial year that has just passed and the current economic climate. Looking forward, income streams have remained consistent since the financial year end and the committee are confident that this will continue.

The committee along, with its volunteers, intend to continue to organise events and fundraising activities to serve the current members and to hopefully encourage new members. They will also continue to promote the private hire of the centre.

Structure, Governance and Management

Committees' Responsibilities in Relation to the Financial Statements

Members of the committee are responsible for preparing the Report of the Committee and the financial statements in accordance with applicable law and United Kingdom Accounting Standards) United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales requires the committee to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity as at the balance sheet date and of its incoming resources and application of resources, of the charity for that period.

In preparing those financial statements, the committee are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures that must be disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume the charity will continue in business.

The committee have overall responsibility for ensuring that the charity has appropriate systems and controls, financial and otherwise. The committee are also responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities Act 2011, the applicable Charities (Accounts and Reports) Regulations, and the provisions of the Trust Deed.

The committee are also responsible for safeguarding the assets of the charity and for their proper application as required by charity law, and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities and to provide reasonable assurance that:

- Preston Grange Community Association is operating efficiently and effectively;
- All assets are safeguarded against unauthorised use or disposition and are properly applied;
- Proper records are maintained, and financial information used within Preston Grange Community Centre is reliable; and
- Preston Grange Community Centre complies with relevant laws and regulations.

The trustees are responsible for the maintenance and integrity of the charity and financial information included on the charity's website in accordance with legislation in the United Kingdom governing the preparation and dissemination of financial statements.

INDEPENDENT EXAMINER'S REPORT TO THE COMMITTEE

I report on the financial statements of the charity for the year ended 31st July 2025.

Respective Responsibilities of Trustees and Examiner

The charity's trustees are responsible for the preparation of the financial statements. The charity's trustees consider that an audit is not required for this year under section 144 (2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

It is my responsibility to:

- examine the financial statements under section 145 of the 2011 Act,
- follow the procedures laid down in the general directions given by the Charity Commission under section 145(5)(b) of the 2011 Act, and
- state whether particular matters have come to my attention.

Basis of Independent Examiner's Report

My examination was carried out in accordance with the general directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the financial statements presented with those records. It also includes consideration of any unusual items or disclosures in the financial statements, and the seeking of explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently, no opinion is given as to whether the financial statements present a 'true and fair view' and the report is limited to those matters set out in the statement below.

Independent Examiner's Statement

In connection with my examination, no matter has come to my attention:

- which gives me reasonable cause to believe that, in any material respect, the requirements:
 - (a) to keep accounting records in accordance with section 130 of the 2011 Act; and
 - (b) to prepare financial statements which accord with the accounting records and comply with the accounting requirements of the 2011 Act have not been met, or
- to which, in my opinion, attention should be drawn in order to enable a proper understanding of the financial statements to be reached.

YEAR ENDED 31ST JULY 2025

NOTES TO THE FINANCIAL STATEMENTS

1 ACCOUNTING POLICIES

The principal accounting policies adopted in the preparation of the financial statements are set out below. The accounting policies have been applied consistently throughout the period and in the preceding year.

a) Basis of Preparation

The financial statements have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant notes to the financial statements. The financial statements have been prepared in accordance with the second edition of the Charities Statement of Recommended Practice issued in October 2019, the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102) and the Charities Act 2011.

The charity constitutes a public benefit entity as defined by FRS 102.

b) Preparation of the Financial Statements on a Going Concern Basis

The trustees consider that there are no material uncertainties about the Charity's ability to continue as a going concern. There are no significant judgements or key sources of estimation uncertainty that affect the financial statements.

c) Cash Flow Statement

The committee have taken advantage of the exemption from including a cash flow statement in the financial statements on the grounds that the charity is small.

d) Income

All income is recognised once the charity has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

- Donations and grants are recognised when the charity has been notified in writing of both the amount and the settlement date. In the event that a donation is subject to conditions that require a level of performance before the charity is entitled to the funds, the income is deferred and not recognised until either those conditions are fully met, or the fulfilment of those conditions is wholly within control of the charity and it is probable that those conditions will be fulfilled in the reporting period.
- Incoming resources from charitable activities are accounted for when receivable.
- Membership subscriptions and event income is accounted for when receivable.
- Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity; this is normally upon notification of the interest paid or payable by the bank.

e) Expenditure and Irrecoverable VAT

Expenditure is recognised once there is a legal or constructive obligation to make a payment to a third party, it is probable that settlement will be required and the amount of the obligation can be measured reliably. Expenditure is classified under the following activity headings:

PRESTON GRANGE COMMUNITY ASSOCIATION
YEAR ENDED 31ST JULY 2025

NOTES TO THE FINANCIAL STATEMENTS

1 ACCOUNTING POLICIES *(continued)*

e) Expenditure and Irrecoverable VAT *(continued)*

- Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services. It includes both costs that can be allocated directly to specific departments and those costs of an indirect nature necessary to support them.

Irrecoverable VAT is charged as a cost against the activity for which the expenditure was incurred.

f) Support Costs

Support costs are those functions that assist in the work of the charity but do not directly undertake charitable activities. Support costs include office costs, finance and governance costs which support the charity's activities. These costs have been included within expenditure on charitable activities.

g) Fund Accounting

Unrestricted Funds are funds which are available for use at the discretion of the committee in furtherance of the general objectives of the Charity and which have not been designated for other purposes.

Restricted funds comprise donations which the donor has specified are to be solely used for particular areas of the charity's work or for special projects being undertaken by the charity.

h) Tangible Fixed Assets

All fixed assets are initially recorded at cost.

i) Depreciation

Depreciation is calculated to write off the cost of fixed assets over the expected useful lives of the assets concerned. The principal annual rates for this purpose, which are consistent with those of the previous year, are:-

Community Centre Building	2% Reducing Balance
Fixtures and Equipment	15% Reducing Balance
Building Improvements	2% Reducing Balance

j) Cash at Bank and in Hand

Cash at bank comprises two bank accounts held in the name of the Association.

k) Creditors

Creditors are recognised where the charity has a present obligation as a result of a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors are normally recognised at their settlement amount after allowing for any trade discounts due.

l) Financial Instruments

The charity only has financial assets and liabilities of a kind that qualify as basic financial instruments.
