The Trustees are appointed in accordance with the Policy, Organisation and Rules of The Scout Association.

Additional governance issues (optional information but encouraged as best practice)

You may choose to include additional information, where relevant, about:

The District is managed by the District Executive Committee, the members of which are the 'Charity Trustees' of the District which is an educational charity. As charity trustees they are responsible for complying with legislation applicable to charities. This includes the registration, keeping proper accounts and making returns to the Charity Commission as appropriate.

Policies and procedures adopted for:

- a) the induction and training of trustees;
- b) trustee consideration of major risks and the systems and procedures to manage them

The Committee meets every 3 months.

Members of the Executive Committee complete '*Essential Information for Executive Committee*' training within the first 5 months of joining the committee.

This District Executive Committee exists to support the District Commissioner in meeting the responsibilities of the appointments and is responsible for:

The maintenance of District property;

The raising of funds and the administration of District finance;

The insurance of persons, property and equipment;

District public occasions;

Assisting in the recruitment of leaders and other adult support;

Appointing any sub committees that may be required;

Appointing District Administrators and Advisors other than those who are elected.

Section B	Structure, governance and management (continued)
	<p>Risk and Internal Control</p> <p>The District Executive Committee has identified the major risks to which they believe the District is exposed, these have been reviewed and systems have been established to mitigate against them. The main areas of concern that have been identified are:</p> <p>The District has sufficient contents insurance in place to mitigate against permanent loss.</p> <p>Injury to leaders, helpers, supporters and members. The District through the capitation fees contributes to the Scout Associations national accident insurance policy. Risk Assessments are undertaken before all activities.</p> <p>Reduced income from fund raising. The District is primarily reliant upon income from subscriptions, a capitation payment from Groups and fundraising. The District does hold a reserve to ensure the continuity of activities should there be a major reduction in income. The Committee could raise the value of subscriptions and capitation levy to increase the income to the district on an ongoing basis, either temporarily or permanently.</p> <p>Reduction or loss of leaders. The District is totally reliant upon volunteers to run and administer the activities of the district. If there was a reduction in the number of leaders to an unacceptable level in a particular cohort or the unit as whole then there would have to be a contraction, consolidation or closure of a cohort. In the worst case scenario the complete closure of the Explorer unit.</p> <p>Reduction or loss of members. The District provides activities for all young people aged 14 to 18. If there was a reduction in membership in a particular cohort or the unit as whole then there would have to be a contraction, consolidation or closure of a section. In the worst case scenario the complete closure of the Unit.</p> <p>The District has in place systems of internal controls that are designed to provide reasonable assurance against material mismanagement or loss, these include 2 signatories for all payments and a comprehensive insurance policies to ensure that insurable risks are covered.</p>

Section C	Objectives and activities
<p>Summary of the objects of the charity set out in its governing document</p>	<p>The Purpose of Scouting Scouting exists to actively engage and support young people in their personal development, empowering them to make a positive contribution to society.</p> <p>The Values of Scouting As Scouts we are guided by these values: Integrity - We act with integrity; we are honest, trustworthy and loyal. This fund is used to encourage all scouts in the District to participate in activities run with the intention of increasing knowledge about International Scouting. Section E**Financial Review**

Brief statement of the charity's policy on reserves

Reserves Policy

The District's policy on reserves is to hold sufficient resources to enable cash flow to be positive, and continue the charitable activities of the District should income and fundraising activities fall short. The District Executive Committee considers that the District should hold a sum of £12,000. (£6,000 for District costs and £6,000 for Explorer costs. These figures are regularly reviewed)

The District held reserves of approximately £17,000 against this at year end. This is above the level required for operating expenses. The District plans to reduce the reserves during the next 5 years.
