REPORT OF THE TRUSTEES OF WALSALL SEA CADETS (UNIT 346) OF THE SEA CADET CORPS

The Charity Trustees present their report together with the financial statements of the charity for the year ended 31st March 2020. The financial statements comply with both the Charity's Constitution and the Charities Act 2011.

Aim of the Sea Cadet Corps

The aim of the Sea Cadets Corps is to give young people the best possible head start in life, through nautical adventure and fun, based on the customs and traditions of the Royal Navy. Our aim is to develop young people and support them towards responsible adulthood.

Charitable Purpose

The charitable purpose of the Unit is to promote the development of young people in achieving their physical, intellectual, and social potential as individuals and as responsible citizens. This is achieved by the provision of education and leisure time activities using a nautical theme, based on the traditions of the Royal Navy and in accordance with the principles, ethos, and practices of the Marine Society & Sea Cadets (MSSC).

In furtherance of the Purpose, the Unit offers young people a structured environment in which to develop; provides access to education and training including sailing, rowing, windsurfing, paddle sports, power boating, seamanship, navigation, marine engineering, cooking, music, first aid, drill, piping, and public services; it provides opportunities for young people to obtain a range of qualifications and a wide range of opportunities for community involvement.

Public Benefit

The trustees continue to give regard to the Charity Commission's general guidance on public benefit 'Charities and Public Benefit' provided by the Unit in relation to the charitable purpose of the Sea Cadets movement as set out in the activities and achievements as outlined in this report.

To achieve its aim the Unit encourages recruitment of young people from all backgrounds and abilities including where possible, and within the realms of Health and Safety, those with disabilities and develops their skills and abilities by:

- Regular structured activities with a nautical theme

- Enabling young people to take part in activities connected with the wider Sea Cadet Corps
- Movement such as waterborne activities, events and competitions at district, area, and national levels
- Availability of formal achievements whilst completing courses to earn badges and promotions

Organisational Achievements and Performance

Trustees Report - Chairman's Report Mr P Perry

Thank you all for attending the 2022 Annual General Meeting here at Walsall Sea Cadets I aim to give you an insight into our achievements during the year from April 2021 to March 2022 and our vision for the next year ahead

The year started with a change in not only command of the unit but also a change in all the key roles on the staff side PO Lawes was given the challenge of getting the unit reopened and back to face to face parading as soon as possible She and the adult volunteers rose to the challenge and the unit was back to face parading within a month of her taking up post

During the year we have welcomed several new adult instructors into the unit CI C Bates CI P Lunn CI J Edwards PO E McDonald PO C James Sgt M James and Sgt J Riches We also said goodbye to several adult instructors in Sgt M Edge Sgt A Foulkes and PO J Hodgetts and CI S Ellison the trustees would like to thank them for all their efforts whilst part of Walsall Sea Cadets

Also, during the year, the unit management committee saw 2 trustee's leave as Mr. P Farmer and Mr. D Wyatt both decided to step down and we take this opportunity to thank them for their work whilst on the UMT Joining us as trustee's during the year where Mr. K Badhan and Miss A Dodsworth

The unit reopened in April 2021 in a good financial position having taken every opportunity to obtain government lockdown grants the previous year This helped us fund equipment to help us be covid secure when we reopened as well as contribute to our project fund for when our longer lease is secured

The unit again moved boating locations to join with Sandwell and Dudley in a joint venture at Swan Pool Sandwell Valley This as lead to an increase in boating activity which will be covered in the Commanding Officers report

The unit reopening as allowed us to start to rebuild links with the community Whilst the number of community events was limited, we were able to support the local mosque with their charity walk for peace which also raised funds for the unit We welcomed back the Prince's Trust who have run several courses which we have also supported with and they have also delivered lessons with our youngsters and this is something we are looking to develop We were also able to pay our respects at remembrance day at both the cenotaph and also the John Henry Carless memorial This is the first steps in getting back into the community and something we have built on in this current year

During the year the unit suffered 2 break in's These saw the loss of a recently purchased tv's and a third parties' property This led to us increasing our security in the unit by positioning cctv's initially in temporary locations to deter any future attempts the third part is currently taking the unit to small claims court over the loss of his property something the unit is fully contesting

As was mentioned at the last AGM we had an in-principal agreement to a 25-year lease and were working to make that a reality While lockdown initially put this on hold, we have now engaged a solicitor to act on our behalf and are actively pursuing the council to resolve this matter at the earliest opportunity This will then allow the unit to move forward with our plans to develop the building

Last year we highlighted several projects for the year ahead and this is how we progressed with them _

Secure a long-term lease as we will be in the final year of the existing one, [the unit as engaged a solicitor and are looking to get this completed by the end of the year](#)

Apply for more grant funding [We applied for 2 grants and were successful with a 100% success](#)

Develop boating opportunities in the unit [We have had our first full year as part of the Sandwell Valley hub and are now in a second year This is a venture that will hopefully grow and lead to greater boating experience for the cadets](#)

Continue to grow cadet numbers [Our numbers have grown slightly over the year with regular information evenings been used to engage with cadets and parents We have also had the support of the Sea Cadets Growth and development team to help us with this.](#)

Continue to develop the unit to improve the cadet experience the unit as actively promoted National area and district courses as well as linking up with other units to deliver joint training activities Now lockdown is a thing of the past, we are confident we can build on this past year

Our aims for the year ahead will be

- 1) To secure the 25-year lease
- 2) To secure funding towards development of the unit and improve training equipment
- 3) Increase the number of trustee's

The year as been one of change on all 3 sides of the unit Instructional, unit management and cadets However the unit as again moved forward and developed and as we head towards our 80th year is in a good position to progress even further in the coming year

The task of running the charity becomes bigger and more demanding each year especially as we aim to develop and expand the unit and the sea cadet experience that we offer to our youngsters as a result at times during the year It as felt that many of the tasks have fallen on to my shoulder's Hopefully with the support of the new trustees who have joined in the last few months and the ones that are joining us at the AGM we can moving forward all take on the work load and all play a part in moving the unit forward

Once again, a big thank you for all who have supported the unit over the last 12 months

Trustees Report - Commanding Officers Report CPO L Lawes

Financial Review Treasure's report Mr K Badhan

WALSALL SEA CADETS' TREASURES REPORT AGM 2022

This is the treasures report for the period 1 April 2021 - 31 March 2022

INCOME

During this year our Income was £30,587.86 which was a decrease of £295.22 on the previous year's £30,883.08 Our subs increased by £1,170 to £4,065 following our reopening of the unit in April and we have a process in place to address any non-receipt issues more quicker than was done previously Grant Income was down by £3,182 as the COVID grants ceased ,As we were able to get back out into the community our events income increase from nil during lockdown The most successful Christmas raffle for a number of years saw our and fundraising income increase by £978.23

The unit currently has no income stream from Gift Aid and this is something that our new treasurer is looking into

EXPENDITURE

Expenditure for the year was down by £5,108.59 This was mainly due to there been no major building projects and improvements carried out as there had been in the previous year in preparation for the building to reopen. This is something that will hopefully change in the next couple of years when we secure our longer lease However to facilitate this the unit's ability to secure grant funding to deliver these projects will also need to develop

The minibus is getting older and the cost to keep it on the road will only increase the spend this year was an increase of £573.72 on the previous year when it was not used for most of the year Replacing the bus for a newer model will very soon become a more viable option

Bank Charge increase as our bank increase their monthly charge something, they have reversed in this current financial year

Our bills to Walsall council increase on the previous year as we restarted trade waste collections that were suspended during lockdown Also 2 of 20/21's rates payments were made in 21/22 as due to lockdown the DD was set up late

Our utility bills increase by £1,940.37 due to several factors

- 1) Reopening of the unit following lockdown
- 2) An issue with the smart meter for our electric supply resulting in it giving inaccurate readings
- 3) Both Gas & Electric bills going out of contract during the year and a delay in changing to a new contract

Our Electric meter has now been changed to a working smart meter and there is now a process in place to ensure the gas meter is read when it is required to be

Both our Gas and Electric contracts are now on 3-year fixed contracts which should give us some stability during the current energy crisis

Increase in the cost of our broadband as also lead us to move to a cheaper supplier Reopening the unit as resulted in the increase in Nutty and catering supplies from £0 to the £487 this is mainly for staff refreshment but also food and refreshments for cadets on Remembrance Sunday and Christmas and for the Annual awards evening

The £750 donation to the Prince's trust last year that was questioned at the previous AGM was 5 Sea Cadet IT Grants paid to cadets' parents during lockdown to help cadets take part in virtual sea cadets the wording in last year's accounts summary was changed to reflect that this was changed in the accounts the £100 shown this year is the donation the unit made to help one course with its fundraising that was mentioned at the time

Building Maintenance was down £7,271.56 and spend on equipment by £1,842.89 Our Insurance premiums increased by £50 during the year

SAVINGS ACCOUNT

The savings account income grew by £11,203.64 which was a combination of grant income and interest

SUMMARY

The unit is in a good position financially as it heads towards its 80th year During the coming year we aim to look at getting the unit an income from gift aid and developing our grant writing skills to help us increase our income and deliver a better unit and cadet experience

Reserves Policy

The trustees continue to review the charity's requirements for reserves considering the main risk to the organisation, that being a reduction of income. The trustees have established a policy whereby the reserves in total that are not invested in tangible fixed assets held by the Unit, should be up to the equivalent to 6 months overhead costs of the charity.

The level of these reserves has been determined by the need to meet the working capital requirements of the charity and for the charity to carry out all its legal obligations.

At the end of March 2022, the total of the charity's reserves stood at £ 26,544.14

The financial strategy of the trustees continues to be that of building the reserves which will be achieved by continually reviewing overheads, exploring additional means of income and further fundraising. The trustees will continue to take all necessary actions regarding the prevailing economic climate.

Structure, Governance and Management

Units of the SCC are formed solely by volunteers in local communities. Each Unit is a self-supporting youth organisation and an independent charity with a central support management and training structure provided primarily by the Marine Society and Sea Cadets (MSSC). The unit becomes a part of the SCC by virtue of its' affiliation to the MSSC, the parent body of the SCC. In accepting this affiliation, the unit undertakes to comply with all regulations issued by, or on behalf of, the MSSC Council.

The Unit was registered as an unincorporated charity on 12/12/1963 and is governed by a constitution approved by the Charity Commission of England and Wales. A revised constitution issued by the Marine Society and Sea Cadets was ratified by the Board of Trustees between meetings in December 2017 to meet the deadline of 31st December 2017.

Recruitment and Appointment of the Trustees

Trustees serve and are re-elected on an annual basis. A minimum of 4 office holders: Chair, Secretary, Treasurer and Commanding Officer. UMT office holders are elected at the first meeting following the Annual General Meeting (AGM). UMT members are elected from the membership of the Sea Cadets Unit which is drawn loosely as being those with an interest in the unit. The constitution lays down specific controls for UMT membership and will be observed for all future recruitment.

In the event of a vacancy arising during the year (known as a casual vacancy), the trustees have the power to appoint new trustees. A trustee will serve until the date of the next AGM, after which the post will be filled by election.

The trustees are represented by a wide range of individuals drawn from the local community. Trustees have the power to appoint additional trustees to act jointly with them for all purposes. A trustee whose term of office has expired can be appointed for a further term of office.

Responsibilities of the Trustees

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charity (Accounts Reports) Regulations 2008. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approved by the trustees and signed on its behalf on 29/09/2021

Acknowledgements

Walsall Sea Cadet Unit 346 of the Sea Cadets Corps would like to publicly acknowledge and thank the following organisations and donors for their financial support during 2021/2022

Wolverhampton College the Prince's Trust Team
HM Govt Covid Grants

No final report would be complete without acknowledging the efforts and dedicated service of the adult volunteers who make the unit a success. For any Sea Cadet Unit to succeed it is fully reliant on its teams to work together. Our uniformed and civilian instructors, management team and unit assistants all have one common aim, that of delivering the best experience for our young people.

In this modern age, time is a precious commodity and like with all teachers and trainers there is a lot goes on behind the scenes, outside of parade times and over weekends that is not observed but makes the difference.

Thank you for your commitment and continued support.

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF

WALSALL (UNIT 346) OF THE SEA CADET CORPS.

I report on the financial statements of WALSALL (Unit 346) of the Sea Cadets Corps for the year ended 31st March 2021 which are set out on pages 14 - 15

Responsibilities and basis of report

As the charity trustees of the Trust, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act")

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination which gives me cause to believe that in, any material respect:

- accounting records were not kept in accordance with section 130 of the Act or
- the accounts do not accord with the accounting records

Independent examiner's statement

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn to enable a proper understanding of the accounts to be reached.

REPORT OF THE TRUSTEES OF WALSALL SEA CADETS (UNIT 346) OF THE SEA CADET CORPS

The Charity Trustees present their report together with the financial statements of the charity for the year ended 31st March 2020. The financial statements comply with both the Charity's Constitution and the Charities Act 2011.

Aim of the Sea Cadet Corps

The aim of the Sea Cadets Corps is to give young people the best possible head start in life, through nautical adventure and fun, based on the customs and traditions of the Royal Navy. Our aim is to develop young people and support them towards responsible adulthood.

Charitable Purpose

The charitable purpose of the Unit is to promote the development of young people in achieving their physical, intellectual and social potential as individuals and as responsible citizens. This is achieved by the provision of education and leisure time activities using a nautical theme, based on the traditions of the Royal Navy and in accordance with the principles, ethos and practices of the Marine Society & Sea Cadets (MSSC).

In furtherance of the Purpose, the Unit offers young people a structured environment in which to develop; provides access to education and training including sailing, rowing, windsurfing, paddle sports, power boating, seamanship, navigation, marine engineering, cooking, music, first aid, drill, piping, and public services; it provides opportunities for young people to obtain a range of qualifications and a wide range of opportunities for community involvement.

Public Benefit

The trustees continue to give regard to the Charity Commission's general guidance on public benefit 'Charities and Public Benefit' provided by the Unit in relation to the charitable purpose of the Sea Cadets movement as set out in the activities and achievements as outlined in this report.

To achieve its aim the Unit encourages recruitment of young people from all backgrounds and abilities including where possible, and within the realms of Health and Safety, those with disabilities and develops their skills and abilities by:

- Regular structured activities with a nautical theme

- Enabling young people to take part in activities connected with the wider Sea Cadet Corps
- Movement such as waterborne activities, events and competitions at district, area and national levels
- Availability of formal achievements whilst completing courses to earn badges and promotions

Organisational Achievements and Performance

Trustees Report - Chairman's Report Mr P Perry

Thank you all for attending the Virtual 2021 Annual General Meeting here at Walsall Sea Cadets I aim to give you an insight into our achievements during the year from April 2020 to March 2021 and our vision for the next year ahead

This year will be remembered as the one we will probably all want to forget We entered lockdown in March 2020 expecting it to last a few months No one involved in the unit expected us to remain closed for the entire year After a brief break the unit continued to parade on a virtual basis and more detail of that will be in the CO's

Before I talk about the unit's activities, I would like to thank you to all the unit management team and Volunteers at Walsall for all their support and dedication in what has been an extremely challenging year due to the pandemic and the challenges of virtual parading

This year has seen a number of staff changes Firstly 5 of our cadets turned 18 during lockdown One Sgt J Stone joined Sutton Coldfield as a member of staff the other 4 have all transitioned to Staff with us and we welcome PO S Perry Sgt W Perry PO R Price and PO A Meers Also joining us during lock down as staff were PO J Hodgetts and Sgt E Sargent The end of the year saw a number of staff sadly leave us Capt. V Ellison and PO T Bull both decide to leave the Sea Cadets and I would like to take this time to thank them both for all the time and commitment they have put into the unit over a number of years we wish them both well in the future. PO M Jukes after taking a short break from Sea cadets has decided to join Sandwell unit and we would like to thank him for all his efforts and wish him well in the future

Due to work commitments CPO Kilworth decided to step down from command at the end of the year and after a brief break from Sea Cadet he has decided to join Sandwell unit We would like to thank him for all his efforts in his 2 years in charge especially in the last 12 months which saw the dual challenges of a global pandemic and virtual parading Despite these challenges the unit still managed to improve its annual scores and secure a converted Burgee award The fact that we have been able to do this is due to Aaron hard work dedication and commitment and we are all extremely grateful to him for this

Once we entered lockdown the Unit management team decided that its main aim was to ensure that the unit was able to exit it in as financially secure position as was possible With a reduction in income from cadet subscriptions and no opportunities to fund raise via bag packs and carnivals We reduced outgoing by cancelling non-essential services such as waste collections and reducing spend to essential items only We applied and were successful for all COVID support grants that we able to apply for This not only ensured that we were able to stay financially solvent but also ensured the unit was able to reopen in the new financial year in a healthy position We were also successful in securing an IT Grant that has helped improve teaching equipment in the unit and so helped improve the cadet experience Feedback from cadets is that they are enjoying the new ways of instruction

An increase in Sailing club fees by Aldridge Sailing Club along with a reduction in the access to the site we were able to have led us to move from there during June 2020

Lockdown unfortunately as prevented us from this year building on the previous year's links with our president and Vice president and the local community and the Prince's Trust While Remembrance day activities were not able to take place nationally the unit still managed to lay a wreath at both the cenotaph and John Henry Carless VC Memorial The prince's trust had to suspend their activities due to lockdown however the unit as kept in regular contact with them and will be in a good position to welcome them back when they resume their activities.

As was mentioned at the last AGM we had an in principle agreement to a 25 year lease and were working to make that a reality While lockdown initially put this on hold We have still actively pursued the matter with the council Whilst they have not always moved at the speed we would have liked we have now secured the heads of a lease These have been sent to our property expert at Headquarters for advice and his feedback has now been reviewed by the unit management team and sent back to the council for incorporation into a 25 year lease

The relaxation in lockdown restrictions during the summer of 2020 allowed some of our furloughed and College free staff to do some much needed jobs within the unit A big thanks goes to PO D Steel CI S Harris PO S Perry and Sgt W Perry for all their efforts in cutting

down hedges clearing gardens repairing fences and doing jobs that have been hard to do when the unit has been more focused on delivering cadet activities Thanks also to those staff who have helped clean the unit up prior to opening New fire doors were purchased by National lottery grant funding to replace rotten wooden ones.

Last year we highlighted several projects for the year ahead and this is how we progressed with them _

Secure a long-term lease as we will be in the final year of the existing one, [A heads of lease has been secured and after advice from our property expert has been sent back to the council for a lease to be drawn up](#)

Apply for more grant funding [We applied for 12 grants and were successful with 9 a 75% success](#)

Develop boating opportunities in the unit [Whilst this was not possible due to lockdown restrictions the unit was able to move from its previous boating home of Aldridge and partner with Dudley and Sandwell units at Swan Pool in Sandwell Valley country park This will lead to greater opportunities in the coming year](#)

Continue to grow cadet numbers [This was impacted by Covid but the main aim for the coming year is to retain and grown cadet numbers to enable the unit to survive](#)

Continue to develop the unit to improve the cadet experience [Lockdown as restricted what we were able to do but our new OiC's plans and the security of a longer lease will enable us to work on this](#)

The appointment of a new OiC at the start of the new financial year and progress on the lease will mean 2021.2022 will be another year of change and progress for Walsall Sea Cadets Our plans for the year ahead will to be to continue to grow and develop the unit both the building and its training facilities but also cadet and adult volunteer numbers

Once again, a big thank you for all your support over the last 12 months

Trustees Report - Commanding Officers Report CPO A Kilworth

Since our last AGM in August 2020, my plans to continue to drive Walsall Sea Cadets we're in full force. We attained Burgee status, this is something I am immensely proud of and it has been a number of years since this status has been achieved by Walsall Unit. Commitment and determination from our young persons as well as the volunteers is what drove us through the pandemic. It has not been an easy journey, hours of virtual learning as well as cadets taking part in the face to face Summer Active (afloat) sessions. Another great achievement was getting the unit into lime status 'this saw a lot of changes and upgrades' being completed within the unit, new fire doors were installed before our members returned back to face to face training and to add to this, new technology- laptops and TVs were purchased via grant funding from Cadet, this means the cadets can now receive modern training. New adult volunteers were enrolled from cadets naturally transitioning and also via new joiners. We also progressed forward focusing on returning to afloat training and a relationship was formed with two other local units so our cadets to create a boat hub, this enabled more cadets to gain even more waterborne qualifications and get the best possible Sea Cadet and Royal Marines Cadets Experience we can offer at Walsall. I would like to personally express my gratitude to those who have worked with me and supported me during my time in command, but at the start of 2021, sadly I, along with a number of others within the unit decided to step down and move on and leave Walsall unit. I have enjoyed my time in command and it's evident the unit has achieved so much. I wish the unit well for the future.

Financial Review Treasure's report Mr D Wyatt

Greetings all,

After last year's AGM I was re-elected to act as Treasurer for another year and I am proud to serve this unit to provide our committee and instructors with a safe and comfortable unit to build the high values and foundations that our cadets can utilise for a better future.

There is no doubt that the last year has provided many challenges to the Walsall unit. Since the pandemic began, we have had a decrease in consistent revenue from subscriptions, less opportunities to fundraise and a substantial loss of revenue from donations. Despite these difficult times, since our last AGM we have managed to increase our overall income by around £38,000. This could not have been possible without the diligence of the Chairman and the CPO's knowledge of the Covid-19 emergency grants that were available to the unit at the time. To ensure the unit's future, measures were taken to reduce overheads to the unit as much as reasonably possible. Some grants that were provided to the unit were for improvement with IT and maintenance and upkeep of the unit. With these funds we are able to provide a more modern and efficient method for our instructors to teach our cadets through modern technology. We have also improved the unit by replacing the gates and a provided a new fire door.

With respect to minimising overheads our utilities have decreased by £1047.37 over the course of the year, however, our buildings and maintenance costs have increased due to modernising the building, providing a better learning experience for our cadets and general upkeep to the building including electrical certificates and ensuring the unit meets its commitments to compliance. I shall continue to monitor our outgoings ensuring that the unit is financially healthy for future years to come. I will also look to the future on how the unit can improve and ultimately recover from the Pandemic.

If you have any further questions, please do not hesitate to ask

Reserves Policy

The trustees continue to review the charity's requirements for reserves in light of the main risk to the organisation, that being a reduction of income. The trustees have established a policy whereby the reserves in total that are not invested in tangible fixed assets held by the Unit, should be up to the equivalent to 6 months overhead costs of the charity.

The level of these reserves has been determined by the need to meet the working capital requirements of the charity and also for the charity to carry out all of its legal obligations.

At the end of March 2021, the total of the charity's reserves stood at £ 15,833.60

The financial strategy of the trustees continues to be that of building the reserves which will be achieved by continually reviewing overheads, exploring additional means of income and further fundraising. The trustees will continue to take all necessary actions with regard to the prevailing economic climate.

Structure, Governance and Management

Units of the SCC are formed solely by volunteers in local communities. Each Unit is a self-supporting youth organisation and an independent charity with a central support management and training structure provided primarily by the Marine Society and Sea Cadets (MSSC). The unit becomes a part of the SCC by virtue of its' affiliation to the MSSC, the parent body of the SCC. In accepting this affiliation, the unit undertakes to comply with all regulations issued by, or on behalf of, the MSSC Council.

The Unit was registered as an unincorporated charity on 12/12/1963 and is governed by a constitution approved by the Charity Commission of England and Wales. A revised constitution issued by the Marine Society and Sea Cadets was ratified by the Board of Trustees between meetings in December 2017 in order to meet the deadline of 31st December 2017.

Recruitment and Appointment of the Trustees

Trustees serve and are re-elected on an annual basis. A minimum of 4 office holders: Chair, Secretary, Treasurer and Commanding Officer. UMT office holders are elected at the first meeting following the Annual General Meeting (AGM). UMT members are elected from the membership of the Sea Cadets Unit which is drawn loosely as being those with an interest in the unit. The constitution lays down specific controls for UMT membership and will be observed for all future recruitment.

In the event of a vacancy arising during the year (known as a casual vacancy), the trustees have the power to appoint new trustees. A trustee will serve until the date of the next AGM, after which the post will be filled by election.

The trustees are represented by a wide range of individuals drawn from the local community. Trustees have the power to appoint additional trustees to act jointly with them for all purposes. A trustee whose term of office has expired can be appointed for a further term of office.

Responsibilities of the Trustees

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charity (Accounts Reports) Regulations 2008. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approved by the trustees and signed on its behalf on 29/09/2021

Acknowledgements

Walsall Sea Cadet Unit 346 of the Sea Cadets Corps would like to publicly acknowledge and thank the following organisations and donors for their financial support during 2020/2021.

Wolverhampton College the Prince's Trust Team

The following cadets' parents for continuing to donate subs during lockdown

The parents of A Turner

The parents of B Wilkes

The parents of C Jansen Wright

The parents of R Stanton

The parents of W Howarth

The parents of R Meares

The parents of B Horne

No final report would be complete without acknowledging the efforts and dedicated service of the adult volunteers who make the unit a success. For any Sea Cadet Unit to succeed it is fully reliant on its teams to work together. Our uniformed and civilian instructors, management team and unit assistants all have one common aim, that of delivering the best experience for our young people.

In this modern age, time is a precious commodity and like with all teachers and trainers there is a lot goes on behind the scenes, outside of parade times and over weekends that is not observed but makes the difference.

Thank you for your commitment and continued support.

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF

WALSALL (UNIT 346) OF THE SEA CADET CORPS.

I report on the financial statements of WALSALL (Unit 346) of the Sea Cadets Corps for the year ended 31st March 2021 which are set out on pages 14 - 15

Responsibilities and basis of report

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act")

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination which gives me cause to believe that in, any material respect:

- accounting records were not kept in accordance with section 130 of the Act or
- the accounts do not accord with the accounting records

Independent examiner's statement

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in order to enable a proper understanding of the accounts to be reached.

Tanya Collier.

Date: 28/09/2021

On Behalf of Walsall MBC

Address: Darwall Street Walsall WS1 1TN

The financial statements were approved by the Board of Trustees at their meeting on 29/09/20221 and were signed on its behalf by:
