### **REPORT OF THE TRUSTEES for the year ended 30 June 2022**

The trustees present their report with the financial statements of the charity for the year ended 30 June 2022. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

#### **OBJECTIVES AND ACTIVITIES**

##### **Objectives and aims**

The Association is established to promote the advancement of education and the provision of facilities in the interest of social welfare for recreation and leisure-time occupation, with the objective of improving conditions of life and the provision of a community centre to members of the local community.

We also aim to provide a safe environment for all of the local community when the facilities are used. This includes the running of the daily Playgroup / Nursery function, the Brownies, Irish Dancing for children (ageing from 3 years of age to young adults), the Tuesday club which is used for senior citizens, and other members of the local community that use the premises. All of the above activities are held in either the main function hall or the lounge and bar area. The main function hall is situated next to the fully refurbished lounge and bar area, and is separated by a small corridor.

The Association also supports various amateur sporting sections which enable people of all ages to develop physically, mentally and socially. These sections include Football teams, Crown Green Bowling Teams, Domino Teams, Darts Teams and a Snooker Team.

In setting our objectives and planning our activities our Trustees have given careful consideration to the Charity Commission's general guidance on public benefit and in particular to the advancement of community development and amateur sports.

##### **Significant activities**

The key objectives for the year included:

Enhance the reputation of the Association and its facilities to attract children and ladies to join one or more of the sporting sections within the Association.

Complete the major refurbishment/extension of the games room in order primarily to improve the facilities for the members.

Increase the number of people to use the facilities available within or from the Association.

Support local and national charities by raising money from sponsored events and making donations to those charities.

Play our part in the life of our local community through our community access.

#### **ACHIEVEMENT AND PERFORMANCE**

##### **Charitable activities**

The past two years have been extremely tough for both the Association and Social club.

With two lockdowns, furloughing staff, covid restrictions etc.

Our operating costs had to be addressed and changes made to the way we operate. (In other words minimum spend).

However, we do provide free wifi, sky/bt sport and Saturday/Sunday entertainment, which will continue.

I'm extremely grateful to our finance manager Jackie McGowan for all her hard work in organising furlough payments for our Association and Social Club staff.

A big thank you to our members during this time for complying with the restriction's placed upon us by the government once we were allowed to reopen.

Plans are now awaiting approval for the proposed Medical Centre, reconfigured car parking and revised access arrangements I have a copy of the plans if anyone wants to take a look.

Our lease runs out on the 23rd September 2023. We have been in negotiations with Coventry City Council since we reopened last May. Surveyors have been to the premises, measured up and viewed our floor plan.

Despite minimum spend, we have with Jackie's help with our spend, managed to install new flooring in the games room, both corridors and refurbished the disabled toilet.

I'd like to pay tribute to Miss Kelly Elkington who tended her resignation on Sunday 4th September. Kelly had been working here since the 23rd August 2002. 20 years and two months. I believe she was the longest serving steward in Coventry. I'm sure you will all join me in wishing Kelly all the best in her new venture. Mark has now stepped up as Kelly's replacement as bar manager and we wish him well..

My thanks also to Gordon and Vicki Wright, Martin Hayter and Kevin Pilgrim for all their hard work in maintaining our bowling green.

#### **FINANCIAL REVIEW**

##### **Principal funding sources**

The charity has two principal funding sources. The first is the occupation license paid by the Social Club to the charity and the second relates to the fees received for the running of the community play group.

##### **Investment policy and objectives**

Under the constitution of the association, the charity has the powers to make any investment, which the management committee see fit.

The management committee are aware of the major strategic, business and operational risks the charity faces and are establishing the systems to enable the necessary steps to be taken to lessen these risks.

##### **Reserves policy**

The reserves have been built up to cover the cost of the Fixed Assets of the Charity and to cover an intended working capital float of £25,000. Total reserves are £173,101 of which Fixed Assets are £146,681.

##### **Results**

The net incoming resources of the year amounted to £247,173 with £255,501 being used on unrestricted projects and the deficit of £8,328 being transferred to general reserves.

#### **FUTURE PLANS**

The trustees are continuing to improve the facilities at the Community Centre, and are looking at all viable options to do this.

#### **STATEMENT OF TRUSTEES' RESPONSIBILITIES**

The trustees are responsible for preparing the Report of the Trustees and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales, the Charities Act 2011, Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, including the income and expenditure, of the charity for that period. In preparing those financial statements, the trustees are required to

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charity SORP;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

## **REPORT OF THE INDEPENDENT AUDITORS TO THE TRUSTEES OF POTTERS GREEN COMMUNITY ASSOCIATION**

### **Opinion**

We have audited the financial statements of Potters Green Community Association (the 'charity') for the year ended 30 June 2022 which comprise the Statement of Financial Activities, the Balance Sheet and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charity's affairs as at 30 June 2022 and of its incoming resources and application of resources, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Charities Act 2011.

### **Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### **Conclusions relating to going concern**

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charity's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

### **Other information**

The trustees are responsible for the other information. The other information comprises the information included in the Annual Report, other than the financial statements and our Report of the Independent Auditors thereon.

Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

### **Matters on which we are required to report by exception**

We have nothing to report in respect of the following matters where the Charities (Accounts and Reports) Regulations 2008 requires us to report to you if, in our opinion:

- the information given in the Report of the Trustees is inconsistent in any material respect with the financial statements; or
- sufficient accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

**REPORT OF THE INDEPENDENT AUDITORS TO THE TRUSTEES OF  
POTTERS GREEN COMMUNITY ASSOCIATION**

**Responsibilities of trustees**

As explained more fully in the Statement of Trustees' Responsibilities, the trustees are responsible for the preparation of the financial statements which give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

## **REPORT OF THE INDEPENDENT AUDITORS TO THE TRUSTEES OF POTTERS GREEN COMMUNITY ASSOCIATION**

### **Our responsibilities for the audit of the financial statements**

We have been appointed as auditors under Section 144 of the Charities Act 2011 and report in accordance with the Act and relevant regulations made or having effect thereunder.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue a Report of the Independent Auditors that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

In identifying and assessing the risk of material misstatement in respect of irregularities, including fraud and non-compliance with laws and regulations, our procedures included the following:

- reference to past history and experience of the Entity,
- enquiry of management, including obtaining and reviewing supporting documentation concerning the Entity's procedures relating to:
  - identifying and complying with laws and regulations and whether they were aware of any instances of non-compliance;
  - detection and response to risk of fraud and whether they were aware of any actual or suspected instances of fraud.
- assessment of the controls and processes that the Entity has in place to mitigate risk

Our assessments included the identification of the following potential areas for fraud:

- Management override of control;
- Revenue recognition.

We design audit procedures by tailored and directed testing to aid and support the level of determined level of risk. In response to the assessed risk we plan audit tests and procedures that target specific areas where misstatement may occur. These procedures and the extent to which they are capable of detecting irregularities, including fraud, are detailed below:

- We critically assessed the appropriateness and tested the application of the revenue and cost recognition policies
- We tested the appropriateness of accounting journals and other adjustments made in the preparation of the financial statements
- We reviewed the Entity's accounting policies for non-compliance with relevant standards.
- We made enquiries of management and reviewed correspondence with the relevant authorities to identify any irregularities or instances of non-compliance with laws and regulations

In performing an audit in accordance with UK GAAP, we exercise professional judgement and maintain professional scepticism throughout the audit process.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion or override of internal controls. There are inherent limitations in the audit procedures performed.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at [www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities). This description forms part of our Report of the Independent Auditors.

**REPORT OF THE INDEPENDENT AUDITORS TO THE TRUSTEES OF  
POTTERS GREEN COMMUNITY ASSOCIATION**

**Use of our report**

This report is made solely to the charity's trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. Our audit work has been undertaken so that we might state to the charity's trustees those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's trustees as a body, for our audit work, for this report, or for the opinions we have formed.

## POTTERS GREEN COMMUNITY ASSOCIATION

### NOTES TO THE FINANCIAL STATEMENTS for the year ended 30 June 2022

#### 1. ACCOUNTING POLICIES

##### **Basis of preparing the financial statements**

The financial statements of the charity, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Charities Act 2011. The financial statements have been prepared under the historical cost convention.

The financial statements have been prepared on a going concern basis. The charity relies on receiving payment for the occupation license from Potters Green Social Club to enable it to meet its cash requirements.

The Potters Green Social Club is relying on its trading performance to be able to make payment to this charity. The Trustees consider that the Potters Green Social Club will continue to improve its trading performance and that the cash needs of this charity can be met.

The trustees consider that the charity will continue as a going concern.

##### **Financial reporting standard 102 - reduced disclosure exemptions**

The charity has taken advantage of the following disclosure exemptions in preparing these financial statements, as permitted by FRS 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland':

- the requirements of Section 7 Statement of Cash Flows;
- the requirement of paragraph 3.17(d).

##### **Income**

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

##### **Expenditure**

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

##### **Allocation and apportionment of costs**

Support costs are allocated to charitable activities on the basis of usage of hall space by the relevant charitable activity.

##### **Tangible fixed assets**

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Short leasehold	- Unexpired Term of Lease
Improvements to property	- Unexpired Term of Lease
Plant and machinery	- 20% on reducing balance and 10% on reducing balance

##### **Stocks**

Stocks are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items.

##### **Taxation**

The charity is exempt from tax on its charitable activities.
