For the Year Ended 31st March 2023**

The Trustees present their report together with the audited financial statements for the year ended 31st March 2023.

Results

The Income Statement is set out on page 3 and shows the profit for the year.

The principal activity of the charity during the year was to provide a high quality village hall for the local community.

Trustees' responsibilities

The trustees are responsible for preparing the trustees' report and the financial statements in accordance with applicable law and regulations.

Company law requires the trustees to prepare financial statements for each financial year. Under that law the trustees have elected to prepare the company financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) and law. Under company law the trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period.

In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charities's transactions and disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Auditors

All of the trustees as at the date of this report have taken all the steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditors are aware of that information. The trustees are not aware of any relevant audit information of which the charity's auditor is unaware.

In preparing this Trustees' Report advantage has been taken of the small companies exemption.

**Independent Auditor's Report
For the Year Ended 31st March 2023**

I have audited the financial statements of Stourton, Cherington and Sutton-Under Brailes Village Hall for the year ended 31 March 2023 which comprise the Profit and Loss account, the Balance Sheet and notes to the financial statements. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the Trustees, as a body, in accordance with Section 145 of the Charities Act 2011 and regulations made under section 154 of that Act. My audit work has been undertaken so that I might state to the Charity's Trustees those matters I am required to state to them in an Auditors' Report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the Charity's Trustees as a body, for my audit work, for this report, or for the opinions I have formed.

Respective responsibilities of trustees and auditor

As explained more fully in the Trustees Responsibility Statement, the Trustees are responsible for the preparation of the financial statements which give a true and fair view.

I have been appointed as auditor under section 145 of the Charities Act 2011 and report in accordance with the regulations made under section 154 of that Act. My responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require me to comply with the Auditing Practices Board's Ethical Standards for Auditors.

Scope of the audit of the financial statements

A description of the scope of an audit of financial statements is provided on the Financial Reporting Council's website at www.frc.org.uk/auditscopeukprivate.

Opinion on financial statements

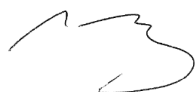

In my opinion the financial statements:

- Give a true and fair view of the state of the Charity's affairs as at 31st March 2023, and of the incoming resources and application of resources, for the year then ended;
- Have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice applicable to Smaller Entities; and
- Have been prepared in accordance with the requirements of the Charities Act 2011

Matters on which I am required to report by exception

I have nothing to report in respect of the following matters where the Charities Act 2011 requires me to report to you if, in my opinion:

- The information given in the Trustees' Annual Report is inconsistent in any material respect with the financial statements; or
- Sufficient accounting records have not been kept; or
- The financial statements are not in agreement with the accounting records and returns; or
- I have not received all the information and explanations I require for my audit.

Depreciation

Land and buildings are not depreciated. Depreciation on other assets is charged so as to allocate the cost of assets less their residual value over their estimated useful lives, using the straight-line method. The estimated useful lives range as follows:

Land and Building	- Nil
Fixtures, fittings, tools and equipment (Kitchen and Stage)	- 10 years
Fixtures, fittings, tools and equipment (Carpets, furniture, other)	- 5 years

The assets' residual values, useful lives and depreciation methods are reviewed, and adjusted retrospectively if appropriate, if there is an indication of a significant change since the last reporting date.

Gains and losses on disposals are determined by comparing the proceeds with the carrying amount and are recognised within Administrative expenses within the Profit and Loss Account.
