## **Achievements and Performance**

The Charity has received income from investments, rents and service charges in the financial year. It has also received income from the Council as a contribution to the costs of maintenance of grounds and property.

The Council recognises the substantial benefits provided to the local community and to the Council by the Park and Recreation Ground, and notes that there is an active Friends Group and other volunteers who work tirelessly on behalf of the Park.

On 16 April 2019, the Trust also agreed to contribute up to £90,000 to phase 2 of the restoration project, which would be funded by prudential borrowing and repaid by the

Trust over a 10 year period – see below. This represents a significant commitment of available resources for the future.

## **Financial Review**

The Trust has a permanent endowment and general funds. The former is not available for distribution and the latter could be expended with the Trustees' approval.

At a previous meeting of the former Finance (Stevens Bequests) Sub Committee, the Trustees agreed a policy setting out the level of reserves needed to meet the objectives of the Charity. This policy was to maintain the “real” spending power of the bequest i.e. the permanent funds, as a fundamental part of the investment strategy. Therefore before any grants are awarded, it is confirmed that the value of the permanent funds adjusted for inflation has been maintained.

The charity continued to receive rental income and interest for the year of £19,003. It has also received income from Council support of £251,770.

As noted above, the Trustees have agreed to contribute towards phase 2 of restoring collapsed walls in Wollescote Park. The debt charges paid in 2020/21 were £9,697.

There were no grant allocations funded from the income achieved within the year. Grant applications are reported to the Ernest Stevens Management Committee which meets regularly. Organisations normally submit a formal application explaining how the funds will be used, what would be achieved if the grant was awarded and their financial position.

The Trustees have a policy that the grant should be for capital items and be for a maximum of 50% of the cost of the project or £5,000, whichever is the lower.

Application forms, the criteria agreed by the Trust and a map of the area in which the Trust operates are available from the charity.

The Trustee, Dudley MBC, undertakes to maintain the property from its own funds. On the advice of the Charity Commission, maintenance on property referred to in the objectives of the Charity has been included in these accounts as both income and expenditure, on the basis of a full cost recovery hourly rate which takes into account productive and unproductive time. During 2020/21, the cost of maintaining the grounds and Wollescote Hall, which is within the Park, was £255,243.

The investments were revalued at 31<sup>st</sup> March 2021 to be shown at the market value to comply with the Charities SORP 2005. This resulted in an unrealised gain of £54,947 with £29,451 being added to the value of the unrestricted funds and £25,496 being added to the value of the permanent endowment funds.

At the end of the financial year reserves carried forward in the unrestricted fund were £391,797. Applying the policy to maintain the “real” spending power of the bequest provides a sum available for distribution of £103,365.

As noted above, the Trust has committed to a significant contribution towards the cost of restoring the collapsed historic walls at Wollescote Park.

The property is currently valued at £491,400 (revalued as at 2020; no change in valuation) and the investments at £475,704.

| <b>Grants with performance conditions</b>            | Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SoFA once the recipient of the grant has provided the specified service or output.                  |
| <b>Grants payable without performance conditions</b> | Where there are no conditions attaching to the grant that enables the donor charity to realistically avoid the commitment, a liability for the full funding obligation must be recognised.                                                                             |

| <b>Creditors</b>                                     | The charity has creditors which are measured at settlement amounts less any trade discounts                                                                                                                                                                            |
| <b>Provisions for liabilities</b>                    | A liability is measured on recognition at its historical cost and then subsequently measured at the best estimate of the amount required to settle the obligation at the reporting date                                                                                |
| <b>Basic financial instruments</b>                   | The charity accounts for basic financial instruments on initial recognition as per paragraph 10.7 FRS102 SORP. *Please note that Fair Value in this context is the amount for which an asset could be exchanged between knowledgeable and willing parties in an arm's length transaction. For traded securities, the fair value is the value of the security quoted on the London Stock Exchange Daily Official List or equivalent. For other assets where there is no market price on a traded market, it is the trustees' or valuers' best estimate of fair value.*

Responsibilities and  
basis of report

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended 31/03/2021.

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent  
examiner's statement

The charity's gross income exceeded £250,000 and I am qualified to undertake the examination by being a qualified member of the Association of Chartered Certified Accountants.

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
