**HEMSWORTH MINERS WELFARE INSTITUTE**  
**CHARITY REGISTRATION NUMBER 523720**  
**REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 DECEMBER 2024**

The trustees present their report along with the financial statements of the charity for the year ended 31 December 2024. The financial statements have been prepared in accordance with the accounting policies set out in Note 1 to the accounts which can be found on page 7 and comply with the charities trust deed, applicable law and the Charities SORP FRS 102.

**Constitution, Objectives and Activities for the Public Benefit**

The charity is constituted by a trust deed dated 9 August 1961 and is registered with the Charity Commission under the number 523720.

Its objectives are to provide and maintain a recreation ground and welfare institute for the benefit of the people of Hemsworth, (and in particular but not exclusively such those who are members of the mining community).

The trustees have referred to the guidance given by the Charity Commission on public benefit when reviewing the charity's aims and objectives and details of the activities that have taken place during the year can be found later in this report.

**Organisational Structure**

The trustees who have served the charity during the year are shown on page 1.

The charity is responsible for maintaining the premises, its contents and grounds in a suitable state of repair for use by those who live in the surrounding area. It raises income through various charitable activities, the main one being the hiring out of its facilities to the general public, but a substantial amount of its income comes from its connected trading company, Hemsworth Miners' Social Club Ltd, which pays an annual occupational licence fee to the charity in order to run its business from the charity's premises. In addition to this, the company also transfers any profits it makes to the charity under a Gift Aid agreement so the trustees work closely with the directors to try and ensure the company is profitable, thus ensuring extra income for the charity.

Trustee vacancies are advertised and interested parties are asked to apply in writing. Interviews will be held and suitable candidates are then notified to their nominating body being either CISWO, Trade Union or members. The trustee body is made up of equal numbers of each nominating body.

**Financial Review**

The charity had net outgoing resources of £253 from the day to day running of the institute (2023: Outgoing £932) the various sections showed a collective deficit of £403 for the year which has increased the overall net deficit to £656 (2023: Deficit £4,579). The connected trading company returned a profit over the last couple of years and has donated its taxable profits of £11,805 (2023: £6,591) to the charity. The trustees will work closely with the company's directors to ensure that this can continue in the coming year.

**Review of Activities**

The bowling club teams had another successful season in winning their respective league and challenge cup competitions. The club consisted of 17 league and cup players/members joining and taking up the game of bowls. New members are not charged for membership during their first 12 months.

The bowling green toilet block needed a new roof and the work was successfully carried out by the club members saving the costs of employing a contractor.

A special mention to the chair Mr Lol Riedel who along with a few volunteers keeps the greens and gardens looking more than just fit for purpose. In fact many complimentary comments are offered by teams coming here to play.

2024 saw cricket teams compete in the Pontefract District League. The 1st team are in the premier division and the 2nd team are in division 3 and both teams had relatively successful seasons on the field of play with the 1st team finishing in the top 4 and the 2nd team/reserves gained promotion. The cricket club also won the prestigious Skidmore Trophy a cup they hadn't won for 30 years or more.

Volunteers continue to be a vital part of the club helping out in a variety of roles to ensure the smooth running of activities. They have their own management committee, constitution and bank account and hold their own meetings once a month.

**REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 DECEMBER 2024 (CONTINUED)**

**Review of Activities Continued**

The clubs facilities are now used for practice training and keep fit by a ladies rounders team named the Hemsworth Harriers twice a week.

A huge thank you to the cricket club chair Adrian Heritage who heads the team of volunteers on maintain the grounds (assisted by WMDC playing fields team), the cricket playing area and general running and upkeep of the cricket field and pavilion. The cricket field and batting square are kept in an immaculate condition.

**Investment Policy**

The trustees do not have an investment policy in place as such, but they have taken the sensible approach and placed some of the charity's liquid assets in an interest bearing bank account, thus providing some income for the charity in the form of interest received whilst keeping the monies readily available should they be required.

**Reserves Policy**

It is the policy of the trustees to maintain unrestricted funds which are the free reserves of the charity, at a level to provide sufficient funds to cover anticipated administration and support costs for a period of 12 months, with any additional funds being held to provide a capital fund for repairs required for the upkeep of the premises. The trustees are aware that the charity's current financial position is not in line with this policy and are considering how this can be rectified.

**Risk Management**

The trustees are aware of the operational and financial risks which the charity faces and regularly reviews those risks to mitigate against any impact they may have on the charity. The major risks facing the charity are the continued success of the social club from which it derives its main funding, the support of individuals and the community in using the facilities and the introduction of the younger generation to provide for the future. The trustees work closely with the directors and members to address these risks.

**Statement of Trustees' Responsibilities**

Law applicable to charities in England and Wales required the trustees to prepare financial statements for each financial year which give a true and fair view of the charity and its incoming resources and application of resources of the charity for that period. In preparing those financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are also responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and which enable them to ensure that the financial statements comply with the Charities Act 2011. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention of fraud and other irregularities.

**INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF**  
**CHARITY REGISTRATION NUMBER 523720**  
**HEMSWORTH MINERS WELFARE INSTITUTE**

I report to the trustees on my examination of the accounts of the above named charity (registered number 523720) for the period ended 31 December 2024, set out in pages 5 to 8.

**Responsibilities and basis of report**

As the charity trustees you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 (Act).

I report in respect of my examination of the Trustees' accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

**Independent Examiners Statement**

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- (1) accounting records were not kept in respect of the Charity as required by section 130 of the Act; or
- (2) the accounts do not accord with those records; or
- (3) the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

**NOTES TO THE ACCOUNTS**  
**FOR THE YEAR ENDED 31 DECEMBER 2024**

**1. Accounting Policies**

**a) Basis of preparation and assessment of going concern**

The financial statements have been prepared under the historical cost convention unless otherwise stated in the relevant notes to these accounts. The financial statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities (FRS102), the Financial Reporting Standard (FRS102) and the Charities Act 2011.

The trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern. The trustees have a reasonable expectation that the Charity has adequate reserves to continue in operational existence for the foreseeable future. Accordingly the trustees continue to adopt the going concern basis in the preparation of the accounts.

**b) Income Recognition**

Income is recognised once the charity has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

Donations are recognised when they are received.

**c) Expenditure Recognition**

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that settlement will be required and the amount of the obligation can be measured reliably. All expenditure is accounted for on an accruals basis.

**d) Value Added Tax**

Value Added Tax is not recoverable by the charity and the figures in the financial statements are therefore shown inclusive of VAT.

**e) Depreciation**

Tangible fixed assets, other than some original assets, are stated at cost less depreciation.

Depreciation is calculated to write off the cost valuation of each asset over its estimated useful life. The annual rates applied are as follows.

Fixtures and Equipment - 10% reducing balance basis

**HEMSWORTH MINERS WELFARE INSTITUTE**  
**CHARITY REGISTRATION NUMBER 523720**  
**REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 DECEMBER 2023**

The trustees present their report along with the financial statements of the charity for the year ended 31 December 2023. The financial statements have been prepared in accordance with the accounting policies set out in Note 1 to the accounts which can be found on page 7 and comply with the charities trust deed, applicable law and the Charities SORP FRS 102.

**Constitution, Objectives and Activities for the Public Benefit**

The charity is constituted by a trust deed dated 9 August 1961 and is registered with the Charity Commission under the number 523720.

Its objectives are to provide and maintain a recreation ground and welfare institute for the benefit of the people of Hemsworth, (and in particular but not exclusively such those who are members of the mining community).

The trustees have referred to the guidance given by the Charity Commission on public benefit when reviewing the charity's aims and objectives and details of the activities that have taken place during the year can be found later in this report.

**Organisational Structure**

The trustees who have served the charity during the year are shown on page 1.

The charity is responsible for maintaining the premises, its contents and grounds in a suitable state of repair for use by those who live in the surrounding area. It raises income through various charitable activities, the main one being the hiring out of its facilities to the general public, but a substantial amount of its income comes from its connected trading company, Hemsworth Miners' Social Club Ltd, which pays an annual occupational licence fee to the charity in order to run its business from the charity's premises. In addition to this, the company also transfers any profits it makes to the charity under a Gift Aid agreement so the trustees work closely with the directors to try and ensure the company is profitable, thus ensuring extra income for the charity.

Trustee vacancies are advertised and interested parties are asked to apply in writing. Interviews will be held and suitable candidates are then notified to their nominating body being either CISWO, Trade Union or members. The trustee body is made up of equal numbers of each nominating body.

**Financial Review**

The charity had net outgoing resources of £932 from the day to day running of the institute (2022: Outgoing £12,720) the various sections showed a collective deficit of £3,647 for the year which has increased the overall net deficit to £4,579 (2022: Deficit £4,307). The connected trading company retained a profit over the last couple of years and has donated its taxable profits of £6,591 (2022: £6,210) to the charity. The trustees will work closely with the company's directors to ensure that this can continue in the coming year.

**Review of Activities**

The cricket section just fielded two teams this year, but as the year progressed more people signed up with ex players wishing to return. An indifferent year for both teams as they decided to actually win a few games for a change. The second team even reached the league cup final.

Bowls teams struggled for members this year and ended up only fielding one team and a veterans team. Both teams did tremendously well winning their leagues and cups. Cowling itself has bounced back since the passing of B Greenhough, the baton being passed to L Riddell who is up at the greens everyday doing work and looking after things, so a big thank you to him.

**Investment Policy**

The trustees do not have an investment policy in place as such, but they have taken the sensible approach and placed some of the charity's liquid assets in an interest bearing bank account, thus providing some income for the charity in the form of interest received whilst keeping the monies readily available should they be required.

**CHARITY REGISTRATION NUMBER 523720**  
**REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 DECEMBER 2023 (CONTINUED)**

**Reserves Policy**

It is the policy of the trustees to maintain unrestricted funds which are the free reserves of the charity, at a level to provide sufficient funds to cover anticipated administration and support costs for a period of 12 months. Any additional reserves are held to provide a capital fund for repairs that will be required for the upkeep of the premises.

**Risk Management**

The trustees are aware of the operational and financial risks which the charity faces and regularly reviews those risks to mitigate against any impact they may have on the charity. The major risks facing the charity are the continued success of the social club from which it derives its main funding, the support of individuals and the community in using the facilities and the introduction of the younger generation to provide for the future. The trustees work closely with the directors and members to address these risks.

**Statement of Trustees' Responsibilities**

Law applicable to charities in England and Wales required the trustees to prepare financial statements for each financial year which give a true and fair view of the charity and its incoming resources and application of resources of the charity for that period. In preparing those financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are also responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and which enable them to ensure that the financial statements comply with the Charities Act 2011. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention of fraud and other irregularities.

**INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF**  
**CHARITY REGISTRATION NUMBER 523720**  
**HEMSWORTH MINERS WELFARE INSTITUTE**

I report to the trustees on my examination of the accounts of the above named charity (registered number 523720) for the period ended 31 December 2023, set out in pages 5 to 8.

**Responsibilities and basis of report**

As the charity trustees you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 (Act).

I report in respect of my examination of the Trustees' accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

**Independent Examiners Statement**

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- (1) accounting records were not kept in respect of the Charity as required by section 130 of the Act; or
- (2) the accounts do not accord with those records; or
- (3) the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

**NOTES TO THE ACCOUNTS**  
**FOR THE YEAR ENDED 31 DECEMBER 2023**

**1. Accounting Policies**

**a) Basis of preparation and assessment of going concern**

The financial statements have been prepared under the historical cost convention unless otherwise stated in the relevant notes to these accounts. The financial statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities (FRS102), the Financial Reporting Standard (FRS102) and the Charities Act 2011.

The trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern. The trustees have a reasonable expectation that the Charity has adequate reserves to continue in operational existence for the foreseeable future. Accordingly the trustees continue to adopt the going concern basis in the preparation of the accounts.

**b) Income Recognition**

Income is recognised once the charity has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

Donations are recognised when they are received.

**c) Expenditure Recognition**

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that settlement will be required and the amount of the obligation can be measured reliably. All expenditure is accounted for on an accruals basis.

**d) Value Added Tax**

Value Added Tax is not recoverable by the charity and the figures in the financial statements are therefore shown inclusive of VAT.

**e) Depreciation**

Tangible fixed assets, other than some original assets, are stated at cost less depreciation.

Depreciation is calculated to write off the cost valuation of each asset over its estimated useful life. The annual rates applied are as follows.

Fixtures and Equipment - 10% reducing balance basis

**HEMSWORTH MINERS WELFARE INSTITUTE**  
**CHARITY REGISTRATION NUMBER 523720**  
**REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 DECEMBER 2022**

The trustees present their report along with the financial statements of the charity for the year ended 31 December 2022. The financial statements have been prepared in accordance with the accounting policies set out in Note 1 to the accounts which can be found on page 7 and comply with the charities trust deed, applicable law and the Charities SORP FRS 102.

**Constitution, Objectives and Activities for the Public Benefit**

The charity is constituted by a trust deed dated 9 August 1961 and is registered with the Charity Commission under the number 523720.

Its objectives are to provide and maintain a recreation ground and welfare institute for the benefit of the people of Hemsworth, (and in particular but not exclusively such those who are members of the mining community).

The trustees have referred to the guidance given by the Charity Commission on public benefit when reviewing the charity's aims and objectives and details of the activities that have taken place during the year can be found later in this report.

**Organisational Structure**

The trustees who have served the charity during the year are shown on page 1.

The charity is responsible for maintaining the premises, its contents and grounds in a suitable state of repair for use by those who live in the surrounding area. It raises income through various charitable activities, the main one being the hiring out of its facilities to the general public, but a substantial amount of its income comes from its connected trading company, Hemsworth Miners' Social Club Ltd, which pays an annual occupational licence fee to the charity in order to run its business from the charity's premises. In addition to this, the company also transfers any profits it makes to the charity under a Gift Aid agreement so the trustees work closely with the directors to try and ensure the company is profitable, thus ensuring extra income for the charity.

Trustee vacancies are advertised and interested parties are asked to apply in writing. Interviews will be held and suitable candidates are then notified to their nominating body being either CISWO, Trade Union or members. The trustee body is made up of equal numbers of each nominating body.

**Financial Review**

The charity had net outgoing resources of £12,720 from the day to day running of the institute (2021: Outgoing £24,100) although the various sections showed a collective surplus of £8,413 for the year which has improved the overall net deficit to £4,307 (2021: Deficit £23,058). The connected trading company retained a profit over the last couple of years and has donated its taxable profits of £6,210 (2021: £1,303) to the charity. The trustees will work closely with the company's directors to ensure that this can continue in the coming year.

**Review of Activities**

Poor year for the cricket club barely surviving in their respective divisions, on the plus side they did get to the final of a trophy and there has been lots of new signings and youngsters coming through the ranks. Hopefully there will be an improvement next year.

Bowlers couldn't be touched in 2022 and won everything including both divisions, the midweek league and cups. It was however hard keeping two teams going with members dropping, which is the same at a lot of bowling clubs. The floodlight league unfortunately folded due to the lack of teams.

Still no sport going off as regards pool, darts and dominoes as there are no other clubs interested in the area.

**Investment Policy**

The trustees do not have an investment policy in place as such, but they have taken the sensible approach and placed some of the charity's liquid assets in an interest bearing bank account, thus providing some income for the charity in the form of interest received whilst keeping the monies readily available should they be required.

**REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 DECEMBER 2022 (CONTINUED)**

**Reserves Policy**

It is the policy of the trustees to maintain unrestricted funds which are the free reserves of the charity, at a level to provide sufficient funds to cover anticipated administration and support costs for a period of 12 months. Any additional reserves are held to provide a capital fund for repairs that will be required for the upkeep of the premises.

**Risk Management**

The trustees are aware of the operational and financial risks which the charity faces and regularly reviews those risks to mitigate against any impact they may have on the charity. The major risks facing the charity are the continued success of the social club from which it derives its main funding, the support of individuals and the community in using the facilities and the introduction of the younger generation to provide for the future. The trustees work closely with the directors and members to address these risks.

**Statement of Trustees' Responsibilities**

Law applicable to charities in England and Wales required the trustees to prepare financial statements for each financial year which give a true and fair view of the charity and its incoming resources and application of resources of the charity for that period. In preparing those financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are also responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and which enable them to ensure that the financial statements comply with the Charities Act 2011. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention of fraud and other irregularities.

**INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF**  
**CHARITY REGISTRATION NUMBER 523720**  
**HEMSWORTH MINERS WELFARE INSTITUTE**

I report to the trustees on my examination of the accounts of the above named charity (registered number 523720) for the period ended 31 December 2022, set out in pages 5 to 8.

**Responsibilities and basis of report**

As the charity trustees you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 (Act).

I report in respect of my examination of the Trustees' accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

**Independent Examiners Statement**

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- (1) accounting records were not kept in respect of the Charity as required by section 130 of the Act; or
- (2) the accounts do not accord with those records; or
- (3) the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

**NOTES TO THE ACCOUNTS**  
**FOR THE YEAR ENDED 31 DECEMBER 2022**

**1. Accounting Policies**

**a) Basis of preparation and assessment of going concern**

The financial statements have been prepared under the historical cost convention unless otherwise stated in the relevant notes to these accounts. The financial statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities (FRS102), the Financial Reporting Standard (FRS102) and the Charities Act 2011.

The trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern. The trustees have a reasonable expectation that the Charity has adequate reserves to continue in operational existence for the foreseeable future. Accordingly the trustees continue to adopt the going concern basis in the preparation of the accounts.

**b) Income Recognition**

Income is recognised once the charity has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

Donations are recognised when they are received.

**c) Expenditure Recognition**

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that settlement will be required and the amount of the obligation can be measured reliably. All expenditure is accounted for on an accruals basis.

**d) Value Added Tax**

Value Added Tax is not recoverable by the charity and the figures in the financial statements are therefore shown inclusive of VAT.

**e) Depreciation**

Tangible fixed assets, other than some original assets, are stated at cost less depreciation.

Depreciation is calculated to write off the cost valuation of each asset over its estimated useful life. The annual rates applied are as follows.

Fixtures and Equipment - 10% reducing balance basis

**HEMSWORTH MINERS WELFARE INSTITUTE**  
**CHARITY REGISTRATION NUMBER 523720**  
**REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 DECEMBER 2021**

The trustees present their report along with the financial statements of the charity for the year ended 31 December 2021. The financial statements have been prepared in accordance with the accounting policies set out in Note 1 to the accounts which can be found on page 7 and comply with the charities trust deed, applicable law and the Charities SORP FRS 102.

**Constitution, Objectives and Activities for the Public Benefit**

The charity is constituted by a trust deed dated 9 August 1961 and is registered with the Charity Commission under the number 523720.

Its objectives are to provide and maintain a recreation ground and welfare institute for the benefit of the people of Hemsworth, (and in particular but not exclusively such those who are members of the mining community).

The trustees have referred to the guidance given by the Charity Commission on public benefit when reviewing the charity's aims and objectives and details of the activities that have taken place during the year can be found later in this report.

**Organisational Structure**

The trustees who have served the charity during the year are shown on page 1.

The charity is responsible for maintaining the premises, its contents and grounds in a suitable state of repair for use by those who live in the surrounding area. It raises income through various charitable activities, the main one being the hiring out of its facilities to the general public, but a substantial amount of its income comes from its connected trading company, Hemsworth Miners' Social Club Ltd, which pays an annual occupational licence fee to the charity in order to run its business from the charity's premises. In addition to this, the company also transfers any profits it makes to the charity under a Gift Aid agreement so the trustees work closely with the directors to try and ensure the company is profitable, thus ensuring extra income for the charity.

Trustee vacancies are advertised and interested parties are asked to apply in writing. Interviews will be held and suitable candidates are then notified to their nominating body being either CISWO, Trade Union or members. The trustee body is made up of equal numbers of each nominating body.

**Financial Review**

The charity had net outgoing resources of £24,100 from the day to day running of the institute (2020: Outgoing £12,064) although the various sections showed a collective surplus of £1,042 for the year which has improved the overall net deficit to £23,058 (2020: Deficit £12,462). The connected trading company retained a profit over the last couple of years and has donated its taxable profits of £1,303 (2020: £12,332) to the charity. The trustees will work closely with the company's directors to ensure that this can continue in the coming year.

**Review of Activities**

Short and sweet this year due to the after effects of COVID.

Both cricket and bowls teams struggled to keep going but with limited numbers as are all other clubs.

The cricket teams only had a short season with no relegations or promotions, basically just a few friendly games were played.

The bowling teams were virtually the same with only the evening bowlers league cancelled with the lack of participants.

Unfortunately the pool, darts and dominoes leagues were disbanded after nearly 40 years in existence as only four teams were interested.

It is a slow emergence from COVID as people are still unsure whether to venture out or not. Lets hope that 2022 brings most things back to some normality and hopefully encourage more people to participate in events going on at Hemsworth Miners Club.

**REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 DECEMBER 2021 (CONTINUED)**

**Investment Policy**

The trustees do not have an investment policy in place as such, but they have taken the sensible approach and placed some of the charity's liquid assets in an interest bearing bank account, thus providing some income for the charity in the form of interest received whilst keeping the monies readily available should they be required.

**Reserves Policy**

It is the policy of the trustees to maintain unrestricted funds which are the free reserves of the charity, at a level to provide sufficient funds to cover anticipated administration and support costs for a period of 12 months. Any additional reserves are held to provide a capital fund for repairs that will be required for the upkeep of the premises.

**Risk Management**

The trustees are aware of the operational and financial risks which the charity faces and regularly reviews those risks to mitigate against any impact they may have on the charity. The major risks facing the charity are the continued success of the social club from which it derives its main funding, the support of individuals and the community in using the facilities and the introduction of the younger generation to provide for the future. The trustees work closely with the directors and members to address these risks.

**Statement of Trustees' Responsibilities**

Law applicable to charities in England and Wales required the trustees to prepare financial statements for each financial year which give a true and fair view of the charity and its incoming resources and application of resources of the charity for that period. In preparing those financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are also responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and which enable them to ensure that the financial statements comply with the Charities Act 2011. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention of fraud and other irregularities.

**INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF**  
**CHARITY REGISTRATION NUMBER 523720**  
**HEMSWORTH MINERS WELFARE INSTITUTE**

I report to the trustees on my examination of the accounts of the above named charity (registered number 523720) for the period ended 31 December 2021, set out in pages 5 to 8.

**Responsibilities and basis of report**

As the charity trustees you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 (Act).

I report in respect of my examination of the Trustees' accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

**Independent Examiners Statement**

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- (1) accounting records were not kept in respect of the Charity as required by section 130 of the Act; or
- (2) the accounts do not accord with those records; or
- (3) the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

**NOTES TO THE ACCOUNTS**

**FOR THE YEAR ENDED 31 DECEMBER 2021**

**1. Accounting Policies**

**a) Basis of preparation and assessment of going concern**

The financial statements have been prepared under the historical cost convention unless otherwise stated in the relevant notes to these accounts. The financial statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities (FRS102), the Financial Reporting Standard (FRS102) and the Charities Act 2011.

The trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern. The trustees have a reasonable expectation that the Charity has adequate reserves to continue in operational existence for the foreseeable future. Accordingly the trustees continue to adopt the going concern basis in the preparation of the accounts.

**b) Income Recognition**

Income is recognised once the charity has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

Donations are recognised when they are received.

**c) Expenditure Recognition**

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that settlement will be required and the amount of the obligation can be measured reliably. All expenditure is accounted for on an accruals basis.

**d) Value Added Tax**

Value Added Tax is not recoverable by the charity and the figures in the financial statements are therefore shown inclusive of VAT.

**e) Depreciation**

Tangible fixed assets, other than some original assets, are stated at cost less depreciation.

Depreciation is calculated to write off the cost valuation of each asset over its estimated useful life. The annual rates applied are as follows.

Fixtures and Equipment - 10% reducing balance basis

**REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 DECEMBER 2020**

The trustees present their report along with the financial statements of the charity for the year ended 31 December 2020. The financial statements have been prepared in accordance with the accounting policies set out in Note 1 to the accounts which can be found on page 7 and comply with the charities trust deed, applicable law and the Charities SORP FRS 102.

**Constitution, Objectives and Activities for the Public Benefit**

The charity is constituted by a trust deed dated 9 August 1961 and is registered with the Charity Commission under the number 523720.

Its objectives are to provide and maintain a recreation ground and welfare institute for the benefit of the people of Hemsworth, (and in particular but not exclusively such those who are members of the mining community).

The trustees have referred to the guidance given by the Charity Commission on public benefit when reviewing the charity's aims and objectives and details of the activities that have taken place during the year can be found later in this report.

**Organisational Structure**

The trustees who have served the charity during the year are shown on page 1.

The charity is responsible for maintaining the premises, its contents and grounds in a suitable state of repair for use by those who live in the surrounding area. It raises income through various charitable activities, the main one being the hiring out of its facilities to the general public, but a substantial amount of its income comes from its connected trading company, Hemsworth Miners' Social Club Ltd, which pays an annual occupational licence fee to the charity in order to run its business from the charity's premises. In addition to this, the company also transfers any profits it makes to the charity under a Gift Aid agreement so the trustees work closely with the directors to try and ensure the company is profitable, thus ensuring extra income for the charity.

Trustee vacancies are advertised and interested parties are asked to apply in writing. Interviews will be held and suitable candidates are then notified to their nominating body being either CISWO, Trade Union or members. The trustee body is made up of equal numbers of each nominating body.

**Financial Review**

The charity had net outgoing resources of £9,564 from the day to day running of the institute (2019: Incoming £9,107) although the various sections showed a collective deficit of £2,898 for the year which has increased the overall net deficit to £12,462 (2019: Surplus £5,129). The connected trading company retained a profit over the last couple of years and has donated its taxable profits of £12,332 (2019: £11,836) to the charity. The trustees will work closely with the company's directors to ensure that this can continue in the coming year.

**Review of Activities**

Well where to start, due to COVID-19 and the restrictions thrown upon us it turned out to be the worst year we have ever known virtually losing all our sports groups. The fishing team left and went to another venue as did all of our fitness classes and dance classes.

The pool, darts and dominoes leagues collapsed so two teams are gone there as well.

Cricket and bowls teams were both unable to play through government restrictions and only managed a few friendlies amongst themselves.

Short and sweet this year we are afraid but lets hope for better things next year.

**REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 DECEMBER 2020 (CONTINUED)**

**Investment Policy**

The trustees do not have an investment policy in place as such, but they have taken the sensible approach and placed some of the charity's liquid assets in an interest bearing bank account, thus providing some income for the charity in the form of interest received whilst keeping the monies readily available should they be required.

**Reserves Policy**

It is the policy of the trustees to maintain unrestricted funds which are the free reserves of the charity, at a level to provide sufficient funds to cover anticipated administration and support costs for a period of 12 months. Any additional reserves are held to provide a capital fund for repairs that will be required for the upkeep of the premises.

**Risk Management**

The trustees are aware of the operational and financial risks which the charity faces and regularly reviews those risks to mitigate against any impact they may have on the charity. The major risks facing the charity are the continued success of the social club from which it derives its main funding, the support of individuals and the community in using the facilities and the introduction of the younger generation to provide for the future. The trustees work closely with the directors and members to address these risks.

**Impact of COVID-19**

In line with Government direction, the charity ceased all activities in March 2020 and again in November 2020. The trustees plan to resume activity at a time considered appropriate and when allowed to do so, obviously following best practice guidance available at that time. The long term impact of the pandemic on the activities and finances of the charity cannot be assessed at the time of signing these accounts.

The Trustees are carefully managing the charity's finances and are satisfied that it will be able to continue to meet its obligations for the foreseeable future.

**Statement of Trustees' Responsibilities**

Law applicable to charities in England and Wales required the trustees to prepare financial statements for each financial year which give a true and fair view of the charity and its incoming resources and application of resources of the charity for that period. In preparing those financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are also responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and which enable them to ensure that the financial statements comply with the Charities Act 2011. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention of fraud and other irregularities.

**INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF**  
**CHARITY REGISTRATION NUMBER 523720**  
**HEMSWORTH MINERS WELFARE INSTITUTE**

I report to the trustees on my examination of the accounts of the above named charity (registered number 523720) for the period ended 31 December 2020, set out in pages 5 to 8.

**Responsibilities and basis of report**

As the charity trustees you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 (Act).

I report in respect of my examination of the Trustees' accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

**Independent Examiners Statement**

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- (1) accounting records were not kept in respect of the Charity as required by section 130 of the Act; or
- (2) the accounts do not accord with those records; or
- (3) the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

**NOTES TO THE ACCOUNTS**

**FOR THE YEAR ENDED 31 DECEMBER 2020**

**1. Accounting Policies**

**a) Basis of preparation and assessment of going concern**

The financial statements have been prepared under the historical cost convention unless otherwise stated in the relevant notes to these accounts. The financial statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities (FRS102), the Financial Reporting Standard (FRS102) and the Charities Act 2011.

The trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern. The trustees have a reasonable expectation that the Charity has adequate reserves to continue in operational existence for the foreseeable future. Accordingly the trustees continue to adopt the going concern basis in the preparation of the accounts.

**b) Income Recognition**

Income is recognised once the charity has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

Donations are recognised when they are received.

**c) Expenditure Recognition**

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that settlement will be required and the amount of the obligation can be measured reliably. All expenditure is accounted for on an accruals basis.

**d) Value Added Tax**

Value Added Tax is not recoverable by the charity and the figures in the financial statements are therefore shown inclusive of VAT.

**e) Depreciation**

Tangible fixed assets, other than some original assets, are stated at cost less depreciation.

Depreciation is calculated to write off the cost valuation of each asset over its estimated useful life. The annual rates applied are as follows.
