Governing document

The charity is controlled by its governing document, a deed of trust, and constitutes an unincorporated charity.

Aberporth Village Hall

Report of the Trustees for the Year Ended 31 December 2022

STRUCTURE, GOVERNANCE AND MANAGEMENT

Recruitment and appointment of new trustees

Trustees are elected at the Annual General Meeting to serve for a period of 3 years & can be re-elected at end of term. They can serve until they retire or resign. Management Committee comprising of Chair, Vice Chair, Secretary & Treasurer elected annually. All are local residents & have long-term experience of being a charity trustee. Existing trustees are responsible for the recruitment of new trustees. We aim to select those who are willing to help with managing the charity, bring a required area of expertise & knowledge, maintain the facilities & volunteer at our events.

New trustees when appointed are introduced to the charity & given all information recommended by the Charity Commission so they can fulfil their role. Copies of our governing document, annual report & financial statement are also given with a list of all policies adopted.

Related parties

We maintain a close relationship with our local community parish council & we have a local council representative attending our meetings. We share maintenance of all our green open spaces (which belong to the charity) within our village community for the use & benefit of the general public. This year we shared the organising of the Queen's Platinum Jubilee celebrations & offered a condolence book for the community to sign on Her Majesty's death in September.

We have partnerships with a number of commercial and third sector organisations who offer services to the community. For example, West Wales Fitness, FitSteps, Arts4Wellbeing, Brownies/Girl Guides, and local organisations who organise annual events such as the Horticultural Show & our local church events. We are hoping to reinstate some who have not as yet returned due to current limited facilities but once the new village hall is opened, we hope to see them return.

Risk management

- a. Achieving our charity aims & objectives according to our governing document & in meeting the expectations of our beneficiaries.
- b. Safeguarding the charity & its assets including staff & volunteers.
- c. Sustaining our finances & income.
- d. Minimising any potential negative impact on the charity.

The Trustees review all the charity's potential risks on a regular basis, including during the beginning of 2022 with Covid - 19 risk assessments. We have adequate insurances in place & believe that all steps are taken to ensure any potential risks are kept to a minimum guided by policy and procedure.

OBJECTIVES AND ACTIVITIES

Objectives and aims

The purposes of the charity is as stated in the governing document are to maintain our village hall & recreation grounds for the use & enjoyment of the inhabitants of Aberporth & surrounding villages without distinction of political, religious or other opinions, including the use for meetings, lectures & classes & other forms of recreation & leisure-time occupation with the object of improving the conditions of life for the inhabitants.

Aberporth Village Hall

Report of the Trustees for the Year Ended 31 December 2022

OBJECTIVES AND ACTIVITIES

Significant activities

AVH&RG Trustees welcome all members of the community to use the premises regardless of personal background, faith, gender or personal circumstances. Whilst the public benefit is available for everyone there is a charge made to hire the facilities to cover costs, maintenance, projects & improvements. The Village Hall is mostly used by our local community & its non-profit organisations, offering classes/meetings for all age groups. An increased charge is made for all commercial use but priority is given to community use over a commercial hiring.

Activities by hirers after reopening of the Canolfan Dyffryn Village Hall, post pandemic restrictions, were supported & included: various keep fit classes, Pilates, Arts4Wellbeing, Table Tennis & Badminton. Rainbows, Brownies & Girl Guides. Trustees, our co-ordinator & volunteers organised planned fundraising activities e.g., annual Spring Sale, Plant Sale, Carnival & an old local Welsh tradition of Dydd Iau Mawr (activities for all age groups with music & barbeque), organised Firework display & bonfire, & Christmas Hampers delivered locally to those in need. Some organisations deferred until later in the year & also due to some lack of resources, at the one facility, some have not returned but once our new Village Hall is rebuilt & re-opened, we hope to see them return.

Our main project for 2021/22/23 remains - 'Calon y Gymuned' ('The Heart of the Community') that after nearly 90 years of continued use by the communities the main village hall had reached the end of its useful & long life. In 2019 we commissioned a professional structural survey & sadly this confirmed its overall deterioration. In 2020 we organised a Public Meeting after a bilingual questionnaire was circulated & after discussion it was decided to demolish most of the old village hall (October 2021) & refurbish & rebuild a new village hall for the community. The Trustees have since been applying & have some success with offers of funding for our project from the Welsh & National Governments, the National Lottery Community Fund & the Community Ownership Fund, several smaller grants were also applied for & most secured. These funds were added to the savings & donations that the charity & community had been building up over several years specifically towards this eventuality. We hope to complete by Spring of 2024.

This last year has been a challenging year, with the remaining pandemic restrictions in Wales being lifted during May (2022) & with risk assessments completed, deep cleaning performed we were able to recommence hiring of our remaining facility with a variety of activities & returning organisations - a validation of its use to the local community, a benefit for the village & which remains an asset to Aber-Porth & its surrounding villages.

Public benefit

The Trustees are responsible for all aspects of management of the Village Halls & Recreation Grounds & in planning our activities for the year we have kept in mind the Charity Commissions guidance on public benefit at our Trustee meetings.

Volunteers

We are grateful to all our volunteers, over 30 of them, who have registered an interest in volunteering. They have organised & helped with our activities held for the community, giving of their valuable time, support, energy & continued enthusiasm. Without their combined efforts we would not have been able to continue with running our Community Fridge which helps support low-income families, Gardening area, Digi Club, & our quality second hand clothing recycling scheme 'Dillad Dwywaith'. Their support with the external organised events as in the Plant Sale, annual Carnival & Dydd Iau Mawr, Firework & Bonfire night, Christmas hampers, concert & lunches would not have been as successful. In January we applied for Investors in Volunteers status, we were congratulated on being nominated, then assessed & later awarded the Investors in Volunteers award.

ACHIEVEMENT AND PERFORMANCE

Charitable activities

Over the last two years we have put in place a new 'Re-build Village Hall Project,' known as 'Heart of the Community'/'Calon y Gymuned' we've made huge progress in delivering this project through the combined effort & enthusiasm of our team of Trustees, staff, volunteers, advisors, our local community, our many funders and contractors. We are grateful for the many hours that have been spent working on & researching various paperwork required to apply for funding from various sources, creating continuing design plans for the rebuild & refurbishment & all necessary documentation, sourcing supplies & contacting various professionals to enable the construction of a new village hall for our community. The rebuild commenced during 2022 & continues. We aim to open the new village hall during Spring of 2024.

After demolition of the older village hall, we are fortunate to have a smaller facility Canolfan Dyffryn/Dyffryn Centre with a meeting room/kitchen/room housing our community fridge & a sports hall that we have improved & maintained. We were able to offer our community, once Covid-19 restrictions were lifted, this facility where the local organisations & some commercial hirers used the hall on a regular basis. We encouraged activities to help reduce isolation (especially post Covid), & provided many opportunities for volunteering & promoting friendships amongst all ages. Activities for wellbeing & health included: Keep fit, Pilates, Table Tennis, Crafting, Coffee Mornings, Gardening & Digi clubs & a Community Fridge.

We also held a number of external community fundraising events, (post Covid) using the premises or our recreation grounds, for example the annual carnival, Dydd Iau Mawr both events also hosted a barbeque, and at the end of the year a Carol Concert was organised.

To assist the Trustees with all the organisation, planning & raising the charity's profile for the above fundraising events & help to recruit/support our many volunteers, manage with the volunteers our Community Fridge & maintain online bookings the charity became an employer from April 2022 of a part-time charity co-ordinator.

During 2022 it was recommended that we change our legal structure as it was considered in the best interests of the charity & its trustees, taking it forward into the future in its positive trajectory towards becoming a Charitable Incorporated Organisation (CIO). A new constitution was created and adopted by the Charity Commission of England & Wales. The Aber-Porth Village Hall & Recreation Ground was registered as a CIO foundation on 20th July 2022.

It enables the charity to sign contracts in its own name & not in the name of individual trustees. This ensures that the trustees have limited liability for any debts incurred & may encourage more people to become future trustees, knowing they have this protection.

We aim to Transfer Assets to the new charity number (1199729) during 2023 & once this is registered with the Land Registry, we will be able to dissolve the old charity number (523850). We remain a registered charity, retaining the charity name but with a new constitution and registration number.

The village hall continues to be the centre of our community for all ages on a regular basis, where the trustees provide facilities, support & a focal point for our beneficiaries.

FINANCIAL REVIEW

Reserves policy

The Trustees acknowledge that our current unrestrictive reserve is based on current expenditure levels, the amount held shall be no more than £50k & is set at 12months running costs. The reason for the higher amount reserve is that hiring of an area within the buildings & car park facilities generate approximately 100% of our annual income & if both areas were unable to meet the monthly income our annual income would reduce significantly. Holding an unrestrictive reserve of 12 months running costs would give the committee the time it would need to find suitable replacement hirers or alternative uses for the vacated parts of the facilities. This figure is set every year in accordance with the previous year's accounts. The reserves are held for current & future improvements to both facilities & recreation grounds and the general reserves are used to run the facilities.

Principal funding sources

Please see accompanying financial statements for Charity No. 523850 (unincorporated charity) for 2022.

There are no financial accounts for this period for the incorporated charity (CIO) these are due in 2024.

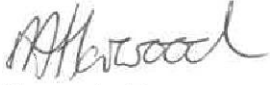

We received income from room hire, donations to our car parks, fundraising events, support for ground maintenance from our parish council, substantial grants from our County Council, Welsh & National Governments & other funders.

for the Year Ended 31 December 2021**

STRUCTURE, GOVERNANCE AND MANAGEMENT

Risk management

The trustees have a duty to identify and review the risks to which the charity is exposed and to ensure appropriate controls are in place to provide reasonable assurance against fraud and error.

OBJECTIVES AND ACTIVITIES

Objectives and aims

The objective of the charity is to administer Aberporth Village Hall and the lands it owns for the benefit of the local population. This includes the maintenance of the Village Hall and public recreation ground.

The charity sets out to advance the mental, physical and personal developmental welfare of the community by promoting the Village Hall's facilities so that all can benefit from its use.

Public benefit

In planning our activities for the year, we kept in mind the Charity Commissions guidance on public benefit at our trustee meetings.

Volunteers

We are grateful for the many hours spent working on the various paperwork required to apply for funding from various sources, updating policies, creating the new plans for the new build and all necessary documentation, sourcing and contacting various professionals, creating Risk Assessments and following government regulations on maintaining safety etc. Without this valuable contribution of time, energy and expertise we would not have been able to achieve so much.

ACHIEVEMENT AND PERFORMANCE

Charitable activities

The Charity offers resources to the community through the "Community Fridge Project", which enables the local community to access free food and reduce food wastage. The community fridge will operate from Canolfan Dyffryn on a temporary basis until the new village hall opens in the spring of 2023.

The Charity supports the "Dillad Dwywaith" scheme, where a rail of second hand clothes is located in the hall to provide free clothes to anyone from the local community.

Once Covid restrictions were removed, The Village Hall provided the facility to hire out various rooms to enable different groups to meet. This facility was provided in line with the National/Welsh Government guidelines to ensure the safety of individuals using these facilities.

These activities will benefit the community and encourage future recruitment of volunteers and trustees. We welcome all members of the community to use the premises regardless of personal background, faith, gender or personal circumstances.

FINANCIAL REVIEW

Reserves policy

The Charity looks to hold one years costs in reserve.

Principal funding sources

The Charity's main source of funds this year has been from donations, hiring of the Village Hall, Community Council provided funding towards grass cutting etc., and funding for various new projects in line for the next 2-3 years. The majority of income is applied to the extensive maintenance of both halls, three car parks.

Approved by order of the board of trustees on8/9/2022..... and signed on its behalf by:

Chairmans Annual Report from January through to December 2021

Welcome to all who are attending the 90th AGM of our Charity via the internet or in person at Canolfan Dyffryn.

I'd like to thank all the Trustees for their efforts over the preceding year. Particularly our Treasurer Zoe Storer & our Secretary Annie Oakley, both of whom have done a first-rate job for us over this past year.

I would also like to thank Sue Lewis & her advisors for their hard work in attaining much needed grant aid for the various projects which would not be possible to operate without such funding and my thanks are extended to Jeremy Holmes for steering the Re-build sub-committee & to Beryl for her Welsh translations & enthusiasm for all things to do with the Village Hall. To Anthony Williams our Caretaker/Cleaner & Nicola King our Community Fridge Co-ordinator as well as all the volunteers for their tremendous efforts in keeping the new projects running & supporting the committee and the community.

Our charity is registered & regulated by the Charity Commission, following Charity & Trustee Acts of parliament, to provide & maintain a village hall & the various grounds within the village for the use & benefit of the community. We are volunteer run for the community, the charity is funded from hiring fees, car park donations & applied for grants. These funds enable us to keep the hiring costs low & pay our overheads such as our insurances & utilities & allow maintenance of the Village Hall's, car parks and Village Hall lands to continue.

I would like to thank the Aber-porth Community Council for supporting us maintain the village recreation grounds for all to continue to enjoy.

I should point out that we are different from the Community Council and are not governed by Ceredigion or the Welsh Assembly, we are not councillors but charity trustees & are volunteers.

The committee are made up of 16 Trustees in total who are appointed to serve for a period of 3 years. Currently, we are 12 Trustees & therefore

have 4 vacancies – should anyone want to join you would be most welcomed, so please contact myself or our secretary if you are interested in becoming a Trustee.

We welcomed 2 new trustees onto the committee last year Sue Lewis who has been a previous trustee with vast experience of fundraising & Dewi Day who has sustainability & procurement experience both trustees are very much a welcome addition.

I would like to make special mention & tribute to Mr Hywel Evans who was a valued member of the committee for over 27 years and ably served as treasurer for many years. Hywel is sadly missed and our condolences once again are offered to his family.

The charity has once again had a challenging year due to the continuing impact of the global pandemic and the economic climate. However, due to sound financial management & the hard work of the trustees & volunteers we managed to re-open the Canolfan Dyffryn when able, following local & national governments advice. It needs to be recognised that there has been tremendous effort & work performed by the trustees & hirers to enable re-opening of our facilities & ensuring compliance & keeping people safe from the effects of Covid – 19 on our premises.

We have also been busy working through the project to rebuild our Village Hall. You will have noticed that the large timber part of the village hall has been taken down due to its poor structural integrity but the masonry section remains. We put the rebuild contract out to tender but unfortunately the returned tender figures were out of our reach & so we were unable to proceed further & consequently have been seeking to find additional funding & investigate cost savings & perhaps phasing sections of the work. We will need to go back to tender and hope to be in a better position by next year to start the rebuild.

A great deal of work & effort, led by our Secretary is being done, which commenced in 2019, enabling us to form a Charitable Incorporated Organisation which will allow us to operate with greater freedom in terms of raising finance for the benefit of the community & will bring the charity upto date with a more user-friendly constitution & protect present & future trustees from any liabilities.

All-important maintenance has continued to be carried out at Canolfan

Dyffryn, the recreation grounds & car parks. Annual servicing of heating, fire alarms & extinguishers, PAT testing arranged for statutory inspections continued.

We have enjoyed great success in attaining significant grant aid towards our goal of delivering 'The Heart of the Community' project, the rebuilding of our Village Hall as well as huge community benefit through the various initiatives & projects which include:

- The Community Fridge – funded through Cynnal y Cardi & Co-op
- The Gardening Club – funded through Keep Wales Tidy
- The Digi Club – funded by Good Things Foundation
- Dillad Dwywaith – locally organised
- Heritage Fund – to digitalise the Village Hall's memories
- Christmas hampers

In conclusion, we have achieved a considerable amount over the last 2 years and built up a good relationship amongst the village, despite some challenges. Myself & the committee welcome the challenges ahead, the opening of our new Village Hall & the continued success & growth of our 'Heart of the Community' project.

Thanks to the committee, our staff & our volunteers, the organisations who hire & use the premises & have contributed over the pandemic in keeping Covid – 19 at bay from our premises. I look forward to the year ahead.

Thank you.

Aberporth Village Hall
Report of the Trustees
for the Year Ended 31 December 2020

STRUCTURE, GOVERNANCE AND MANAGEMENT

Risk management

The trustees have a duty to identify and review the risks to which the charity is exposed and to ensure appropriate controls are in place to provide reasonable assurance against fraud and error.

OBJECTIVES AND ACTIVITIES

Objectives and aims

The objective of the charity is to administer Aberporth Village Hall and the lands it owns for the benefit of the local population. This includes the maintenance of the Village Hall and public recreation ground.

The charity sets out to advance the mental, physical and personal developmental welfare of the community by promoting the Village Hall's facilities so that all can benefit from its use.

Public benefit

In planning our activities for the year, we kept in mind the Charity Commission's guidance on public benefit at our trustee meetings.

Volunteers

We are grateful for the many hours spent working on the various paperwork required to apply for funding from various sources, updating policies, creating the new plans for the new build and all necessary documentation, sourcing and contacting various professionals, creating Risk Assessments and following government regulations on maintaining safety etc. Without this valuable contribution of time, energy and expertise we would not have been able to achieve so much.

ACHIEVEMENT AND PERFORMANCE

Charitable activities

The Charity offers resources to the community through the "Community Fridge Project", which enables the local community to access free food and reduce food wastage. The community fridge will operate from Canolfan Dyffryn on a temporary basis until the new village hall opens in the spring of 2023.

The Charity supports the "Dillad Dwywath" scheme, where a rail of second hand clothes is located in the hall to provide free clothes to anyone from the local community.

Once Covid restrictions were removed, The Village Hall provided the facility to hire out various rooms to enable different groups to meet. This facility was provided in line with the National Welsh Government guidelines to ensure the safety of individuals using these facilities.

These activities will benefit the community and encourage future recruitment of volunteers and trustees. We welcome all members of the community to use the premises regardless of personal background, faith, gender or personal circumstances.

FINANCIAL REVIEW

Reserves policy

The Charity looks to hold one years costs in reserve.

Principal funding sources

The Charity's main source of funds this year has been from donations, hiring of the Village Hall, Community Council provided funding towards grass cutting etc., and funding for various new projects in line for the next 2-3 years. The majority of income is applied to the extensive maintenance of both halls, three car parks.
