Selected suitable accounting policies and then applied them consistently

Followed applicable accounting standards and the charities SORP.
Prepared the financial statements on the going concern basis.

Section C Objectives and activities

The objects of the charity are to help and educate boys and girls through their leisure time activities so as to develop their mental and spiritual capacities so that they may grow to full maturity as individuals and members of society and that the conditions of their lives may be improved.

Section D

Achievements and performance

Summary of the main achievements of the charity during the year	<p>During Covid we were closed for periods as directed by the Government and many of our regular hirers were unable to run their activities. One-off hirers could not go ahead with parties.</p> <p>Claremont hospital still continued to rent our car park.</p> <p>We were awarded Grants relating to Commercial premises.</p> <p>We now do not accept cash payments. We have now set up a charity PayPal account which has an invoice and tracking system and is working well. A new online booking system has been introduced.</p> <p>We have continued to improve the facilities.</p> <p>In February 21, we had a serious flood which caused much damage. Our insurers refused to pay out the amount that was estimated on a technicality (the building was underinsured).</p> <p>After some discussion, it was decided to withdraw our claim & repair / make good the damage ourselves. The cost of this was cheaper than claiming on our insurance. The cost will be shown in the next financial year. We have rectified the under insurance 'technicality' after taken advice and also changed insurers.</p> <p>We applied for a grant for equipment in the playground for £9800. This was awarded just after the year end so will be shown in the next years accounts.</p>

<p>Premises Hire conditions – small additions to the Hire Conditions have been made to keep up to date with regulations. The trustees took the decision not to put up hire charges from Sept this year again.</p> <p>Car parking spaces are still used by Claremont. This is helping the local community as there have been issues with staff parking on residential streets.</p>

Report to the trustees/
members of **Crosspool and District Youth Sports Trust**

On accounts for the year

Charity no

Set out on pages 5 - 8

Respective responsibilities of trustees and examiner The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 43(2) of the Charities Act 1993 (the 1993 Act) and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 43 of the 1993 Act,
- to follow the procedures laid down in the general Directions given by the Charity Commission (under section 43(7)(b) of the 1993 Act, and
- to state whether particular matters have come to my attention.

Basis of independent examiner's statement My examination was carried out in accordance with general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

Independent examiner's statement In connection with my examination, no matter has come to my attention

1. which gives me reasonable cause to believe that in, any material respect, the
 - to keep accounting records in accordance with section 41 of the 1993
 - to prepare accounts which accord with the accounting records and have not been met ; or
2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

Section C Notes to the accounts

Note 1 Basis of preparation

1.1 Basis of accounting

These accounts have been prepared on the basis of historic cost (except that investments are shown at market value) in accordance with:

- Accounting and Reporting by Charities – Statement of Recommended Practice (SORP 2005);
- and with*

✓

 Accounting Standards;
- or Financial Reporting Standards for Smaller Enterprises (FRSSE);
- and with the Charities Act 1993.

1.2 Change in basis of accounting

There has been no change to the accounting policies (valuation rules and methods of accounting) since last year.

1.3 Changes to previous accounts

No changes have been made to accounts for previous years.

Note 2 Accounting policies

This standard list of accounting policies has been applied by the charity except for those deleted. Where a different or additional policy has been adopted then this is detailed below.

INCOMING RESOURCES

Recognition of incoming These are included in the Statement of Financial Activities (SoFA) when:

resources

- the charity becomes entitled to the resources;
- the trustees are virtually certain they will receive the resources; and
- the monetary value can be measured with sufficient reliability.

Incoming resources with related expenditure Where incoming resources have related expenditure (as with fundraising or contract income) the incoming resources and related expenditure are reported gross in the SoFA.

Grants and donations Grants and donations are only included in the SoFA when the charity has unconditional entitlement to the resources.

Tax reclaims on donations and gifts Incoming resources from tax reclaims are included in the SoFA at the same time as the gift to which they relate.

Contractual income and performance related grants This is only included in the SoFA once the related goods or services have been delivered.

Gifts in kind Gifts in kind are accounted for at a reasonable estimate of their value to the charity or the amount actually realised.

Gifts in kind for sale or distribution are included in the accounts as gifts only when sold or distributed by the charity.

Gifts in kind for use by the charity are included in the SoFA as incoming resources when receivable.

Donated services and facilities These are only included in incoming resources (with an equivalent amount in resources expended) where the benefit to the charity is reasonably quantifiable, measurable and material. The value placed on these resources is the estimated value to the charity of the service or facility received.

Volunteer help The value of any voluntary help received is not included in the accounts but is described in the trustees' annual report.

Investment income This is included in the accounts when receivable.

Investment gains and losses This includes any gain or loss on the sale of investments and any gain or loss resulting from revaluing investments to market value at the end of the year.

EXPENDITURE AND LIABILITIES

Liability recognition Liabilities are recognised as soon as there is a legal or constructive obligation committing the charity to pay out resources.

Governance costs Include costs of the preparation and examination of statutory accounts, the costs of trustee meetings and cost of any legal advice to trustees on governance or constitutional matters.

Grants with performance conditions Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SoFA once the recipient of the grant has provided the specified service or output.

Grants payable without performance conditions These are only recognised in the accounts when a commitment has been made and there are no conditions to be met relating to the grant which remain in the control of the charity.

Support Costs Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, eg allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.

ASSETS

Tangible fixed assets for use by charity These are capitalised if they can be used for more than one year, and cost at least £500. They are valued at cost or a reasonable value on receipt.

Investments Investments quoted on a recognised stock exchange are valued at market value at the year end. Other investment assets are included at trustees' best estimate of market value.

Stocks and work in progress These are valued at the lower of cost or market value.
