SOUTH KIRKBY MINERS' WELFARE SCHEME
CHARITY REGISTRATION NUMBER 523945

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 DECEMBER 2021

The trustees present their report along with the financial statements of the charity for the year ended 31 December 2021. The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the accounts which can be found on page 7 and comply with the charities trust deed, applicable law and the Charities SORP FRS 102.

Constitution, Objectives and Activities for the Public Benefit

The charity is constituted by a Scheme dated 25 February 2003 and was registered on 10 January 1962 with the number 523945.

Its objects are to provide a recreation ground and a welfare institute for the purposes of exercise and recreation for use by those who are workers in and around coal mines in the parish of South Kirkby and Moorthorpe.

The trustees have referred to the guidance given by the Charity Commission on public benefit when reviewing the charity's aims and objectives and details of the activities that have taken place during the year can be found later in this report.

Organisational Structure

The trustees who have served the charity during the year are shown on page 1.

The charity is responsible for maintaining the premises and its contents and grounds in a suitable state of repair for use by those who live in the surrounding area. It raises income through various charitable activities, the main one being the hiring out of its facilities to the general public, but a substantial amount of its income comes from its connected trading company, South Kirkby Colliery Miners' Welfare Scheme Social Club Limited, which pays an annual occupational licence fee to the charity in order to run its business from the Charity's premises. In addition to this, the company also transfers any profits it makes to the charity under a Gift Aid agreement so the trustees work closely with the directors to try and ensure the company is profitable, thus ensuring extra income for the charity.

Trustee vacancies are advertised and interested parties are asked to apply in writing. Interviews will be held and suitable candidates are then notified to their nominating body being either CISWO, Trade Union or members. The Trustee Board is made up of equal numbers of each nominating body.

Financial Review

The trustees consider this has been a disappointing year mainly due to the COVID situation. Although further improvements and repairs have been undertaken which has improved the facilities, incoming resources have slightly increased in the year and the expenditure has also increased which resulted in an overall decrease in funds. In 2021 the total movements in funds was a deficit of £29,458 (2020: £16,571).

Review Of Activities

During the year the trust has been able to continue to undertake improvements to the buildings and grounds so as to maintain and extend their use. This is an ongoing situation with trustees continually monitoring and assessing projects and suggestions. Full use has been made of the facilities available and the sections have again been active throughout the year. The trustees would like to thank the continued support of the many individuals who give their work and efforts, voluntarily, in maintaining, promoting and supporting the various sections and the Charity itself.

REPORT OF THE TRUSTEES (CONTINUED)
FOR THE YEAR ENDED 31 DECEMBER 2021

Investment Policy

The charity does not have investment policy in place as such but the trustees have taken the sensible approach and have placed most of the liquid assets in interest bearing bank accounts.

Reserves Policy

It is the policy of the trustees to maintain unrestricted funds which are the free reserves of the charity, at a level to provide sufficient funds to cover anticipated administration and support costs for a period of 12 months. Any additional reserves are held to provide a capital fund for repairs that will be required for the upkeep of the premises.

Risk Management

The trustees are aware of the operational and financial risks which the charity faces and regularly reviews those risks to mitigate against any impact they may have on the charity. The major risks facing the charity are the continued success of the social club from which it derives its main funding, the support of individuals and the community in using the facilities and the introduction of the younger generation to provide for the future. The trustees work closely with directors, committee and members to address these risks.

Impact of COVID 19

In line with Government direction, the charity ceased all activities in March 2020 and again in November 2020. At the time of signing these accounts, activities are slowly getting back to normal and the premises are now fully open following best practice guidance available. The long term impact of the pandemic on the activities and finances of the charity cannot be assessed at the time of signing these accounts.

The Trustees are carefully managing the charity's finances and are satisfied that it will be able to continue to meet its obligations for the foreseeable future.

Statement of Trustees' Responsibilities

Law applicable to charities in England and Wales requires the trustees to prepare financial statements for each financial year which give a true and fair view of the charity and of the incoming resources and application of resources of the charity for that period. In preparing those financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping accounting records which disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities Act 2011. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF
SOUTH KIRKBY MINERS' WELFARE SCHEME

I report to the Trustees on my examination of the accounts of the above named charity (Registered Number 523945) for the period ended 31st December 2021, set out on pages 5 to 10.

Responsibilities and basis of report

As the charities trustees you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 (the Act).

I report in respect of my examination of the Trustees' accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent Examiners Statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- (1) accounting records were not kept in respect of the Charity as required by section 130 of the Act; or
- (2) the accounts do not accord with those records; or
- (3) the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of accounts to be reached.

SOUTH KIRKBY MINERS' WELFARE SCHEME
NOTES TO THE ACCOUNTS
FOR THE YEAR ENDED 31 DECEMBER 2021

1. ACCOUNTING POLICIES

a) Basis of preparation and assessment of going concern

The financial statements have been prepared under the historical cost convention unless otherwise stated in the relevant notes to these accounts. The financial statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities (FRS102), the Financial Reporting Standard (FRS102) and the Charities Act 2011.

The trustees consider that there are no material uncertainties about the Trust's ability to continue as a going concern. The trustees have a reasonable expectation that the Trust has adequate reserves to continue in operational existence for the foreseeable future. Accordingly the trustees continue to adopt the going concern basis in the preparation of the accounts.

b) Income Recognition

Income is recognised once the Charity has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

Donations are recognised when they are received.

c) Expenditure recognition

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that settlement will be required and the amount of the obligation can be measured reliably. All expenditure is accounted for on an accruals basis.

2. RESTRICTED FUNDS - GRANTS RECEIVED

A grant was received during the year ended 31 December 1998 from the English Sports Council, on the recommendation of the Lottery Awards Panel, to provide assistance in the financing of additions and improvements to the sporting facilities. These included a new floodlit crown green, floodlighting for the football pitch, changing room upgrade, cricket practice area, boundary fencing, ground equipment and car parking.

The total grant received amounted to £106,408 and the excess cost of the work required was funded directly from unrestricted funds. The grant has been credited to a restricted fund, against which the depreciation of these improvements is charged.

During 2020 there was a grant of £2,500 received from the South Kirkby and Hemsworth Miners Welfare Fund. This grant came with the condition that it should be used towards an old folk's treat and has been added to the restricted fund.

3. STAFF COSTS

No remuneration was paid to the trustees in the year and no staff costs were incurred. (2020: Nil)
