Thurcroft Institute & Recreation Ground

Report of the Trustees for the Year Ended 31 March 2022

The trustees present their report with the financial statements of the charity for the year ended 31 March 2022. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

The provision of a recreation ground and welfare institute for the benefit of the inhabitants (and in particular, but not exclusively, such of the said inhabitants as are members of the mining community) of the area of benefit without distinction of political, religious or other opinions with the object of improving the conditions of life for the said inhabitants.

Significant activities

The principal activities of the company as a Charity is the provision of a recreation ground and welfare institute for the benefit of the area without distinction of political, religious or other opinion with the object of improving the conditions of life for the said inhabitants. During the year the charity has overseen the construction of a Local Hub, on the site of the recreational ground. This offers a completely new sports and social venue, providing both changing facilities for the existing sports ground, and additionally providing indoor facilities for community and sporting activities.

FINANCIAL REVIEW

Reserves policy

The charity has maintained a good level of reserves so as to improve the facilities at both the recreation ground and the Institute (Club). Due to the size and age of the Institute the trustees believe it is essential to hold significant reserves so as to meet the cost of repairs and improvements as and when they are necessary.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The governing document of the charity is dated 7th November 2006.

There should be four nominated trustees and two elected trustees. Of the four nominated trustees two shall be appointed by the National Union of Mineworkers (Yorkshire Area) and two shall be appointed by CISWO. The two elected trustees must be appointed at the annual general meeting.

The day to day management is performed by the Secretary, whilst strategic and financial decisions are made by the trustees with input from the Secretary.

Related parties

The Thurcroft Miners Welfare Institute and Recreational Ground Scheme Social Club Limited is required by covenant to pay its annual profits over to this charity.

Risk management

The trustees believe they have addressed one major threat to the charity, of declining local inhabitants with connections to the mining industry by broadening the charities objectives to be inclusive of all local inhabitants.

Another risk to the charity is vandalism to the amenities they provide. Over the years significant monies have been spent on trying to protect the facilities from the vandals however vandalism continues to be a significant problem. The trustees plan to continue to address the problem and protect the clubs assets to provide reasonable assurance against fraud and error.
