TREETON MINERS' WELFARE INSTITUTE SCHEME
REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 DECEMBER 2023

The trustees present their report along with the financial statements of the charity for the year ended 31 December 2023. The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the accounts which can be found on page 7 and comply with the charities trust deed, applicable law and the Charities SORP FRS102.

Constitution and Objects

The charity is constituted by a lease and trust deed dated 4 July 1961 and an amended scheme dated 14 October 2003 and registered with the Charity Commission under number 523982. Its objects are to provide a welfare institute with facilities for physical recreation and other leisure time activities to improve the living conditions of the inhabitants of the village of Treeton and surrounding areas.

The trustees have referred to the guidance given by the Charity Commission on public benefit when reviewing the charity's aims and objectives and details of the activities that have taken place during the year can be found later in this report.

Organisational Structure

The trustees who have served the charity during the year are shown on page 1.

The charity is responsible for maintaining the premises and its contents and grounds in a suitable state of repair for use by those who live in the surrounding area. It raises some funds through various charitable activities but a substantial amount of its income comes from its trading company, Treeton MWI Scheme Social Club Ltd, which pays an annual occupational licence fee to the charity in order to run its business from the charity's premises. In addition to this, the company also transfers any profits it makes to the charity under a Gift Aid agreement, so the trustees work closely with the directors to try to ensure the company is profitable, thus ensuring extra income for the charity.

Financial Review

The charity had net outgoing resources of £17,952 for the year as compared with net incoming resources of £20,241 in the previous year. This is due to the large increase in utility costs with light and heat doubling and a decrease in the gift aid transfer from the Social Club.

The connected trading company has made a contribution of £29,596 (2022 : £62,153).

Review of Activities

The trustees are pleased and proud to support the local community. This is achieved by providing a free annual Christmas Party for the retired members which includes a free Christmas dinner, drinks, raffle prizes and entertainment.

Our facilities are use by various groups to hold activities such as dancing classes, keep fit, slimming classes and automobile groups.

The facilities are also used by members to raise money for various charities including Macmillan Nurses, Dementia charities and Rotherham Hospice.

The scheme possesses a bowling green available for members and the local community.

REPORT OF THE TRUSTEES (CONTINUED)
FOR THE YEAR ENDED 31 DECEMBER 2023

Investment Policy

The charity does not have an investment policy as such but the trustees have taken the sensible option and placed the bulk of the charity's liquid assets in an interest bearing bank account. This produces a small amount of income for the charity while at the same time meaning that the money is instantly accessible to meet the charity's expenses.

Reserves Policy

It is the policy of the trustees to maintain unrestricted funds which are the free reserves of the charity, at a level to provide sufficient funds to cover anticipated administration and support costs for a period of 12 months. Any additional reserves are held to provide a capital fund for repairs that will be required for the upkeep of the premises.

Risk Management

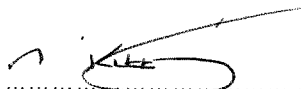

The trustees are aware of the operational and financial risks which the charity faces and regularly reviews those risks to mitigate against any impact they may have on the charity. The major risks facing the charity are the continued success of the Social Club from which it derives its main funding, the support of individuals and the community in using the facilities and the introduction of the younger generation to provide for the future. The trustees work closely with directors and members to address these risks.

Statement of Trustees' Responsibilities

Law applicable to charities in England and Wales requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the charity and of the incoming resources and application of resources of the charity for that period. In preparing those financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are also responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and which enable them to ensure that the financial statements comply with the Charities Act 2011. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention of fraud and other irregularities.
