The trustees present herewith their report for the year ended 31st March 2025
Prepared on behalf of trustees by the annually elected management committee.

3. Statement of Trustees Responsibilities for the year ended 31st March 2024

Charity law requires the trustees to prepare accounts for each financial year which give a true and fair view of the state of affairs of the Charity and of the profit and loss of the Charity for that period. In preparing these accounts, the trustees are required to:-

- Select suitable accounting policies and then apply them consistently.
- Make adjustments and estimates that are reasonable and prudent.
- Prepare the accounts on the going concern basis unless it is inappropriate to presume that the Charity will continue in operation.

We acknowledge our responsibilities for

- a. The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the Charity and to enable them to ensure that the accounts comply with the Charities Acts by keeping proper books of accounts
- b. Preparing financial statements which give a true and fair view of the state of affairs of the charity as at the Balance Sheet date and of its financial activities for the year ended 31st March 2024.
- c. The trustees are also responsible for safeguarding the assets of the Charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

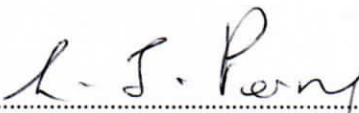

The trustees confirm that the accounts comply with current statutory requirements and those of the Charity's trust deed.

4. Report of the Independent Examiner to the Trustees of Little Mill and District Village Hall

I report on the accounts of the Little Mill and District Village Hall for the year ended 31st March 2025, which are set out below:

Respective Responsibilities of Trustees and Examiner

As the charity's trustees you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011('the Act').

I report in respect of my examination of the Trustee's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act

Responsibilities and basis of report

As the charity trustees of the charity you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011('the Act').

I report in respect of my examination of the Trustee's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act

Basis of Independent Examiner's Report

My examination was carried out in accordance with the General Directions given by the Charity Commissioners. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the view given by the accounts.

Independent Examiner's Statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- (1) accounting records were not kept in respect of the Trust as required by section 130 of the Act;
- (2) the accounts do not accord with those records;
- (3) the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

5. AGM Chair's Report 2025

It has been a busy and productive year for the Trustees of the Hall. Unfortunately, one of our trustees had to step down due to time constraints. However, we are very grateful that she continues to assist in a volunteer role. We were fortunate that two other individuals stepped forward to be co-opted on as trustees.

There have been some significant developments this year.

Building Improvements Last July we were able to replace all the doors in the main building.

With further successful fundraising and an additional grant from Llanbadoc Community Council, the Annex front door was then replaced and an accessible door with a disabled ramp was installed at the back. With the new, more secure doors, we've enhanced both energy efficiency and the overall safety of the building.

A successful Party in the Parc was held in July last year and we have another one booked in this year as part of our 90th yr Celebrations.

The firework display in November was well attended as usual, we decided to sell our own hot dogs and after preparing over 200 of them I was still dreaming about them for the next fortnight!

Last year, we hosted a Family Christmas Party that was enjoyed by everyone who attended. The children especially had a great time playing games and receiving their presents from Santa.

While a lot of work and effort went into planning, attendance was lower than expected. As a result, it has been decided that all future events will be ticketed to help us better manage numbers and plan accordingly.

Our 'Cheers for Volunteers' cheese and wine evening was held in January to thank our volunteers for their support over the last year.

With grant funding from Monmouthshire Housing, Countryside Connections installed WiFi at the Hall in January. This upgrade provides a strong, reliable internet connection and meets the modern needs of everyone who uses the hall.

Over the last year we have had an ongoing situation with the National Grid regarding a lease for the substation by the park entrance. This is specifically related to cable upgrades required by BAE. We were informed that this upgrade is necessary to their business but would also ultimately benefit local residents. This potentially leads to increased standing charges for the residents to pay for those improvements. However, negotiations regarding the lease costs are still in progress with our solicitor and at the present time all is in abeyance.

Having lived in the village for well over 40 years, I have seen a lot of changes in this community. There was a time when this building was the place for dances, meetings, Toddler and youth groups and events that brought people of all ages together.

Now, we face a real challenge: within the next five years, many community halls like ours are expected to close or be sold for property or business development. We are at a critical juncture, and the future of our hall is uncertain unless we take action now.

The good news is, we still have the opportunity to keep our community space alive. With the new doors now installed in the Annex, the project for a Community Social Hub could be well under way. As trustees, most of our time is spent chasing grants to maintain the building and dealing with red tape and all the day to day issues that occur.

To take things forward we need a dedicated Social Group of volunteers. Whether you have a couple of hours to spare or can commit more regular support we need you. Can you...

- Look into the various ways the Social Hub would work best, and help implement future changes.
- Are you someone with ideas for fundraising events & happy to help run them
- We are always looking for handy DIY er's to help with small maintenance jobs
- Social media lovers, able to run the Hall social media accounts
- And one of our most important jobs to keep everything on an even keel we Need a HALL TREASURER as ours in standing down this year.

Together, we could help prevent this valuable community space from just becoming a relic of the past.

On a personal note, I would like to express my gratitude to all trustees, volunteers, and supporters for their hard work and dedication during my time as Chair. I hope we can continue to make positive changes and improvements that benefit everyone in the community.

Thank you.

Jane Lewis - Chair of Trustees 15th April 2025

6. Booking Secretary's Report for Little Mill Village Hall 15th April 2025

Over the last twelve months we have introduced an online booking system which has improved how bookings are handled.

We still have regular bookings which really are our bread and butter. We have regular bookings for parties and other private events. Welsh Blood service hold blood donation sessions on a monthly basis and other public organisation use the hall from time to time i.e. Gwent Wildlife, Monmouthshire County Council, GAVO and other organisations.

Now that the hall has Wi-Fi this should encourage other organisations to book the hall.
