**INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF THE GUIDE ASSOCIATION CUMBRIA SOUTH**

I report on the accounts for Trust for the year ended 31st December 2025 as set out on pages 1-4.

**Respective responsibilities of trustees and examiner.**

The Charity's trustees are responsible for the preparation of the accounts. The Charity's trustees consider that an audit is not required for this year (under section 43 (2) of the Charities Act 1993 (The Act)) and that an independent examination is needed.

It is my responsibility to:

- \* *Examine the accounts (under section 43 (3)(a) of the Act*
- \* *Follow the procedures laid down in the General Directions given by the Charity Commissioners (under Section 43(7)(b) of the Act) and*
- \* *State whether particular matters have come to my attention*

**Basis of Independent examiner's statement**

My examination was carried out in accordance with the General Directions given by the Charity Commissioners.

An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures on the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the accounts.

**Independent examiner's statement**

In connection with my examination, no matter has come to my attention.

1. which gives me reasonable cause to believe that in any material respect the requirements
  - to keep accounting records in
  - \* accordance with section 41 of the 1993 Act, and
  - \* to prepare accounts which accord with the accounting records and comply
2. to which in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

**THE GUIDE ASSOCIATION CUMBRIA SOUTH  
(GIRLGUIDING CUMBRIA SOUTH)  
Annual Report of the Trustees for the Year ended 31<sup>st</sup> December 2025**

The Trustees present their report and accounts for the year ended 31<sup>st</sup> December 2025.

**Governing Instrument**

The Charity (Ref. No. 524504) is governed by Royal Charter as an unincorporated Association to pursue the objectives of the Guide Association concerned with the development of girls and young women.

**Trustees and Principal Officers**

The Trustees are elected under the terms of the Royal Charter. The following officers of the Charity held office during the year:-

Angela York – County Commissioner

Rebecca Armstrong – Assistant County Commissioner (role started Nov 2025)

Rebecca Middleton - County Treasurer (role started Jan 2025)

Division Commissioners:

Barrow - Caroline Yates

Duddon - Michelle Johnson

Kendal - Bridget Ducksbury, Alison Armer & Jane Asquith

Kent Lune – Sarah Dickinson, Lauren Boow (started May 2025)

Lakes - Emily Topping (role ended Dec 2025)

North Lonsdale - Emma Bonney & Leigh Muggridge

**Organisational Structure**

Girlguiding Cumbria South county is one of the seventeen counties of the Guide Association North West England Region. Cumbria South is made up of six divisions. The county commissioner, in consultation with members of the relevant division executive, appoints each division commissioner. The division commissioners are voting members of the county executive along with the county commissioner and 3 other officers appointed by the county commissioner.

Membership of Girlguiding Cumbria South county, in 2025, totalled 1292, made up of 1037 young members, plus 255 adult leaders and appointment holders. All members and leaders are volunteers. Girlguiding Cumbria South has ceased to pay Girlguiding North West England Region £3800.00 per annum for administrative support and this is now being done voluntarily, in house by Margaret Shannon for expenses only. This will save us a bit of money.

**Reserves**

It is the policy of the Charity to maintain unrestricted funds at a level that will cover administration costs for a minimum of two years. It has been made possible to set this level through generous legacies received from members in previous years.

**Developments, Activities and Achievement**

Girlguiding Cumbria South county gives its young members the opportunity to discover, grow and reach their full potential. The Association has a structured programme of activities which enable adults to assist young people to achieve these objectives.

### **Financial Position**

In the opinion of the Trustees the Receipts and Payments Accounts for the financial year ended 31<sup>st</sup> December 2025 show a good position. We have a significant assets balance for the upcoming year. Our plan is to use these assets to further support our members through providing leader training, encouraging county growth and facilitating opportunities for girls and young women.

### **Comments on the Accounts**

As part of our current 5 year plan in 2024 we budgeted to have a small deficit to income over the year.

### **Grants**

Thanks to the Cumbria County Council grant, all adult Leaders have had an opportunity to take part in a comprehensive training programme without having to personally bear the full cost of training fees. This has included subsidising the county Training Weekend at Waterpark outdoor centre on the shores of Coniston and free trainings throughout the year.

We also received financial assistance in the form of grants in 2025. These were the GGNW Cost of Living (£3635.66), Cumbria Freemasons (£200 towards first aid equipment) and the Region transport grant (£900).

Cumbria South has assisted members with the following: - grants towards transport using the IMDF money from region and travel grants for several members attending international events.

### **Risk Management**

The Trustees, and County Executive, have examined strategic business and operational risks which the Charity faces and believe that the systems, policies and processes exist to mitigate risks as far as possible.

### **Declaration**

I declare in my capacity of Charity Trustee that:

\*\* The trustees have approved the report above; and

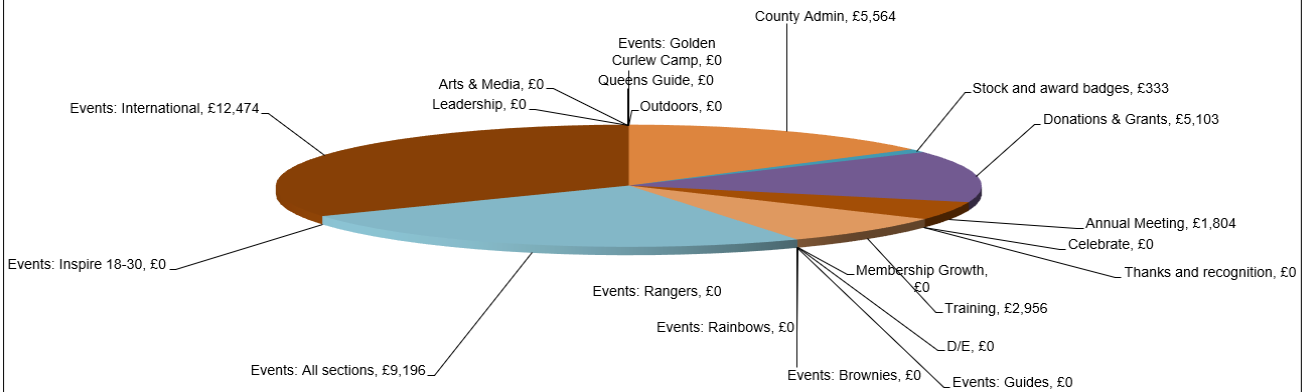

\*\* Have authorised me to sign it on their behalf

**Organisational Structure**

Girlguiding Cumbria South county is one of the seventeen counties of the Guide Association North West England Region. Cumbria South is made up of six divisions. The county commissioner, in consultation with members of the relevant division executive, appoints each division commissioner. The division commissioners are voting members of the county executive along with the county commissioner and 3 other officers appointed by the county commissioner.

Membership of Girlguiding Cumbria South county, in 2024, totalled 1249, made up of 1004 young members, plus 245 adult leaders and appointment holders. All members and leaders are volunteers. Girlguiding Cumbria South also pays Girlguiding North West England Region £3800.00 per annum for administrative support.

**Reserves**

It is the policy of the Charity to maintain unrestricted funds at a level that will cover administration costs for a minimum of two years. It has been made possible to set this level through generous legacies received from members in previous years.

**Developments, Activities and Achievement**

Girlguiding Cumbria South county gives its young members the opportunity to discover, grow and reach their full potential. The Association has a structured programme of activities which enable adults to assist young people to achieve these objectives.

### **Financial Position**

In the opinion of the Trustees the Receipts and Payments Accounts for the financial year ended 31<sup>st</sup> December 2024 show a good position. We have a significant assets balance for the upcoming year. Our plan is to use these assets to further support our members through providing leader training, encouraging county growth and facilitating opportunities for girls and young women.

### **Comments on the Accounts**

As part of our current 5 year plan in 2019 we budgeted to have a small deficit to income over the year.

### **Grants**

Thanks to the Cumbria County Council grant, all adult Leaders have had an opportunity to take part in a comprehensive training programme without having to personally bear the full cost of training fees. This has included subsidising the county Training Weekend at Waddow Hall and free trainings throughout the year.

We also received financial assistance from Cumbria Community Foundation, the Guide Association, the Guide Association (Northwest England) Tesco, Furness Lions, Masons, Kelsick's Educational Foundation, Kendal Lions.

Cumbria South has assisted members with the following: - grants towards uniform for leaders and young leaders and travel grants for several members attending international events.

### **Risk Management**

The Trustees, and County Executive, have examined strategic business and operational risks which the Charity faces and believe that the systems, policies and processes exist to mitigate risks as far as possible.

### **Declaration**

I declare in my capacity of Charity Trustee that:

\*\* The trustees have approved the report above; and

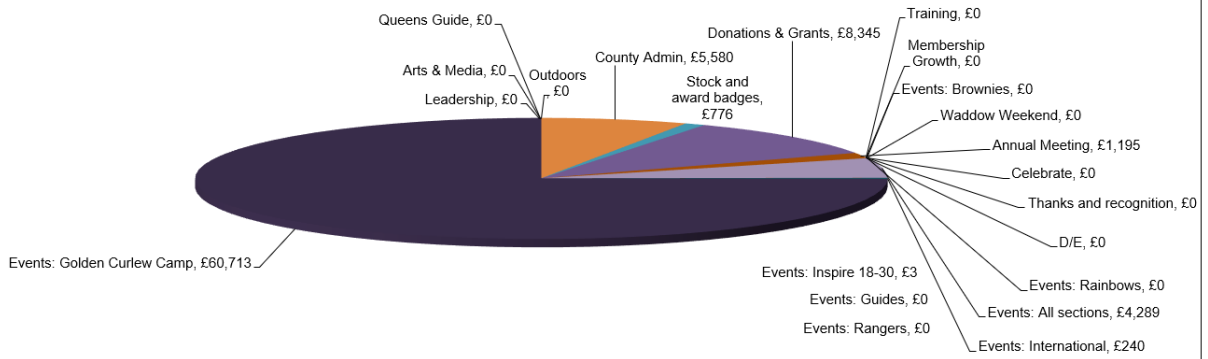

\*\* Have authorised me to sign it on their behalf

# The Friends of the Margaret Junior School

(Registered no: 1114202)

## ANNUAL REPORT for 2023

### Background.

The Friends of the Margaret Junior School was established as a registered charity in May 2006. The original objects of the Association were to “advance the education of the pupils at the Margaret Junior School, Masaka District, Uganda, by providing and assisting in the provision of facilities for education at the school.” In 2011, the Charity Commission agreed to an amendment to the constitution to include support towards ex-pupils, who were successful in gaining a place at secondary school or further education. The main activities of the Association are the raising of funds from individuals and other bodies, which are then transferred to the School Committee in Masaka, Uganda, in pursuit of the charity’s objectives and for the benefit of the school’s pupils and ex-pupils. Decisions as to expenditure are taken by the school committee after discussion with the Trustees.

### Trustees.

Trustees are elected annually by the members of the Association at an Annual General Meeting. The present Trustees are: Freda Bass, Roger Ford, Hilary Procter, Nicholas Stokes, Margaret West (Chair) and Maria Woodward. In undertaking their duties, the Trustees have taken due regard to the guidance published by the Charity Commission.

### Membership.

Membership is open to anyone willing to pay a minimum of £10:00 per annum. At the end of 2023, the Association had 32 paid-up members. This figure shows a slight but welcome increase during the year. Not all of the charity’s supporters are paid-up members and we are grateful for the supporters and sponsors who have continued to contribute over many years. We would particularly like to thank all who regularly contribute through standing orders and who use the Gift Aid facility, which contributes a significant sum to the charity’s finances .

### Activities.

The solid support and regular contributions provide the Friends with a firm financial base, which allows the Head-teacher and Committee to plan for a more confident future, rather than cope on a day-to-day basis. Both the UK and Uganda continued to struggle with the after-effects of the coronavirus pandemic. Life in Uganda has slowly begun to recover and all educational facilities remained open throughout most of 2023. Short closures were required following an outbreak of Ebola in parts of the country. Unfortunately, the school nurse contracted the virus but subsequently recovered well, following a period of quarantine and hospitalisation. The school was also affected by a local outbreak of measles, which sadly led to the death of a pupil. This was a harsh reminder of the disparate medical provision in our respective countries. One legacy of Covid has been an increase in the cost of living and families continue to struggle with the rise in prices for fuel and basic commodities.

The new vocational training centre is now operational and was named in honour of Sarah Kasujja, the school’s founder. The Education Authority has agreed to meet staffing costs for 10 years and local grants have allowed for the provision of metal work equipment and machinery. The Friends contributed towards the cost of sewing machines and shoe-making equipment.

Farming has also been added to the curriculum. During 2022, we were able to send money to the school, so that they could purchase some pigs. This was made possible by two of our supporters, who asked for financial donations instead of wedding presents. The pigs have done well and there have been lots of piglets during the year. As well as teaching the pupils about animal husbandry, the local veterinary officer has extended the classes to involve parents, instructing them in up-to-date methods. Sales of the piglets to the District Council provided funding for building toilets for the teachers, while the Council distributed the piglets to local farmers. Just one example of how the school is involved in the local community.

At home, the Christmas Appeal was successful in helping the school raise funds to replace much of the playground equipment, which had been put to good use over several years. As 2024 starts, work has commenced on the alterations and replacements. We were able to start our fund-raising programme again during the year and enjoyed a successful garden party in July, followed by a quiz later in the year. Thanks to everyone who participated and supported these enjoyable events. We are always open to new ideas for raising funds.

Currently, the Bursary Scheme embraces 39 children: 24 primary, 14 secondary, and one former pupil, who has now started at university, reading Civil Engineering. The Trustees would like to thank the individual sponsors and the local Lions Clubs in Shropshire, Cheshire and Staffordshire, who have supported this scheme. There are many more children who would still qualify, there being 349 pupils registered at the end of 2023 : 98 of whom were orphans and 5 disabled. Two previous students graduated in 2023 both gaining law degrees from Makerere University in Kampala. Both are currently practising in Magistrates' Courts. Two other students will graduate in Spring 2024.

The Trustees would like to thank all our regular donors and will review future sponsorships in the light of developments.

## Financial Review

The purpose of the charity is to support pupils and ex-pupils of the Margaret Junior School and in 2023 expenditure on the school and pupil sponsorship amounted to £47,500. This was less than in 2022 but contrasts with the £7,600 sent in 2006 when the charity was first established. Since its opening, in 2003, the school campus has developed and grown in ways which could never have been anticipated. From its original two classroom home-built building, the school now is able to accommodate over 300 pupils in a range of purpose-built facilities. In addition to paying sponsorships, the money has been spent on general funds and teachers' salaries, as well as funding a much-needed maintenance schedule.

Administrative costs remain low, at less than 1%, allowing all the money raised to be spent on the school and its pupils. Supporters can remain confident that the Trustees will continue to strive to ensure that money donated goes directly to support the school and its pupils. A Reserve Policy has been established by the Trustees and a sum of £4000 is set aside for this purpose. This is the amount required for one semester at the Junior School.

## Future Plans

Since the "Friends of the Margaret Junior School" was first incorporated as a charity in 2006, priority has been given to building up the infrastructure of the school. This has resulted in the purchase of the land; the installation of a supply of clean water; the building of pit latrines and two four-classroom blocks; the provision of basic hostel accommodation; a multi-purpose examination room and a vocational training facility. The transformation from the modest beginnings in 2003 is a significant achievement and the Trustees would like to thank all our supporters, many of whom have been involved since the school first opened 20 years ago. Additionally, other buildings have been erected by the parents and local community to enhance the educational, administrative, washing and cooking facilities. These are significant achievements. This highlights the standing that the school has achieved in the local community.

The Vocational Training Centre is now operational with two workshops up and running. We hope that it will be possible for the school committee to bring the computer workshop on stream in 2024 but that will require significant funding.

The Trustees are mindful that the current arrangements are not sustainable in the long term and we will need to address the future funding of the school and look for a greater contribution from local resources in Uganda. The recruitment of younger Trustees is something we would like to achieve and closer links with other similar charities will also be considered.

The Trustees would like to thank all our donors, sponsors and members for their loyal support for the school.

Margaret West

**INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF THE GUIDE ASSOCIATION CUMBRIA SOUTH**

I report on the accounts for Trust for the year ended 31st December 2023 as set out on pages 1-4.

**Respective responsibilities of trustees and examiner.**

The Charity's trustees are responsible for the preparation of the accounts. The Charity's trustees consider that an audit is not required for this year (under section 43 (2) of the Charities Act 1993 (The Act)) and that an independent examination is needed.

It is my responsibility to:

- \* Examine the accounts (under section 43 (3)(a) of the Act
- \* Follow the procedures laid down in the General Directions given by the Charity Commissioners (under Section 43(7)(b) of the Act) and
- \* State whether particular matters have come to my attention

**Basis of Independent examiner's statement**

My examination was carried out in accordance with the General Directions given by the Charity Commissioners.

An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures on the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the accounts.

**Independent examiner's statement**

In connection with my examination, no matter has come to my attention.

1. which gives me reasonable cause to believe that in any material respect the requirements
  - \* to keep accounting records in accordance
  - the accounting requirements of the Act
  - \* have not been met, or
2. to which in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

**INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF THE GUIDE ASSOCIATION CUMBRIA SOUTH**

I report on the accounts for Trust for the year ended 31st December 2023 as set out on pages 1-4.

**Respective responsibilities of trustees and examiner.**

The Charity's trustees are responsible for the preparation of the accounts. The Charity's trustees consider that an audit is not required for this year (under section 43 (2) of the Charities Act 1993 (The Act)) and that an independent examination is needed. It is my responsibility to:

- \* *Examine the accounts (under section 43 (3)(a) of the Act*
- \* *Follow the procedures laid down in the General Directions given by the Charity Commissioners (under Section 43(7)(b) of the Act) and*
- \* *State whether particular matters have come to my attention*

**Basis of Independent examiner's statement**

My examination was carried out in accordance with the General Directions given by the Charity Commissioners. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures on the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the accounts.

**Independent examiner's statement**

In connection with my examination, no matter has come to my attention.

1. which gives me reasonable cause to believe that in any material respect the requirements
  - to keep accounting records in accordance
  - \* with section 41 of the 1993 Act, and
  - to prepare accounts which accord with
  - \* the accounting records and comply with
2. to which in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

**THE GUIDE ASSOCIATION CUMBRIA SOUTH  
(GIRLGUIDING CUMBRIA SOUTH)  
Annual Report of the Trustees for the Year ended 31<sup>st</sup> December 2022**

The Trustees present their report and accounts for the year ended 31<sup>st</sup> December 2022.

**Governing Instrument**

The Charity (Ref. No. 524504) is governed by Royal Charter as an unincorporated Association to pursue the objectives of the Guide Association concerned with the development of girls and young women.

**Trustees and Principal Officers**

The Trustees are elected under the terms of the Royal Charter. The following officers of the Charity held office during the year:-

Sarah Beale – County Commissioner  
Jane Asquith – Assistant County Commissioner  
Vicki Noble – Assistant County Commissioner -  
Rachel Jackson - County Treasurer

Division Commissioners:

Michelle Johnson  
Barb Quine  
Lindsey Cooper  
Fiona Ducksbury  
Rebecca Armstrong  
Lauren Boow & Louise Hartley

**Organisational Structure**

Girlguiding Cumbria South county is one of the seventeen counties of the Guide Association North West England Region. Cumbria South is made up of six divisions. The county commissioner, in consultation with members of the relevant division executive, appoints each division commissioner. The division commissioners are voting members of the county executive along with the county commissioner and 3 other officers appointed by the county commissioner.

Membership of Girlguiding Cumbria South county, in 2022, totaled 1454, made up of 1149 young members, plus 305 adult leaders and appointment holders. All members and leaders are volunteers. Girlguiding Cumbria South also pays Girlguiding North West England Region £3350.00 per annum for administrative support.

**Reserves**

It is the policy of the Charity to maintain unrestricted funds at a level that will cover administration costs for a minimum of two years. It has been made possible to set this level through generous legacies received from members in previous years.

**Developments, Activities and Achievement**

Girlguiding Cumbria South gives its young members the opportunity to discover, grow and reach their full potential. The Association has a structured programme of activities which enable adults to assist young people to achieve these objectives.

### **Financial Position**

In the opinion of the Trustees the Receipts and Payments Accounts for the financial year ended 31<sup>st</sup> December 2022 show a good position. We have a significant assets balance for the upcoming year. Our plan is to use these assets to further support our members through providing leader training, encouraging county growth and facilitating opportunities for girls and young women.

### **Comments on the Accounts**

As part of our current 5 year plan in 2019 we budgeted to have a small deficit to income over the year.

### **Grants**

Thanks to the Cumbria County Council grant, all adult Leaders have had an opportunity to take part in a comprehensive training programme without having to personally bear the full cost of training fees. This has included subsidising the county Training Weekend at Waddow Hall and free trainings throughout the year. We also received financial assistance from Community Match Grant for 2 units, Sports England – Motivate and Furness Building Society Community.

Cumbria South has assisted members with the following: - grants towards uniform for leaders and young leaders and travel grants for several members attending international events.

### **Risk Management**

The Trustees, and County Executive, have examined strategic business and operational risks which the Charity faces and believe that the systems, policies and processes exist to mitigate risks as far as possible.

### **Declaration**

I declare in my capacity of Charity Trustee that:

\*\* The trustees have approved the report above; and

\*\* Have authorised me to sign it on their behalf

**Sarah Beale**  
**County Commissioner**
