## DISTRICT TEAM REPORT

### *FOR THE YEAR ENDED 30 APRIL 2023*

---

The District Team present their annual report and financial statements for the year ended 30 April 2023.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the charity's governing document, the Charities Act 2011 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (as amended for accounting periods commencing from 1 January 2016).

#### **Objectives and activities**

The charity's objects are to contribute to the development of young people in achieving their full physical, intellectual, social and spiritual potentials, as individuals, as responsible citizens and as members of their local, national and international communities. Nuneaton Scout Council carries out this purpose across Nuneaton via 10 local groups.

Nuneaton District Scout Council supports the strategies of The Scout Association.

- Growth - Scouting succeeds when we offer opportunities to as many young people as possible.
- Inclusivity - Scouting continues to become more reflective of the diversity of UK society.
- Youth Shaped - Scouting works better when young people shape their experiences.
- Community Impact —Scouting is an active part of the community and works with the community.

For the next five years, 2018-2023, we will engage in the Skills for Life strategy which has developed from Scouting for All.

#### Our Mission

- Scouting actively engages and supports young people in their personal development, empowering them to make a positive contribution to society.

#### Our Values

- We act with care, respect, integrity, cooperation, exploring our own and others' beliefs.

#### Our Goals

- Growth
- Inclusivity
- Youth Shaped
- Community Impact

To support the achievement of these Goals, we will focus on three pillars of work:

#### People

- More, well trained, better supported and motivated adult volunteers, and more young people from diverse backgrounds.

#### Perception

- Scouting is understood, more visible, trusted, respected and widely seen as playing a key role in society today

#### Programme

- A fun, enjoyable, high quality programme consistently delivered and supported by simple (digital) tools.

The District Team have paid due regard to guidance issued by the Charity Commission in deciding what activities the charity should undertake.

**FOR THE YEAR ENDED 30 APRIL 2023**

### **Achievements and performance**

This year we welcomed back our major sectional activities. During the pandemic our membership numbers did take a hit in all our Groups but we have had an increase across all groups within the past 12 months. Going forward we will be starting to rebuild the district team and focusing on delivering exciting opportunities for the young people and adults within the district.

Gang Show returned in March 2023 with a high cast number to make it an amazing show.

Our volunteer adults also took this time ensure all mandatory training was up to date and completed the Woodbadge through the various training sessions that have been available online.

We will be looking to work further on the new transformation objectives that have been put in place by the Scout Association over the next 12 months to help to support the growth in our membership, forge great partnerships with the local communities and try to be inclusive with regards to Gender, Disability and Ethnicity.

As a district we will be looking forward at the remainder of the 2023 diary and looking at opportunities which can be offered moving in to 2024.

Nuneaton District has a solid foundation with a great team of adult volunteers providing exciting and dynamic programmes for the young people of the area, teaching life skills as well as having plenty of fun along the way.

### **Financial review**

During the year income of £178,760 was used to fund our charitable activities.

Our reserves policy is to hold sufficient resources to continue the charitable activities of the District should income or fund-raising activities fall short of expectations and to enable the District to underwrite its planned programme of activities (including large scale events).

None of the funds managed are in deficit and no assets are held by the Charity in the capacity of custodian trustee.

The District has adopted a low risk investment strategy and all funds are held in current accounts and interest bearing accounts, using only mainstream banks.

It is the policy of the charity that unrestricted funds which have not been designated for a specific use should be maintained at a level equivalent to between three and six month's expenditure. The District Team considers that reserves at this level will ensure that, in the event of a significant drop in funding, they will be able to continue the charity's current activities while consideration is given to ways in which additional funds may be raised. This level of reserves has been maintained throughout the year.
