STRUCTURE, GOVERNANCE AND MANAGEMENT

Humberside County Scout Council is the electoral body that supports Scouting in the Scout County of Humberside. It is the body to which the County Executive Committee is accountable. The role of the County Executive Committee is to support the County Commissioner in meeting the responsibilities of their appointment and to provide support for the Districts and Scout Network in the County.

The Council's governing documents are those of the Scout Association. They consist of a Royal Charter which in turn gives authority to the by-laws of the Association and the Policy Organisation and Rules of the Scout Association.

The Council is a trust established under its rules which are common to all Scouts.

The Council is managed by the Executive Committee, the members of which are the Charity Trustees. As Charity Trustees they are responsible for complying with legislation applicable to charities. This includes the registration, keeping proper accounts and submitting returns to the Charity Commissioner, as appropriate.

Membership of the Council is governed by the Policy, Organisation and Rules of The Scout Association.

The Council exists to support Districts and Scout Groups within the Humberside Area.

The Council have complied with the duty in Section 17(5) of the Charities Act 2011 to have due regard to the public benefit guidance as published by the Charities Commission. The public benefit criterion was met under both advancement of education and the advancement of citizenship or community development headings.

TRUSTEES' REPORT (Continued)

YEAR ENDED 31 MARCH 2022

STRUCTURE, GOVERNANCE AND MANAGEMENT (continued)

Two key principles that demonstrate that scouting aims are for public benefit are: -

- 1 (a) Through the scout method young people develop towards their full potential.
(b) The clear link between the benefits for young people and the purpose of scouting.
(c) The safety of young people is taken very seriously and the benefits far outweigh the risks.
- 2 (a) The aim of scouting refers to young people and the beneficiaries are aged between 6 and 25.
(b) Full scouting membership is restricted to young people who are willing to make the scout promise.
(c) The Association does not exclude those in poverty from its benefits. The Association does charge a subscription to its youth members. However the benefits of scouting are not restricted by the ability to pay.
(d) Any private benefits from scouting are incidental other than to those as a beneficiary.

OBJECTIVES AND ACTIVITIES

The purpose of the Council is to contribute to the development of young people in achieving their full physical, intellectual, social and spiritual potentials, as individuals and as responsible citizens. This is done through a variety of activities in partnership with adults such as learning by doing, taking part in activities outdoors, taking responsibility for their own actions, sharing in prayer and worship and making and living at their Scout Promise.

ACHIEVEMENTS AND PERFORMANCE

See accompanying *Reports* booklet.

FINANCIAL REVIEW

The Charity receives income from membership subscriptions, Raywell Park bookings, gifts, donations, grants and interest from its various investments. During the year under review, £69,770 has been spent on assets and improvements to Raywell Park (2021 - £5,372).

RESERVES POLICY

The County Executive has a policy of maintaining reserves at a level between six to twelve months of resources expended. Reserves are measured as Net Current Assets and resources expended is represented by a normalised year of costs estimated at £90,000 (average level of expenditure in recent years after deducting depreciation and costs relating to activities for which income is collected before costs are committed). The Net Current Assets at the year-end of £63,884 represents circa eight to nine months of resources expended and therefore the County Executive is operating within policy at the balance sheet date.

During the year under review the income in respect of unrestricted funds amounted to £117,917 (2021 - £84,772) which is used to finance direct charitable expenditure and other indirect expenditure amounting to £117,760 (2021 - £91,578).

RESERVES POLICY (Continued)

The impact of the COVID 19 pandemic continued into the financial year. However, there was a safe return to face to face Scouting activity for the majority of the financial year and the Raywell Park site was re-opened to customers with some restrictions. Precautions have continued to be taken to protect our volunteers visiting sites, and normal levels of governance have been maintained. The trustees continue to monitor the impact of the situation on the charity's reserves.

As a result of the COVID 19 pandemic and more general economic uncertainties including cost of living and energy price rises, we have and will continue to take reasonable steps as follows:

- Actively managing Raywell site running costs and limiting expenditure where possible. Work continues with our professional fundraiser to identify external funds which we can use to continue our maintenance and development programmes;
- Continued to closely monitor the reserves levels, and as noted in the Reserves Policy, at the balance sheet date and beyond we hold reserves which represent circa eight months of expenditure levels assuming no income is received.

The Trustees will continue to monitor the effects and continue to work in the best interests of the charity.

TRUSTEES' RESPONSIBILITIES

The charity's trustees are responsible for preparing the annual report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales requires the Council to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing these financial statements, the general committee are required to: -

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The Council are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011. The Council are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

HUMBERSIDE COUNTY SCOUT COUNCIL

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF HUMBERSIDE COUNTY SCOUT COUNCIL

YEAR ENDED 31 MARCH 2022

I report on the accounts of the charity for the year ended 31 March 2022 set out on pages 5 to 11.

RESPECTIVE RESPONSIBILITIES OF TRUSTEES AND INDEPENDENT EXAMINER

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011(the 2011 Act) and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the 2011 Act;
- to follow the procedures laid down in the General Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- to state whether particular matters have come to my attention.

BASIS OF INDEPENDENT EXAMINER'S STATEMENT

My examination was carried out in accordance with the General Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on whether the accounts present a 'true and fair view' and the report is limited to those matters set out below.

INDEPENDENT EXAMINER'S STATEMENT

In connection with my examination, no matter has come to my attention:

- (1) which gives me reasonable cause to believe that in any material respect the trustees have not met the requirements to ensure that:
 - proper accounting records are kept in accordance with section 145(5)(b) of the 2011 Act; and
 - accounts are prepared which agree with the accounting records and comply with the accounting requirements of the Act; or
- (2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

NOTES TO THE FINANCIAL STATEMENTS

YEAR ENDED 31 MARCH 2022

1 Accounting Policies

(a) Basis of Accounting

- 1) These accounts have been prepared under the historical cost convention, the Charities Act 2011 and in accordance with the recommendations of the Statement of Recommended Practice Accounting and Reporting by Charities.
- 2) These accounts have been prepared on the accruals basis and include income and expenditure as it is earned or incurred other than donations which are accounted for as they are received.

- (b) Fixed Assets are included in the accounts at historical cost and are to be depreciated at rates estimated to write off the relevant assets over their expected useful lives. The cost of minor additions or those below £500 are not capitalised.

The rates per annum are: -

Buildings	2%, 5% and 10% of cost
Sewerage Plant	5% of cost
Furniture and Equipment	10%, 15% and 20% of cost
Motor Vehicles	20% of cost

- (c) Stock is valued on a basis consistent with previous years at the lower cost and net realisable value.
- (d) Grants are received for specific expenditure purposes against current costs and for improvement of the Council's facilities. Against Capital Investment, the grant is not used to reduce the cost of the asset but credited to income, except in a situation where the project has not yet commenced, the grant is carried forward to the following year.
- (e) Donations can be both general and specific and are treated as income in the year in which they are received unless, as with specific grants, no expenditure has occurred in the year when the donation is carried forward to the following year.
- (f) Funds
General funds represent the funds of the Council that are not subject to any restrictions regarding use and are available for application on the general purposes of the Council.

Funds designated for a particular purpose by the Council are also unrestricted.

Restricted funds are funds that can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.
