Description of the charity's trusts

Type of governing document

(e.g. trust deed, constitution)

The Group's governing documents are those of the Scout Association. They consist of a Royal Charter, which in turn gives authority to the Bye Laws of the Association and The Policy, Organisation and Rules of The Scout Association.

How the charity is constituted

(e.g. trust, association, company)

The Group is a trust established under its rules which are common to all Scouts.

Trustee selection methods

(e.g. appointed by, elected by)

The Trustees are appointed in accordance with the Policy, Organisation and Rules of The Scout Association.

Additional governance issues (optional information but encouraged as best practice)

You may choose to include additional information, where relevant, about:

Policies and procedures adopted for:

- a) the induction and training of trustees;
- b) trustee consideration of major risks and the systems and procedures to manage them

The Group is managed by the Group Executive Committee, the members of which are the 'Charity Trustees' of the Scout Group which is an educational charity. As charity trustees they are responsible for complying with legislation applicable to charities. This includes the registration, keeping proper accounts and making returns to the Charity Commission as appropriate.

The Committee consists of 3 independent representatives, Chair, Treasurer and Secretary together with the Group Scout Leader, individual section leaders (if opted to take on the responsibility) and parent's representation and meets every month.

Members of the Executive Committee complete '*Essential Information for Executive Committee*' training within the first 5 months of joining the committee.

This Group Executive Committee exists to support the Group Scout Leader in meeting the responsibilities of the appointments and is responsible for:

- The maintenance of Group property;
- The raising of funds and the administration of Group finance;
- The insurance of persons, property and equipment;
- Group public occasions;
- Assisting in the recruitment of leaders and other adult support;
- Appointing any sub committees that may be required;
- Appointing Group Administrators and Advisors other than those who are elected.

Risk and Internal Control

The Group Executive Committee has identified the major risks to which they believe the Group is exposed, these have been reviewed and systems have been established to mitigate against them. The main areas of concern that have been identified are:

Damage to the building, property and equipment. The Group would request the use of buildings, property and equipment from neighbouring organisations such as the church, community centre and other Scout Groups. Similar reciprocal arrangements exist with these organisations. The Group has increased the amount of insurance cover to ensure we have sufficient buildings and contents insurance in place to mitigate against permanent loss.

Injury to leaders, helpers, supporters and members. The Group through the capitation fees contributes to the Scout Associations national accident insurance policy. Risk Assessments are undertaken before all activities.

The Committee will raise the value of subscriptions to increase the income to the group on an ongoing basis, this will be done every year.

Reduction or loss of leaders. The group is totally reliant upon volunteers to run and administer the activities of the group. If there was a reduction in the number of leaders to an unacceptable level in a particular section or the group as a whole then there would have to be a contraction, consolidation or closure of a section. In the worst case scenario the complete closure of the Group.

Reduction or loss of members. The Group provides activities for all young people aged 6 to 18. If there was a reduction in membership in a particular section or the group as whole then there would have to be a contraction, consolidation or closure of a section. In the worst case scenario the complete closure of the Group.

The group has in place systems of internal controls that are designed to provide reasonable assurance against material mismanagement or loss, these include 2 signatories for all payments and a comprehensive insurance policies to ensure that insurable risks are covered. The Group have also changed the meeting and governance structure to ensure all required aspects are covered.

Section D	Achievements and performance

Summary of the main achievements of the charity during the year	Weekly meetings carried out a variety of camps & activities badge work carried out by youngsters visits to other organisations. Our HQ continued to be developed with more purchases to support our groups, fundraising was also carried out for equipment purchase, section funds, camps & activities. Our HQ building is extremely popular in the Community and is used by several local groups as well as numerous private Birthday parties etc. Other Scout groups also made use of the HQ building and mobile Climbing Wall for weekend activities. Overall we have managed to get our HQ building self funding through hires whilst not impacting Scouting groups use which always has priority. Fundraising can then be given back to the children attending group meetings and activities.

Section E	Financial Review
Brief statement of the charity's policy on reserves	<p>Reserves Policy</p> <p>The Group's policy on reserves is to hold sufficient resources to continue the charitable activities of the group should income and fundraising activities fall short. The Group Executive Committee considers that the group should hold a sum equivalent to 12 months running costs, circa £10,000.</p> <p>The Group held reserves of approximately £10,000 against this at year end.</p>
Quantify and explain any designations	
Details of any funds materially in deficit (circumstances plus steps to eliminate)	
Further financial review details (optional information)	
<p>You may choose to include additional information, where relevant, about:</p> <ul style="list-style-type: none"> the charity's principal sources of funds (including any fundraising); 	<p>Investment Policy</p> <p>The Group's Income and Expenditure is very small and as a consequence does not have sufficient funds to invest in longer-term investments such as stocks and shares. The Group has therefore adopted a low risk strategy to the investment of its funds. All funds are held in cash using only mainstream banks.</p>

- how expenditure has supported the key objectives of the charity;

The Group Executive regularly monitors the levels of bank balances and the interest rates received to ensure the group obtains maximum value and income from its banking arrangements. Occasionally this may involve using an account that requires a period of notice before funds may be withdrawn, before doing so the Group Executive considers the cash flow requirements. We always invest below the level of the banking guarantee scheme (£85,000 as at 31/03/2019) as an extra safeguard.

- investment policy and objectives;

Independent Examiner's Report to the Trustees of the

58th Doncaster Scout Group

I report on the accounts of the Group/District/County/Area for the year ended **31 March 2024**

which comprise the Statement of Financial Activities, the Balance Sheet and related notes set out on pages 2-3.

This report is made solely to the trustees in accordance with Section 145 of the Charities Act 2011. My work has been undertaken so that I might state to the charity's trustees those matters I am required to state to them in an Independent Examiner's report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the charity and the charity's trustees for my examination work.

Respective responsibilities of Trustees and Examiner

The Group's/District's trustees are responsible for the preparation of the accounts. They consider that an audit is not required for this year (under Section 144 of the Charities Act 2011 (the Charities Act)) and that an independent examination is needed.

It is my responsibility to:

- Examine the accounts (under Section 145 of the Charities Act);
- To follow the procedures laid down in the General Directions given by the Charity Commissioners (under Section 145(5)(b) of the Charities Act); and
- To state whether particular matters have come to my attention.

Basis of Independent Examiner's report

My examination was carried out in accordance with the General Directions given by the Charity Commissioners. An examination includes a review of the accounting records kept by the Group/District and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

Independent Examiner's statement

In connection with my examination, no matter has come to my attention (other than that disclosed below *):

1. which gives me reasonable cause to believe that in, any material respect, the requirements
 - to keep accounting records in accordance with Section 130 of the Charities Act ;and
 - to prepare accounts which accord with the accounting records and comply with the accounting requirements of the Charities Act have not been met; or
2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
