### Trustees' Annual Report for the year ended 31 December 2021

#### Financial review

##### *The charity's financial position at the end of the year ended 31 December 2021*

The financial position of the charity at 31 December 2021 and comparatives for the prior period, as more fully detailed in the accounts, can be summarised as follows:-

	2021	2020
	£	£
Net (expenditure)/income	(6,589)	16
Unrestricted Revenue Funds available for the general purposes of the charity	303,248	307,117
Designated Revenue Funds	19,767	22,487
<b>Total Unrestricted Funds</b>	<b>323,015</b>	<b>329,604</b>
<b>Total Funds</b>	<b>323,015</b>	<b>329,604</b>

##### *Financial review of the position at the reporting date, 31 December 2021 .*

The trustees consider the financial performance by the charity during the year to have been satisfactory, taking into consideration the global Coronavirus pandemic (see note below).

##### *Policies on reserves.*

The charity requires to retain reserves to cover expenditure for two years of operation, and to meet the financial requirements of the seasonal publishing cycle.

##### *Availability and adequacy of assets*

The board of trustees is satisfied that the charity's assets are available and adequate to fulfil its obligations.

##### *Significant events which have affected the financial performance and the financial position.*

Naturally the work of the Sunday School Council was affected by the impact of the global pandemic. It is good to note that the charity's work continued over this period, with employees focusing their energy on developing digital web resources in response to the pandemic, in order to assist churches and Sunday schools with new resources in this period. We also continued to work with authors and editors to develop new print resources.

But bookshops remained closed for much of the year, and other sales opportunities were scarce, so book sales suffered significantly as a result. However, a business grant was received from the Welsh Government through Gwynedd Council to help us over this period, towards making good the shortfall due to lower than usual book sales.

##### *Investment policy and investment objectives.*

In the financial review section of this report there is a description of the investment policies and objectives established by the trustees and the extent to which social environmental or ethical considerations are taken into account.

The investment performance achieved against the objectives set was satisfactory.

## **Cyngor Ysgolion Sul Ac Addysg Gristnogol Cymru**

### **Trustees' Annual Report for the year ended 31 December 2021**

#### ***Risks and uncertainties facing the charity.***

The trustees identify the major risks to which the charity is exposed each financial year when preparing and updating a strategic plan, in particular those related to the operations and finances of the charity. The trustees then review any major risks which have been identified, and establish systems to mitigate those risks. The charity is satisfied that the systems are in place to mitigate their exposure to the major risks which have been so identified and reviewed.

#### ***Principal funding sources in the year and how these support the key objectives of the charity.***

The Council's main funding during the year has been from denominational grants, and from the Education Sunday Appeal to churches and individuals, and has also been derived from sale of charity Christmas cards and popular books. The expenditure on staff, on travelling expenses, on publishing and on financial administration has been paid for from this income.

#### **Statement of Trustees's Responsibilities**

The charity's trustees are responsible for the preparation of the accounts in accordance with the terms of the Charities Act 2011 and the Charities (Accounts and Reports) Regulations 2008. Notwithstanding the explicit requirement in the extant statutory regulations, the Charities (Accounts and Reports) Regulations 2008, to prepare the financial statements in accordance with the SORP 2005, in view of the fact that the SORP 2005 has been withdrawn, the Trustees determined to interpret this responsibility as requiring them to follow current best practice and prepare the accounts according to the FRS 102 SORP (Statement of Recommended Practice for Accounting and Reporting by Charities) 2015 (as amended by the Bulletin issued in February 2016).

In particular, charity law requires the Trustees, if they prepare accounts on an accruals basis, to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity as at the end of the financial year and of the surplus or deficit of the charity. In preparing those financial statements the Trustees are required to :-

- to prepare the accounts in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law).
- select suitable accounting policies and apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business;
- state whether applicable accounting standards and statements of recommended practice have been followed, subject to any material departures disclosed and explained in the financial statements;

The law requires that the trustees must not approve the accounts unless they are satisfied that they give a true and fair view of the state of affairs of the charity and of the surplus or deficit of the charity for the year.

## **Cyngor Ysgolion Sul Ac Addysg Gristnogol Cymru**

### **Trustees' Annual Report for the year ended 31 December 2021**

The Trustees are also responsible for maintaining adequate accounting records which disclose with reasonable accuracy at any time the financial position of the charity and which are sufficient to show and explain the charity's transactions and enable them to ensure that the financial statements comply with regulations made under the Charities Act 2011. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Trustees are also responsible for the contents of the Trustees' report, and the statutory responsibility of the Independent Examiner in relation to the Trustees' report is limited to examining the report and ensuring that, on the face of the report, there are no material inconsistencies with the figures disclosed in the financial statements.

This report was approved by the board of trustees on 13 June 2022.

### ***Independent examiner's report to the Trustees of Cyngor Ysgolion Sul Ac Addysg Gristnogol Cymru***

I report on the accounts of the Trust for the year ended 31st December 2021, which are set out on pages 8 to 26.

#### ***Respective responsibilities of trustees and examiner***

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the 2011 Act;
- to follow the procedures laid down in the General Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- to state whether particular matters have come to my attention.

#### ***Basis of independent examiner's report***

My examination was carried out in accordance with the General Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and the seeking of explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and, consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in

#### ***Independent examiner's statement***

In connection with my examination, no matter has come to my attention:

1 which gives me reasonable cause to believe that, in any material respect, the requirements:

- to keep accounting records in accordance with section 130 of the 2011 Act; and
- to prepare accounts which accord with the accounting records and to comply with the accounting requirements of the 2011 Act

have not been met;

or

2 to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

## Notes to the Accounts for the year ended 31 December 2021

### 1 Accounting policies

#### *Policies relating to the production of the accounts.*

##### **Basis of preparation and accounting convention**

The accounts have been prepared on the accruals basis, under the historical cost convention, and in accordance with the Financial Reporting Standard 102, (effective 1st January 2016) and 'FRS 102 SORP (Statement of Recommended Practice for Accounting and Reporting by Charities) 2015 (as amended by the Bulletin issued in February 2016) published by the Charity Commission in England & Wales (CCEW) ,effective January 2016, (The SORP), and in accordance with all applicable law in the charity's jurisdiction of registration, except that the charity has prepared the financial statements in accordance with the FRS 102 SORP (Statement of Recommended Practice for Accounting and Reporting by Charities) 2015 (as amended by the Bulletin issued in February 2016) in preference to the previous SORP, the SORP 2005, which has been withdrawn, notwithstanding the fact that the extant statutory regulations, the Charities (Accounts and Reports) Regulations 2008 refer explicitly to the SORP 2005. This has been done to accord with current best practice.

##### **Risks and future assumptions**

The accounts have been prepared on a going concern basis and the Trustees that there are no key assumptions concerning the future, and other key sources of estimation uncertainty at the reporting date that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next reporting period.

#### *Policies relating to categories of income and income recognition.*

##### **Income recognition**

Income, whether from exchange or non exchange transactions, is recognised in the statement of financial activities (SOFA) on a receivable basis, when a transaction or other event results in an increase in the charity's assets or a reduction in its liabilities and only when the charity has legal entitlement, the income is probable and can be measured reliably.

Income subject to terms and conditions which must be met before the charity is entitled to the resources is not recognised until the conditions have been met.

All income is accounted for gross, before deducting any related fees or costs.

##### **Income from legacies**

Income from legacies is recognised when the charity has sufficient evidence that a gift has been left to them, that where required, probate has been granted, the executor is satisfied that the property in question will not be required to satisfy claims in the estate, that it is probable that the amount will be received by the charity, and the amount to be received can be estimated with sufficient accuracy, and that any conditions attached to the legacy are either within the control of the charity or have been met.

Where a payment is received from an estate or is notified as receivable by the executors after the reporting date and before the accounts are authorised for issue but it is clear that the payment had been agreed by the executors prior to the end of the reporting period, then the amount concerned is treated as an adjusting event and accrued as income in the accounting period if receipt is probable.

Where the charity has established entitlement to a legacy but there is uncertainty as to the amount of the payment, details of the legacy are disclosed as a contingent asset until the criteria for income recognition are met. Where a legacy is subject to the interest of a life tenant, the legacy is not recognised as income until the death of the life tenant.

If it is doubtful that full settlement of a legacy debtor will be received, then an adjustment is made to reduce the amount of the legacy debtor and legacy income rather than charging the adjustment as expenditure in the Statement of Financial Activities

## **Notes to the Accounts for the year ended 31 December 2021**

### **Membership subscriptions**

The income and any associated Gift Aid or other tax refund from a membership subscription received by the charity in the nature of a gift, is accounted for on the same basis as a donation.

### ***Policies relating to expenditure on goods and services provided to the charity.***

#### **Recognition of liabilities and expenditure**

A liability, and the related expenditure, is recognised when a legal or constructive obligation exists as a result of a past event, and when it is more likely than not that a transfer of economic benefits will be required in settlement, and when the amount of the obligation can be measured or reliably estimated.

#### **Allocating costs to activities**

Direct costs that are specifically related to an activity are allocated to that activity.

#### **Allocation of costs within types of resources expended**

The charity's operating costs include staff costs and other related costs. Such costs are allocated between types of resources expended and between charitable expenditure and management and administration on the basis of estimates made by the directors.

Administration expenditure includes all expenditure not directly related to charitable activity. In respect of certain items of expenditure it is a matter of judgement as to whether such items are direct charitable expenditure, or are administrative, and the directors have applied what they consider to be reasonable judgements in apportioning such costs.

### **Volunteers**

In accordance with the SORP, and in recognition of the difficulties in placing a monetary value on the contribution from volunteers, the contribution of volunteers is not included within the income of the charity.

### ***Policies relating to assets, liabilities and provisions and other matters.***

#### **Fixed Asset Investments**

Fixed asset investments in quoted shares, traded bonds, investment properties and similar investments are shown initially at cost upon acquisition and at their market value at the balance sheet date at the end of the financial period. Investment properties are not depreciated.

Fixed asset investments in unlisted equities are shown at the balance sheet date at the best estimate of their market value, where practicable. Where valuation techniques are considered unreliable or where, in the opinion of the trustees, the costs outweigh the benefits to the users of the accounts, the investment is included at cost, and a review is undertaken at each year end as to whether the asset should be written down.

All gains on fixed asset investments, whether realised or unrealised, are included in row B4 of the Statement of Financial Activities.

## Notes to the Accounts for the year ended 31 December 2021

### *Tangible fixed assets*

Tangible fixed assets are measured at their original cost value, or subsequent revaluation, or if donated, as described above. Cost value includes all costs expended in bringing the asset into its intended working condition.

Depreciation has been provided at the following rates in order to write off the assets to their anticipated residual value over their estimated useful lives.

Plant and machinery	33.33 % straight line
---------------------	-----------------------

When assets are acquired for the furtherance of the charity's objects, utilising the charity's own unrestricted funds, a transfer is made from unrestricted funds to a designated fixed asset fund.

Whether acquired with unrestricted or restricted funds, the asset acquired is initially shown in the balance sheet at the full cost of acquisition or subsequent revaluation.

As the related assets are depreciated, in accordance with the depreciation policy, in order to reflect the diminution in the asset, a transfer is made from the relevant fixed asset funds to either unrestricted or restricted revenue funds, as appropriate to the terms of the original gift, if any.

The effect of this policy is that the aggregate of all fixed asset funds shall equate to the net book value of fixed assets.

In the first year that this policy was adopted, a transfer to fixed asset funds was made equivalent to the net book value of the assets.

### **Stocks and work in progress**

Stock is valued at the lower of cost and net realisable value.

### **Debtors**

Debtors are measured at their recoverable amounts at the balance sheet date.

### **Cash and bank balances**

Cash held by the charity is included at the amount actually held and counted at the year end. Bank balances, whether in credit or overdrawn, are shown at the amounts properly reconciled to the bank statements.

### **Pensions - defined contribution schemes**

The company operates a defined contribution pension scheme. Contributions are charged to the profit and loss account as they become payable in accordance with the rules of the scheme.

## **2 Liability to taxation**

The Trustees consider that the charity satisfies the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 for UK corporation tax purposes. Accordingly, the Charity is potentially exempt from taxation in respect of income or capital gains received within categories covered by chapter 3 part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively on the specific charitable objects of the charity and for no other purpose. Value Added Tax is only partially recoverable by the charity, and the cost of such VAT that is irrecoverable is included in the Statement of Financial Activities.
