TRUSTEES' ANNUAL REPORT *(continued)*

YEAR ENDED 30 SEPTEMBER 2023

OBJECTIVES AND ACTIVITIES

The main objects for which the company is established are:

- The stimulation of education and training for seafarers.
- To encourage persons seeking to follow a career in the Merchant Navy, Civil Air Service and Armed Forces.
- To sponsor Merchant Navy Deck and Engineer Cadets.
- To perpetuate the name and ideals of training and education formerly enshrined in the HMS Conway Cadet School.

Individuals selected for grant assistance must be qualified for the courses they will undertake and qualified for entry to the Merchant Navy.

In carrying out the Trust's activities, Trustees have followed Charity Commission guidance to ensure that it pays due attention to the principles of Public Benefit. Conway sponsorship is open to all in the UK, subject to satisfying both university entrance requirements and Government standards for entry to the Merchant Navy.

RISK STATEMENT

The Trustees review the Trust's exposure to risk each year. In particular they review the arrangements for the amelioration of financial risk and fraud at its Investment Managers, its Accountants and Trinity/Chiltern Maritime Ltd, its Training Managers. The Trust is content that the present arrangements are working well. The Trust is satisfied with the various procedures and protections in place.

RESTRICTION ON THE CHARITY'S OPERATIONS

The income and property shall be applied solely towards the promotion of its objects as set out in its Memorandum of Association.

ACHIEVEMENTS AND PERFORMANCE

REVIEW OF ACTIVITIES

The Trust has continued to recruit, train and support individuals who meet the entry standards for Merchant Navy Deck and Engineer Officers and the relevant academic standards for degree level education at the Fleetwood Nautical Campus. Captain L Hesketh (Trustee) is the Trust's Training Manager. This role includes recruiting and selecting candidates as well as mentoring them throughout their training. Recruitment and training management as well as costs were shared with Trinity House on a 50/50 basis until April 2022 when the joint training agreement was terminated. Cadets already in the system will continue to be sponsored half by Trinity House until their training concludes. This applies to 5 Cadets. Any new recruits taken on by CMNT will be paid for 100% by CMNT. This applies to one cadet in training and two recruited for September 2023.

The split with Trinity House (TH) came about due to a disagreement between TH and their training service provider, Chiltern. TH unilaterally decided to sack Chiltern and establish a new training provider. CMNT Trustees decided to stay with Chiltern. CMNT now deals directly with Chiltern and charges TH 50% of all Cadet costs for the eligible cadets.

THE CONWAY MERCHANT NAVY TRUST COMPANY LIMITED BY GUARANTEE

TRUSTEES' ANNUAL REPORT *(continued)*

YEAR ENDED 30 SEPTEMBER 2023

Despite committing to abide by the 2017 Memorandum of Agreement signed by the two parties, TH has proved very difficult by delaying payments to CMNT and now says they do not want to continue funding TH/CMNT cadets through to degree level. Discussions with TH are on-going.

The Cadet recruited in 2019 is in the final part of his training at Fleetwood. He had his Sea time considerably disrupted due to Covid but is now working on his dissertation in his final year. His fellow entrant in 2019 has earned a 1st Class BSc (hons) Maritime Business and Management and as a fully qualified OOW has left the CMNT scheme.

Both the Cadets from the 2020 intake are progressing well, one being an Engineer Cadet and the other Deck. Both have passed their relevant OOW and started the BSc top up courses in September 2023. They will leave CMNT in Jun/July 2024

The 2021 intake of two Deck Cadets are now completing their sea time. One sailed on the Sir David Attenborough in the Arctic and will move onto RSS James Cook and the other sailed on a very luxury cruise ship and will move onto ferries.

The recruit for 2022 is the first 100% CMNT Cadet for many years and is enjoying the course. He is currently at Fleetwood where he is joined by the two new Cadets who started at the college in September 2023. One of the new intake is from the Isle of Man and as such CMNT will share the cost of his training with the IoM Government.

During the year, Captain L. Hesketh has liaised with the various organisations concerned with the cadets training and welfare, including colleges, training providers and the Merchant Navy Training Board.

In addition to direct Cadet training CMNT has established the Conway Sea Training Award to encourage young people to gain offshore experience through tall ship voyages. This is operated in support of the Duke of Edinburgh award scheme.

FINANCIAL REVIEW

Net expenditure in the year was £37,816 (2022: £23,227). Expenditure in the year (apart from administrative expenditure) has been applied solely to the objects of the Charity. During the year there was a deficit of £16,240 (2022: £165,687) after net realised and unrealised gains on investments of £21,576 (2022: net losses of £142,460). Investments have been included at market value to comply with the Statement of Recommended Practice for Charities.

RESERVES POLICY

It is the Trust's intention to continue to hold investments for the foreseeable future and to use the income from these to further its objectives. Charity Commission guidance defines free reserves as 'income which becomes available to the charity and is to be expended at the trustees' discretion in furtherance of the charity's objects, but is not yet spent, committed or designated'. At the balance sheet date, the charity's free reserves amounted to £164,166 (see note 16) after deducting fixed asset investments, which the Trustees regard as satisfactory in order to avoid any undue disruption to the anticipated level of sponsorship.

TRUSTEES' ANNUAL REPORT *(continued)*

YEAR ENDED 30 SEPTEMBER 2023

INVESTMENT POLICY

The Trustees use Quilter Cheviot, (see Risk Statement, p.2), as investment managers. There has been no significant change in the Trust's investment policy during the year and the Trust has remained fully invested except for the retention in cash of a small amount of capital to make up any shortfall of income over charitable expenditure. The Trust continues to endeavour to finance its education and training activities from income and from Government grants, whilst over the longer term aiming to maintain the real value of its investments.

PLANS FOR FUTURE PERIODS

The Trust plans to continue the objectives and activities that are currently set out on pages 2 & 3. As detailed in note 21 to the financial statements, the charity currently has commitments for funding trainees up to 2024/25.

MERCHANT NAVY TRUST**

YEAR ENDED 30 SEPTEMBER 2023

I report to the charity trustees on my examination of the accounts of the company for the year ended 30 September 2023, which are set out on pages 7 to 15.

Responsibilities and basis of report

As the charity trustees of the company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your company's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

At current levels the Trust is committed, subject to conditions as noted in the accounting policy on trainees' sponsorship, to make total payments of £400,000 of which £100,000 is payable by the end of May 2024. In addition, the Trust also has a commitment for the associated charges relating to trainee sponsorship. Commitments relate to University costs and cadet grants up to 2027.
