KING DAVID SCHOOLS (MANCHESTER)

TRUSTEE'S REPORT FOR THE YEAR ENDED 31 AUGUST 2022

The Trustee presents its annual report together with the audited financial statements of the Charity for the year from 1 September 2021 to 31 August 2022.

Objectives and activities

a. Charity Information

The Trustee presents its annual report and the financial statements for the year ended 31 August 2022. These accounts are prepared in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102), the Charities Statement of Recommended Practice (SORP) 2019 and Charities Act 2011.

b. Reference and Administrative Details

King David Schools (Manchester) is a registered charity (No. 526631), its principal address is shown on the charity information page. The charity is a public benefit entity.

c. Structure, Governance and Management

King David Schools (Manchester) was established under a Trust Deed dated 20 February 1873 and Articles of Government sealed 27 January 1959 as amended by Constitution dated 13 January 2003.

On 7 February 2012 the Charity Commission for England and Wales approved the replacement of the former individual trustees by a corporate trustee, KDS Trustees Limited. The former individual trustees became directors of the new trustee.

The Trustee is responsible for the overall governance of the Schools as a charity. The Trustee's role is to have an overview of the effectiveness of the schools and to ensure the maintenance of the faith and of the high standards of education generally. The Trustee appoints the Governors. The delivery of the education and curriculum and the management of the schools is controlled through the various Boards of Governors of each of the schools, namely

- The King David High School (including Sixth Form and Yavneh)
- The King David Primary School
- Crèche/Nursery (incorporated within the Charity)

Effective partnership between the Trustee, Governors and staff has contributed significantly to a successful year of activity. The trustees meet, formally, once per year to discuss the accounts and are in touch with each other throughout the year. These meetings include a review of strategy and operational performance and set operating plans and budgets as and when necessary.

New officers of the Trustee company receive an induction pack containing everything they need to know about the Schools and its work for effective and informed decision-making. The officers of the Trustee company are regularly kept up to date about their responsibilities. Remuneration of key management personnel is determined by the trustee.

d. Bursar and Trustee

The Bursar and certain delegated officers of the Trustee company are responsible for the day to day management of King David Schools (Manchester) and for implementing policies.

KING DAVID SCHOOLS (MANCHESTER)

TRUSTEE'S REPORT (CONTINUED) FOR THE YEAR ENDED 31 AUGUST 2022

Objectives and activities (continued)

e. Corporate Governance

Processes are in place to ensure that performance is monitored and that appropriate management information is prepared and reviewed regularly by both the Treasurer of the Trustee company and its Board of Directors.

The systems of internal control are designed to provide reasonable assurance but not absolute assurance against material misstatement or loss. They include:

- An annual budget approved by the Trustee company.
- Regular consideration by the trustee of financial results and variances from budgets.
- Delegation of day to day management authority and segregation of duties.
- Identification and management of risks.

f. Risk Management

The Trustee has introduced a formal risk management process to assess business risks and implement risk management strategies. This has involved identifying the types of risks the School faces, prioritising them in terms of potential impact and likelihood of occurrence, and identifying means of managing the risks. As part of this process the Trustee has reviewed the adequacy of the School's current internal controls and the costs of operating particular controls relative to the benefits obtained. Procedures have been established for reporting failings immediately to the Board of Directors of the Trustee that include regular bank reconciliations as well as the production of management accounts at the end of each term which are reviewed by the officers of the Trustee.

The key risk facing the charity is the level of voluntary contributions and donations that it receives from parents and donors. Declining receipts translate into less funds available to improve the education being offered to our pupils. The Trustee endeavours to educate parents along with the wider community of the importance of their financial support especially in the light of the reducing government funding being made to our schools on the KD campus.

KING DAVID SCHOOLS (MANCHESTER)

TRUSTEE'S REPORT (CONTINUED) FOR THE YEAR ENDED 31 AUGUST 2022

Achievements and performance

a. Objectives, Activities, Achievements and Performance

King David Schools (Manchester) exists to provide children with a meaningful orthodox Jewish religious education coupled with an excellent secular education.

All units on campus continue to achieve exemplary results in both the religious and secular area. The Primary School is rated "Outstanding" by OFSTED. The High School (including Sixth Form and Yavneh) results for both GCSE and 'A' level examinations placed it as the best comprehensive in the North West and the 7th best non-selective school in the country (Sunday Times – Parent Power, 5th December 2021).

The latest Ofsted review and correspondence from the Department for Education are explained on page 7 (g. Going Concern).

The Trustee has given due consideration to the Charity Commission's guidance on public benefit requirement under the Charities Act 2011, when reviewing the Charity's aims and objectives and in planning future activities. As a leading quality school to the Jewish community the Trustee notes that its success acknowledged nationally both in the secular and religious fields continues. Our pupils are well prepared to move on to leading universities, religious and secular colleges with many of our former students achieving success in the wider community.

b. Core Objectives and Strategy

The strategy is achieved by encouraging all units on the King David Campus to employ highest grade teachers who are able to instil in the pupils not only excellence in knowledge but also to experience a warm, friendly Jewish environment with a commitment to giving to the community as a whole. The Trustee continues to ensure that the facilities are up to date and suitable for the delivery of the educational and religious objectives.

The Schools are dependent on voluntary contributions from parents, donations and educational grants in order to fulfil its objectives. Failure of parents to meet their voluntary contribution commitments will threaten the school's ability to achieve its objectives.

KING DAVID SCHOOLS (MANCHESTER)

TRUSTEE'S REPORT (CONTINUED) FOR THE YEAR ENDED 31 AUGUST 2022

Financial review

a. Financial Review, Management Policies and Results for the Year

The Consolidated Statement of Financial Activities (SoFA), set out on page 13, shows that the group received total income of £10,240,169 (2021: £9,421,910). £10,476,021 (2021: £9,976,703) was incurred as expenditure leaving a gain of £2,352,870 (2021: deficit of £804,739) after a depreciation charge of £665,308 (2021: £629,972) and gains arising from changes in actuarial assumptions of £2,589,000 (2021: losses of £249,000).

This group position however, takes into account the surpluses in actuarial gains/(losses) in the pension schemes positions, which are long term non-cash items, of £1,372,000 (2021: £87,000) in The King David High School (KDHS) and £1,217,000 (2021: £162,000) in the King David Primary School (KDPS). Had these accounting entries not been included in this year's results, we would be facing a deficit of around £236,130 (2021: £555,739).

The principal funding sources are donations, voluntary contributions from parents, income from the nursery and statutory government funding for the two academies, King David High School and King David Primary School.

The charity itself generated a deficit of £216,411 (2021: £321,270), which included £564,695 (2021: £566,961) of depreciation expenditure in the year.

The charity made an unrealised loss on its investments of £278 (2021: £946) leaving a total net movement in funds to be added to the reserves. The trustee remains conscious that more funds will have to be raised to maintain the ongoing excellence to which they are committed. Without parental assistance the current achievement of acclaimed success could be threatened.

The Charity continues to monitor its results against performance as its measurement of success. The Charity does not employ a professional fundraiser and relies on assistance from the Trustee, Governors and parents. Whilst it was noted that the Voluntary Contributions from parents continued below expectation, the Charity held a Fundraiser in 2022 for funds to be donated over 2 years. The Charity must continue its fundraising activities in order for it to be able to continue providing for its primary objectives and to maintain the high levels of educational standards. The Charity has not received any complaints about its fundraising activities and has policies in place to ensure that there is no unreasonable intrusion into a person's privacy.

b. Reserves

The policy of the Trustee has been and continues to be to utilise all reserves to fund the activities of the charity which has resulted from the development and growth of the campus, particularly the High School and to improve the religious and cultural educational experience across all the schools. Ideally the trustees would like the trust to hold two years' net expenditure of approx £1,000,000 as free reserves, but with constant erosion of the Academies funding from central government resulting in the Trustee having to support the two academies on the KD campus at a greater level than was envisaged that has not been possible.

The total reserves at the year end are £25,515,797 (2021: £23,162,927). This includes unrestricted reserves of £1,184,771 (2021: £2,847,259) and restricted reserves of £24,331,026 (2021: £20,315,668).

The Trustee is seeking sources of additional funding for capital expenditure in order that total reserve levels are improved. The Trustee does not consider that this has inhibited activities in any way.

Free Reserves

Free reserves for the group as at 31 August 2022 stood at £264,819 (2021: £326,099).

KING DAVID SCHOOLS (MANCHESTER)

TRUSTEE'S REPORT (CONTINUED) FOR THE YEAR ENDED 31 AUGUST 2022

c. Investment Policy and Performance

The Charity has a small investment in a quoted company and a subsidiary but in the main all funds are held in cash since they are currently being directed to the major campus enhancement capital building programme. The policy is to sell these shares as and when the trustee consider the time to be propitious.

d. Staff Training and Career Development

The schools are committed to the training, career development and welfare of its employees. An individual's career development is assessed through appraisal and supervision. Training programmes are provided to meet ongoing needs, with the aim of developing employees for both their current and their future roles.

Pay and remuneration of Key Management Personnel are reviewed independently by the Directors of the Trustee Company who themselves are not compensated.

e. Auditors

Crowe U.K. LLP will be proposed for re-appointment at the Trustee meeting.

f. Future Plans

The King David School Campus now provides top class education in both secular and Jewish religious studies, with a wide cross section of extracurricular activities covering sports, art and culture housed in the most modern buildings with enhanced advance technological facilities supported by a most dedicated and capable staff. The Trustee is determined to reach out further in building a school of excellence which will continue to be the pride of the Jewish Community.

KING DAVID SCHOOLS (MANCHESTER)

TRUSTEE'S REPORT (CONTINUED) FOR THE YEAR ENDED 31 AUGUST 2022

g. Going Concern

The charity and group meets its day-to-day requirements through its bank facilities and the extremely generous donors and parents. The group are considering a number of fundraising opportunities to recover the deficits going forward. Charity projections taking account of reasonable possible changes in performance show that the charity should be able to operate within the level of its current facilities. There is no intention by Mr J Rowe to request full repayment of the concessionary loan in the near future unless the charity can afford to do so.

The charity continues to monitor its results against performance as its measurement of success. The charity does not employ a professional fundraiser and relies on the assistance from the Trustee, governor and parents. Whilst voluntary contributions from parents continue to be below the ideal level, to compensate, the charity held a fundraising campaign in the prior year which raised over £1.2m (payable over two years). This ensures that the charity is able to continue with its primary objectives and to maintain the high levels of educational standards.

The Charity has use of an overdraft facility to ensure that any temporary cash flow shortfalls are covered.

The Charity has undertaken to provide financial support to the KDHS Academy, provided that KDHS's financial requirements do not exceed their budget and that there are no significant changes to the Board of Governors of the KDHS Academy.

At present, the KDHS Academy is operating under a termination notice warning from the Department for Education (DfE) whereby the funding agreement could be terminated by the Secretary of State as a result of it being classed as inadequate and requiring 'special measures'. If the Regional Schools Commissioner is not satisfied that the KDHS Academy will be able to deliver rapid and sustainable improvement they will consider terminating the (DfE) funding and transferring KDHS to an alternative academy trust. As a result of this, the KDHS Academy disclosed in its own accounts that a material uncertainty existed in relation to the going concern of KDHS Academy.

Whilst the latest correspondence from the Ofsted in December 2022 notes that progress has been made towards the removal of special measures as a result of improvements being made, at the date of signing the accounts of the Charity, the KDHS Academy is still operating under the warning notice. Should any transfer be required in the future, it is likely that this would mean a significant change to the Board of Governors and hence the support by the Charity would cease. Having considered the position at length, the Trustee of the Charity has therefore concluded that there is therefore no material uncertainty in relation to the going concern of the Charity irrespective of the uncertainties of the KDHS Academy and the Charity is able to present its accounts on a going concern basis.

As has been the case for many years, the Trustee continues its success in maintaining sufficient income to ensure the requirements of the group are met in full. However, the group must continue its fundraising activities if the Academies are to continue to provide the academic excellence it has in the past.

The group therefore continues to adopt the going concern basis in the financial statements.

KING DAVID SCHOOLS (MANCHESTER)

TRUSTEE'S REPORT (CONTINUED) FOR THE YEAR ENDED 31 AUGUST 2022

Statement of Trustee's responsibilities

The Trustee is responsible for preparing the Trustee's report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England & Wales requires the Trustee to prepare financial statements for each financial which give a true and fair view of the state of affairs of the Group and the Charity and of their incoming resources and application of resources, including their income and expenditure, for that period. In preparing these financial statements, the Trustee are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP (FRS 102);
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards (FRS 102) have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Group will continue in business.

The Trustee is responsible for keeping adequate accounting records that are sufficient to show and explain the Group and the Charity's transactions and disclose with reasonable accuracy at any time the financial position of the Group and the Charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the Trust deed. They are also responsible for safeguarding the assets of the Group and the Charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Disclosure of information to auditor

Each director of the Trustee at the time when this Trustee's report is approved have confirmed that:

- so far as the directors of the Trustee are aware, there is no relevant audit information of which the charitable group's auditor is unaware, and
- that the directors of the Trustee have taken all the steps that ought to have been taken as a Trustee in order to be aware of any relevant audit information and to establish that the charitable group's auditor is aware of that information.

Approved by order of the members of the board of Trustee on
their behalf by:

09 MAY 2023

and signed on

Joshua Rowe
Chair of KDS Trustees Ltd

KING DAVID SCHOOLS (MANCHESTER)

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF KING DAVID SCHOOLS (MANCHESTER)

Opinion

We have audited the financial statements of King David Schools (Manchester) (the 'parent charity') and its subsidiaries (the 'group') for the year ended 31 August 2022 which comprise the Consolidated Statement of Financial Activities, the Consolidated balance sheet, the Charity balance sheet, the Consolidated statement of cash flows and the related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements :

- give a true and fair view of the state of the Group's and of the parent charity's affairs as at 31 August 2022 and of the Group's incoming resources and application of resources, including its income and expenditure for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Charities Act 2011.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Group in accordance with the ethical requirements that are relevant to our audit of the financial statements in the United Kingdom, including the Financial Reporting Council's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the Trustee use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the Group's or the parent charity's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the Trustee with respect to going concern are described in the relevant sections of this report.

KING DAVID SCHOOLS (MANCHESTER)

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF KING DAVID SCHOOLS (MANCHESTER) (CONTINUED)

Other information

The trustee is responsible for the other information contained within the annual report. The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Charities (Accounts and Reports) Regulations 2008 requires us to report to you if, in our opinion:

- the information given in the financial statements is inconsistent in any material respect with the trustees' report; or
- sufficient accounting records have not been kept by the parent charity; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of trustees

As explained more fully in the Trustee's responsibilities statement, the Trustees are responsible for the preparation of the which give a true and fair view, and for such internal control as the Trustee determine is necessary to enable the preparation of that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Trustee is responsible for assessing the Group's and the parent charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Trustee either intend to liquidate the Group or the parent charity or to cease operations, or have no realistic alternative but to do so.

KING DAVID SCHOOLS (MANCHESTER)

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF KING DAVID SCHOOLS (MANCHESTER) (CONTINUED)

Auditor's responsibilities for the audit of the financial statements

We have been appointed as auditor under section 151 of the Charities Act 2011 and report in accordance with the Act and relevant regulations made or having effect thereunder.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

We obtained an understanding of the legal and regulatory frameworks within which the charity operates, focusing on those laws and regulations that have a direct effect on the determination of material amounts and disclosures in the financial statements. The laws and regulations we considered in this context were the Charities Act 2011 together with the Charities SORP (FRS102) 2019. We assessed the required compliance with these laws and regulations as part of our audit procedures on the related financial statement items.

In addition, we considered provisions of other laws and regulations that do not have a direct effect on the financial statements but compliance with which might be fundamental to the charity's ability to operate or to avoid a material penalty. We also considered the opportunities and incentives that may exist within the charity for fraud. The laws and regulations we considered in this context for the UK operations were Charity Commission regulations.

Auditing standards limit the required audit procedures to identify non-compliance with these laws and regulations to enquiry of the Trustees and other management and inspection of regulatory and legal correspondence, if any.

We identified the greatest risk of material impact on the financial statements from irregularities, including fraud, to be within the timing of recognition of income and the override of controls by management. Our audit procedures to respond to these risks included enquiries of management and the Audit & Risk Committee about their own identification and assessment of the risks of irregularities, sample testing on the posting of journals, reviewing accounting estimates for biases, reviewing regulatory correspondence with the Charity Commission and reading minutes of meetings of those charged with governance.

Owing to the inherent limitations of an audit, there is an unavoidable risk that we may not have detected some material misstatements in the financial statements, even though we have properly planned and performed our audit in accordance with auditing standards. For example, the further removed non-compliance with laws and regulations (irregularities) is from the events and transactions reflected in the financial statements, the less likely the inherently limited procedures required by auditing standards would identify it. In addition, as with any audit, there remained a higher risk of non-detection of irregularities, as these may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls. We are not responsible for preventing non-compliance and cannot be expected to detect non-compliance with all laws and regulations.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of auditor's report.

KING DAVID SCHOOLS (MANCHESTER)

**INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF KING DAVID SCHOOLS (MANCHESTER)
(CONTINUED)**

Use of our report

This report is made solely to the charity's trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. Our audit work has been undertaken so that we might state to the charity's trustees those matters those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and its trustees, as a body, for our audit work, for this report, or for the opinions we have formed.

KING DAVID SCHOOLS (MANCHESTER)

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 AUGUST 2022

1. General information

King David Schools (Manchester) is a registered charity (No. 526631), its principal address is shown on the charity information page. The charity is a public benefit entity.

2. Accounting policies

2.1 Basis of preparation of financial statements

The financial statements have been prepared in accordance with the Charities SORP (FRS 102) - Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Charities Act 2011.

King David Schools (Manchester) meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

The Consolidated statement of financial activities (SOFA) and Consolidated balance sheet consolidate the financial statements of the Charity and its subsidiary undertakings. The results of the subsidiaries are consolidated on a line by line basis. The charity has the right to appoint/ remove members and governors of the consolidated entities and as such has control. The subsidiaries included in the consolidation are The King David Primary School (company number 08424154) and The King David High School (company number 07716057).

KING DAVID SCHOOLS (MANCHESTER)

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 AUGUST 2022

2. Accounting policies (continued)

2.2 Going concern

The charity and group meets its day-to-day requirements through its bank facilities and the extremely generous donors and parents. The group are considering a number of fundraising opportunities to recover the deficits going forward. Charity projections taking account of reasonable possible changes in performance show that the charity should be able to operate within the level of its current facilities. There is no intention by Mr J Rowe to request full repayment of the concessionary loan in the near future unless the charity can afford to do so.

The charity continues to monitor its results against performance as its measurement of success. The charity does not employ a professional fundraiser and relies on the assistance from the Trustee, governor and parents. Whilst voluntary contributions from parents continue to be below the ideal level, to compensate, the charity held an internet fundraising campaign in the year which raised over £1.2m (payable over a number of years). This ensures that the charity is able to continue with its primary objectives and to maintain the high levels of educational standards.

The Charity has undertaken to provide financial support to the KDHS Academy, provided that KDHS's financial requirements do not exceed their budget and that there are no significant changes to the Board of Governors of the KDHS Academy.

At present, the KDHS Academy is operating under a termination notice warning from the Department for Education (DfE) whereby the funding agreement could be terminated by the Secretary of State as a result of it being classed as inadequate and requiring 'special measures'. If the Regional Schools Commissioner is not satisfied that the KDHS Academy will be able to deliver rapid and sustainable improvement they will consider terminating the (DfE) funding and transferring KDHS to an alternative academy trust. As a result of this, the KDHS Academy disclosed in its own accounts that a material uncertainty existed in relation to the going concern of KDHS Academy.

Whilst the latest correspondence from the Ofsted in December 2023 notes that progress has been made towards the removal of special measures as a result of improvements being made, at the date of signing the accounts of the Charity, the KDHS Academy is still operating under the warning notice. Should any transfer be required in the future, it is likely that this would mean a significant change to the Board of Governors and hence the support by the Charity would cease. Having considered the position at length, the Trustee of the Charity has therefore concluded that there is therefore no material uncertainty in relation to the going concern of the Charity irrespective of the uncertainties of the KDHS Academy and the Charity is able to present its accounts on a going concern basis.

As has been the case for many years, the Trustee continues its success in maintaining sufficient income to ensure the requirements of the group are met in full. However, the group must continue its fundraising activities if the Academies are to continue to provide the academic excellence it has in the past.

The group therefore continues to adopt the going concern basis in the financial statements.

KING DAVID SCHOOLS (MANCHESTER)

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 AUGUST 2022

2. Accounting policies (continued)

2.3 Income

All income is recognised once the Charity has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

Grants are included in the Consolidated statement of financial activities on a receivable basis. The balance of income received for specific purposes but not expended during the period is shown in the relevant funds on the Balance sheet. Where income is received in advance of entitlement of receipt, its recognition is deferred and included in creditors as deferred income. Where entitlement occurs before income is received, the income is accrued.

Gifts in kind donated for distribution are included at valuation and recognised as income when they are distributed to the projects. Gifts donated for resale are included as income when they are sold.

Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

KING DAVID SCHOOLS (MANCHESTER)

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 AUGUST 2022

2. Accounting policies (continued)

2.4 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use.

Expenditure on charitable activities is incurred on directly undertaking the activities which further the Group's objectives, as well as any associated support costs.

Grants payable are charged in the year when the offer is made except in those cases where the offer is conditional, such grants being recognised as expenditure when the conditions attaching are fulfilled. Grants offered subject to conditions which have not been met at the year end are noted as a commitment, but not accrued as expenditure.

All expenditure is inclusive of irrecoverable VAT.

2.5 Tangible fixed assets and depreciation

Tangible fixed assets costing £2,000 or more are capitalised and recognised when future economic benefits are probable and the cost or value of the asset can be measured reliably.

Tangible fixed assets are initially recognised at cost. After recognition, under the cost model, tangible fixed assets are measured at cost less accumulated depreciation and any accumulated impairment losses. All costs incurred to bring a tangible fixed asset into its intended working condition should be included in the measurement of cost.

At each reporting date the Charity assesses whether there is any indication of impairment. If such indication exists, the recoverable amount of the asset is determined to be the higher of its fair value less costs to sell and its value in use. An impairment loss is recognised where the carrying amount exceeds the recoverable amount.

Depreciation is charged so as to allocate the cost of tangible fixed assets less their residual value over their estimated useful lives, using the straight-line method.

Depreciation is provided on the following bases:

Freehold property and buildings	- 2% Straight line
Motor vehicles	- 20% Straight line
Fixtures and fittings	- 15% Reducing balance
Computer equipment	- 33% Straight line

KING DAVID SCHOOLS (MANCHESTER)

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 AUGUST 2022

2. Accounting policies (continued)

2.6 Investments

Fixed asset investments are a form of financial instrument and are initially recognised at their transaction cost and subsequently measured at fair value at the Balance sheet date, unless the value cannot be measured reliably in which case it is measured at cost less impairment. Investment gains and losses, whether realised or unrealised, are combined and presented as 'Gains/(Losses) on investments' in the Consolidated statement of financial activities.

2.7 Stocks

Stocks are valued at the lower of cost and net realisable value after making due allowance for obsolete and slow-moving stocks. Cost includes all direct costs and an appropriate proportion of fixed and variable overheads.

2.8 Debtors

Trade and other debtors are recognised at the settlement amount after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

2.9 Cash at bank and in hand

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

2.10 Liabilities and provisions

Liabilities are recognised when there is an obligation at the Balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably.

Liabilities are recognised at the amount that the Charity anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

Provisions are measured at the best estimate of the amounts required to settle the obligation. Where the effect of the time value of money is material, the provision is based on the present value of those amounts, discounted at the pre-tax discount rate that reflects the risks specific to the liability. The unwinding of the discount is recognised in the Consolidated statement of financial activities as a finance cost.

2.11 Financial instruments

The Group only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

2.12 Pensions

The Group operates a defined contribution pension scheme and the pension charge represents the amounts payable by the Group to the fund in respect of the year. Contributions for personal pension schemes are accounted for in the year to which they relate.

KING DAVID SCHOOLS (MANCHESTER)

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 AUGUST 2022

2. Accounting policies (continued)

2.13 Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the Trustee in furtherance of the general objectives of the Group and which have not been designated for other purposes.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the Group for particular purposes. The costs of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the financial statements.

Investment income, gains and losses are allocated to the appropriate fund.

10. Staff costs

	Group 2022 £	Group 2021 £	Charity 2022 £	Charity 2021 £
Wages and salaries	4,923,380	4,851,143	583,963	494,054
Social security costs	428,077	399,294	-	-
Contribution to defined contribution pension schemes	1,139,054	984,926	13,202	12,259
	<u>6,490,511</u>	<u>6,235,363</u>	<u>597,165</u>	<u>506,313</u>

The average number of persons employed by the Charity during the year was as follows:

	Group 2022 No.	Group 2021 No.
Teaching	96	96
Educational Support	53	48
Administration	5	6
Premises	3	3
Management	5	3
LA/SLA	5	5
	<u>167</u>	<u>161</u>

The number of employees whose employee benefits (excluding employer pension costs) exceeded £60,000 was:

	Group 2022 No.	Group 2021 No.
In the band £60,001 - £70,000	1	2
In the band £70,001 - £80,000	2	1

The remuneration (excluding employer pension and NI costs) received by key management personnel of the charity was £71,372 (2021: £70,805). The remuneration received by key management personnel of the academies was £590,941 (2021: £518,264).

One or more of the Governors has been paid remuneration or has received other benefits from an employment with the subsidiary academy trusts. The Principal and other staff governors only receive remuneration in respect of services they provide in undertaking the roles of Principal and other staff members under their contracts of employment, and not in respect of their role as Governors. The value of Governors' remuneration and other benefits is disclosed in the individual academy financial statements and are publicly available.

KING DAVID SCHOOLS (MANCHESTER)

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 AUGUST 2022

24. Pension commitments

The Charity operates a defined contribution pension scheme. Contributions totalling £2,834 (2021: £2,369) were payable to the fund at the balance sheet date and are included in creditors.

The Group operates a defined benefit pension scheme.

The academies' employees belong to two principal pension schemes: the Teachers' Pension Scheme for England and Wales (TPS) for academic and related staff; and the Local Government Pension Scheme (LGPS) for non-teaching staff, which is managed by Hymans Robertson LLP. Both are multi-employer defined benefit schemes.

The latest actuarial valuation of the TPS related to the period ended 31 March 2016 and of the LGPS 31 March 2019.

There were no outstanding or prepaid contributions at either the beginning or the end of the financial year.

Teachers' Pension Scheme

The Teachers' Pension Scheme (TPS) is a statutory, contributory, defined benefit scheme, governed by the Teachers' Pension Scheme Regulations 2014. Membership is automatic for full-time teachers in academies and, from 1 January 2007, automatic for teachers in part-time employment following appointment or a change of contract, although they are able to opt out.

The TPS is an unfunded scheme and members contribute on a 'pay as you go' basis - these contributions along with those made by employers are credited to the Exchequer. Retirement and other pension benefits are paid by public funds provided by Parliament.

The Government Actuary, using normal actuarial principles, conducts a formal actuarial review of the TPS in accordance with the Public Service Pensions (Valuations and Employer Cost Cap) Directions 2014 published by HM Treasury every 4 years. The aim of the review is to specify the level of future contributions. Actuarial scheme valuations are dependent on assumptions about the value of future costs, design of benefits and many other factors. The latest actuarial valuation of the TPS was carried out as at 31 March 2016. The valuation report was published by the Department for Education on 5 March 2019.

The key elements of the valuation and subsequent consultation are:

1. employer contribution rates set at 23.68% of pensionable pay (including a 0.08% administration levy)
2. total scheme liabilities (pensions currently in payment and the estimated cost of future benefits) for service to the effective date of £218,100 million and notional assets (estimated future contributions together with the notional investments held at the valuation date) of £196,100 million, giving a notional past service deficit of £22,000 million
3. the SCAPE rate, set by HMT, is used to determine the notional investment return. The current SCAPE rate is 2.4% above the rate of CPI, assumed real rate of return is 2.4% in excess of prices and 2% in excess of earnings. The rate of real earnings growth is assumed to be 2.2%. The assumed nominal rate of return including earnings growth is 4.45%.

The next valuation result is due to be implemented from 1 April 2023.

The employer's pension costs paid to TPS in the year amounted to £794,5016 (2021 - £753,391).

A copy of the valuation report and supporting documentation is on the Teachers' Pensions website (<https://www.teacherspensions.co.uk/news/employers/2019/04/teachers-pensions-valuation-report.aspx>).

KING DAVID SCHOOLS (MANCHESTER)

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 AUGUST 2022

24. Pension commitments (continued)

Under the definitions set out in FRS 102, the TPS is an unfunded multi-employer pension scheme. The academy has accounted for its contributions to the scheme as if it were a defined contribution scheme. The academy has set out above the information available on the scheme.

Local Government Pension Scheme

The LGPS is a funded defined benefit pension scheme, with the assets held in separate trustee administered funds. The total contribution made for the year ended 31 August 2022 was £206,000 (2021 - £198,000), of which employer's contributions totalled £156,000 (2021 - £151,000) and employees' contributions totalled £50,000 (2021 - £47,000). The agreed contribution rates for future years are 19.1 per cent for employers and 5.5 - 12 per cent for employees.

As described in note the LGPS obligation relates to the employees of the academy, who were the employees transferred as part of the conversion from the maintained school and new employees who were eligible to, and did, join the Scheme in the year. The obligation in respect of employees who transferred on conversion represents their cumulative service at both the predecessor school and the academy at the balance sheet date.

Parliament has agreed, at the request of the Secretary of State for Education, to a guarantee that, in the event of academy closure, outstanding Local Government Pension Scheme liabilities would be met by the Department for Education. The guarantee came into force on 18 July 2013.

Principal actuarial assumptions at the Balance sheet date (expressed as weighted averages):
